APPENDIX A GOODS AND SERVICES

1. Background, Purpose, and Ordering.

- 1.1 This Agreement sets forth the terms and conditions that apply to Contractor's provision of Work to the JBEs. "Work" shall mean the Goods, Services, and Deliverables as further described in this Appendix A, Sections 2 and 3, Goods and Services respectively. This Agreement does not obligate a JBE to place any orders for Work under this Agreement, and does not guarantee Contractor a specific volume of orders.
- 1.2 Each JBE shall have the right to place orders under this Agreement for any of the Work. A JBE may place orders for Work by issuing a Purchase Order. A "Purchase Order" is defined as an ordering document used by a JBE to place an order for Work under this Agreement. The form and format of an ordering document may vary. All Purchase Orders will reference this Agreement. The terms and conditions of this Agreement are applicable to all Purchase Orders, regardless of the ordering document or ordering process. Pricing for Work shall be in accordance with the prices set forth in this Agreement. After a Purchase Order has been presented to the Contractor by a JBE, the Contractor shall acknowledge and perform under the Purchase Order in a timely manner. Contractor shall provide the Work for each JBE in accordance with the terms of this Agreement and the applicable Purchase Order.
- 1.3 Purchase Orders issued by a JBE constitute and will be construed as a separate, independent contract between Contractor and such JBE. Such contract will be subject to and incorporate the terms and conditions of this Agreement, provided the following: any additional or supplemental terms and conditions contained in the Purchase Order or in any invoice or confirmation of the Purchase Order that conflict with or materially alter any term or condition of this Agreement, (a) will not be deemed part of such Purchase Order; and (b) will not serve to supersede or modify any provision of this Agreement.
- 1.4 JBEs issuing a Purchase Order under this Agreement will include the name of a JBE contact person in the Purchase Order. Contractor shall contact the JBE's designated contact regarding questions on any Purchase Order or payment status of any Purchase Order.
- 1.5 The JBE signing the Purchase Order shall be solely responsible for: (i) the acceptance of and payment for the Work under such Purchase Orders; and (ii) its obligations and any breach of its obligations. Any breach of obligations by a JBE shall not be deemed a breach by any other JBE. Under no circumstances shall a JBE have any liability or obligation, except pursuant to a Purchase Order signed by such JBE, nor shall any breach by a JBE under a Purchase Order give rise to a breach under any other Purchase Order or be deemed grounds for termination of this Agreement by Contractor. The Establishing JBE shall have no liability or responsibility of any type related to: (i) any other JBE's use of or procurement through this Agreement (including any Purchase Order), or (ii) such JBE's

business relationship with Contractor. The Establishing JBE makes no guarantees, representations, or warranties to any Participating Entity.

- 1.6 This Agreement is a nonexclusive agreement. Each JBE reserves the right to provide, or have others provide the Work. Contractor shall reasonably cooperate with any third parties retained by a JBE to provide the Work.

- 2.7 Inventory.** The JBEs have an ongoing requirement for the Goods and Services and Contractor shall maintain access to a reasonable stock of applicable products necessary to ensure prompt delivery to all JBEs for the duration of the Master Agreement. Failure to maintain access to a reasonable stock shall be deemed a material contractual breach.

The policy must provide combined single limits of at least \$1,000,000 per occurrence.
- 3.2 Umbrella Policies.** Contractor may satisfy basic coverage limits through any combination of basic coverage and umbrella insurance.
- 3.3 Aggregate Limits of Liability.** The basic coverage limits of liability may be subject to annual aggregate limits. If this is the case the annual aggregate limits of liability must be at least two (2) times the limits required for each policy, or the aggregate may equal the limits required but must apply separately to this Agreement.
- 3.4 Deductibles and Self-Insured Retentions.** Contractor shall declare to each JBE all deductibles and self-insured retentions that exceed \$100,000 per occurrence. Any increases in deductibles or self-insured retentions that exceed \$100,000 per occurrence are subject to each JBE’s approval. Deductibles and self-insured retentions do not limit Contractor’s liability.
- 3.5 Additional Insured Endorsements.** Contractor’s commercial general liability policy, automobile liability policy, and, if applicable, umbrella policy must be endorsed to name the following as additional insureds with respect to liabilities arising out of the performance of this Agreement: the Establishing JBE, the State of California, the Participating Entities, and their respective judges, subordinate judicial officers, executive officers, administrators, officers, officials, agents, representatives, contractors, volunteers or employees.
- 3.6 Certificates of Insurance.** Before Contractor begins performing Services, Contractor shall give the Establishing JBE (and on request, any Participating Entity) certificates of insurance attesting to the existence of coverage, and stating that the policies will not be canceled, terminated, or amended to reduce coverage without thirty (30) days’ prior written notice to the Establishing JBE and any Participating Entity.

