as atheists, only know themselves, themselves are only one; turned their backs to Master of universe and His creations. It is devil attempted be equal power to God through atheists.

14. Master of universe/sole owner of the earth, Master of universe's heirs, Master of universe creations of the earth and human life on earth.

a. Definition of Universe: Universe has no beginning and no ending that human minds unable to image, unable for full understand, unable to learning all through researches of space and natural, such as mental illnesses and physical diseases, air and none air, stars, planets and objects in space.

b. Universe is Almighty Eternal God in various and uncounted supernatural and natural identities because Master of universe is invisible God Spirit; Spirit of God is almighty eternal supernatural power; the only source of creations of all things, orbits, earth, planets, stars, human life, object and etc.

(1) Spirit of God is holy, **NOT** holy Spirit as the third person in the Holy Trinity, The Holy Trinity is Master of universe family of three, the Father is Master of universe, the second person in the holy Trinity is male Divine Soul, he also known as the root of King David, Son of Abraham; king Davis and Abraham symbolic of Master of universe; the root of King David and Son of Abraham symbolic of fully Divine Messiah Jesus, Second person in the Holy Trinity. The term "son" also symbolic of Master of universe Divine plan, because Master of universe Divine plan created by Him within two of His Divine Souls children whom born direct from Him; or two small portions of Himself that always in one with Him, these two children never separated from their beloved Father. King David, root of King David, Abraham and their sons are natural substances as symbolisms for revealed Master of universe identities, His Divine Plans and His heirs in spiritual realm.

(2) Female Divine Soul in Genesis is co-Creator of the earth with the Second person in the Holy Trinity, male Divine Soul; the two Divine Souls took Master of universe Divine plan of create the earth, created the earth, and human life on earth from their fully Divine power and in their fully Divine souls image. After created the earth and everything above, below and on earth, included human life on earth, they governing with their almighty eternal supernatural power.

(3) The third person in the Holy Trinity is female Divine Soul recorded in Genesis 1:26-27; She is “another” Advocate (because Spirit of God contained both male and female) born direct from Master of universe, recorded in Johan 15:26 as “Proceeds from the Father;” She came after Messiah Jesus departed from the world. The Woman and Her child fight against the dragon recorded in Book of Revelations symbolic of female Divine Soul; Her son symbolic of her Divine Mission, and dragon symbolic of evil power result from human race sins against fight against her Divine Mission, but they unable to harm Her. Devil supernatural power result from people sins, transformed in spiritual realm and works through human minds and actions; therefore, more human they fight against Her, more they brought punishments unto themselves. She is one of the two witnesses to the existing of God, She is co-Creator of the earth, and World Divine Commander-in-Chief; the power of World Divine Commander-in-Chief transferred to her from Messiah Jesus through his words, revealed in John 16:13-15 and John 19:25-27. The term she took from me declare it to you is God language of power transfer; or behold also God language of power transfer. The earthly mother of fully man Messiah Jesus and Apostle John were serving as natural substances as symbolisms for revealed Kingdom of Heaven World Divine Government Commander-in-Chief power transferred from Messiah Jesus to female Divine Soul before Messiah Jesus breathed His last breath.

(a) Book of Revelations 11:16-19 recorded the second person of the Holy Trinity, female Divine is Master of universe heir, she assumed her almighty eternal power from Master of universe through her beloved older brother Messiah Jesus while he was hung on the Cross and before His Divine Soul departed from His fully human body.

(b) Book of Revelations 19:11-16 recorded Master of universe heir great power and authorities governing the world, Her identities in symbolisms as second in Kingdom of Heaven power, or she always obeying Master of universe instructions; the second in Kingdom of Heaven power is her title, and She is female Divine Soul, the King of kings is symbolic of Divine Queen or Queen of Angels.

(d) Book of Revelations 22:12-13 recorded the female Divine Soul, (without soul without physical form), Divine Queen comes in as fully human form on earth, she bring with Her rewards and punishments; She is the beginning and the end is referred to Her fully Divine power as co-Creator of the Earth and She remain on earth.

