Revenue Distribution Breakout Session "Hands On"

Basic Review

Presented by:

Keri Brasil, Chief Financial Officer, Merced Superior Court

Henry Mathews, Policy Analyst, State Controller's Office

Instruction Goals and Expectations

- Provide information on basic concepts and terms regarding distributions necessary to complete distribution worksheets.
- Using distribution worksheets attendees will learn hands-on how to:
  - Work through actual case studies of basic distributions.
  - Change information on the cases (priors, different base fines, etc.) to see their effect on the distributions.

BASIC CONCEPTS AND TERMS

3

Standard Criminal/Traffic Fine Equation

Base Fine + Base Fine Enhancements

=

Total Base Fine

+

State and Local Penalties

=

Initial Penalty

+

Surcharge, Fees, and Assessments

=

Total Bail or Fine

4

4

Base Fine or Base Bail

- The amount from which the additional penalties and surcharge required by Penal Code § 1465.7 are calculated.
- Total bail shall not exceed statutory limits and minimum statutory amounts must be imposed.
- The 'fine' amount of the total bail shall not exceed the limitations specified by statute.

  UB&PS Section IV, pg. vii

5

5

Countywide Bail Schedules

The Council is not the only entity required to publish a bail schedule. Each individual court is required to prepare, adopt and annually revise a uniform countywide schedule of bail for all bailable felony offenses and for all misdemeanor and infraction offenses, except Vehicle Code infractions. Thus, while the Council is required to publish the traffic infraction schedule, the counties are responsible for all others.

Rule 4.102 additionally requires that, when performing those duties, counties "give consideration to the (UBPS) approved by the Judicial Council." After adopting their countywide bail schedule, courts must send a copy of their countywide schedule to the Council "with a report stating how the revised schedule differs from the (UBPS)."

6

6

Base Fine Enhancements

- Enhancement for Prior Vehicle Code (VC) Convictions
  UB&PS section VII, pg. viii
  - $10 may be added to the base fine for each "prior" conviction within 36 months of the new offense. Both the current and "prior" offense must be a moving violation where a "point" was assigned per VC § 12810 or VC § 12810.2. The $10 prior enhancements are assessed for each prior violation on a single count (assessed only once per case). Prior enhancements do not apply to traffic school cases. (Distinguished from VC § 40508.6)
- Health & Safety Code (H&S) § 11372.5 - Criminal Lab Fee
  Trial Court Revenue Distribution Guidelines (*Guidelines*)
  - Base fine enhancement of $50 for each violation of the H&S code under subdivision (b).
- H&S § 11372.7 - County Drug Program Fee *Guidelines*
  - Base fine enhancement of up to $150 for each violation of the H&S sections 11350 through 11392 except H&S § 11357(b).

7

2% State Court Automation

- Government Code § 68090.8 - 2% State Court Automation
  Guidelines
  - Transferred from all fines, penalties, and forfeitures (not on surcharges or fees) collected in criminal cases.
  - So, referring to our equation, 2% applies to the:
    - Base fine
    - Base fine enhancement
    - State and local penalties

8

State Surcharge

- PC § 1465.7 – 20% State Surcharge *Guidelines*
  - 20% state surcharge is **calculated on** total **base fines.**
  - The state surcharge is **NOT** calculated on State and local penalties (PC § 1464, GC § 70372, and GC § 76000.)
  - The GC § 68090.8 2% state court automation is **NOT** applicable to the state surcharge.

State and Local Penalties

- These penalties are calculated using the "Per 10, or part of 10" factor from a **ROUNDED UP** base fine.
- State and Local Penalties UB&PS Section III A, pg. iii
  - PC § 1464 State penalty = $10 per 10
  - GC § 76104.6 County DNA Identification Fund penalty = $1 per 10
  - GC § 76104.7 state DNA Identification Fund additional penalty = $4 per 10
  - GC §70372(a) state court facilities construction penalty = $5 per 10
  - GC 76000(a) county penalty per board of supervisors' resolution (BOS) = up to $7 per 10
  - GC 76000.5 emergency medical services (EMS) additional penalty per board of supervisors' resolution = $2 per 10

