Step 12—Optional: Hold Oral Interviews/Clarifications	14
Step 13—Evaluate Bids	14
Step 14—Notice of Intent to Award	17
Step 15—Create the Contract.....	18
Step 16—Create the Procurement Summary Document.....	18
Step 17—Notices or Reviews.....	18

INTRODUCTION

The Public Contract Code (PCC) is more flexible in the procurement of non-IT services than in the procurement of non-IT goods. When procuring non-IT services, Judicial Branch Entities (JBEs) have the ability to use a “lowest responsible bidder” approach or a “highest scored bid” approach.

This chapter sets forth a step-by-step guide that Buyers can use when competitively soliciting non-IT services.¹ For noncompetitive solicitation of non-IT services, see chapter 5 of this Manual.

DEFINED TERMS

If not defined in the text of this chapter, the definitions of capitalized terms are set forth in the glossary.

STEP 1—DETERMINE THE PROCUREMENT VALUE

The value of the procurement directly affects the processes used in the procurement. The JBE employee requesting the procurement should estimate the total value of the procurement, including:

- Value of the non-IT services to be procured;
- Taxes (if applicable); and
- Other associated costs, as applicable.

JBEs may not split a single transaction into a series of transactions for the purpose of evading procurement requirements. In particular, a series of related services that would normally be combined and bid as one job cannot be split into separate tasks, steps, phases, locations, or delivery times to avoid adhering to competitive solicitation requirements.

STEP 2—DETERMINE THE TYPE OF SERVICE

The Buyer should determine the type of non-IT services being procured. Certain types of non-IT services have special or different procurement and contract requirements, so it is important to make this determination early in the procurement process.

¹ This step-by-step guide may be superseded in whole or in part if a JBE uses a special negotiation process. For more information regarding special negotiation processes, see chapter 2, section 2.1.H of this Manual.

Are the non-IT services being procured **consulting services**? Consider these factors:

- Is the primary purpose of the procurement some type of recommendation, or product of the mind?
- Is the unique knowledge or intellectual abilities of an individual of critical importance to the success of the non-IT services?

Are the non-IT services being procured **legal services**? Consider these factors:

- Must the services be performed by a licensed attorney?
- Do the services involve legal defense or legal advice?
- Are the services directed by an attorney or necessary for the performance of attorney services? Examples include services performed by jury consultants and expert witnesses.

Note: Contracts for legal services may be competitively bid, but there is no requirement to do so (for more information on non-competitively bid procurements, see chapter 5 of this Manual).

STEP 3—DEVELOP LIST OF PROSPECTIVE BIDDERS

The JBE employee requesting the procurement should develop a list of Prospective Bidders. See chapter 4, section 4.1.B of this Manual for additional information on developing a list of Prospective Bidders.

STEP 4—ASSEMBLE PROCUREMENT TEAM

The Buyer, with assistance from the JBE employee requesting the procurement, should identify additional JBE personnel who will be involved in the procurement. These may include:

- Personnel to help develop the Solicitation Document;
- Evaluation Team members; and
- Legal counsel, if applicable. (See chapter 8, section 8.4.B of this Manual for more information on legal review of contracts.)

If required by the Local Contracting Manual, the Buyer should have these personnel sign confidentiality/conflict statements. See chapter 4, section 4.1.C of this Manual for additional information on confidentiality/conflict statements.

STEP 5—SELECT SOLICITATION DOCUMENT TYPE

Three types of Solicitation Documents are used in the procurement of non-IT services:

- Requests for Quote (RFQs);
- Invitations for Bid (IFBs); and
- Requests for Proposal (RFPs).

The table below provides guidance on when the various types of Solicitation Documents are typically used.

