**1.3** Each Participating Addendum constitutes and shall be construed as a separate, independent contract between Contractor and the JBE signing such Participating Addendum, subject to the following: (i) each Participating Addendum shall be governed by this Agreement, and the terms in this Agreement are hereby incorporated into each Participating Addendum; (ii) the Participating Addendum may not alter or conflict with the terms of this Agreement, or exceed the scope of the Work provided for in this Agreement; and (iii) the term of the Participating Addendum may not extend beyond the expiration date of the Agreement. ## 2. Background Information

As an internal services organization, the Conference Center & Reception Services Unit (located within the office of Conference & Print Production) is tasked with placing catering orders in conjunction with meetings taking place in the conference rooms that are located within the buildings at 455 Golden Gate Avenue, San Francisco, and orchestrating the logistical needs of meetings, conferences, trainings, etc. taking place on site. Occasionally a catering order will be required for delivery to another location within San Francisco. Historically, the Judicial Council has tried to establish an on-going and mutually beneficial relationship with a professional catering company to service these catering needs throughout the year. This is done in an effort to leverage the volume of business into cost savings that would allow the Judicial Council to administer public funds in a sound and fiscally responsible manner.

   2.4 **No Conflict of Interest.** Contractor has no interest that would constitute a conflict of interest under PCC sections 10365.5, 10410 or 10411; Government Code sections 1090

et seq. or 87100 et seq.; or California Rules of Court, rule 10.103 or 10.104, which restrict employees and former employees from contracting with Judicial Branch Entities.

**2.5 No Interference with Other Contracts.** To the best of Contractor's knowledge, this Agreement and any Participating Addendum does not create a material conflict of interest or default under any of Contractor's other contracts.

**2.6 No Litigation.** No suit, action, arbitration, or legal, administrative, or other proceeding or governmental investigation is pending or threatened that may adversely affect Contractor's ability to perform its obligations.

**2.7 Compliance with Laws Generally.** Contractor complies with all laws, rules, and regulations applicable to Contractor's business and its obligations under this Agreement and any Participating Addendum.

**2.8 Drug Free Workplace.** Contractor provides a drug free workplace as required by California Government Code sections 8355 through 8357.

**2.9 No Harassment.** Contractor does not engage in unlawful harassment, including sexual harassment, with respect to any persons with whom Contractor may interact in the performance of this Agreement (and any Participating Addendum), and Contractor takes all reasonable steps to prevent harassment from occurring.

**2.10 Noninfringement.** The Goods, Services, Deliverables, and Contractor's performance under this Agreement (and any Participating Addendum) do not infringe, or constitute an infringement, misappropriation or violation of, any third party's intellectual property right.

**2.11 Nondiscrimination.** Contractor complies with the federal Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and California's Fair Employment and Housing Act (Government Code sections 12990 et seq.) and associated regulations (Code of Regulations, title 2, sections 7285 et seq.). Contractor does not unlawfully discriminate against any employee or applicant for employment because of age (40 and over), ancestry, color, creed, disability (mental or physical) including HIV and AIDS, marital or domestic partner status, medical condition (including cancer and genetic characteristics), national origin, race, religion, request for family and medical care leave, sex (including gender and gender identity), and sexual orientation. Contractor will notify in writing each labor organization with which Contractor has a collective bargaining or other agreement of Contractor's obligations of nondiscrimination.

**2.12 National Labor Relations Board Orders.** No more than one, final unappealable finding of contempt of court by a federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order of a federal court requiring Contractor to comply with an order of the National Labor Relations Board. Contractor swears under penalty of perjury that this representation is true.

## 3. Insurance

**3.1 Basic Coverage.** Contractor shall provide to each JBE and maintain at the Contractor's expense the following insurance during the Term:

A. *Commercial General Liability.* The policy must be at least as broad as the Insurance Services Office (ISO) Commercial General Liability "occurrence" form, with coverage for liabilities arising out of premises, operations, independent contractors, products and completed operations, personal and advertising injury, and liability assumed under an insured contract. The policy must provide limits of at least $1,000,000 per occurrence and annual aggregate.

B. *Workers Compensation and Employer's Liability.* The policy is required only if Contractor has employees. The policy must include workers' compensation to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of $1,000,000 per accident or disease.

