ACTION ITEM

Combined Legislative and Rule Proposal Concerning Court Records

Consider the CEAC Records Management Subcommittee's draft Judicial Council report and attachments concerning a combined legislative and rule proposal to amend California Rules of Court, rule 10.855 and Government Code section 68153. This combined proposal recommends amendment of rule 10.855 to substantially reduce the number of records that superior courts are required to keep as part of the court record sampling program. It also recommends amendment of Government Code section 68153 to eliminate the requirement that superior courts must report destroyed court records to the Judicial Council.

The CEAC Records Management Subcommittee recommends that the CEAC Executive Committee approve submitting the combined legislative and rule proposal to the Rules and Projects Committee and the Policy Coordination and Liaison Committee for their review and recommendation for presentation to the Judicial Council during its June and December 2016 meetings.
