1. Background, Purpose, and Ordering.

- 1.1 The Judicial Council of California, chaired by the Chief Justice of California, is the chief policy making agency of the California judicial branch. The California Constitution directs the Judicial Council to improve the administration of justice by surveying judicial business, recommending improvements to the courts, and making recommendations annually to the Governor and the Legislature. The Judicial Council also adopts rules for court administration, practice, and procedure, and performs other functions prescribed by law.
- 1.2 As an internal services organization, the Conference Center & Reception Services Unit (located within the office of Conference & Print Production) is tasked with placing catering orders in conjunction with meetings taking place in the conference rooms that are located within the buildings at **2850 Gateway Oaks Drive, Sacramento, California** and orchestrating the logistical needs of meetings, conferences, trainings, etc. taking place on site. **Occasionally a Judicial Council catering order will be required for delivery to another location within Sacramento of California.**
- 1.3 This Agreement sets forth the terms and conditions that apply to Contractor's provision of Work to the Judicial Council and Participating JBEs. "Work" shall mean the Services and Deliverables as further described in **Sections 2** below. This Agreement does not obligate the Judicial Council or a JBE to place any orders for Work under this Agreement, and does not guarantee Contractor a specific volume of orders.
- 1.4 The Establishing JBE, and other Participating JBEs, which include but not limited to the **Courts of Appeals** shall have the right to place orders under this Agreement for any of the Work. A Participating Entity may place orders for Work by entering into a Participating Addendum with Contractor in the form attached as **Appendix E** to this Agreement ("Participating Addendum"). **For the Establishing JBE, no additional Participating Addendum is necessary.** Pricing for Work shall be in accordance with the prices set forth in this Agreement. After a Participating Addendum has been presented to the Contractor by a Participating Entity, the Contractor shall acknowledge, sign, and perform under the Participating Addendum in a timely manner. Contractor shall provide the Work for each Participating Entity in accordance with the terms of this Agreement and the applicable Participating Addendum.
- 1.5 Each Participating Addendum constitutes and shall be construed as a separate, independent contract between Contractor and the JBE signing such Participating Addendum, subject to the following: (i) each Participating Addendum shall be governed by this Agreement, and the terms in this Agreement are hereby incorporated into each Participating Addendum; (ii) the Participating Addendum may not alter or conflict with the terms of this Agreement, or exceed the scope of the Work provided for in this Agreement; and (iii) the term of the Participating Addendum may not extend beyond the expiration date of the Agreement. The Participating Addendum and this Agreement

shall take precedence over any terms and conditions included on Contractor's invoice or similar document. Contractor shall notify the Establishing JBE within five (5) business days of receipt of a Participating Addendum from a Participating Entity. The Contractor shall promptly provide the Establishing JBE with a fully-signed copy of each Participating Addendum between the Contractor and a Participating Entity.

- 1.6 The Establishing JBE, or Under a Participating Addendum, a Participating JBE may at its option place order for the Services using the **Catering Menu Order Form (Attachment 2)**, subject to the following: such Catering Menu Order Form is subject to and governed by the terms of the Master Agreement and the Participating Addendum, and any term in the Catering Menu Order Form that conflicts with or alters any term of the Master Agreement (or the Participating Addendum) or exceeds the scope of the Work provided for in this Agreement, will not be deemed part of the contract between Contractor and JBE. Subject to the foregoing, the Participating Addendum shall be deemed to include such Catering Menu Order Form.
- 1.7 The JBE signing the Participating Addendum shall be solely responsible for: (i) the acceptance of and payment for the Work under such Participating Addendum; and (ii) its obligations and any breach of its obligations. Any breach of obligations by a JBE shall not be deemed a breach by any other JBE. Under no circumstances shall a JBE have any liability or obligation except pursuant to a Participating Addendum signed by such JBE, nor shall any breach by a JBE under a Participating Addendum give rise to a breach under any other Participating Addendum or be deemed grounds for termination of this Agreement by Contractor. The Establishing JBE shall have no liability or responsibility of any type related to: (i) any other JBE's use of or procurement through this Agreement (including any Participating Addendum), or (ii) such JBE's business relationship with Contractor. The Establishing JBE makes no guarantees, representations, or warranties to any Participating Entity.
- 1.8 This Agreement is a nonexclusive agreement. The Judicial council and each JBE reserves the right to provide, or have others provide the Work. Contractor shall reasonably cooperate with any third parties retained by the Judicial Council or a JBE to provide the Work.
- 1.9 The Judicial Council does not guarantee that the Contractor will receive a specific volume of work, a specific total amount, or a specific order value under this master agreement for these services. **Additionally, there will be no limit on the number of orders the Judicial Council may issue under this Master Agreement, nor will there be any specific limitation on the quantity, and maximum value of individual orders.**

