

Notice of Action by Email Between Meetings for Information Technology Advisory Committee

The chair of the Information Technology Advisory Committee having concluded that prompt action is needed, public notice is hereby given that the Information Technology Advisory Committee (ITAC) proposes to act by email between meetings on Monday, April 20 at 9 a.m. in accordance with rule 10.75(o)(1)(B) of the California Rules of Court. A copy of the proposed action is available on the advisory body web page on the California courts website listed above.

Background

During the April 15, 2026, ITAC meeting, the chair and IT Modernization Workstream executive sponsor, Judge Sheila F. Hanson, stated the intent to request action by email due to the prompt action required for the IT Modernization Local Court Project Funding for fiscal year (FY) 2026–27. Beginning with the FY 2022–23 program cycle, the Judicial Council Technology Committee directed ITAC to oversee the IT Modernization workstream activity—including evaluation of project proposals—on an ongoing basis. For the FY 2026–27 cycle, the workstream used an updated evaluation process to assess each of the 149 project proposals received from 44 courts. The Technology Committee will review the results of the workstream’s evaluation and determine project rankings after applying weighting and considering funding priorities.

Proposed Action

ITAC will consider approving the IT Modernization FY 2026–27 workstream’s project evaluations per the defined evaluation criteria, and the submission of the evaluation results to the Technology Committee per the defined evaluation elements and the submission of the evaluation results to the Technology Committee, as described in the materials for this action.

Written Comment

In accordance with rule 10.75(o)(2) of the California Rules of Court, written comments pertaining to the proposed action may be submitted before ITAC acts on the proposal. For this specific meeting, comments should be emailed to itac@jud.ca.gov. Only written comments received by Monday, April 20, 2026, at 9 a.m. will be provided to advisory body members.