C. *Automobile Liability.* This policy is required only if Contractor uses an automobile or other vehicle in the performance of this Agreement. The policy must cover bodily injury and property damage liability and be applicable to all vehicles used in Contractor's performance of this Agreement whether owned, non-owned, leased, or hired. The policy must provide combined single limits of at least $1,000,000 per occurrence.

3.2 **Umbrella Policies.** Contractor may satisfy basic coverage limits through any combination of basic coverage and umbrella insurance.

3.3 **Aggregate Limits of Liability.** The basic coverage limits of liability may be subject to annual aggregate limits. If this is the case the annual aggregate limits of liability must be at least two (2) times the limits required for each policy, or the aggregate may equal the limits required but must apply separately to this Agreement.

3.4 **Deductibles and Self-Insured Retentions.** Contractor shall declare to each JBE all deductibles and self-insured retentions that exceed $100,000 per occurrence. Any increases in deductibles or self-insured retentions that exceed $100,000 per occurrence are subject to each JBE's approval. Deductibles and self-insured retentions do not limit Contractor's liability.

3.5 **Additional Insured Endorsements.** Contractor's commercial general liability policy, automobile liability policy, and, if applicable, umbrella policy must be endorsed to name the following as additional insureds with respect to liabilities arising out of the performance of this Agreement: the Establishing JBE, the State of California, the Participating Entities, and their respective judges, subordinate judicial officers, executive officers, administrators, officers, officials, agents, representatives, contractors, volunteers or employees).

3.6 **Certificates of Insurance.** Before Contractor begins performing Services, Contractor shall give the Establishing JBE (and on request, any Participating Entity) certificates of insurance attesting to the existence of coverage. Contractor shall provide prompt written notice to the Establishing JBE and any Participating Entity in the event that insurance coverage is cancelled or materially changed from the coverage set forth in the current certificate of insurance provided to the Establishing JBE and Participating Entities.

3.7 **Qualifying Insurers.** For insurance to satisfy the requirements of this section, all required insurance must be issued by an insurer with an A.M. Best rating of A - or better that is approved to do business in the State of California.

3.8 **Required Policy Provisions.** Each policy must provide, as follows: (i) the policy is primary and noncontributory with any insurance or self-insurance maintained by Judicial Branch Entities and Judicial Branch Personnel, and the basic coverage insurer waives any and all rights of subrogation against Judicial Branch Entities and Judicial Branch Personnel; (ii) the insurance applies separately to each insured against whom a claim is made or a lawsuit is brought, to the limits of the insurer's liability; and (iii) each insurer waives any right of recovery or subrogation it may have against the Establishing JBE, any Participating Entity, the Judicial Council of California, and their respective judges, subordinate judicial officers, executive officers, administrators, officers, officials, agents, representatives, contractors, volunteers or employees for loss or damage.

3.9 **Partnerships.** If Contractor is an association, partnership, or other joint business venture, the basic coverage may be provided by either (i) separate insurance policies issued for each individual entity, with each entity included as a named insured or as an additional insured; or (ii) joint insurance program with the association, partnership, or other joint business venture included as a named insured.

3.10 **Consequence of Lapse.** If required insurance lapses during the Term, the JBEs are not required to process invoices after such lapse until Contractor provides evidence of reinstatement that is effective as of the lapse date.

4. **Indemnity.** Contractor will defend (with counsel satisfactory to the JBE or its designee), indemnify and hold harmless the Judicial Branch Entities and the Judicial Branch Personnel against all claims, losses, and expenses, including attorneys' fees and costs, that arise out of or in connection with: (i) a latent or patent defect in any Goods; (ii) an act or omission of Contractor, its agents, employees, independent contractors, or subcontractors in the performance of this Agreement; (iii) a breach of a representation, warranty, or other provision of this Agreement or any Participating Addendum; and (iv) infringement of any trade secret, patent, copyright or other third party intellectual property. This indemnity applies regardless of the theory of liability on which a claim is made or a loss occurs. This indemnity will survive the expiration or termination of this Agreement or any Participating Addendum, and acceptance of any Goods, Services, or Deliverables. Contractor shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement that would bind an indemnified party, without the affected JBE's prior written consent, which consent shall not be unreasonably withheld; and such JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor's duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