- 3.7 Qualifying Insurers.** For insurance to satisfy the requirements of this section, all required insurance must be issued by an insurer with an A.M. Best rating of A - or better that is approved to do business in the State of California.
- 3.8 Required Policy Provisions.** Each policy must provide, as follows: (i) the policy is primary and noncontributory with any insurance or self-insurance maintained by Judicial Branch Entities and Judicial Branch Personnel, and the basic coverage insurer waives any and all rights of subrogation against Judicial Branch Entities and Judicial Branch Personnel; (ii) the insurance applies separately to each insured against whom a claim is made or a lawsuit is brought, to the limits of the insurer's liability; and (iii) each insurer waives any right of recovery or subrogation it may have against the Establishing JBE, any Participating Entity, the Judicial Council of California, and their respective judges, subordinate judicial officers, executive officers, administrators, officers, officials, agents, representatives, contractors, volunteers or employees for loss or damage.
- 3.9 Partnerships.** If Contractor is an association, partnership, or other joint business venture, the basic coverage may be provided by either (i) separate insurance policies issued for each individual entity, with each entity included as a named insured or as an additional insured; or (ii) joint insurance program with the association, partnership, or other joint business venture included as a named insured.
- 3.10 Consequence of Lapse.** If required insurance lapses during the Term, the JBEs are not required to process invoices after such lapse until Contractor provides evidence of reinstatement that is effective as of the lapse date.
- 4. Indemnity.** Contractor will defend (with counsel satisfactory to the JBE or its designee), indemnify and hold harmless the Judicial Branch Entities and the Judicial Branch Personnel against all claims, losses, and expenses, including attorneys' fees and costs, that arise out of or in connection with: (i) a latent or patent defect in any Goods; (ii) an act or omission of Contractor, its agents, employees, independent contractors, or subcontractors in the performance of this Agreement; (iii) a breach of a representation, warranty, or other provision of this Agreement or any Purchase Order; and (iv) infringement of any trade secret, patent, copyright or other third party intellectual property. This indemnity applies regardless of the theory of liability on which a claim is made or a loss occurs. This indemnity will survive the expiration or termination of this Agreement or any Purchase Order, and acceptance of any Goods, Services, or Deliverables. Contractor shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement that would bind an indemnified party, without the affected JBE's prior written consent, which consent shall not be unreasonably withheld; and such JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor's duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.
- 5. Option Terms.** The Establishing JBE may elect to extend this Agreement for up to three consecutive one-year terms (each an "Option Term"), at the end of which Option Terms this Agreement shall expire. In order to exercise an Option Term, the Establishing JBE must send

Notice to Contractor at least thirty (30) days prior to the end of the Initial Term (or the then-current Option Term). The Establishing JBE will issue an amendment to this Agreement extending the Term and any agreed upon price adjustments allowed in this Agreement.

6. **Tax Delinquency.** Contractor must provide notice to the JBEs immediately if Contractor has reason to believe it may be placed on either (i) the California Franchise Tax Board's list of 500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts. The Establishing JBE may terminate this Agreement immediately "for cause" pursuant to this Appendix C, Section 7.2, Termination for Cause (and each JBE may terminate its Purchase Order immediately "for cause" pursuant to Section 7.2) if (i) Contractor fails to provide the notice required above, or (ii) Contractor is included on either list mentioned above.

7. **Termination.**

- 7.1 **Termination for Convenience.** The Establishing JBE may terminate, in whole or in part, this Agreement (and a JBE may terminate, in whole or in part, a Purchase Order) for convenience upon thirty (30) days prior Notice. After receipt of such Notice, and except as otherwise directed by the Establishing JBE (and regarding a Purchase Order, except as otherwise directed by the JBE), Contractor shall immediately: (a) stop Services (or development of Deliverables) as specified in the Notice; and (b) stop the delivery or manufacture of Goods as specified in the Notice.