3.1 General Requirements.

A. By requiring the minimum insurance set forth in this Agreement, the JBE shall not be deemed or construed to have assessed the risks that may be applicable to Contractor under this Agreement. Contractor shall assess its own risks and if it deems appropriate or prudent, maintain higher limits or broader coverage.

B. The insurance obligations under this Agreement shall be: (1) all the insurance coverage and/or limits carried by or available to the Contractor; or (2) the minimum insurance coverage requirements and/or limits shown in this Agreement, whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits which are applicable to a given loss shall be available to the JBE in compliance with the insurance requirements set forth in this Agreement. The JBE may, in its sole discretion, accept self-insurance or risk-pool coverage as a substitute for any of the required insurance policies under this Agreement. No representation is made by the JBE that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of the Contractor under this Agreement.

C. Contractor shall obtain and maintain the required insurance for the duration of this Agreement with an insurance company or companies acceptable to the JBE, in its sole discretion, and that are rated "A-VII" or higher by A. M. Best's key rating guide and are authorized to do business in the state of California.

D. For all insurance policies required under this Agreement, no deductible shall exceed five (5) percent of the minimum limit of insurance required under this Agreement unless authorized in writing by the JBE. Any Contractor deductible must be clearly stated on the appropriate certificate of insurance.

Self-Insured retentions (SIR) must be declared to and approved in writing by the JBE. The JBE may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or JBE. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to Judicial Branch Entities or Judicial Branch Personnel. JBE may deduct from any amounts otherwise due Contractor to fund the SIR. Policies shall NOT contain any SIR provisions that limit the satisfaction of the SIR to the named insured. The policy must also provide that defense costs, including the allocated loss adjustment expenses, will satisfy the SIR. JBE reserves the right to obtain a copy of any policies and endorsements for verification.

E. Contractor is responsible for and may not recover from the State of California, Judicial Council, or the JBE any deductible or self-insured retention that is connected to the insurance required under this Agreement. If self-insured, Contractor warrants that it will

maintain funds to cover losses required to be insured against by Contractor under the terms of this Agreement.

F. Contractor, prior to commencing performance under this Agreement, shall provide JBE with certificates of insurance and signed insurance policy endorsements, on forms acceptable to JBE, as evidence that the required insurance is in full force and effect. The insurance required under this Agreement, and any excess liability or umbrella liability insurance, that Contractor maintains in compliance with the terms of this “General Requirements” subsection (with the exception of Professional Liability Insurance, if required) must be endorsed to include the State of California; Judicial Council of California; and the Judicial Branch Entities (including the Establishing JBE and the Participating Entities); and their respective elected and appointed officials, judicial officers, officers, employees, and agents as additional insureds. No payments will be made to Contractor until all required current and complete certificates of insurance and signed insurance policy endorsements are properly endorsed and on file with the JBE.

G. The insurance required under this Agreement, including all required additional insured coverages, must be endorsed to be primary and non-contributory to any insurance or self-insurance maintained by the State of California, Judicial Council, or the JBE. Contractor’s liabilities under this Agreement shall not be limited in any manner to the insurance coverage required.

H. Failure to provide the documentation as required prior to the commencement of Work shall not constitute or be construed as a waiver of the obligation to provide such documentation.

