Re: Intent to Award CMAR – Mid-County Courthouse

We would like to express our appreciation to all of the Construction Management firms that participated in our Construction Management at Risk selection process. We are aware of that amount of effort, talent and resources necessary to respond to an RFP and to prepare for an interview.

After consideration of the RFQ submittals and the interviews, the Office of Court Construction and Management has selected **Gilbane Building Company** of San Diego, California as the Construction Manager at Risk for the Mid-County Courthouse, Riverside. Final selection of this firm is pending contract negotiations.

Again, we extend our sincere appreciation to all submitting teams.

Sincerely,

Gary Swanson
Project Manager