- 7.2 **Termination for Cause.** The Establishing JBE may terminate this Agreement, in whole or in part, immediately "for cause" (and a JBE may terminate a Purchase Order, in whole or in part, immediately "for cause"): if (i) Contractor fails or is unable to meet or perform any of its duties under this Agreement or a Purchase Order, and this failure is not cured within ten (10) days following Notice of default (or in the opinion of the JBE, is not capable of being cured within this cure period); (ii) Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business; or (iii) Contractor makes or has made under this Agreement (or any Purchase Order) any representation, warranty, or certification that is or was incorrect, inaccurate, or misleading.

- 7.3 **Termination for Changes in Budget or Law.** Each JBE's payment obligations are subject to annual appropriation and the availability of funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement or Purchase Order. Funding beyond the current appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement (including a Purchase Order). The Establishing JBE may terminate this Agreement (and any JBE may terminate a Purchase Order), and each JBE may limit Contractor's Work (and reduce proportionately Contractor's fees) upon Notice to Contractor without prejudice to any right or remedy of the JBEs if: (i)

expected or actual funding to compensate Contractor is withdrawn, reduced or limited; or (ii) the Establishing JBE determines that Contractor's performance under this Agreement (or a JBE determines that Contractor's performance under a Purchase Order) has become infeasible due to changes in applicable laws.

7.4 Rights and Remedies.

- A. *Nonexclusive Remedies.* All remedies provided in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the Establishing JBE and the affected Participating Entities immediately if Contractor is in default, or if a third party claim or dispute is brought or threatened that alleges facts that would constitute a default under this Agreement (or a Purchase Order). If Contractor is in default: (i) a JBE may require Contractor to enter into nonbinding mediation; (ii) the Establishing JBE may exercise, following Notice, the Establishing JBE's right of early termination of this Agreement (and a JBE may exercise its right of early termination of a Purchase Order) as provided herein; and (iii) a JBE may seek any other remedy available at law or in equity.
 - B. *Replacement.* If the Establishing JBE terminates this Agreement (or if a JBE terminates a Purchase Order) in whole or in part for cause, the JBE may acquire from third parties, under the terms and in the manner the JBE considers appropriate, goods or services equivalent to those terminated. Notwithstanding any other provision, in no event shall the excess cost to the JBEs for such goods and services be excluded as indirect, incidental, special, exemplary, punitive or consequential damages of the JBEs. Contractor shall continue any Work not terminated.
 - C. *Delivery of Materials.* In the event of any expiration or termination of this Agreement (or a Purchase Order), Contractor shall promptly provide the applicable JBE or JBEs with all originals and copies of the Deliverables for such JBE, including any partially-completed Deliverables-related work product or materials, and any JBE-provided materials in its possession, custody, or control. In the event of any termination of this Agreement or Purchase Order, the JBEs shall not be liable to Contractor for compensation or damages incurred as a result of such termination.
 - D. *Purchase Order.* The termination of this Agreement shall not result in the termination of any outstanding Purchase Order that has not been terminated by a JBE, and this Agreement shall continue to apply to any such Purchase Order until such time as all Work under such Purchase Order has been completed by its terms or is terminated as provided in this Section 7; provided, however, that the effective date of such Purchase Order may not exceed the expiration date of this Agreement. Issuance and acknowledgement of any Purchase Order must be completed before the termination or expiration of this Agreement.
- 7.5 Survival.** Termination or expiration of this Agreement shall not affect the rights and obligations of Contractor, the Establishing JBE, and the Participating Entities which arose prior to any such termination or expiration (unless otherwise provided herein) and

such rights and obligations shall survive any such termination or expiration. Rights and obligations that by their nature should survive shall remain in effect after termination or expiration of this Agreement, including any section of this Agreement that states it shall survive such termination or expiration.