5. **Option Term. – This Agreement does not include option terms.**

6. **Tax Delinquency.** Contractor must provide notice to the JBEs immediately if Contractor has reason to believe it may be placed on either (i) the California Franchise Tax Board's list of

500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts. The Establishing JBE may terminate this Agreement immediately "for cause" pursuant to Section 7.2 below (and each JBE may terminate its Participating Addendum immediately "for cause" pursuant to Section 7.2 below) if (i) Contractor fails to provide the notice required above, or (ii) Contractor is included on either list mentioned above.

**7. Termination**

**7.1 Termination for Convenience.** The Establishing JBE may terminate, in whole or in part, this Agreement (and a JBE may terminate, in whole or in part, a Participating Addendum) for convenience upon thirty (30) days prior Notice. After receipt of such Notice, and except as otherwise directed by the Establishing JBE (and regarding a Participating Addendum, except as otherwise directed by the JBE), Contractor shall immediately: (a) stop Services (or development of Deliverables) as specified in the Notice; and (b) stop the delivery or manufacture of Goods as specified in the Notice.

**7.2 Termination for Cause.** The Establishing JBE may terminate this Agreement, in whole or in part, immediately "for cause" (and a JBE may terminate a Participating Addendum, in whole or in part, immediately "for cause"): if (i) Contractor fails or is unable to meet or perform any of its duties under this Agreement or a Participating Addendum, and this failure is not cured within ten (10) days following Notice of default (or in the opinion of the JBE, is not capable of being cured within this cure period); (ii) Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business; or (iii) Contractor makes or has made under this Agreement (or any Participating Addendum) any representation, warranty, or certification that is or was incorrect, inaccurate, or misleading.

**7.3 Termination upon Death.** This entire Agreement will terminate immediately without further action of the parties upon the death of a natural person who is a party to this Agreement, or a general partner of a partnership that is a party to this Agreement.

**7.4 Termination for Changes in Budget or Law.** Each JBE's payment obligations are subject to annual appropriation and the availability of funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement or Participating Addendum. Funding beyond the current appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement (including a Participating Addendum). The Establishing JBE may terminate this Agreement (and any JBE may terminate a Participating Addendum), and each JBE may limit Contractor's Work (and reduce proportionately Contractor's fees) upon Notice to Contractor without prejudice to any right or remedy of the JBEs if: (i) expected or actual funding to compensate Contractor is withdrawn, reduced or limited; or (ii) the Establishing JBE determines that Contractor's performance under this Agreement (or a JBE determines that Contractor's performance under a Participating Addendum) has become infeasible due to changes in applicable laws.

**7.5 Rights and Remedies.**

A. *Nonexclusive Remedies.* All remedies provided in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the Establishing JBE and the affected Participating Entities immediately if Contractor is in default, or if a third party claim or dispute is brought or threatened that alleges facts that would constitute a default under this Agreement (or a Participating Addendum). If Contractor is in default: (i) a JBE may withhold all or any portion of a payment otherwise due to Contractor, and exercise any other rights of setoff as may be provided in this Agreement; (ii) a JBE may require Contractor to enter into nonbinding mediation; (iii) the Establishing JBE may exercise, following Notice, the Establishing JBE's right of early termination of this Agreement (and a JBE may exercise its right of early termination of a Participating Addendum) as provided herein; and (iv) a JBE may seek any other remedy available at law or in equity.

B. *Replacement.* If the Establishing JBE terminates this Agreement (or if a JBE terminates a Participating Addendum) in whole or in part for cause, the JBE may acquire from third parties, under the terms and in the manner the JBE considers appropriate, goods or services equivalent to those terminated, and Contractor shall be liable to the JBE for any excess costs for those goods or services. Notwithstanding any other provision, in no event shall the excess cost to the JBEs for such goods and services be excluded as indirect, incidental, special, exemplary, punitive or consequential damages of the JBEs. Contractor shall continue any Work not terminated.