I. The Certificates of Insurance must be addressed and mailed to:

Deborah Mok
Contract Specialist, Branch Accounting and Procurement
Contract Number **MA-SAC2024-02**
Judicial Council of California
455 Golden Gate Avenue
San Francisco, CA 94012

J. All insurance policies required under this Agreement must remain in force for the entire duration of this Agreement. If the insurance expires during the Term of this Agreement, Contractor shall immediately renew or replace the required insurance and provide a new current certificate of insurance and signed insurance policy endorsement(s), or Contractor will be in breach of this Agreement, and the JBE may direct the Contractor to stop work or may take other remedial action. Contractor must provide renewal insurance certificates and signed policy endorsements to JBE on or before the expiration date of the previous insurance certificates and signed policy endorsements. Any new insurance procured by Contractor must conform to the requirements of this Agreement.

K. In the event Contractor fails to keep the specified insurance coverage in force at all times required under this Agreement, JBE may, in addition to and without limiting any other remedies available to it, (i) order the Contractor to stop work, or (ii) terminate this Agreement upon the occurrence of such event, subject to the provisions of this Agreement.

L. Contractor, and each insurer providing insurance required under this Agreement, expressly waives all rights of recovery and subrogation rights it may have against the State of California, Judicial Council, the JBE, and their respective elected and appointed officials, judicial officers, officers, employees, and agents for direct physical loss or damage to the Work, and for any liability arising out of or in connection with the Work performed by Contractor under this Agreement or arising out of or in connection with Contractor's breach of this Agreement. This provision does not apply to professional liability insurance policies.

M. Contractor shall provide the JBE with written notice within **TEN (10)** calendar days of becoming aware of a material change or cancellation of the insurance policies required under this Agreement. In the event of expiration or cancellation of any insurance policy, Contractor shall **immediately** notify the JBE's Project Manager.

N. JBE reserves the right to request certified copies of any of the insurance policies required under this Agreement, which must be provided by Contractor within **TEN (10)** business days following the request by JBE.

O. Contractor must require insurance from its Subcontractors in substantially the same form as required of the Contractor herein and with limits of liability that are sufficient to protect the interests of the Contractor, State of California, the Judicial Council, the JBE, and the Judicial Branch Entities.

3.2 **Individual Policy Requirements**

A. Commercial General Liability

Commercial General Liability Insurance shall be written on an occurrence form with limits of not less than one million dollars (\$1,000,000) per occurrence for bodily injury and property damage and two million dollars (\$2,000,000) annual aggregate. The policy shall include coverage for liabilities arising out of or in connection with premises, operations, products and completed operations, personal and advertising injury, and liability assumed under an insured contract. This insurance shall apply separately to each insured against whom a claim is made or suit is brought. The products and completed liability shall extend for not less than three (3) years past the completion of the Work or the termination of this Agreement, whichever occurs first.

If Contractor has employees, it shall maintain workers' compensation insurance as required by law. Employer's liability limits shall be not less than one million dollars (\$1,000,000) for each accident, one million dollars (\$1,000,000) as the aggregate disease policy limit, and one million dollars (\$1,000,000) as the disease limit for each employee. If Contractor does not have employees, it shall provide a letter, on company letterhead, to the JBE certifying, under penalty of perjury, that it does not have employees. Upon the JBE's receipt of the letter, Contractor shall not be required to maintain workers' compensation insurance.

D. Professional Liability Insurance

Professional Liability Insurance shall include coverage for any negligent act, error, or omission committed or alleged to have been committed which arises out of rendering or failure to render the Work provided under the terms of this Agreement. The policy shall provide limits of not less than one million dollars (\$1,000,000) per claim or per occurrence and two million dollars (\$2,000,000) annual aggregate. If the policy is written on a "claims made" form, Contractor shall continue such coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement. The retroactive date or "prior acts inclusion date" of any such "claims made" policy must be no later than the date that Work commences pursuant to the Agreement.