- 8. Assignment and Subcontracting.** Contractor may not assign or subcontract its rights or duties under this Agreement (including any Purchase Order), in whole or in part, whether by operation of law or otherwise, without the prior written consent of the Establishing JBE. Consent may be withheld for any reason or no reason. Any assignment or subcontract made in contravention of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement will be binding on the parties and their permitted successors and assigns.
- 9. Notices.** Notices must be sent to the following address and recipient:

If to Contractor:	If to the Establishing JBE:
Rapiscan Systems, Inc. Attn: Contracts Department 2900 Crystal Drive, Suite 910 Arlington, VA 22202	Judicial Council of California Attn: Contracts Supervisor 2850 Gateway Oaks Drive, Suite 300 Sacramento, CA 95833-4348

Either party may change its address for Notices by giving the other party Notice of the new address in accordance with this section. Notices will be considered to have been given at the time of actual delivery in person, three (3) days after deposit in the mail as set forth above, or one (1) day after delivery to an overnight air courier service.

- 10. Provisions Applicable to Certain Agreements.** The provisions in this section are applicable to this Agreement and to any Purchase Order, provided, however that if this Agreement or a Purchase Order is not of the type described in the first sentence of a subsection, then that subsection does not apply to this Agreement or such Purchase Order.
- 10.1 Union Activities Restrictions.** *If the Contract Amount is over \$50,000, this section is applicable.* Contractor agrees that no JBE funds received under this Agreement or any Purchase Order will be used to assist, promote or deter union organizing during the Term. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.
- 10.2 Domestic Partners, Spouses, Gender, and Gender Identity Discrimination.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor is in compliance with, and throughout the Term will remain in compliance with: (i) PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) PCC 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee's or dependent's actual or perceived gender identity.
- 10.3 Child Support Compliance Act.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor recognizes the importance of child and family support

obligations and fully complies with (and will continue to comply with during the Term) all applicable state and federal laws relating to child and family support enforcement, including disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

- 10.4 Priority Hiring.** *If the Contract Amount is over \$200,000 and this Agreement is for services (other than Consulting Services), this section is applicable.* Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.
- 10.5 Iran Contracting Act.** *If the Contract Amount is \$1,000,000 or more and Contractor did not provide to the Establishing JBE an Iran Contracting Act certification as part of the solicitation process, this section is applicable.* Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran (“Iran List”) created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the Establishing JBE to enter into this Agreement (and written permission from each JBE to enter into the applicable Purchase Order) pursuant to PCC 2203(c).
- 10.6 Loss Leader Prohibition.** *If this Agreement (including any Purchase Order) involves the purchase of goods, this section is applicable.* Contractor shall not sell or use any article or product as a “loss leader” as defined in section 17030 of the Business and Professions Code.
- 10.7 Federal Funding Requirements.** *If this Agreement (or a Purchase Order) is funded in whole or in part by the federal government, this section is applicable.* It is mutually understood between the parties that this Agreement (or a Purchase Order) may have been written for the mutual benefit of both parties (or Participating Entities) before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement (or a Purchase Order) were executed after that determination was made. This Agreement (or a Purchase Order) is valid and enforceable only if sufficient funds are made available to the Establishing JBE (or the applicable Participating Entity) by the United States Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement (or a Purchase Order) is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement (or a Purchase Order) in any manner. The parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement (or a Purchase Order) is intended to be paid, this Agreement (or Purchase Order) shall be deemed amended without any further action of the parties to reflect any reduction in funds. The Establishing JBE may invalidate this Agreement (and a JBE may invalidate

a Purchase Order) under the termination for convenience or cancellation clause (providing for no more than thirty (30) days' Notice of termination or cancellation), or amend this Agreement (or Purchase Order) to reflect any reduction in funds.

