

Appellate Court E-Filing

- E-Filing is live for all case types in 1DCA since June 30th, with full integration of electronic documents into ACCMS.
- 1DCA post implementation review and future rollout readiness meeting was held on August 18th-19th. Included were representatives from ImageSoft, Judicial Council Staff, (IT), the Supreme Court and all Courts of Appeal.
- The Clerk/Administrators of the Supreme and Appellate Courts have determined the rollout plan will have the Fifth Appellate District adopting E-Filing beginning January 2015, the Third Appellate District will follow in mid 2015, and the Sixth Appellate District will go live sometime prior to the end of 2015.
- The Fifth Appellate District has started its implementation process with the ImageSoft and Judicial Council Staff - IT Teams. A gap analysis session was held on October 2nd.