C. *Delivery of Materials.* In the event of any expiration or termination of this Agreement (or a Participating Addendum), Contractor shall promptly provide the applicable JBE or JBEs with all originals and copies of the Deliverables for such JBE, including any partially-completed Deliverables-related work product or materials, and any JBE-provided materials in its possession, custody, or control. In the event of any termination of this Agreement or Participating Addendum, the JBEs shall not be liable to Contractor for compensation or damages incurred as a result of such termination.

D. *Participating Addenda.* The termination of this Agreement shall not result in the termination of any outstanding Participating Addendum that has not been terminated by a JBE, and this Agreement shall continue to apply to any such Participating Addendum until such time as all Work under such Participating Addendum has been completed by its terms or is terminated as provided in this Section 7; provided, however, that the term of such Participating Addendum may not exceed the expiration date of this Agreement. Issuance and acknowledgement of any Participating Addendum (as evidenced by the JBE's and Contractor's signature on the Participating Addendum) must be completed before the termination or expiration of this Agreement.

**7.6 Survival.** Termination or expiration of this Agreement shall not affect the rights and obligations of Contractor, the Establishing JBE, and the Participating Entities which arose prior to any such termination or expiration (unless otherwise provided herein) and such rights and obligations shall survive any such termination or expiration. Rights and obligations that by their nature should survive shall remain in effect after

termination or expiration of this Agreement, including any section of this Agreement that states it shall survive such termination or expiration.

8. **Assignment and Subcontracting.** Contractor may not assign or subcontract its rights or duties under this Agreement (including any Participating Addendum), in whole or in part, whether by operation of law or otherwise, without the prior written consent of the Establishing JBE. Consent may be withheld for any reason or no reason. Any assignment or subcontract made in contravention of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement will be binding on the parties and their permitted successors and assigns.

9. **Notices.** Notices must be sent to the following address and recipient:

Notices will be considered to have been given at the time of actual delivery in person, three (3) days after deposit in the mail as set forth above, or one (1) day after delivery to an overnight air courier service.

10. **Provisions Applicable to Certain Agreements.** The provisions in this section are applicable to this Agreement and to any Participating Addendum, provided, however that if this Agreement or a Participating Addendum is not of the type described in the first sentence of a subsection, then that subsection does not apply to this Agreement or such Participating Addendum.

    10.1 **Union Activities Restrictions.** *If the Contract Amount is over $50,000, this section is applicable.* Contractor agrees that no JBE funds received under this Agreement or any Participating Addendum will be used to assist, promote or deter union organizing during the Term. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.

    10.2 **Domestic Partners, Spouses, Gender, and Gender Identity Discrimination.** *If the Contract Amount is $100,000 or more, this section is applicable.* Contractor is in

compliance with, and throughout the Term will remain in compliance with: (i) PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) PCC 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee's or dependent's actual or perceived gender identity.

**10.3 Child Support Compliance Act.** *If the Contract Amount is $100,000 or more, this section is applicable.* Contractor recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the Term) all applicable state and federal laws relating to child and family support enforcement, including disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

**10.4 Priority Hiring.** *If the Contract Amount is over $200,000 and this Agreement is for services (other than Consulting Services), this section is applicable.* Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.

**10.5 Iran Contracting Act.** *If the Contract Amount is $1,000,000 or more and Contractor did not provide to the Establishing JBE an Iran Contracting Act certification as part of the solicitation process, this section is applicable.* Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran ("Iran List") created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending $20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the Establishing JBE to enter into this Agreement (and written permission from each JBE to enter into the applicable Participating Addendum) pursuant to PCC 2203(c).

**10.6 Loss Leader Prohibition.** *If this Agreement (including any Participating Addendum) involves the purchase of goods, this section is applicable.* Contractor shall not sell or use any article or product as a "loss leader" as defined in section 17030 of the Business and Professions Code.