- 10.8 DVBE Commitment.** This section is applicable if Contractor received a disabled veteran business enterprise ("DVBE") incentive in connection with this Agreement. Contractor's failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. If Contractor used DVBE subcontractor(s) in connection with this Agreement (or a Purchase Order): (i) Contractor must use the DVBE subcontractors identified in its bid or proposal, unless the Establishing JBE approves in writing replacement by another DVBE subcontractor in accordance with the terms of this Agreement; and (ii) Contractor must, within sixty (60) days of receiving final payment under each Purchase Order, certify in a report to the applicable JBE: (1) the total amount of money Contractor received under the Purchase Order; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted work in connection with the Purchase Order; (3) the amount each DVBE subcontractor received from Contractor in connection with the Purchase Order; and (4) that all payments under the Purchase Order have been made to the applicable DVBE subcontractors. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation.
- 10.9 Antitrust Claims.** *If this Agreement resulted from a competitive solicitation, this section is applicable.* Contractor shall assign to the applicable JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by Contractor, the JBE shall, within one (1) year from such demand, reassign the cause of action assigned under this part if Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.
- 10.10 Good Standing.** *If Contractor is a corporation, limited liability company, or limited partnership, and this Agreement (and any Purchase Order) is performed in whole or in part in California, this section is applicable.* Contractor is, and will remain for the Term, qualified to do business and in good standing in California.
- 10.11 Equipment Purchases.** *If this Agreement (or any Purchase Order) includes the purchase of equipment, this section is applicable.* The JBE may, at its option, require Contractor to repair or replace any damaged equipment to the satisfaction of the JBE at

no expense to the JBE. If a theft occurs, Contractor must file a police report immediately.

10.12 Four-Digit Date Compliance. *If this Agreement (or any Purchase Order) includes the purchase of systems, software, or instrumentation with imbedded chips, this section is applicable.* Contractor represents and warrants that it will provide only Four-Digit Date Compliant deliverables and services to the JBEs. “Four-Digit Date Compliant” deliverables and services can accurately process, calculate, compare, and sequence date data, including date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Agreement and does not limit the generality of warranty obligations set forth elsewhere in this Agreement or any Purchase Order.

10.13 Small Business Preference Commitment. This section is applicable if Contractor received a small business preference in connection with this Agreement. Contractor’s failure to meet the small business commitment set forth in its bid or proposal constitutes a breach of this Agreement (and any Purchase Order). Contractor must within sixty (60) days of receiving final payment under this Agreement (and any Purchase Order) report to the JBE the actual percentage of small/micro business participation that was achieved. If Contractor is a nonprofit veteran service agency (“NVSA”), Contractor must employ veterans receiving services from the NVSA for not less than seventy-five percent (75%) of the person-hours of direct labor required for the production of goods and the provision of services performed pursuant to this Agreement (and any Purchase Order).

11. Miscellaneous Provisions.

11.1 Independent Contractor. Contractor is an independent contractor to the JBEs. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor and the JBEs. Contractor has no authority to bind or incur any obligation on behalf of the JBEs. If any governmental entity concludes that Contractor is not an independent contractor, the Establishing JBE may terminate this Agreement (and a JBE may terminate a Purchase Order) immediately upon notice.

11.2 GAAP Compliance. Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles.

11.3 Audit. Contractor must allow the JBEs or their designees to review and audit Contractor’s (and any subcontractors’) documents and records relating to this Agreement (including any Purchase Order), and Contractor (and its subcontractors) shall retain such documents and records for a period of four (4) years following final payment under this Agreement. If an audit determines that Contractor (or any subcontractor) is not in compliance with this Agreement (including any Purchase Order), Contractor shall correct errors and deficiencies by the twentieth (20th) day of the month following the review or audit. This Agreement (and any Purchase Orders) are subject to examinations and audit by the State Auditor for a period of three (3) years after final payment.

11.4 Licenses and Permits. Contractor shall obtain and keep current all necessary licenses, approvals, permits and authorizations required by applicable law for the performance of the Services (including Deliverables) or the delivery of the Services. Contractor will be

responsible for all fees and taxes associated with obtaining such licenses, approvals, permits and authorizations, and for any fines and penalties arising from its noncompliance with any applicable law.

