Subject: AB 804 (Hernández), as amended August 31, 2015 — Support

Dear Assembly Member Hernández:

The Judicial Council supports AB 804, which requires the Court Reporters Board of California to adopt regulations establishing minimum continuing education requirements as a condition for renewal of a court reporters certificate and to establish a procedure for approving providers of continuing education courses.

Professional excellence is the standard and expectation for all judicial officers and court personnel throughout California's judicial branch. Ensuring that court employees and justice partners are properly trained and certified helps ensure professional excellence in the judicial branch.

For these reasons, the Judicial Council supports AB 804.

Sincerely,

Laura Speed