E. Cyber Liability Insurance

Cyber Liability Insurance, with limits not less than two million dollars (\$2,000,000) per occurrence or claim, two million dollars (\$2,000,000) aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as are undertaken by Contractor in this Agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

F. Technology Professional Liability Errors & Omissions

Technology professional liability errors and omissions insurance appropriate to the Contractor profession and work hereunder, with limits not less than two million dollars (\$2,000,000) per occurrence, and two million dollars (\$2,000,000) per annual aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations undertaken by the Contractor pursuant to this Agreement and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information.

The policy shall provide coverage for breach response costs, regulatory fines and penalties, as well as credit monitoring expenses.

The technology professional liability errors and omissions insurance policy shall include, or be endorsed to include, ***property damage liability coverage*** for damage to, alteration of, loss of, or destruction of electronic data and/or information “property” of the JBE in the care, custody, or control of the Contractor. If not covered under Contractor’s technology professional liability errors and omissions insurance, such “property” coverage of the JBE must be endorsed onto the Contractor’s Cyber Liability Policy.

G. Builders Risk/Installation

Builders Risk/Installation Coverage Policy shall be written on an all-risk basis and that covers the work to be performed under this Agreement for direct physical loss or damage while in the course of transportation, erection, installation, and completion with limits of liability equal to the final completed value of the project.

H. Contractor’s Equipment Insurance

Contractor shall maintain equipment insurance covering its business property, equipment, and tools used in the performance at the project site that are not intended to become a permanent part of the work. The JBE shall not be responsible for loss or damage to or obtaining and/or maintaining in force insurance on temporary structures, construction equipment, tools, or personal effects, owned or rented to or in the care, custody, and control of a Contractor of any tier.

3.3 Umbrella Policies

Contractor may satisfy basic coverage limits through any combination of primary, excess, or umbrella insurance.

4. Indemnity. Contractor will defend (with counsel satisfactory to the JBE or its designee), indemnify and hold harmless the Judicial Branch Entities and the Judicial Branch Personnel against all claims, losses, and expenses, including attorneys’ fees and costs, that arise out of or in connection with: (i) a latent or patent defect in any Goods; (ii) an act or omission of Contractor, its agents, employees, independent contractors, or subcontractors in the performance of this Agreement; (iii) a breach of a representation, warranty, or other provision of this Agreement or any Participating Addendum; and (iv) infringement of any trade secret, patent, copyright or other third party intellectual property. This indemnity applies regardless of the theory of liability on which a claim is made or a loss occurs. This indemnity will survive the expiration or termination of this Agreement or any Participating Addendum, and acceptance of any Goods, Services, or Deliverables. Contractor shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement that would bind an indemnified party, without the affected JBE’s prior written consent, which consent shall not be unreasonably withheld; and such JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor’s duties of

indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

5. Option Term. N/A

- 6. Tax Delinquency.** Contractor must provide notice to the JBEs immediately if Contractor has reason to believe it may be placed on either (i) the California Franchise Tax Board's list of 500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts. The Establishing JBE may terminate this Agreement immediately "for cause" pursuant to Section 7.2 below (and each JBE may terminate its Participating Addendum immediately "for cause" pursuant to Section 7.2 below) if (i) Contractor fails to provide the notice required above, or (ii) Contractor is included on either list mentioned above.

7. Termination

- 7.1 Termination for Convenience.** The Establishing JBE may terminate, in whole or in part, this Agreement (and a JBE may terminate, in whole or in part, a Participating Addendum) for convenience upon thirty (30) days prior Notice. After receipt of such Notice, and except as otherwise directed by the Establishing JBE (and regarding a Participating Addendum, except as otherwise directed by the JBE), Contractor shall immediately: (a) stop Services (or development of Deliverables) as specified in the Notice; and (b) stop the delivery or manufacture of Goods as specified in the Notice.
- 7.2 Termination for Cause.** The Establishing JBE may terminate this Agreement, in whole or in part, immediately "for cause" (and a JBE may terminate a Participating Addendum, in whole or in part, immediately "for cause"): if (i) Contractor fails or is unable to meet or perform any of its duties under this Agreement or a Participating Addendum, and this failure is not cured within ten (10) days following Notice of default (or in the opinion of the JBE, is not capable of being cured within this cure period); (ii) Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business; or (iii) Contractor makes or has made under this Agreement (or any Participating Addendum) any representation, warranty, or certification that is or was incorrect, inaccurate, or misleading.
- 7.3 Termination upon Death.** This entire Agreement will terminate immediately without further action of the parties upon the death of a natural person who is a party to this Agreement, or a general partner of a partnership that is a party to this Agreement.
- 7.4 Termination for Changes in Budget or Law.** Each JBE's payment obligations are subject to annual appropriation and the availability of funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement or Participating Addendum. Funding beyond the current appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement (including a Participating Addendum). The Establishing JBE may terminate this Agreement (and any JBE may terminate a Participating Addendum), and each JBE may limit Contractor's Work (and reduce

