

# ARTIFICIAL INTELLIGENCE TASK FORCE

*“Generative AI brings great promise, but our guiding principle should be safeguarding the integrity of the judicial process. That means it will be essential for the branch to assess what protections are necessary as we begin to use this technology.”*

—Chief Justice Patricia Guerrero

## PROPOSALS

**1**

### Model Policy: Use of Generative AI

February 2025

**2**

### Rule of Court: Generative AI Use Policies

September 2025

**3**

### Standard of Judicial Administration: Judicial Officer Use of Generative AI

September 2025

## KEY PROVISIONS OF GENERATIVE AI MODEL USE POLICY

### Confidentiality & Privacy

- Submission of confidential and non-public information is prohibited
- Internal court systems exempted

### Supervision & Accountability

- Accuracy, completeness, errors, and hallucinations must be reviewed and corrected by users
- Materials are the responsibility of the person who uses or authorizes them

### Bias & Discrimination

- Use of generative AI to unlawfully discriminate is prohibited
- Biased, offensive, or harmful output must be reviewed and corrected by users

### Transparency

- Written or visual work provided to the public requires a disclosure or watermark if a substantial portion is AI-generated

## MODEL USE POLICY

Provides a template for court use:

- Can be used to comply with the planned rule of court
- Can be modified to address specific goals or operational requirements
- Courts are not required to adopt the model policy

Applies to:

- All court staff for any use of generative AI
- All judicial officers for any task outside of their adjudicative role

Does not require a court to permit the use of generative AI:

- Courts may prohibit generative AI use entirely or may permit it with restrictions

## TASK FORCE CHARGE

- Oversee the development of policy recommendations on the use of AI in the judicial branch
- Coordinate the development of proposals and potential actions by the judicial branch
- Develop its own proposals
- Coordinate with other government or judicial branch entities on AI policy developments