- 11.5 Confidential Information.** During the Term and at all times thereafter, both parties will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any third party without obtaining the other party's express prior written consent on a case-by-case basis. The parties will disclose Confidential Information only to its employees or contractors who need to know that information in order to perform Services hereunder and who have executed a confidentiality agreement with the other party at least as protective as the provisions of this section. The provisions of this section shall survive the expiration or termination of this Agreement and any Purchase Order. Parties will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as the party protects its own confidential or proprietary information of a similar nature, and with no less than the greater of reasonable care and industry-standard care. Each party owns all right, title and interest in its Confidential Information. A party will notify the affected party promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the affected party to protect such Confidential Information. Upon a party's request and upon any termination or expiration of this Agreement or a Purchase Order, a party will promptly (a) return to the other party or, if so directed by the other party, destroy all such other party's Confidential Information (in every form and medium), and (b) certify to the other party in writing that the party has fully complied with the foregoing obligations. Parties acknowledge that there can be no adequate remedy at law for any breach of a party's obligations under this section, that any such breach will likely result in irreparable harm, and that upon any breach or threatened breach of the confidentiality obligations, the other party shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.
- 11.6 Ownership of Deliverables.** Unless otherwise agreed in this Agreement, regarding any Deliverables or any other work product to be provided to a JBE, Contractor hereby assigns to such JBE all rights, title, and interest (and all intellectual property rights, including but not limited to copyrights) in and to such Deliverables and work product, any partially-completed Deliverables, and related materials. Contractor agrees not to assert any rights at common law, or in equity, or establish a copyright claim in any of these materials. Contractor shall not publish or reproduce any Deliverable or other work product in whole or part, in any manner or form, or authorize others to do so, without the written consent of the JBE.
- 11.7 Publicity.** Contractor shall not make any public announcement or press release about this Agreement (or any Purchase Order) without the prior written approval of the Establishing JBE (and with respect to any Purchase Order, the prior written approval of the applicable JBE).

- 11.8 Choice of Law and Jurisdiction.** California law, without regard to its choice-of-law provisions, governs this Agreement (including any Purchase Order). The Contractor and the applicable JBEs shall attempt in good faith to resolve informally and promptly any dispute that arises. Jurisdiction for any legal action arising from this Agreement shall exclusively reside in state or federal courts located in California, and the parties hereby consent to the jurisdiction of such courts.
- 11.9 Negotiated Agreement.** This Agreement has been arrived at through negotiation between the parties. Neither party is the party that prepared this Agreement for purposes of construing this Agreement under California Civil Code section 1654.
- 11.10 Amendment and Waiver.** Except as otherwise specified in this Agreement, no amendment or change to this Agreement will be effective unless expressly agreed in writing by a duly authorized officer of the Establishing JBE. A waiver of enforcement of any of this Agreement's terms or conditions by the Establishing JBE is effective only if expressly agreed in writing by a duly authorized officer of the Establishing JBE. Any waiver or failure by a JBE to enforce any provision of this Agreement or Purchase Order on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.
- 11.11 Follow On Contracting.** No person, firm, or subsidiary who has been awarded a Consulting Services agreement may submit a bid for, nor be awarded an agreement for the providing of services, procuring goods or supplies, or any other related action that is required, suggested, or otherwise deemed appropriate in the end product of this Agreement.
- 11.12 Severability.** If any part of this Agreement is held unenforceable, all other parts remain enforceable.
- 11.13 Headings; Interpretation.** All headings are for reference purposes only and do not affect the interpretation of this Agreement. The word "including" means "including, without limitation." "A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by section 7029.1 of the Business and Professions Code or by section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded."
- (4) Contractor shall, and shall ensure that all "subcontractors" (as defined by Labor Code section 1722.1), comply with Labor Code section 1725.5, including without limitation the registration requirements with the Department of Industrial Relations that are set forth in Labor Code section 1725.5. Contractor represents to the Judicial Council that all "subcontractors" (as defined by Labor Code section 1722.1) are registered pursuant to Labor Code section 1725.5. Contractor acknowledges that, for purposes of Labor Code section 1725.5, this work is a public work to which Labor Code section 1771 applies.