Solicitation Document	Procurement Size	Description	Awarded to:
RFQ	Less than \$10,000 ²	Used for small purchases.	Lowest Responsible Bidder or Highest Scored Bid, at the JBE's discretion
IFB	Any size	Used for simple, common, or routine services that may require personal or mechanical skills.	Lowest Responsible Bidder
RFP	Any size	Used for complex or unique non-IT services in which professional expertise and methods may vary greatly, and creative or innovative approaches are needed.	Highest Scored Bid

² A JBE may adopt a higher threshold for the use of RFQs in its Local Contracting Manual. If the JBE adopts a higher threshold, the JBE must ensure that (i) the higher threshold is reasonable and appropriate, and (ii) the JBE provides adequate oversight for the use of larger-value RFQs. Also, note that procurements under \$10,000 may be conducted without a competitive solicitation; see chapter 5 section 5.1 of this Manual.

An IFB is often used when the non-IT services are routine, or common, or when there is a standard associated with the service. For example, the hiring of a pest-control firm to do routine exterminations would typically be solicited using an IFB, not an RFP. However, in any solicitation, the JBE may choose to use either an IFB or an RFP in its sole discretion.

Note: The JBE may use other names for these Solicitation Documents; it does not need to refer to or title them as “RFQs,” “IFBs,” or “RFPs.”

STEP 6—DRAFT SOLICITATION DOCUMENT

For requirements applicable to Solicitation Documents, see chapter 4, section 4.2 of this Manual.

The more thorough a JBE is in communicating its specific needs, requirements, goals, and objectives in the Solicitation Document, the more complete, responsive, and acceptable the Bids received will be.

The following subsections provide additional information on drafting the three types of Solicitation Documents.

A. RFQs

An RFQ is used for straightforward procurements where Bids may be solicited by telephone or another method of electronic communication. If the Buyer solicits Bids by telephone, the Buyer must prepare and use a script (a narrative of the Bid requirements) so that each Prospective Bidder receives the same information and Bids may be evaluated fairly. Similarly, if the Buyer solicits Bids by e-mail or another written manner, the Buyer must send the same information to each Prospective Bidder so that Bids may be evaluated fairly.

The RFQ should:

- Be short, concise, and to the point;
- Include a general description of the non-IT services to be solicited;
- Include any deliverable resulting from the non-IT services (such as a report);
- Specify when the non-IT services must be completed and any deliverable must be delivered;

- Specify how the Prospective Bidder must deliver its Bid (e.g., by telephone, e-mail, fax, etc.); and
- Include bidder instructions and applicable general provisions associated with the purchase, or a reference to the web page containing these, if applicable.

Before soliciting Bids in response to an RFQ, the JBE should determine whether the contract resulting from the RFQ will be awarded on a “lowest responsible bidder” basis or on a “highest scored bid” basis. The determination is solely within the JBE’s discretion.

B. IFBs and RFPs

IFBs and RFPs share many characteristics and requirements. These shared aspects are addressed in this section B. Section C contains additional information applicable only to IFBs, and section D contains additional information applicable only to RFPs.

Information about the Procurement Process: IFBs and RFPs must include:

1. The standards the JBE will use in evaluating Bids.
2. Time schedules relating to the procurement, including:
 - Date to submit questions or seek clarification (if applicable);
 - Date of Bidders’ conference (if applicable);
 - Bid Closing Time;
 - Timetable that the JBE will follow in evaluating Bids and awarding the contract; and
 - Anticipated contract term, including start and end dates.
3. The JBE’s standard terms and conditions for the acquisition of non-IT services. To the extent practicable, the JBE should also distribute with the IFB or RFP the terms and conditions specific to the procurement, or simply attach the entire proposed contract, including available appendices.
4. Where the intent to award notice will be posted. If the JBE will post the intent to award notice on its website, the JBE should specify the applicable URL.

Description of Services: The IFB or RFP must contain a description of the desired non-IT services. The description should include:

- A clear, precise description of the work to be performed, services to be provided, problem to be solved, questions to be answered, issues to be addressed, or the goals and objectives to be met;
- An explanation of the desired approach to the problem, if any;
- Any requirements as to where the work must be performed (e.g., at the JBE's site);
- A description of any specific functions, tasks, or activities that must be performed, in their order of importance and probable sequence, if applicable;
- Performance timelines or completion dates;
- Required quality control standards to be met, if applicable;
- A description of any required deliverables (such as progress reports or a final report summarizing a consultant's findings);
- A description of the assistance to be provided by the JBE, if applicable;
- Acceptance criteria; and
- Practical and policy information, technological requirements or specifications, and legal limitations, if applicable.