Board of Supervisors Resolution

- Is there a list of assessments requiring a BOS resolution?
- If I do not have one, should I assess?
- How to obtain a BOS Resolution

State and Local Penalties

- PC § 1464 - State Penalty *Guidelines*
  - A penalty of $10 per $10 (or part of $10) upon every fine, penalty, or forfeiture imposed - 70% goes to the State and 30% goes to the County.
- GC § 76000 (a) & (e) - County Penalties *Guidelines*
  - A penalty of up to $7 per $10 (or part of $10) upon every fine, penalty, or forfeiture imposed (BOS).
  - Board resolution specifies distribution to the following local funds: GC § 76100 Courthouse Construction Fund; GC 7§ 6101 Criminal Justice Facilities Fund; GC § 76102 Auto Fingerprint ID Fund; GC § 76103 Forensic Lab Fund; GC § 76104 EMS Fund; GC § 76104.5 DNA ID Fund; and/or GC § 76105 Special Purpose Fund.
  - If responsibility for facilities transferred to State and **NO** bonded indebtedness remains, the additional penalty follows GC § 76000(e).

Transfer/ No Bonded Indebtedness

- Bonded Indebtedness – this is a debt that is secured by an issued bond with the monies received to be used to pay for Court Facilities.
  - What does this mean?
- If the responsibility for one or more facilities has not transferred to the state, the revenues collected in the County's Courthouse Construction Funds will shift proportionally based on the square footage of the space that the County has transferred to the State.
  - For Example: if 75% of the County's Court Facility space transfers to the state and the revenues is not tied to bonded indebtedness on any of the Court Facilities, then 75% of the local courthouse construction fund would also transfer to the state.
- When this occurs, this affects how funds are collected under GC §76000(a) or GC § 76000(e).

Additional Information can be found under GC § 70375.

Additional Penalties

- GC § 76104.6 - DNA Identification Penalty *Guidelines*
  - Additional penalty of $1 per $10 (or part of $10) for every fine, penalty, or forfeiture imposed.
  - Assessed on all criminal offenses.
  - County transfers 25% to State each quarter.
- GC § 76104.7 - DNA Identification Penalty *Guidelines*
  - Additional penalty of $4 per $10 (or part of $10) for every fine, penalty, or forfeiture imposed.
  - Assessed on all criminal offenses (for violations after June 27, 2012.)
  - County to transfer 100% to State.

Additional Penalties

- GC § 70372 (a) - Court Construction Penalty *Guidelines*
  - Additional penalty of $5 per 10 (or part of $10) upon every fine, penalty, or forfeiture imposed.
  - Distributed to the State ICNA and State CFCF; these funds will be consolidated to State CFCF in 2021-22 Budget.
- GC § 76000.5 - Emergency Medical Services (EMS) *Guidelines*
  - Additional penalty assessment of $2 per 10 (or part of $10) of the base fine (board of supervisors' resolution).
  - Distributed to the County Maddy EMS Fund

Additional Penalties

- GC § 76000.10(c)(1) $4 EMAT Penalty

  UB&PS Section III F, pg.iv and *Guidelines*

  - A $4 penalty for emergency medical air transportation services (EMAT) is imposed for every Vehicle Code conviction, or a local ordinance adopted under the Vehicle Code, committed on or after January 1, 2011.
  - Distributed to the State EMAT Fund
  - As the law stands today, imposition of EMAT penalty will end June 30, 2021, and collection of EMAT penalty will end December 31, 2022.

Fees and Assessments

- PC § 1465.8 – Court Operations Assessment *Guidelines*
  - $40 assessed on every conviction for a criminal offense, including a traffic offense, except parking offenses as defined in subdivision (i) of Penal Code section 1463.
  - "Conviction" includes the confidential conviction of a traffic violation on the condition that the defendant attend a court-ordered traffic violator school.
  - 100% distribution to State TCTF.
- GC § 70373 – Criminal Conviction Assessment *Guidelines*
  - $30 assessed for each felony/misdemeanor conviction, **or**
  - $35 assessed for each infraction conviction (including confidential conviction for completion of traffic school.)
  - 100% distribution to State ICNA; will go to State CFCF upon consolidation

17

Fees and Assessments

- VC § 42006 -Night Court Special Assessment *Guidelines*
  - Vehicle Code or local ordinance adopted where the court conducts night or weekend court sessions for traffic offenses.
  - Court may levy a $1 special assessment per fine, forfeiture, and traffic violator school fee imposed.
  - When facilities have transferred w/o bonded indebtedness, the $1 special assessment goes to the State.
  - Non-parking violations

18

Installment Payment Fees

Penal Code Section § 1205(e)

The defendant shall pay to the clerk of the court or the collecting agency a fee for the processing of installment accounts. This fee shall equal the administrative and clerical costs, as determined by the board of supervisors, or by the court, depending on which entity administers the account.