**10.7 Recycling.** *If this Agreement (including any Participating Addendum) provides for the purchase or use of goods specified in PCC 12207 (for example, certain paper products, office supplies, mulch, glass products, lubricating oils, plastic products, paint, antifreeze, tires and tire-derived products, and metal products), this section is applicable with respect to those goods. Without limiting the foregoing, if this Agreement (including any Participating Addendum) includes (i) document printing, (ii) parts cleaning, or (iii) janitorial and building maintenance services, this section is applicable.* Contractor shall use recycled products in the performance of this Agreement (including any Participating Addendum) to the maximum extent doing so is economically feasible. Upon request, Contractor shall certify in writing under penalty of perjury, the minimum, if not exact,

percentage of post consumer material as defined in the PCC 12200, in such goods regardless of whether the goods meet the requirements of PCC 12209. With respect to printer or duplication cartridges that comply with the requirements of PCC 12156(e), the certification required by this subdivision shall specify that the cartridges so comply.

**10.8 Federal Funding Requirements.** *If this Agreement (or a Participating Addendum) is funded in whole or in part by the federal government, this section is applicable.* It is mutually understood between the parties that this Agreement (or a Participating Addendum) may have been written for the mutual benefit of both parties (or Participating Entities) before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement (or a Participating Addendum) were executed after that determination was made. This Agreement (or a Participating Addendum) is valid and enforceable only if sufficient funds are made available to the Establishing JBE (or the applicable Participating Entity) by the United States Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement (or a Participating Addendum) is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement (or a Participating Addendum) in any manner. The parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement (or a Participating Addendum) is intended to be paid, this Agreement (or Participating Addendum) shall be deemed amended without any further action of the parties to reflect any reduction in funds. The Establishing JBE may invalidate this Agreement (and a JBE may invalidate a Participating Addendum) under the termination for convenience or cancellation clause (providing for no more than thirty (30) days' Notice of termination or cancellation), or amend this Agreement (or Participating Addendum) to reflect any reduction in funds.

**10.9 DVBE Commitment.** This section is applicable if Contractor received a disabled veteran business enterprise ("DVBE") incentive in connection with this Agreement. Contractor's failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. If Contractor used DVBE subcontractor(s) in connection with this Agreement (or a Participating Addendum): (i) Contractor must use the DVBE subcontractors identified in its bid or proposal, unless the Establishing JBE approves in writing replacement by another DVBE subcontractor in accordance with the terms of this Agreement; and (ii) Contractor must, within sixty (60) days of receiving final payment under each Participating Addendum, certify in a report to the applicable JBE: (1) the total amount of money and percentage of work Contractor committed to provide to each DVBE subcontractor and the amount each DVBE subcontractor received under the Participating Addendum; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted work in connection with the Participating Addendum; (3) the amount each DVBE subcontractor received from Contractor in connection with the Participating Addendum; and (4) that all payments under the Participating Addendum have been made to the applicable DVBE subcontractors. Upon request by the JBE, Contractor shall provide proof of payment

for the work. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. Contractor will comply with all rules, regulations, ordinances and statutes that govern the DVBE program, including, without limitation, Military and Veterans Code section 999.5.

**10.10 Antitrust Claims.** *If this Agreement resulted from a competitive solicitation, this section is applicable.* Contractor shall assign to the applicable JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by Contractor, the JBE shall, within one (1) year from such demand, reassign the cause of action assigned under this part if Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.

**10.11 Good Standing.** *If Contractor is a corporation, limited liability company, or limited partnership, and this Agreement (and any Participating Addendum) is performed in whole or in part in California, this section is applicable.* Contractor is, and will remain for the Term, qualified to do business and in good standing in California.

**11. Miscellaneous Provisions.**

**11.1 Independent Contractor.** Contractor is an independent contractor to the JBEs. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor and the JBEs. Contractor has no authority to bind or incur any obligation on behalf of the JBEs. If any governmental entity concludes that Contractor is not an independent contractor, the Establishing JBE may terminate this Agreement (and a JBE may terminate a Participating Addendum) immediately upon notice.

**11.2 GAAP Compliance.** Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles.

**11.3 Audit.** Contractor must allow the JBEs or their designees to review and audit Contractor's (and any subcontractors') documents and records relating to this Agreement (including any Participating Addendum), and Contractor (and its subcontractors) shall retain such documents and records for a period of four (4) years following final payment under this Agreement. If an audit determines that Contractor (or any subcontractor) is not in compliance with this Agreement (including any Participating Addendum), Contractor shall correct errors and deficiencies by the twentieth (20th) day of the month following the review or audit. If an audit determines that Contractor has overcharged the JBE five percent (5%) or more during the time

period subject to audit, Contractor must reimburse the JBE in an amount equal to the cost of such audit. This Agreement (and any Participating Addendums) are subject to examinations and audit by the State Auditor for a period of three (3) years after final payment.