Payment Information: The IFB or RFP should contain some basic payment information, including (as applicable):

- Whether and to what extent Progress Payments will be allowed;
- Whether payments are subject to payment withholding;
- Penalties for late or inadequate performance;
- Known or estimated budgetary limitations on the contract price; and
- Travel expenses (what will and will not be paid by the JBE).

Note: See chapter 9 of this Manual for more information regarding Progress Payments.

Required Elements of Bids: IFBs and RFPs specify what Bidders must address or include in their Bids, such as:

1. Required certifications (e.g., Darfur Contracting Act certification).
2. A description of the Bidder's qualifications, which may include at the JBE's discretion:
 - Copies of current business licenses, professional certifications, or other credentials;

- Proof of financial solvency or stability (e.g., balance sheets and income statements);
 - Proof that the Bidder, if a corporation, is in good standing and qualified to conduct business in California; and
 - For Bidders that are nonprofit organizations, proof of nonprofit status.
3. A list of references for whom the Bidder has performed similar work.
 4. A list of similar services successfully completed by the Bidder, with samples, if applicable.
 5. Identification of the lead personnel and anticipated supporting personnel to be employed during performance (by classification or title) and their qualifications to perform the work.
 6. Identification of a project coordinator.
 7. Resumés for each major contract participant who will exercise a major policy, administrative, or consultative role in carrying out non-IT services.
 8. An overall description of the techniques, approaches, and methods to be used in performing non-IT services.
 9. If subcontractors are contemplated:
 - identification of those persons or firms;
 - the portions and monetary percentages of the work to be done by subcontractors;
 - how and why subcontractors were selected;
 - resumés of each major subcontractor participant; and
 - description of how subcontracted work will be controlled, monitored, and evaluated.
 10. The total cost of the non-IT services, with a detailed breakdown showing how the costs were determined, and the desired method of payment. The detailed budget breakdown may include:
 - Identification of position/classification titles funded;
 - Salary rates or ranges;
 - Percentage of time devoted to the work;
 - Fringe benefits;
 - Operating expenses;
 - Travel and per diem expenses;
 - Overhead or indirect costs;
 - Subcontractors with the same type of cost details; and
 - Other costs.

C. IFBs Specifically

Contracts resulting from IFBs are awarded to the lowest Responsible Bidder. Accordingly, IFBs must be drafted in a manner to allow the JBE to determine which Bidders meet the minimum requirements specified in the IFB. For each specific requirement, a yes or no answer is required. There is no “fully,” “barely,” “almost,” or “exceeded” level of evaluation.

The IFB should state that any material exception (addition, deletion, or other modification) to the JBE’s terms and conditions will render a Bid nonresponsive. Note that the JBE, in its sole discretion, will determine what constitutes a material exception.

The IFB must state the time and place Bids will be publicly opened. This place must be accessible to Bidders and other members of the public, and may be at the JBE’s facilities.

Bid Requirements: The IFB must include a requirement that the cost portion of a Bid be submitted in a sealed envelope separate from the remainder of the Bid.

D. RFPs Specifically

RFP Content Requirements: The RFP should identify any “minimum terms” in the JBE’s terms and conditions. “Minimum terms” are the terms so important that a proposed exception (addition, deletion, or other modification) will render a Bid nonresponsive. The RFP should require that Bidders identify all proposed exceptions (if any) to the JBE’s terms and conditions. The RFP should state that (i) a Bid that takes a material exception (addition, deletion, or other modification) to a minimum term will be deemed nonresponsive, and (ii) the JBE, in its sole discretion, will determine what constitutes a material exception.

The RFP must specify how the cost portion of the Bid will be submitted. The cost portion of the Bid may be submitted in a sealed envelope separate from the remainder of the Bid, or it may be included with the remainder of the Bid.

Evaluation Plan: Although not part of the RFP itself, the Buyer should develop an evaluation plan along with the RFP. By developing the evaluation plan with the RFP, the Buyer will ensure that the JBE receives all information necessary to properly evaluate the Bids.

