2023 Summary of New Laws

Available now on courts.ca.gov website.

December 2023

During the first year of the 2023–2024 Legislative Session, the Legislature and Governor enacted numerous bills that affect the courts or are of general interest to the judicial branch. Brief descriptions of the measures of greatest interest follow, arranged according to subject matter. Also included is a table summarizing new laws that create new crimes or expand existing crimes, as well as an index listing all the bills and the page numbers on which their descriptions can be found.

The effective date of legislation is stated with each measure. Urgency and budget measures normally take effect immediately upon enactment, and some other measures have delayed operative dates.

This *Summary* is intended to serve only as a guide to identify bills of interest; the bill descriptions are not a complete statement of statutory changes. Code section references are to the sections most directly affected by the bill; not all sections are necessarily cited.

Until the annual pocket parts are issued, bill texts can be examined in their chaptered form in *West's California Legislative Service* or *California Deering's Advance Legislative Service*, where they are published by chapter number. In addition, chaptered bills and legislative committee analyses can be accessed at <http://leginfo.legislature.ca.gov>. Individual chapters may be ordered directly from the Legislative Bill Room, State Capitol, 10th Street, Room B32, Sacramento, California 95814, 916-445-2323.