proportionately Contractor's fees) upon Notice to Contractor without prejudice to any right or remedy of the JBEs if: (i) expected or actual funding to compensate Contractor is withdrawn, reduced or limited; or (ii) the Establishing JBE determines that Contractor's performance under this Agreement (or a JBE determines that Contractor's performance under a Participating Addendum) has become infeasible due to changes in applicable laws.

7.5 Rights and Remedies.

- A. *Nonexclusive Remedies.*** All remedies provided in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the Establishing JBE and the affected Participating Entities immediately if Contractor is in default, or if a third party claim or dispute is brought or threatened that alleges facts that would constitute a default under this Agreement (or a Participating Addendum). If Contractor is in default: (i) a JBE may withhold all or any portion of a payment otherwise due to Contractor, and exercise any other rights of setoff as may be provided in this Agreement; (ii) a JBE may require Contractor to enter into nonbinding mediation; (iii) the Establishing JBE may exercise, following Notice, the Establishing JBE's right of early termination of this Agreement (and a JBE may exercise its right of early termination of a Participating Addendum) as provided herein; and (iv) a JBE may seek any other remedy available at law or in equity.
- B. *Replacement.*** If the Establishing JBE terminates this Agreement (or if a JBE terminates a Participating Addendum) in whole or in part for cause, the JBE may acquire from third parties, under the terms and in the manner the JBE considers appropriate, goods or services equivalent to those terminated, and Contractor shall be liable to the JBE for any excess costs for those goods or services. Notwithstanding any other provision, in no event shall the excess cost to the JBEs for such goods and services be excluded as indirect, incidental, special, exemplary, punitive or consequential damages of the JBEs. Contractor shall continue any Work not terminated.
- C. *Delivery of Materials.*** In the event of any expiration or termination of this Agreement (or a Participating Addendum), Contractor shall promptly provide the applicable JBE or JBEs with all originals and copies of the Deliverables for such JBE, including any partially-completed Deliverables-related work product or materials, and any JBE-provided materials in its possession, custody, or control. In the event of any termination of this Agreement or Participating Addendum, the JBEs shall not be liable to Contractor for compensation or damages incurred as a result of such termination.
- D. *Participating Addenda.*** The termination of this Agreement shall not result in the termination of any outstanding Participating Addendum that has not been terminated by a JBE, and this Agreement shall continue to apply to any such Participating Addendum until such time as all Work under such Participating Addendum has been completed by its terms or is terminated as provided in this Section 7; provided, however, that the term of such Participating Addendum may not exceed the expiration date of this Agreement. Issuance and acknowledgement

of any Participating Addendum (as evidenced by the JBE's and Contractor's signature on the Participating Addendum) must be completed before the termination or expiration of this Agreement.

