Child Support: Implementing Amendments to the Family Code

This proposal implements Senate Bill 343, Assembly Bill 2960, and Assembly Bill 1148, by adopting 2 new forms, revising 20 forms, and revoking 3 forms to (1) bring California into compliance with federal regulations regarding child support orders, (2) implement the mandate that local child support agencies provide notice to parents and the court when they begin and cease enforcement services, and (3) implement the increased time period before child support resumes after being suspended due to the obligor's incarceration. The committee will review the comments provided during the public comment period.