**11.4 Licenses and Permits.** Contractor shall obtain and keep current all necessary licenses, approvals, permits and authorizations required by applicable law for the performance of the Services (including Deliverables) or the delivery of the Goods. Contractor will be responsible for all fees and taxes associated with obtaining such licenses, approvals, permits and authorizations, and for any fines and penalties arising from its noncompliance with any applicable law.

**11.5 Confidential Information.** During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any third party without obtaining the JBE's express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to its employees or contractors who need to know that information in order to perform Services hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this section. The provisions of this section shall survive the expiration or termination of this Agreement and any Participating Addendum. Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than the greater of reasonable care and industry-standard care. Each JBE owns all right, title and interest in its Confidential Information. Contractor will notify the affected JBE promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the JBE to protect such Confidential Information. Upon a JBE's request and upon any termination or expiration of this Agreement or a Participating Addendum, Contractor will promptly (a) return to the JBE or, if so directed by the JBE, destroy all such JBE's Confidential Information (in every form and medium), and (b) certify to the JBE in writing that Contractor has fully complied with the foregoing obligations. Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations under this section, that any such breach will likely result in irreparable harm, and that upon any breach or threatened breach of the confidentiality obligations, the JBEs shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

**11.6 Ownership of Deliverables.** Unless otherwise agreed in this Agreement, regarding any Deliverables or any other work product to be provided to a JBE, Contractor hereby assigns to such JBE all rights, title, and interest (and all intellectual property rights, including but not limited to copyrights) in and to such Deliverables and work product, any partially-completed Deliverables, and related materials. Contractor agrees not to assert any rights at common law, or in equity, or establish a copyright claim in any of these materials. Contractor shall not publish or reproduce any Deliverable or other

work product in whole or part, in any manner or form, or authorize others to do so, without the written consent of the JBE.

**11.7 Publicity.** Contractor shall not make any public announcement or press release about this Agreement (or any Participating Addendum) without the prior written approval of the Establishing JBE (and with respect to any Participating Addendum, the prior written approval of the applicable JBE).

**11.8 Choice of Law and Jurisdiction.** California law, without regard to its choice-of-law provisions, governs this Agreement (including any Participating Addendum). The Contractor and the applicable JBEs shall attempt in good faith to resolve informally and promptly any dispute that arises. Jurisdiction for any legal action arising from this Agreement shall exclusively reside in state or federal courts located in California, and the parties hereby consent to the jurisdiction of such courts.

**11.9 Negotiated Agreement.** This Agreement has been arrived at through negotiation between the parties. Neither party is the party that prepared this Agreement for purposes of construing this Agreement under California Civil Code section 1654.

**11.10 Amendment and Waiver.** Except as otherwise specified in this Agreement, no amendment or change to this Agreement will be effective unless expressly agreed in writing by a duly authorized officer of the Establishing JBE. A waiver of enforcement of any of this Agreement's terms or conditions by the Establishing JBE is effective only if expressly agreed in writing by a duly authorized officer of the Establishing JBE. Any waiver or failure by a JBE to enforce any provision of this Agreement or Participating Addendum on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

**11.11 Follow-On Contracting.** No person, firm, or subsidiary who has been awarded a Consulting Services agreement may submit a bid for, nor be awarded an agreement for, the providing of services, procuring goods or supplies, or any other related action that is required, suggested, or otherwise deemed appropriate in the end product of this Agreement.

**11.12 Severability.** If any part of this Agreement is held unenforceable, all other parts remain enforceable.

**11.13 Headings; Interpretation.** All headings are for reference purposes only and do not affect the interpretation of this Agreement. The word "including" means "including, without limitation." Unless specifically stated to the contrary, all references to days herein shall be deemed to refer to calendar days.

**11.14 Time of the Essence.** Time is of the essence in Contractor's performance under this Agreement.

**11.15 Counterparts.** This Agreement may be executed in counterparts, each of which is considered an original.