- 7.6 Survival.** Termination or expiration of this Agreement shall not affect the rights and obligations of Contractor, the Establishing JBE, and the Participating Entities which arose prior to any such termination or expiration (unless otherwise provided herein) and such rights and obligations shall survive any such termination or expiration. Rights and obligations that by their nature should survive shall remain in effect after termination or expiration of this Agreement, including any section of this Agreement that states it shall survive such termination or expiration.
- 8. Assignment and Subcontracting.** Contractor may not assign or subcontract its rights or duties under this Agreement (including any Participating Addendum), in whole or in part, whether by operation of law or otherwise, without the prior written consent of the Establishing JBE. Consent may be withheld for any reason or no reason. Any assignment or subcontract made in contravention of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement will be binding on the parties and their permitted successors and assigns.
- 9. Notices.** Notices must be sent to the following address and recipient:

If to Contractor:	If to the Establishing JBE:
<u>Alex Hiebert</u> <u>610 Bercut Drive</u> <u>Sacramento, CA 95811</u> <u>Phone: 916-628-3636</u> <u>With a copy to:</u> <u>alex@tastytimeco.com</u>	<u>David Glass</u> <u>455 Golden Gate Avenue</u> <u>San Francisco, CA 94102</u> <u>Phone: 415-865-7848</u> <u>With a copy to:</u> <u>david.glass@jud.ca.gov</u>

Either party may change its address for Notices by giving the other party Notice of the new address in accordance with this section. Notices will be considered to have been given at the time of actual delivery in person, three (3) days after deposit in the mail as set forth above, or one (1) day after delivery to an overnight air courier service.

- 10. Provisions Applicable to Certain Agreements.** The provisions in this section are applicable to this Agreement and to any Participating Addendum, provided, however that if this Agreement or a Participating Addendum is not of the type described in the first sentence of a subsection, then that subsection does not apply to this Agreement or such Participating Addendum.

- 10.1 Union Activities Restrictions.** *If the Contract Amount is over \$50,000, this section is applicable.* Contractor agrees that no JBE funds received under this Agreement or any Participating Addendum will be used to assist, promote or deter union organizing during the Term. If Contractor incurs costs, or makes expenditures to assist, promote or

deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.

- 10.2 Domestic Partners, Spouses, Gender, and Gender Identity Discrimination.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor is in compliance with, and throughout the Term will remain in compliance with: (i) PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) PCC 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee's or dependent's actual or perceived gender identity.
- 10.3 Child Support Compliance Act.** *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the Term) all applicable state and federal laws relating to child and family support enforcement, including disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.
- 10.4 Priority Hiring.** *If the Contract Amount is over \$200,000 and this Agreement is for services (other than Consulting Services), this section is applicable.* Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.
- 10.5 Iran Contracting Act.** *If the Contract Amount is \$1,000,000 or more and Contractor did not provide to the Establishing JBE an Iran Contracting Act certification as part of the solicitation process, this section is applicable.* Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran ("Iran List") created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the Establishing JBE to enter into this Agreement (and written permission from each JBE to enter into the applicable Participating Addendum) pursuant to PCC 2203(c).
- 10.6 Loss Leader Prohibition.** *If this Agreement (including any Participating Addendum) involves the purchase of goods, this section is applicable.* Contractor shall not sell or use any article or product as a "loss leader" as defined in section 17030 of the Business and Professions Code.
- 10.7 Recycling.** *If this Agreement (including any Participating Addendum) provides for the purchase or use of goods specified in PCC 12207 (for example, certain paper products, office supplies, mulch, glass products, lubricating oils, plastic products, paint, antifreeze, tires and tire-derived products, and metal products), this section is applicable*

with respect to those goods. Without limiting the foregoing, if this Agreement (including any Participating Addendum) includes (i) document printing, (ii) parts cleaning, or (iii) janitorial and building maintenance services, this section is applicable. Contractor shall use recycled products in the performance of this Agreement (including any Participating Addendum) to the maximum extent doing so is economically feasible. Upon request, Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post consumer material as defined in the PCC 12200, in such goods regardless of whether the goods meet the requirements of PCC 12209. With respect to printer or duplication cartridges that comply with the requirements of PCC 12156(e), the certification required by this subdivision shall specify that the cartridges so comply.