The defendant shall pay to the clerk of the court or the collecting agency the fee established for the processing of the accounts receivable that are not to be paid in installments.

The fee shall equal the administrative and clerical costs, as determined by the board of supervisors, or by the court, depending on which entity administers the account, except that the fee shall not exceed thirty dollars ($30).

Case Studies

Reference Materials

In general, there are resources you may find useful:

- Statutes
- Uniform Bail and Penalty Schedule (UB&PS)
- State Controller's Office *Trial Court Revenue Distribution Guidelines* (Guidelines)
- Spreadsheets

Items needed to test a distribution

1. Gather information about the citation
   - Violation and conviction dates
   - Local penalties, fines, assessments, etc.
   - Board of Supervisor Resolution
2. Review statutes
3. Refer to Guidelines and FAQs
4. Refer to the UB&PS
5. Call/email for assistance only after going through 1-4
   (since we will go through these same steps!)

29

Crosswalk

- Resource tying Trial Court Revenue Distribution Guidelines and other resources
- Minimizes Research Time
  - FAQ's
  - Uniform Bail & Penalty Schedule

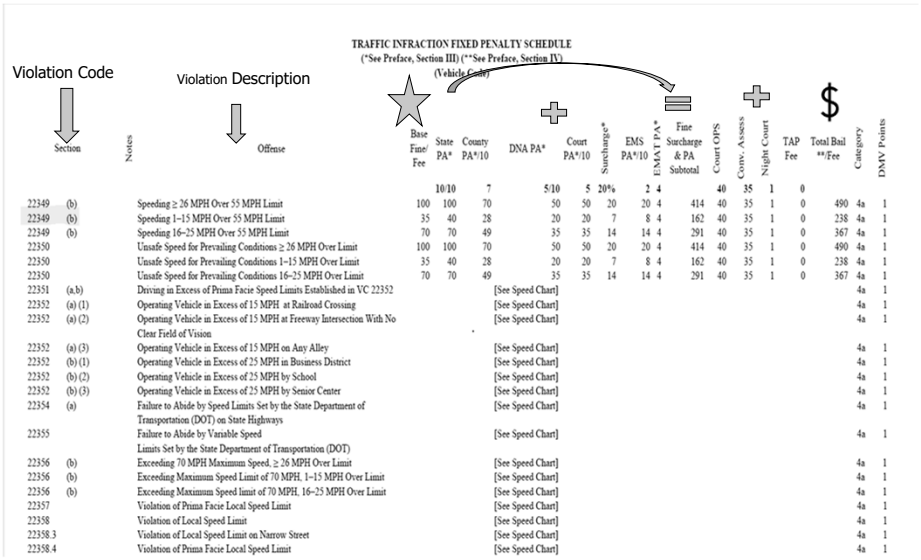
32

32



33

Preparing for the calculations

Gather information (from the case management system/case file) including:

1. Codes violated
2. Violation date and conviction date
3. Prior violations
4. Base fine and enhancements for total base fine (how much was assessed)
5. Arresting agency – county, city, CHP,
6. Disposition on each count (conviction, dismissed, traffic school)

34

34

Base fine used in worksheet to calculate additional penalties and surcharges.

Subtotal includes base fine plus state and local penalty assessments, and surcharge.

Total includes Court Operations, Criminal Conviction, and Night Court Assessments.

49

Case No. 1 Scenario 2

- Add one prior
- What happens to the base fine and the distribution?

