Subject: AB 2695 (Obernolte), as introduced – Support/Sponsor
Hearing: Assembly Public Safety Committee – April 12, 2016

Dear Assembly Member Jones-Sawyer:

The Judicial Council is pleased to support and sponsor AB 2695, which revises the way that competency hearings are conducted in juvenile delinquency proceedings. AB 2695 is the result of a long stakeholder process that brought judges, district attorneys, public defenders, and other stakeholders to the table. Statewide best practices, subject matter experts, recent state Supreme Court cases, and stakeholder goals were all considered in reaching the good compromise measure before you.

AB 2695 will create consistency statewide in conducting competency hearings in delinquency cases, while still allowing counties to pursue diversion programs that have been effective with their local populations. The bill will clarify procedures, firmly identify the burden of proof, and require courts to provide services to minors in an attempt to help restore and maintain competency.

Hon. Reginald Jones-Sawyer
