DECEMBER 2021

During the first year of the 2021–2022 Legislative Session, the Legislature and Governor enacted numerous bills that affect the courts or are of general interest to the judicial branch. Brief descriptions of the measures of greatest interest follow, arranged according to subject matter. Also included is a table summarizing new laws that create new crimes or expand existing crimes, as well as an index listing all the bills and the page numbers on which their descriptions can be found.

The effective date of legislation is stated with each measure. Urgency and budget measures normally take effect immediately upon enactment, and some other measures have delayed operative dates.

This *Summary* is intended to serve only as a guide to identify bills of interest; the bill descriptions are not a complete statement of statutory changes. Code section references are to the sections most directly affected by the bill; not all sections are necessarily cited.

Until the annual pocket parts are issued, bill texts can be examined in their chaptered form in *West's California Legislative Service* or *California Deering's Advance Legislative Service*, where they are published by chapter number. In addition, chaptered bills and legislative committee analyses can be accessed on the internet at <http://leginfo.legislature.ca.gov>. Individual chapters may be ordered directly from the Legislative Bill Room, State Capitol, 10th Street, Room B32, Sacramento, California 95814, 916-445-2323.

Case Highlight

Court Ordered Debt (COD) received a case in June 2018 with a balance of \$9,342.59. Due process was completed with a Demand notice being issued the same month.

In October 2018 an employer was located, and an Earnings Withholding Order (EWO) was issued. COD Received payments from the employer from January 2019 through June 2020, then the debtor went on an extended leave.

The debtor called into COD in June of 2021 and requested to have the order released before he went back to work. An agent advised the debtor he would need to pay the remaining balance of \$7,219.24 before the EWO could be released. The agent suggested the debtor pay in full (PIF) through our online “MY COD” account with his banking information for no extra fees.

The debtor made the full payment while still on the phone. The agent was able to verify the payment through an internal system and released the EWO.

Trial Court Revenue Distribution Guidelines

State of California
**Trial Court Revenue
Distribution Guidelines**
Revision 32
Updated as of January 1, 2022

BETTY T. YEE
California State Controller's Office

The **Trial Court Revenue Distribution Guidelines** provide direction on the distribution of fees, fines, forfeitures, penalties, and assessments resulting from criminal and civil violations. (*Government Code § 71380*)

Types of Trial Court Revenue

Fees – a sum paid or charged for a service

Fines – a sum imposed as punishment

Forfeitures – the loss of property or money through seizure

Penalties/Assessments – a sum imposed as punishment in addition to a fine

Standard Criminal/Traffic Fine Equation

$$\begin{aligned} &\text{Base Fine} + \text{Base Fine Enhancements} \\ &= \\ &\quad \textbf{Total Base Fine} \\ &+ \\ &\text{Penalties (State, Local, EMS, DNA, Construction, etc.)} \\ &+ \\ &\quad \text{State Surcharge} \\ &+ \\ &\quad \text{Fees and Assessments} \\ &= \\ &\quad \textbf{Total Bail or Fine} \end{aligned}$$

Fines, Penalties, and Assessments: Part I

Base fines are typically increased by the following:

State Penalty: \$10 for every \$10*

Local Penalty: Up to \$7 for every \$10*

EMS Additional Penalty: \$2 for every \$10*

State & Local DNA Penalties: \$5 for every \$10*

State Court Facilities Construction Penalty: \$5 for every \$10*

**(or portion thereof – round UP)*

In other words, up to **\$29 for every \$10** in base fine (or portion thereof) is added, plus **State Surcharge** (20% of the base fine).

These penalties apply to all criminal fines unless otherwise specified.

Fines, Penalties, and Assessments: Part II

All criminal convictions are subject to:

Criminal Conviction Assessment: (\$35/infractions; \$30/felonies and misdemeanors)

Court Operations Assessment: (\$40)

Vehicle Code convictions are subject to:

Emergency Medical Air Transportation Penalty: \$4

These apply only to convictions. They do not apply to offenses adjudicated in juvenile proceedings, unlike the penalty assessments on the previous slide.

Sample Traffic Fine: Vehicle Code § 24400(b)

“A motor vehicle, other than a motorcycle, shall be operated during darkness, or inclement weather, or both, with at least two lighted headlamps...”

Base Fine:		\$ 35
State Penalty (\$10 x 4):	\$ 40	
Local Penalty (\$7 x 4):	\$ 28	
DNA Penalties (\$5 x 4):	\$ 20	
Court Construction Penalty (\$5 x 4):	\$ 20	
EMS Penalty (\$2 x 4):	\$ 8	
Total Penalties:		\$116
State Surcharge (\$35 x 20%):		\$ 7
Criminal Conviction Assessment:	\$ 35	
Court Operations Assessment:	\$ 40	
EMAT Penalty:	\$ 4	
Total Assessments:		\$ 79
TOTAL BAIL/FINE:		\$237

Distribution of Trial Court Revenue

[PC § 1463.001](#) tells how the collected fines, penalties, service charges, and allocations are distributed each month:

1. Penalties and assessments added to base fines are distributed to the proper funds, according to law.
2. Unless specified, base fines are distributed as follows:
 - County arrests** are distributed 100% to **county**.
 - City arrests** are split between **city and county** pursuant to [PC § 1463.002](#).
3. Base fines with a specified distribution are allocated to the proper funds, as described in the Guidelines.

Penal Code § 1463.002

PC § 1463.002:

“The base fine amounts from city arrests shall be subject to distribution according to the following schedule:”

Sacramento	
Folsom	31
Galt	25
Isleton	13
North Sacramento	10
Sacramento	21
County percentage	26

Note that these percentages represent the **county's** share of the base fine. For cities and other local agencies not listed, the “County percentage” is used.

For example, the base fine resulting from an arrest by the Citrus Heights Police Department would be split 26% to Sacramento County and 74% to the City of Citrus Heights.

Status of Audits

- Reports in process: 5
- Audits in progress: 10
- Next in queue:

○ Humboldt County	○ Yolo County
○ Mariposa County	○ Mendocino County

Fiscal year through March 31, 2022

Common Audit Findings

- Top-Down Distributions
- 50-50 Excess of Qualified Revenues Calculation
- Priority of Installment Payments

BETTY T. YEE
California State Controller

Top-Down Distributions

Judge Ordered total fines are not consistently distributed using the two JCC approved Top-Down Distribution methods

Two Distribution Methods

- 1) Reduce all components proportionately, including those with a specified dollar amount (i.e., court operations assessment and criminal conviction assessment)
- 2) Allocate the full amount to those components with a specified dollar amount, then pro-rate the remaining balance among the rest of the total fine's components.

Common Issues

- The selected method must be used consistently.
- If the total fine imposed is less than the fixed amounts, the first method should be used.
- When using the second method, the remaining balance after allocating to components with specified dollar amounts should be pro-rated evenly amongst the remaining components.

Priority of Installment Payments

Courts and counties are not consistently distributing revenues received from installment payments according to PC section 1203.1d.

PC section 1203.1d requires a mandatory prioritization in the distribution of installment payments as follows:

1. Restitution Orders to victims;
2. 20% state surcharge;
3. Fines, penalty assessments, and restitution fines; and
4. Other reimbursable costs.

Common Issues

- Priority 3 revenues should be fully distributed before any distributions to Priority 4 revenues.
- GC 70373 Criminal Conviction Assessment and PC 1465.8 Court Operations Assessment.
- County/Court/Collection/Probation Fees.
