Executive Summary and Origin

The Center for Judicial Education and Research Advisory Committee recommends amending rule 10.603(c)(2)(B) of the California Rules of Court to correct an outdated cross-reference.

Background

The Judicial Council adopted a comprehensive set of rules on judicial branch education effective January 1, 2008. At the same time, the council repealed standards 10.10 through 10.15 of the California Standards of Judicial Administration that contained judicial education guidelines. However, rule 10.603(c)(2)(B), addressing the duty of a presiding judge to plan for judicial education in creating judicial schedules, was not amended at that time and currently references repealed standards 10.11 through 10.13.

The Proposal

The advisory committee recommends that the Judicial Council amend rule 10.603 to correct this outdated cross-reference.

Alternatives Considered

The advisory committee considered no alternative rule language. The advisory committee also rejected the alternative of taking no action, as the citations in rule 10.603(c)(2)(B) direct

presiding judges to standards that are no longer in effect. The advisory committee concluded that the most advisable course of action would be to recommend amending rule 10.603 to include citations to the current judicial education requirements within the Rules of Court that replaced the repealed standards.

Fiscal and Operational Impacts

This proposal will result in no fiscal or operational costs to the courts or the Judicial Council.

Request for Specific Comments

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:
