Section 01

Program Overview

Federal and state program goals, eligible applicants, and who can be served

JUDICIAL COUNCIL
OF CALIFORNIA

The Federal Child Access and Visitation Grant

- Established under the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996
- Since 1997, Congress has authorized \$10 million per year in block grants to states
- Formula grant: state allocations are based on the number of single-parent households
- Administered by HHS, Administration for Children and Families
- The Judicial Council applies annually and awards funds to California superior courts

Federal program goal

“Remove barriers and increase opportunities for biological parents who are not living in the same household as their children to become more involved in their children’s lives.”

42 U.S.C. § 669b

California's Three Program Service Areas

Supervised visitation and exchange services

Must comply with Fam. Code § 3200.5 and Standard 5.20 (Uniform Standards of Practice for Providers of Supervised Visitation)

Education

Education about protecting children during family disruption

Group counseling

Group counseling services for parents and children

Program goal: promote healthy relationships between noncustodial parents and their children while ensuring children's health, safety, and welfare. The program supports noncustodial parents' access and visitation; all other benefits are secondary outcomes.

Who Can Apply and Who Can Be Served

Eligible applicants

- All California superior courts are eligible
- Family law divisions must administer the program
- One court serves as lead applicant and primary liaison with Judicial Council staff
- Nonprofit agencies participate only as part of a court's application
- Collaboration with other courts and agencies is encouraged

Target population

- Low-income separated, separating, divorced, or unmarried parents and their children in Family Code custody and visitation proceedings
- Funds serve noncustodial parents only

Funds may not be used for

- Dependency cases or proceedings
- Tribes or Tribal Courts
- Off-site or in-home supervised visitation

Funding

Funding categories, the 20 percent match, and how funds are paid

JUDICIAL COUNCIL
OF CALIFORNIA

Funding at a Glance

~\$655,000

awarded to courts
statewide each year

3 years

April 1, 2027 – March 31,
2030

20%

non-federal match
required

58

superior courts eligible to
apply

- Contract agreements are single-year contracts, renewable based on available funds
- Judicial Council contracts are executed only with the lead applicant court
- Courts must have a contract or Memorandum of Understanding with each subcontractor

Funding Categories

Up to

\$100,000

Counties ranked 1–19 · 19 courts
per fiscal year

Up to

\$60,000

Counties ranked 20–38 · 19 courts
per fiscal year

Up to

\$45,000

Counties ranked 39–58 · 20 courts
per fiscal year

How courts are placed

- Allocation methodology adopted by the Judicial Council, using two U.S. Census factors: the number of single-parent households and the number of individuals below the federal poverty level in each county
- Counties are ranked by their average share of the statewide totals; see Attachment C for every court's eligibility amount

The 20 Percent Match Requirement

- 20% = 10% federal requirement + 10% additional California requirement for sustainability
- Met with cash, in-kind contributions, or both
- May come from the court, the subcontractor, or both; the court decides how the match is met
- Only allowable costs count toward match
- Costs paid with program income cannot count toward match

How Funds Are Paid and Reallocated

Reimbursement-based

Courts submit monthly invoices for approved, allowable expenses. Funds are disbursed once staff confirm claims meet state and federal requirements.

Midyear reallocation

Courts complete a midyear questionnaire on funding needs. Staff may redistribute funds among grantees to ensure full expenditure; reallocation requires Judicial Council approval.

Declined awards

If a court declines before its contract is executed, funds go to the next-ranking court. Funds declined during the funding period are redistributed through the midyear reallocation.

Section 03

Grant Application Evaluation and Scoring

How applications are scored and selected (Attachment A)

JUDICIAL COUNCIL
OF CALIFORNIA

How Applications Are Scored: 105 Points

100 points for the grant application narrative, plus 5 bonus points for multicourt or multiagency collaboration

- Reviewers read each application in full and score responsiveness to each question
- Numeric scores alone do not determine funding recommendations
- Statewide geographic diversity, including court size and population, is also considered
- The Judicial Council makes all final funding decisions

