INFORMATION ONLY ITEMS (NO ACTION REQUIRED)

Info 1

Continuity Plans

The Judicial Council's agreement with the online planning system developer, BOLDplanning, usually includes three days of in-person refresher workshops to help courts navigate the system and do hands-on work in their plans. Due to the pandemic, these workshops were held remotely. Staff have not received the full attendee list and feedback yet, but thought courts found it helpful. An analyst is being hired for the Emergency and Continuity Planning Program and related work.

Info 2

Court Security Plans

Each February, rule 10.172 requires that the presiding judges of the trial courts notify the Judicial Council whether they made changes to their Court Security Plans. Last year, staff sent their courtesy reminders to the presiding judges and court executive officers earlier than usual. This year, staff will send courtesy reminders out using the same language and timeframe, so that the trial courts have sufficient time to prepare before the February 2021 notification deadline.

ADJOURNMENT

There being no further open meeting business, the meeting was adjourned at 12:33 p.m.

2. | Project Title: Trial Courts' Screening Equipment Replacement

Priority 1⁵

Strategic Plan Goal III, VI⁶

Project Summary: Make recommendations to Judicial Council to support Emergency Planning and Security Coordination Unit's Screening Equipment Replacement Program for trial courts, which replaces and maintains x-ray machines and magnetometers.

- The <u>origin</u> of this project is our July 2015 report to the Judicial Council, which identifies this program as a necessary and appropriate function.
- The <u>objective</u> this project supports is to advise on, and advocate for funding to support, existing emergency- and security-related programs. It aligns with the Judicial Council's Goal III (ensure the safety and security of the work environment) as well as Goal VI (provide and maintain safe, dignified, and fully functional facilities for conducting court business).
- The <u>outcome</u> would be to support and advocate for continued funding should proposed budget cuts threaten the Screening Equipment Replacement Program.

Status/Timeline: Ongoing.

Fiscal Impact/Resources: The program in project #2 has a budget of \$2.286 million funded annually through the Trial Court Trust Fund. However, the demand for equipment replacement in some years is lower than in others, resulting in a lower estimated expenditure in FY 2019–20, allowing for a one-time budget reduction to \$1.3 million. This project will use current Judicial Council staffing and resources from the Emergency Planning and Security Coordination Unit.

This project may result in an allocation or distribution of funds to the courts. We will coordinate with Budget Services to ensure their review of relevant materials.

	Status/Timeline: Ongoing.			
	Fiscal Impact/Resources: The program in project #3 has a budget of \$6 million funded annually through the FY 2019–20.
