Recidivism Reduction Fund (RRF)

RRF supported court programs and practices that reduced recidivism and enhanced public safety, including validated risk and needs assessments and evidence-based services for mentally ill and substance-involved offenders.

Pretrial Pilot Program (AB 74)

AB 74 aimed to increase the safe and efficient pretrial release of arrestees, use the least restrictive monitoring practices while protecting public safety and ensuring court appearances, and validate and expand risk assessment tools while assessing potential bias.

Pretrial Release Risk Assessment Tools (SB 36)

SB 36 established mandatory tool validation and reporting requirements for pretrial service agencies using pretrial risk assessment tools.

Pretrial Services Program (SB 129)

SB 129 amended AB 74 to provide funding for the implementation and operation of ongoing court pretrial programs and practices that supported the safe, efficient, fair, and timely pretrial release of individuals booked into jail.