15. Master of universe is in once with male and female Divine Souls during creation of the earth, human life on earth and ongoing creation of human life on earth.

**a. Genesis 1: 26. Then God said: "Let us make man in our image, after our likeness. Let them have dominion over the fish of the sea, the birds of the air, and the cattle, and over all the wild animals and all the creatures that crawl on the ground."**

**b. Genesis 1:27. God created man in his image, in the divine image he created him; male and female he created them.**

**e. Genesis 1:28. God blessed them, saying "Be fertile and multiply; fill the earth and subdue it.**

Genesis 1:26-27, The us and our image means more than one Divine Souls as fully Divine and fully human; God spoke invisible human souls in two Divine Souls image male and female, not as human physical body.

Genesis chapter two recorded in symbolism of disobedience human souls and power of human souls. Adam symbolic of disobedience human souls and Eve symbolic of human disobedience spirits or power of human souls; the power of human souls do all the works through human minds and actions; not how Master of universe create human physical body. Human physical bodies went through evolution process.

The two Divine Souls, one male and another is female that God created male and female in God image; image is singular means ONLY ONE ALMIGHTY ETERNAL GOD, or once source of almighty eternal supernatural power. In another word image means invisible almighty eternal supernatural power, while there are male and female Divine Souls; these two Divine Souls are first generation of human life on earth; it not means these two Divine Souls physical body on earth before all human life; it means these two Divine Souls created before all human souls created; the Divine plan started from spiritual realm before come down to earth, or natural realm. Both of good and evil, everything must exist in spiritual realm before come down to natural realm.

**f. John 14:16. "I will as the Father, and he will give you another Advocate to be with you always."**

**g. John 16:13-14. "When he comes, the Spirit of the truth, he will guide you to all truth. He will not speak on his own, but he will speak what he hears, and will declare to you the things that are coming. He will glorify me, because he will take from what is mine and declare it to you. Everything that the Father has is mine; for this reason I told you that he will take from what is mine and declare it to you."**

**h. Matthew 24:23 &24, "If anyone says to you then, 'Look, here is the Messiah!' or 'There he is!' do not believe it. False messiahs and false prophets will arise, and they will perform signs and wonders so great as to deceive, if that were possible, even the elect."**

These two Divine Souls recorded as two witnesses to the existing of God in Book of Revelations; Messiah Jesus is male Divine Soul, and female Divine Soul repeated by Messiah Jesus during the time he was on earth, as "another" Advocate, and fashioned as "Woman, behold, your son." Woman means female Divine Soul with in air space during the time he hung on the Cross; behold means transferring of power, and son symbolic of on going God creations of the earth, the spiritual life of human souls on earth phrase; the phrase also known as Messiah Jesus return to earth; the ongoing of God creation of the earth lead to spiritual life of human race on earth revealed throughout the Book of Revelations. Frankly, Messiah Jesus declared of his promised of return to earth is fully God Spirit, the female Divine Soul, co-Creator of the earth revealed in Genesis 1:26-27, that all female human souls created in Her Divine Soul image. Spirit of God combined both male and female, different genders apply to human souls, included Messiah Jesus and Divine Queen.

#### **IV. HUMAN MINDS LIMITATION**

Scientist and researchers of natural creations currently lack of understand of how supernatural functioning within human minds and human bodies, via human souls, the main invisible cord for supernatural power coming through for provides human body parts supernatural power and nourishing human minds physical bodies via natural foods; it is supernatural and natural God creation of human life and ongoing provides supernatural power for human souls during earthly life, led to unable to find the causes of various mental illnesses and physical diseases, and health care profession unable to guild patients correctly of how to take care of themselves for healing and prevention.

It is not about God love people why God punishes people and their souls, but about people brought punishments upon themselves by committed, damaging themselves and damaging other and they must pay in greater prices of what they sent out. In very same way, once people generated good deeded they be rewarded.**

The above and many other actions are serious mental diseases result from human committed various and many sins against Almighty Eternal God, and against human societies, damaged human societies.