50

Prior Convictions

The base fine for one Vehicle Code moving violation that is assessed "points" on a current arrest or citation may be enhanced by $10 for each "prior" conviction within 36 months of the new alleged offense. For calculating the enhancement, both the current and "prior" offense must be a moving violation for which a "point" has been assigned per Vehicle Code section 12810 or 12810.2. A confidential conviction after completion of traffic school is not assigned a point or counted as a prior offense for purposes of enhancing the fine of a subsequent offense. Regardless of the number of moving violation convictions on a citation, only one "prior" per citation shall be counted in determining the enhancement on the current offense.

Uniform Bail and Penalty Schedule (2021), pg. viii

Continuing with Prior Convictions and Moving Violations

Since we know this violation carries a DMV point and we will be adding the $10 DMV Priors Fee on line 38 for the VC § 40508.6 DMV/Administrative Fee. This Administrative fee pays for the court costs to administered the priors information to DMV.

Case No. 1 Scenario 4

- What if the judicial officer simply orders the defendant to pay $200?
- What do you do?
- What happens to the distribution?

Top-Down Distribution Speeding Spreadsheet

ASSUMPTION:
Standard total fine is $289 but the judge ordered a fine of $200

WATCH OUT FOR: *What distribution components are and are not prorated.*

BASIC RULES

Tops Down vs. Bottoms Up Assessments

PC § 1463.004: If a sentencing judge specifies only the total fine or forfeiture, or if an automated case-processing system requires it, percentage calculations may be employed to establish the components of total fines or forfeitures, provided that the aggregate monthly distributions resulting from the calculations are the same as would be produced by strict observance of the statutory distributions.

59

59

Top-Down Distribution

Prorate "soft" distribution components ONLY

61

Top-Down Distribution

- This special distribution applies for judge-ordered total fines that do not follow the standard total bail in the UB&PS or the countywide penalty schedule.
- These total fines are typically less than the standard total bail.
- **There is no stated or agreed-upon method for performing the Top-Down distribution, so the following are examples of two methods.**

62

62

Differences between the Top-Down Distribution #1 versus #2

Court Fees remain the same and the rest of the fine is Pro-rated.

TOP-DOWN #1		
Prorate % After Fixed	2% Amt	FINAL (After 2%)

Disabled Parking VC § 22507.8

(a) It is unlawful for any person to park or leave standing any vehicle in a stall or space designated for disabled persons and disabled veterans pursuant to Section 22511.7 or 22511.8 of this code or Section 14679 of the Government Code, unless the vehicle displays either a special identification license plate issued pursuant to Section 5007 or a distinguishing placard issued pursuant to Section 22511.55 or 22511.59.

(b) It is unlawful for any person to obstruct, block, or otherwise bar access to those parking stalls or spaces except as provided in subdivision (a).

(c) It is unlawful for any person to park or leave standing any vehicle, including a vehicle displaying a special identification license plate issued pursuant to Section 5007 or a distinguishing placard issued pursuant to Section 22511.55 or 22511.59, in either of the following places:

(1) On the lines marking the boundaries of a parking stall or space designated for disabled persons or disabled veterans.

(2) In any area of the pavement adjacent to a parking stall or space designated for disabled persons or disabled veterans that is marked by crosshatched lines and is thereby designated, pursuant to any local ordinance, for the loading and unloading of vehicles parked in the stall or space.

(d) Subdivisions (a), (b), and (c) apply to all offstreet parking facilities owned or operated by the state, and to all offstreet parking facilities owned or operated by a local authority. Subdivisions (a), (b), and (c) also apply to any privately owned and maintained offstreet parking facility.

70

Late Penalty Charge

- Vehicle Code section 40310 requires the imposition of a late charge of 50 percent on any traffic penalties not paid within 20 days.
- The 20 days shall be counted from the mailing of a notice that the penalty has been assessed.
- Note: Check with your finance staff if you have questions, but we're under the impression that the vast majority of courts DO NOT charge a late penalty charge. We are NOT encouraging you to do so.

71

RECAP: Case Study Goals and Expectations

- Provide information on basic concepts and terms regarding distributions necessary to complete distribution worksheets.
- Use distribution worksheets to:
  1. Work through actual case studies of basic distributions.
  2. Understand impacts of variations (priors, different base fines, etc.) to demonstrate how distributions change.

72