- (5) Projects under this Agreement are subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractor shall post job site notices, as prescribed by regulation. Contractor shall comply with all requirements of Labor Code section 1771.4, except the requirements that are exempted by the Labor Commissioner for the project.
- (6) Unless otherwise provided in this Agreement or a Purchase Order, the Contractor shall provide and pay for all labor, materials, equipment, tools, construction equipment and machinery, water, heat, utilities, transportation, and other facilities and services necessary for proper execution and completion of the work, whether temporary or permanent and whether or not incorporated or to be incorporated in the work. Materials, articles and equipment furnished by the Contractor for incorporation into the work shall be new unless otherwise specified in this Agreement or a Purchase Order.
- (7) Workers are limited and restricted to 8 hours during any one calendar day, and 40 hours during any one calendar week except that pursuant to Labor Code Section 1815, any work performed in excess of 8 hours per day and 40 hours during any one week, shall be permitted upon compensation for all hours worked in excess of 8 hours per day at not less than 1-1/2 times the basic rate of pay. Pursuant to Labor Code section 1813, the Contractor shall pay the JBE twenty-five dollars (\$25) as a penalty for each worker for each calendar day worked in violation of the above limitations and restrictions.
- (8) The Contractor shall comply with the provisions of the Labor Code including sections 1770 to 1780, inclusive and specifically Section 1775. In accordance with Section 1775, the Contractor shall forfeit to the JBE the statutory amount, (currently not to exceed two hundred dollars (\$200) for each calendar day, or portion thereof), for each worker paid less than the prevailing rates, as determined by the JBE, for the work or craft in which that worker is employed for any work done under contract by Contractor or by any subcontractor.
 - (a) The amount of the penalty shall not be less than forty dollars (\$40) for each calendar day, or portion thereof, unless the failure of Contractor or subcontractor was a good faith mistake and, if so, the error was promptly and voluntarily corrected when brought to the attention of Contractor.
 - (b) The amount of the penalty shall not be less than eighty dollars (\$80) for each calendar day or portion thereof, if Contractor or subcontractor has been assessed penalties within the previous three (3) years for failing to meet its prevailing wage obligations on a separate contract, unless those penalties were subsequently withdrawn or overturned.
 - (c) The amount of the penalty may not be less than one hundred twenty dollars (\$120) for each calendar day, or portion thereof, if the Labor Commissioner determines the Contractor or subcontractor willfully violated Labor Code section 1775.
 - (d) The difference between such prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate shall be paid to each worker by Contractor or subcontractor.
- (9) Wage rates set forth are the minimum that may be paid by the Contractor. Nothing herein shall be construed as preventing the Contractor from paying more than the minimum rates set. No extra compensation whatsoever will be allowed by the JBE due to the inability of the Contractor to hire labor at minimum rates, nor for necessity for payment by the Contractor

of subsistence, travel time, overtime, or other added compensations, all of which possibilities are elements to be considered and ascertained to the Contractor's own satisfaction in preparing its proposal.

- (10) If it becomes necessary to employ a craft, classification or type of worker other than those listed on-line at <http://www.dir.ca.gov/oprl/DPreWageDetermination.htm>, the Contractor shall contact the Division of Labor Statistics and Research to find the appropriate prevailing wage determination. If the Division of Labor Statistics and Research is unable to identify a determination that is applicable, the Contractor shall notify the JBE immediately, and the JBE will request a special determination from the Division of Labor Statistics and Research. The rate thus determined shall be applicable from the commencement of the project.
- (11) The Contractor and each subcontractor shall keep an accurate payroll record showing the names, addresses, social security numbers, work classifications, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed by the Contractor and/or subcontractor in connection with the work. Payroll records shall be certified and shall be on forms provided by the Division of Labor Standards Enforcement, or shall contain the same information as those forms. Upon written request by the JBE, the Contractor's and subcontractor's certified payroll records shall be furnished within ten (10) days. The Contractor's and subcontractor's certified payroll records shall be available for inspection at the principal office of the Contractor.
- (12) Contractor shall pay travel and subsistence payments to persons required to execute the work as travel and subsistence payments are defined in applicable collective bargaining agreements filed with the Department of Industrial Relations, pursuant to Labor Code, Sections 1773.1 and 1773.9.
- (13) Contractor acknowledges and agrees that, if this Agreement involves a dollar amount or any other threshold, if any, greater than those specified in Labor Code section 1777.5, then this Agreement is governed by the provisions of Labor Code section 1777.5. It shall be the responsibility of Contractor to ensure compliance with Labor Code section 1777.5 for all apprenticeship occupations. If Labor Code section 1777.5 applies, then:

Contractor shall only employ properly registered apprentices in the execution of the work. Every apprentice shall be paid the standard wage paid to apprentices under the regulations of the craft or trade at which the apprentice is employed, and shall be employed only at the work of the craft or trade to which the apprentice is registered.