Strength of Program Services: 50 Points

Scoring item	What reviewers look for	Points
Program start (Q31)	Will the program start on time? If not, is there a reasonable explanation?	5
Need for proposed services (Q32–34)	Supports AV goals by increasing noncustodial parents' access to and visitation with their children; describes the particular need for services in the target population; describes innovative or unique aspects	20
Program service delivery (Q35–38)	How services remove barriers to visitation, including location, eligibility, outreach, and cultural competency	15
Safety and security (Q39–42)	Safety and security policies and procedures for compliance with Standard 5.20; safety screening and protocols that identify and protect victims of domestic violence, described in detail	10

Partnerships and Evaluation: 20 Points Each

Scoring item	What reviewers look for	Points
Partnerships (Q43–44)	Services complement existing court-based programs; planned coordination with government, community-based, or domestic violence services	10
Experience (Q45–46)	Background, experience, and training of court staff and subcontractor agency; if expertise is lacking, a plan to obtain it	10
Evaluation (Q28.5, Q28.10, Q47)	How client satisfaction, program effectiveness, and efficiency will be measured. New applicants: how outcomes will be measured. Past grantees: changes made in service delivery	15
Sustainability (Q49–50)	A sustainability plan that includes other sources of support and efforts to seek additional funding	5

Budget and Bonus Points

Budget: 10 points (Q48, B1–B3)

- Funds allocated to minimize administrative costs and support direct services to clients
- How the court and subcontractor will monitor compliance with statutory and grant requirements
- Costs are reasonable for the service design, number of clients, and hours of service

Bonus: 5 points

- Multicourt collaboration: a lead applicant court partnering with courts or counties in other jurisdictions
- Multiagency collaboration: a single applicant court partnering with two or more local service providers
- Multiple site locations alone do not count as multiagency collaboration

Review and Selection Process

- Goal: approve as many requests as possible while ensuring services align with program goals
- Program staff do not score applications
- Before a contract is executed, awarded courts must certify that they have secured a subcontractor

Section 04

Required Attachments and Templates

Attachment B: the court and subcontractor budget

JUDICIAL COUNCIL
OF CALIFORNIA

Attachment B: Project Budget (Required for All Applicants)

B1: Budget Form

Excel workbook with budget and written justification narrative for the court and up to three subcontractors

B2: Summary of Client Services

Clients to be served and hours of service by service area, for the court and each subcontractor

B3: Summary of Program Budget

AV funds and match by expense category for the court and each subcontractor

- Budget covers the first contract year only: April 1, 2027 – March 31, 2028
- A new budget form is submitted each fiscal year for the contract agreement
- The grant is reimbursement-based; costs must fall within allowable cost categories
- Do not change the date on the budget form: April 1, 2027 is the funding period start date
- Upload the completed attachments only, not the grant application instructions

JUDICIAL COUNCIL
OF CALIFORNIA

Grant Application Timeline

Applications due through Submit.com by 5:00 p.m., Wednesday, October 28, 2026

If Your Court Is Funded

- Certify that a subcontractor is secured before the contract is executed
- Execute a contract or MOU with each subcontractor
- Follow the plan proposed in the application unless the Judicial Council approves a modification
- Submit monthly invoices with supporting grant billing forms
- Submit quarterly statistical reports and bi-annual progress summary reports
- Comply with Family Code section 3200.5 and Standard 5.20
- Participate in the midyear reallocation questionnaire
- Attend required grantee orientation and trainings

Grant billing forms (post-award)

- Attachment 2: Time Sheet
- Attachment 3: Payroll Summary
- Attachment 4: Invoice
- Attachment 5: Matching Form
- Attachment 19: Travel Expense Claim
- Attachment 20: Annual Leave Earned Report
- Attachment 22: Contractor Activity Log

Common Questions from Past Cycles

Is the award amount for all three years?

No. The amount is per fiscal year, subject to federal funds.

Can a for-profit agency be a subcontractor?

Supervised visitation providers must be a local public agency or nonprofit (Fam. Code, § 3202).

Is virtual visitation allowed?

It is a type of supervised visitation, but it does not replace in-person services and must meet Standard 5.20.

Is there a set hourly rate?

No. Rates must be reasonable and within the industry standard for the services.

Can providers charge client fees?

Fees are program income and must go back into the AV program; no profit may be made.

Must we have a provider before applying?

You may apply while procuring one, but must certify a subcontractor before the contract is executed.
