Notice of Action by E-mail Between Meetings for Information Technology Advisory Committee

In accordance with California Rules of Court, rule 10.75(o)(1)(B), public notice is hereby given that the Information Technology Advisory Committee proposes to act by email between meetings on **Tuesday, November 12 at 9:00 a.m.** The committee chair has concluded that prompt action is needed.

Background

At its September 25, 2024, open meeting, the Information Technology Advisory Committee approved circulation of an invitation to comment on a proposal to revise California Rules of Court, rule 10.172 and adopt rule 10.405. ITAC's Joint Information Security Governance Subcommittee and Rules & Policy Subcommittee subsequently revised the draft invitation to comment in the attached materials. ITAC should consider the revisions to the proposal before the Technology Committee considers the proposal at its meeting on November 14, 2024.

Due to the need to take action within a short timeframe, the committee chair determined that an action by email was necessary.

Proposed Action

The committee will consider whether to approve the revised proposal to be circulated for public comment.

Written Comment

In accordance with California Rules of Court, rule 10.75(o)(2), written comments pertaining to the proposed action may be submitted before the Information Technology Advisory Committee acts on the proposal. For this specific meeting, comments should be e-mailed to itac@jud.ca.gov. Only written comments received by **Tuesday, November 12 at 9:00 a.m.** will be provided to advisory body members.
