## APPENDIX B – Revision 1

### Payment Provisions

1. **General.** Subject to the terms of this Agreement, Contractor shall invoice the JBE, and the JBE shall compensate Contractor, as set forth in this Appendix B. The amounts specified in this Appendix shall be the total and complete compensation to be paid to Contractor for its performance under this Agreement. Contractor shall bear, and the JBE shall have no obligation to pay or reimburse Contractor for, any and all other fees, costs, profits, taxes or expenses of any nature that Contractor incurs.
2. **Intentionally Deleted**
3. **Compensation for Services.**
  - 3.1 **Base Rates.** Contractor's service area locations and base rates for weekday service are set forth in Attachment B-1, Service Area Locations and Rates, hereby incorporated and made a part of this Appendix B. Each Participating Addendum will include specific locations and base rates applicable to the Judicial Branch Entity signing the Participating Addendum. Such rates shall not be greater than the rates set forth in Attachment B-1, Service Area Locations and Rates. Contractor will invoice each Judicial Branch Entity at the rates set forth in its Participating Addendum and any applicable additional fees set forth in section 3.2 below.
  - 3.2 **Additional Fees.**
    - (A) **Security Surcharge:** In addition to the monthly fee set forth in Attachment B-1, Service Area Locations and Rates, a standard security surcharge of 5% will be applied to the base rate each month.
    - (B) **Fuel Surcharge:** In addition to the monthly fee set forth in Attachment B-1, Service Area Locations and Rates, a fuel surcharge will be applied each month. The Custom Fuel Surcharge Index and Methodology set forth below is the table from where the surcharge is derived. The new surcharge (if the price of fuel increases or decreases) will be charged for that month and the adjustment will be automatic.

#### **Custom Fuel Surcharge Index and Methodology**

Our fuel surcharge calculation method is based on the 3 week rolling average of the U. S. Energy Information Administration ([eia.doe.gov](http://eia.doe.gov)). The Department of Energy website is updated every Tuesday and the National average is the benchmark used.

Each month, the 3-week rolling average will be recalculated and the surcharge will be adjusted up or down based on the following matrix:

For any 3-week U.S. National Average Diesel Fuel price over \$4.00 add an additional 1% for every \$0.25 per gallon increase.

<u>Per Gallon Price</u>	<u>Surcharge</u>
Below- \$2.50	0%
\$2.501-\$2.75	1%
\$2.751-\$3.00	2%
\$3.001-\$3.25	3%
\$3.251-\$3.50	4%
\$3.501-\$3.75	5%
\$3.751-\$4.00	6%

- (C) Five Item Limit: If Contractor picks up more than five (5) items per pickup, Contractor may invoice an additional **\$1.95 per item over the five-item limit**.
- (D) Premise Time: If the JBE exceeds the standard five-minute Premise Time by more than two minutes, as described in Attachment A-1, section 4.a, Contractor may invoice an additional charge of **\$4.95 per minute for the additional time beyond seven minutes**. In no event will Contractor charge an additional amount if the total Premise Time is less than seven minutes.
- (E) Daily Deposit Liability: If the JBE's Participating Addendum indicates a Maximum Liability Amount greater than \$200,000 per day, Contractor will invoice an additional charge of **\$0.50 per \$1,000 excess liability**.
- (F) Holiday Rates: in the event a JBE requires a pickup on a holiday (where available), Contractor may invoice an additional **\$85.00 for each holiday**.
- (G) Off Day-In Route Rate: when the Contractor's vehicle is next to the area of a JBE on a day the JBE requires service, but which is not on a regularly scheduled pickup day for that JBE, Contractor may invoice an additional **\$65 per day** premium service charge to the scheduled service per stop rate.
- (H) Emergency Service ("Special"): in the event a JBE requires a pickup on a day which is not on a regularly scheduled pickup day for that JBE and which involves direct portal to portal service with exclusive use of the Contractor's vehicle, Contractor may invoice at the rate of **\$195 per hour with a two (2) hour minimum**.

**3.3 Price Increases.** All pricing shall remain fixed for the Initial Term of this Agreement. If the Judicial Council elects to extend the term of this Agreement, the price adjustment factors will be used during the option period(s) and the price adjustments will be set forth in a written amendment to this Agreement. Any agreed-upon price adjustment may not exceed three percent (3%) during any one-year option period.

**3.4 No Advance Payment.** The JBEs will not make any advance payments; provided, however, the JBEs will be billed monthly in advance for the Services rendered under this Agreement.

**3.5 Overtime Rates.** Contractor shall not charge nor shall the Participating Entities pay any overtime rate.

**4. Expenses.** Contractor shall not request nor shall the Participating Entities be required to reimburse any expense, including but not limited to, travel expense, time spent for non-production work, time spent traveling to and from the pickup locations or any living expenses.

## **5. Invoicing and Payment**

**5.1 Invoicing.** Contractor shall submit invoices to the JBE monthly in advance for regularly scheduled Services and special Service requests in arrears no more frequently than monthly. Each invoice must be printed on Contractor's standard printed bill form, and must include at a minimum: Contractor's name and address, the nature of the invoiced charge, the total invoiced amount, and such detail as is reasonably necessary to permit the JBE to evaluate the Services performed. Contractor shall adhere to reasonable and agreed upon billing guidelines issued by the JBE from time to time.

**5.2 Payment.** The JBE will pay each invoice received from Contractor within thirty (30) days of the date of the invoice, in accordance with the terms of this Agreement and the applicable Participating Addendum. Notwithstanding any provision to the contrary, payments to Contractor are contingent upon the performance of Contractor's obligations under the Agreement.

**5.3 No Implied Acceptance.** Payment does not imply acceptance of Contractor's invoice or Work. Contractor shall immediately refund any payment made in error. Notwithstanding anything to the contrary contained in this Agreement, the JBE must notify Contractor of any disputed invoice amounts within ninety (90) days of the date of invoice. Failure of the JBE to raise invoice disputes within said period of time shall constitute a waiver of any rights the JBE may have with respect to such claim, except in cases where there has been an audit finding that

Contractor has overcharged the JBE five percent (5%) or more during the time period subject to audit, and/or where there was fraud or gross negligence on Contractor's part.

6. **Taxes.** Unless otherwise required by law, the JBE is exempt from federal excise taxes and no payment will be made for any personal property taxes levied on Contractor or on any taxes levied on employee wages. The JBE shall only pay for any state or local sales, service, use, or similar taxes imposed on the Services rendered or equipment, parts or software supplied to the JBE pursuant to this Agreement.
