Among other things, provides that the time for giving notice of the hearing on a peti-

tion for a temporary conservatorship is five court days rather than five days. Provides that if a person other than the conservatee files a petition for termination of the conservatorship or instruction to the conservator that is unmeritorious or intended to harass or annoy the conservator, and the person has previously filed pleadings in the conservatorship proceedings that were unmeritorious or intended to harass or annoy the conservator, the petition shall be grounds for the court to determine that the person is a vexatious litigant. Prohibits a superior court from permitting a person without a valid professional fiduciary’s license to continue to carry out the duties of a professional fiduciary, unless that person is excluded or exempt from professional fiduciary licensing requirements. Makes two minor changes to the provisions of the Omnibus Conservatorship and Guardianship Reform Act of 2006 related to accountings: (1) clarifies that, for the first accounting, nonprofessional guardians and conservators are required only to provide bank account statements as of the date preceding the appointment and account statements as of the closing date of the accounting period, and (2) clarifies that courts may, by local rule, require the return of supporting documents submitted to the court with the accountings, including original bank statements and escrow statements, to the depositing guardian or conservator when the accounting becomes final.

Requires a guardian or conservator to use ordinary care and diligence with respect to any real property

located in a foreign jurisdiction of which the guardian or conservator has actual knowledge. Requires a guardian or conservator who has actual knowledge of any real property of a conservatee or ward in a foreign jurisdiction to include in the accounting a schedule that identifies the real property, provides a good faith estimate of the fair market value of the real property, and declares what action, if any, will or has been taken to preserve and protect the real property.

AB 2248, SPITZER, CH. 53
PROB 6110

PUBLIC ADMINISTRATORS AND CONSERVATORS

AB 2343, CABALLERO, CH. 237
GOV 24011; PROB 1456.2, 7605,
15660.5, 15680, 15688

Permits a public guardian or public administrator to be appointed as a trustee only if certain conditions are met. Prohibits appointment of a public administrator unless the court finds, after reasonable inquiry, that no other qualified person is willing to act as trustee. Prohibits the public administrator from being appointed unless, at the time of the appointment, the entire trust is to be distributed outright or he or she consents. Requires that the public guardian or public administrator receive notice prior to the hearing to appoint him or her as trustee or temporary trustee and prohibits appointment of the public guardian or public administrator as a cotrustee without his or her consent. Provides that if the public guardian or public administrator consents to appointment as trustee,

he or she would be required to submit a written certification of the consent to the court. Specifies the expenses and compensation that a public guardian, public administrator, and his or her attorney are to receive for acting as a trustee, under specified circumstances, including a minimum compensation of \$1,000, to be paid to the public guardian or public administrator and his or her attorney.

PET TRUSTS

SB 685, YEE, CH. 168
PROB 15212

Repeals current law on trusts for domesticated or pet animals and enacts new, more detailed provisions for the creation and enforcement of pet trusts. Among other things, provides that a trust for the care of a domestic or pet animal is for a lawful noncharitable purpose and terminates when no animal is living on the date of the settlor's death, unless otherwise provided in the trust. Requires a court to liberally construe an animal trust to bring it within the bill's provisions, to presume against an interpretation that would render the disposition a mere request or an attempt to honor the animal, and to carry out the general intent of the trust. Permits any person interested in the welfare of the animal or any nonprofit charitable organization that has as its principal activity the care of animals to petition the court regarding the trust, as specified. Provides a process for an accounting of the trust, to be waived if the value of the trust assets does not exceed \$40,000, as specified. Permits beneficiaries of the trust, a person designated by the trust, or certain nonprofit charitable organizations, upon reasonable request, to inspect the animal, the premises where the animal is maintained, or the books and records of the trust.

FINANCIAL ABUSE OF ELDER OR DEPENDENT ADULTS

SB 1140, STEINBERG, CH. 475
W&I 15610.30, 15657.5, 15657.6,
15657.7

Adds the taking or appropriation of property by undue influence to the definition of financial abuse of an elder or dependent adult. Creates a presumption that a person has taken or appropriated property of an elder or dependent adult for a wrongful use if the person knew or should have known that his or her conduct was likely to be harmful to the elder or dependent adult. Creates a new cause of action for financial abuse against a person who takes the property of an elder or dependent adult who lacks capacity and then refuses to return the property after a demand for return of the property was made by the elder or dependent adult. Establishes that the statute of limitations for the filing of an Elder Abuse and Dependent Adult Civil Protection Act (EADACPA) financial abuse action, including the new cause of action for property taken from an elder or dependent adult who lacks capacity, is four years from the date the plaintiff discovers, or should have discovered, the facts constituting the financial abuse. Clarifies that in an action under EADACPA, the court shall award attorney's fees and costs in addition to compensatory damages and all other remedies otherwise provided by law.

WILLS AND TRUSTS: NO CONTEST CLAUSES

SB 1264, HARMAN, CH. 174
PROB 21300 ET SEQ., 21310 ET SEQ.

Revises, recasts, and clarifies the law governing no contest clauses in wills and trust instruments beginning January 1, 2010. Among other things, eliminates declaratory relief petitions. Defines a no contest clause as a provision in an otherwise valid instrument that, if enforced, penalizes a beneficiary for filing a pleading in any court. Provides that a no contest clause is enforceable against the following contests:

(1) a direct contest that is brought without probable cause; (2) if the no contest clause so provides, a pleading to challenge a transfer of property on the grounds that it was not the transferor's property at the time of the transfer; (3) if the no contest clause so provides, the filing of a creditor's claim or prosecution of an action based on the claim. Defines a direct contest as an attempt to invalidate an instrument on one or more of the following grounds: forgery, lack of due execution, lack of capacity, menace, duress, fraud or undue influence, revocation of the instrument, or disqualification of a beneficiary. Provides that probable cause exists if, at the time of filing a contest, the facts known to the contestant would cause a reasonable person to believe that there is a reasonable likelihood that the requested relief will be granted given the opportunity for further investigation or discovery.
