## **MEDIATION FACTS**

- **Mediation is a confidential and voluntary meeting where parties to a dispute talk to each other with the help of a mediator.**
- **Many people prefer mediation rather than going through the uncertainty, stress and expense of a trial.**
- **Mediated results may include binding agreements created by the parties.**
- **Mediation is no-risk because if you do not find an acceptable solution you can still go to court on your scheduled trial date.**
- **Free Small Claims Mediation can happen after a case is filed, is available during regular business hours and may be available during evenings and weekends.**
- **To schedule a free mediation, please visit the ACCESS Center.**
