Re: Amended Report on Purchase or Lease of Electronic Recording
Equipment by Superior Courts (July 1–December 31, 2012) as
Required by Government Code Section 69958

Dear Ms. Boyer-Vine, Mr. Schmidt, and Mr. Wilson:

The Judicial Council respectfully submits this amended report, as required by Government Code section 69958, to provide information to the Legislature regarding superior court purchases and leases of electronic recording equipment during the period of July 1, 2012, through December 31, 2012. As required by statute, for each purchase or lease of equipment, the report specifies the name of the court, the types of proceedings for which the equipment will be used, the cost of the equipment, and the types of equipment purchased or leased.

Government Code section 69957 requires the courts to obtain advance approval from the Judicial Council before purchasing or leasing any electronic recording technology or equipment. Approval for purchase or lease of the equipment is subject to the equipment's being used only in the manner and for the purposes authorized under that section. All 58 superior courts were surveyed regarding their purchase or lease of the

equipment to ensure that all purchases were made with the required authorization. During the July 1 to December 31, 2012, period, 11 courts submitted Request to Purchase forms and received authorization for their purchases. Of the 11 courts, 6 indicated that they had not yet purchased the equipment, and 5 indicated that they had purchased or leased electronic recording equipment or related items for use in court proceedings during this period. After the report was submitted, the Superior Court of Riverside County indicated that they had purchased equipment, but inadvertently had not had the purchase approved in advance by the Judicial Council. The Request to Purchase form was subsequently submitted and approval obtained. Information about these transactions follows.

The Superior Court of Glenn County spent \$6,570 to purchase two FTR Reporter upgrades from version 2.1 to 5.2 and two DMX-8 USB mixers. The purchase was an upgrade of existing equipment. The devices will be used to make an official record in traffic appeal cases and to monitor subordinate judicial officers in all other case types.

The Superior Court of Mendocino County spent \$4,600 to purchase one FTR Reporter (version 5.5) electronic reporting system, a DMX-4 mixer, and four microphones. The purchase was not a replacement or upgrade of existing equipment. The devices will be used to make an official record in small claims, infraction, misdemeanor, and limited civil cases.

The Superior Court of Placer County spent \$14,154 to purchase one FTR Reporter A/V version 5.5 software, a computer, and a digital signal processor and other equipment to integrate the software and equipment into the court's courtroom A/V system. This was not an upgrade or replacement of existing resources. The devices will be used to make an official record in small claims, infractions, misdemeanors, and limited civil cases.

The Superior Court of Riverside County spent \$4,514 to purchase one FTR Reporter version 5.6 audio-only software and license, one Antex DMX-8 mixer, one USB extender, and one Hewlett Packard 5650b HP ProBook computer. This was a replacement or upgrade of existing equipment. The devices will be used to create an official record of infractions for appellate purposes.

The Superior Court of San Benito County spent \$4,915 to purchase one copy of FTR Reporter Audio Recording Software (version 5.6), one FTR DMX 4-channel USB audio mixer, a 2-channel power amplifier, and miscellaneous hardware and connectors. The purchase was a replacement or upgrade of existing equipment. The devices will be used to make an official record for infraction, misdemeanor, and occasionally limited civil cases.

The Superior Court of San Francisco County spent \$39,268 to purchase three JAVS Suite 7 systems. The purchase was an upgrade or replacement of existing equipment. The devices will be used to make an official record in misdemeanor and infraction cases, including traffic.
