Re: Status Update of Judicial Branch Courthouse Construction Program,  
as required under Government Code section 70371.8

Dear Senator Leno and Assembly Member Weber:

The Judicial Council respectfully submits this report to the Legislature in  
accordance with Government Code section 70371.8.

Attached is a table that comprises the annual status update on the  
courthouse capital projects of the judicial branch's Senate Bill 1407  
courthouse construction program. This attachment lists the current status  
of each capital project.

Please note that we are in the process of requesting a change to this  
report's submission deadline in order to provide the legislature with an  
entire fiscal year's accounting of actual revenues and expenditures of the  
construction program's Immediate and Critical Needs Account (ICNA).  
Actual ICNA figures for fiscal years 2008–2009 through 2013–2014 were  
submitted to you in October 2014. In fall 2015, we plan to submit an  
update to this report containing actual ICNA revenues and expenditures  
for fiscal year 2014–2015.

If you have questions related to this report, please contact Ms. Kelly  
Quinn, Assistant Director for Business and Planning of the Judicial  
Council's Capital Program at 818-558-3078 or [kelly.quinn@jud.ca.gov](mailto:kelly.quinn@jud.ca.gov).

Hon. Mark Leno  
Hon. Shirley N. Weber

**Proceed** – Projects will move forward as indicated above.

**Indefinitely Delayed** – Projects are indefinitely delayed until funds become available in the future. No work to proceed on site acquisition or design, unless specified above.

Note: In October 2012, the Judicial Council referred one project, a renovation of the Lancaster (McCourtney Juvenile) Courthouse in Los Angeles County, to its Trial Court Facility Modification Advisory Committee for consideration of funding as a facility modification. The scope of this project is currently being developed with the Los Angeles Superior Court.
