LOCAL REVENUE FUND 2011: COURT SECURITY FUNDING REALIGNMENT

AB 118, COMMITTEE ON BUDGET, CH. 40
AB 121, COMMITTEE ON BUDGET, CH. 41
BOTH EFFECTIVE JUNE 30, 2011

Realigns the funding for sheriff-provided court security. Reduces the judicial branch budget by the amount that would otherwise be allocated to the courts for sheriff-provided court security. Retains in the judicial branch budget security funding for court attendants, perimeter security contracted for directly by the courts, marshals, and other court security services paid for by courts to a provider other than the sheriff. (Note: There were a few errors in the amounts transferred to the county and retained by the judicial branch. Efforts are underway to correct these errors for future years.) Creates a formula for funding each local Trial Court Security Account, and directs that all moneys in the Trial Court Security Account be used exclusively for sheriff-provided court security. Expressly prohibits county administrative costs from being charged to this account.

TRIAL COURTS: BUDGET PROCESS: PUBLIC NOTICE

AB 973, CAMPOS, CH. 687
GOV 68106, 68511.7

Requires that, until January 1, 2017, each trial court, prior to adopting a baseline budget plan for the fiscal year, provide the public notice of, and an opportunity for input on, the proposed budget plan. States that the opportunity for input may be provided by requesting submission of written comments or by conducting a public hearing, at the court's discretion. Specifies that any pub-

lic hearing conducted may be held in any courthouse in the county. Requires that notice of the hearing be posted at least 10 court days prior to the hearing in the manner specified. Requires that, during the current 60-day notice period regarding notice of courtroom closures or of closure or reduction in the hours of clerks' offices, the public be given an opportunity to submit written comments on the court's plan for closures or reduction in hours. Requires the court to review and consider all public comments received and immediately post a revised notice if the court's plan changes as a result of the comments received. Specifies that the 60-day notice period does not restart if the court makes changes to the plan based on comments received. Expressly provides that the court is not required to respond to comments received on either the budget plan or the reduction in hours and services.

ADMINISTRATION OF JUSTICE

**SB 78, COMMITTEE ON BUDGET
AND FISCAL REVIEW, CH. 10**
VARIOUS SECTIONS
EFFECTIVE MARCH 24, 2011

Makes a number of amendments to implement the assumptions in the Budget Act of 2011 as it relates to funding for the judicial branch:

- Continues the court security fee at \$40 for each conviction until July 1, 2013. Makes the reduction of the fee to \$30 effective July 1, 2013, instead of July 1, 2011, and eliminates the further reduction of the fee to \$20 that would have occurred on July 1, 2011. (Note: Assembly Bill 118 (Com. on Budget; Stats. 2011, ch. 40) renames this fee the "court operations assessment.")
- Eliminates the obligation of courts to comply with those mandates of the Omnibus Conservatorship and Guardianship Reform Act of 2006

that required funding until such time as a specific appropriation is made for that purpose. Permits courts that have the resources to meet some or all of these requirements to continue to do so, but does not require it.

➤ Adopts a new part in the Public Contract Code relating to contracting by judicial branch entities, defined as any superior court, Court of Appeal, the Supreme Court, the Judicial Council, the Administrative Office of the Courts, and the Habeas Corpus Resource Center. Requires all contracts entered into or amended on or after October 1, 2011, to comply with provisions of the Public Contract Code that are applicable to state agencies and departments related to the procurement of goods and services. Provides that the Bureau of State Audits will conduct periodic audits of judicial branch entities' compliance with the Public Contract Code. (The audit provision is refined in Senate Bill 92 (Com. on Budget and Fiscal Review; Stats. 2011, ch. 36).)

➤ Requires the Administrative Office of the Courts to contract with an independent consultant to conduct an independent analysis of the California Court Case Management System (CCMS) prior to acceptance and deployment to ensure that it will be successful.