10.8 Federal Funding Requirements. *If this Agreement (or a Participating Addendum) is funded in whole or in part by the federal government, this section is applicable.* It is mutually understood between the parties that this Agreement (or a Participating Addendum) may have been written for the mutual benefit of both parties (or Participating Entities) before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement (or a Participating Addendum) were executed after that determination was made. This Agreement (or a Participating Addendum) is valid and enforceable only if sufficient funds are made available to the Establishing JBE (or the applicable Participating Entity) by the United States Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement (or a Participating Addendum) is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement (or a Participating Addendum) in any manner. The parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement (or a Participating Addendum) is intended to be paid, this Agreement (or Participating Addendum) shall be deemed amended without any further action of the parties to reflect any reduction in funds. The Establishing JBE may invalidate this Agreement (and a JBE may invalidate a Participating Addendum) under the termination for convenience or cancellation clause (providing for no more than thirty (30) days' Notice of termination or cancellation), or amend this Agreement (or Participating Addendum) to reflect any reduction in funds.

10.9 Antitrust Claims. *If this Agreement resulted from a competitive solicitation, this section is applicable.* Contractor shall assign to the applicable JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages,

attributable to overcharges that were paid by Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by Contractor, the JBE shall, within one (1) year from such demand, reassign the cause of action assigned under this part if Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.

10.10 Legal Services. *If this Agreement is for legal services, this section is applicable.*

Contractor shall: (i) adhere to legal cost and billing guidelines designated by the JBE; (ii) adhere to litigation plans designated by the JBE, if applicable; (iii) adhere to case phasing of activities designated by the JBE, if applicable; (iv) submit and adhere to legal budgets as designated by the JBE; (v) maintain legal malpractice insurance in an amount not less than the amount designated by the JBE; and (vi) submit to legal bill audits and law firm audits if so requested by the JBE, whether conducted by employees or designees of the JBE or by any legal cost-control provider retained by the JBE for that purpose. Contractor may be required to submit to a legal cost and utilization review as determined by the JBE. If (a) the Contract Amount is greater than \$50,000, (b) the legal services are not the legal representation of low- or middle-income persons, in either civil, criminal, or administrative matters, and (c) the legal services are to be performed within California, then Contractor agrees to make a good faith effort to provide a minimum number of hours of pro bono legal services, or an equivalent amount of financial contributions to qualified legal services projects and support centers, as defined in section 6213 of the Business and Professions Code, during each year of the Agreement equal to the lesser of either (A) thirty (30) multiplied by the number of full time attorneys in the firm's offices in California, with the number of hours prorated on an actual day basis for any period of less than a full year or (B) the number of hours equal to ten percent (10%) of the Contract Amount divided by the average billing rate of the firm. Failure to make a good faith effort may be cause for nonrenewal of this Agreement or another judicial branch or other state contract for legal services, and may be taken into account when determining the award of future contracts with a Judicial Branch Entity for legal services.

10.11 Good Standing. *If Contractor is a corporation, limited liability company, or limited partnership, and this Agreement (and any Participating Addendum) is performed in whole or in part in California, this section is applicable.* Contractor is, and will remain for the Term, qualified to do business and in good standing in California.

11. Miscellaneous Provisions.

11.1 Independent Contractor. Contractor is an independent contractor to the JBEs. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor and the JBEs. Contractor has no authority to bind or incur any obligation on behalf of the JBEs. If any governmental entity concludes that Contractor is not an independent contractor, the Establishing JBE may terminate this Agreement (and a JBE may terminate a Participating Addendum) immediately upon notice.

11.2 GAAP Compliance. Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles.

- 11.3 Audit.** Contractor must allow the JBEs or their designees to review and audit Contractor's (and any subcontractors') documents and records relating to this Agreement (including any Participating Addendum), and Contractor (and its subcontractors) shall retain such documents and records for a period of four (4) years following final payment under this Agreement. If an audit determines that Contractor (or any subcontractor) is not in compliance with this Agreement (including any Participating Addendum), Contractor shall correct errors and deficiencies by the twentieth (20th) day of the month following the review or audit. If an audit determines that Contractor has overcharged the JBE five percent (5%) or more during the time period subject to audit, Contractor must reimburse the JBE in an amount equal to the cost of such audit. This Agreement (and any Participating Addendums) are subject to examinations and audit by the State Auditor for a period of three (3) years after final payment.
- 11.4 Licenses and Permits.** Contractor shall obtain and keep current all necessary licenses, approvals, permits and authorizations required by applicable law for the performance of the Services (including Deliverables) or the delivery of the Goods. Contractor will be responsible for all fees and taxes associated with obtaining such licenses, approvals, permits and authorizations, and for any fines and penalties arising from its noncompliance with any applicable law.
- 11.5 Confidential Information.** During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any third party without obtaining the JBE's express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to its employees or contractors who need to know that information in order to perform Services hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this section. The provisions of this section shall survive the expiration or termination of this Agreement and any Participating Addendum. Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than the greater of reasonable care and industry-standard care. Each JBE owns all right, title and interest in its Confidential Information. Contractor will notify the affected JBE promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the JBE to protect such Confidential Information. Upon a JBE's request and upon any termination or expiration of this Agreement or a Participating Addendum, Contractor will promptly (a) return to the JBE or, if so directed by the JBE, destroy all such JBE's Confidential Information (in every form and medium), and (b) certify to the JBE in writing that Contractor has fully complied with the foregoing obligations. Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations under this section, that any such breach will likely result in irreparable harm, and that upon any breach or threatened breach of the confidentiality obligations, the JBEs shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

- 11.6 Ownership of Deliverables.** Unless otherwise agreed in this Agreement, regarding any Deliverables or any other work product to be provided to a JBE, Contractor hereby assigns to such JBE all rights, title, and interest (and all intellectual property rights, including but not limited to copyrights) in and to such Deliverables and work product, any partially-completed Deliverables, and related materials. Contractor agrees not to assert any rights at common law, or in equity, or establish a copyright claim in any of these materials. Contractor shall not publish or reproduce any Deliverable or other work product in whole or part, in any manner or form, or authorize others to do so, without the written consent of the JBE.
- 11.7 Publicity.** Contractor shall not make any public announcement or press release about this Agreement (or any Participating Addendum) without the prior written approval of the Establishing JBE (and with respect to any Participating Addendum, the prior written approval of the applicable JBE).
- 11.8 Choice of Law and Jurisdiction.** California law, without regard to its choice-of-law provisions, governs this Agreement (including any Participating Addendum). The Contractor and the applicable JBEs shall attempt in good faith to resolve informally and promptly any dispute that arises. Jurisdiction for any legal action arising from this Agreement shall exclusively reside in state or federal courts located in California, and the parties hereby consent to the jurisdiction of such courts.
- 11.9 Negotiated Agreement.** This Agreement has been arrived at through negotiation between the parties. Neither party is the party that prepared this Agreement for purposes of construing this Agreement under California Civil Code section 1654.
- 11.10 Amendment and Waiver.** Except as otherwise specified in this Agreement, no amendment or change to this Agreement will be effective unless expressly agreed in writing by a duly authorized officer of the Establishing JBE. A waiver of enforcement of any of this Agreement's terms or conditions by the Establishing JBE is effective only if expressly agreed in writing by a duly authorized officer of the Establishing JBE. Any waiver or failure by a JBE to enforce any provision of this Agreement or Participating Addendum on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.
- 11.11 Follow-On Contracting.** No person, firm, or subsidiary who has been awarded a Consulting Services agreement may submit a bid for, nor be awarded an agreement for, the providing of services, procuring goods or supplies, or any other related action that is required, suggested, or otherwise deemed appropriate in the end product of this Agreement.
- 11.12 Severability.** If any part of this Agreement is held unenforceable, all other parts remain enforceable.
- 11.13 Headings; Interpretation.** All headings are for reference purposes only and do not affect the interpretation of this Agreement. The word "including" means "including, without limitation." Unless specifically stated to the contrary, all references to days herein shall be deemed to refer to calendar days.
- 11.14 Time of the Essence.** Time is of the essence in Contractor's performance under this Agreement.

11.15 Counterparts. This Agreement may be executed in counterparts, each of which is considered an original.