The evaluation plan must provide for a fair and equitable evaluation of all Bids. The evaluation plan must include:

- Rating and scoring factors that will be considered; and
- Criteria for assigning cost points (see step 13 regarding assignment of cost points).

The evaluation plan should include the following:

- Price is given substantial weight in relationship to all other criteria used. JBEs should seek legal counsel before issuing an RFP where cost points are less than 30 percent of the total points.
- Exceptions (additions, deletions, or other modifications) to the JBE's terms and conditions may be considered as part of the evaluation process.
- If a material exception (addition, deletion, or other modification) is taken to a minimum term, the Bid is nonresponsive. Note that the JBE, in its sole discretion, will determine what constitutes a material exception.

JBEs should disclose in the RFP the evaluation criteria or categories and the percentage weight for each criterion or category. Examples of criteria include price and prior experience.

Other Procurement-Related Information: The RFP should state the date of oral interviews, if any. The date for oral interviews may be tentative.

STEP 7—PREPARE ADVERTISING

A JBE must advertise any solicitation of non-IT services **of \$10,000 or more.**³ See chapter 4, section 4.1.D of this Manual for advertising methods.

Because the advertisement should be released before or simultaneously with the Solicitation Document, the Buyer should prepare any necessary advertisement in conjunction with the Solicitation Document.

³ All solicitations of non-IT services of \$10,000 or more must be advertised, even if the JBE adopts a threshold for use of RFQs that is higher than \$10,000.

STEP 8—OPTIONAL: HOLD BIDDERS' CONFERENCE

Bidders' conferences provide Prospective Bidders an opportunity to understand better the non-IT services being procured by a JBE. Holding a Bidder's conference is always optional, at the JBE's discretion. Bidders' conferences are more common in solicitations for complex non-IT services. Accordingly, they are rarely held in solicitations using IFBs, but are held more often in solicitations using RFPs.

Note: Bidders' conferences are not held for RFQ solicitations.

STEP 9—RECEIVE BIDS

Bids are received and handled as described in chapter 4, section 4.3 of this Manual. In addition to those general requirements, this step sets forth additional requirements applicable to solicitations of non-IT services using different Solicitation Documents.

A. RFQs

Bids must be submitted as specified in the RFQ. The Buyer should document all Bids received and retain the documentation in the procurement file. In addition, the RFQ (script, e-mail, or other writing) should be retained in the procurement file.

Bids received pursuant to an RFQ solicitation remain confidential until a contract is executed.

B. IFBs and RFPs

Bids must be submitted as specified in the IFB or RFP. A JBE should date/time stamp Bids as they are received.

Bids received pursuant to an IFB solicitation remain confidential until the Bids are publicly opened. Bids received pursuant to an RFP solicitation remain confidential until the scoring process is completed.

STEP 10—OPEN BIDS

The way in which Bids are opened differs for IFBs and RFPs. Because RFQs do not involve sealed Bids, this step is inapplicable to solicitations using RFQs.

A. IFBs

The Buyer must publicly open the sealed Bids. The Buyer (or designee) must read the cost information for each Bid.

B. RFPs

The Bids do not need to be publicly opened and read unless the specific RFP requires otherwise.

STEP 11—DETERMINE IF COMPETITION HAS BEEN ACHIEVED

Two methods are used to determine whether competition has been achieved: one for RFQs and another for IFBs and RFPs.

A. RFQs

If a Buyer obtains a single Bid, and the Buyer determines that the Bid is fair and reasonable, the Buyer does not need to obtain additional Bids. If a Buyer obtains a single Bid, and the Buyer determines that the Bid is not fair and reasonable, the Buyer should obtain at least one additional Bid.

B. IFBs and RFPs

The JBE must receive at least three Bids in response to an IFB or RFP, unless one of the following exceptions applies:

- The JBE advertised the solicitation in the California State Contracts Register (CSCR) (which may be accessed via DGS's eProcurement system⁴) and has solicited all known Prospective Bidders, but still received fewer than three Bids;
- The contract will be awarded to a Community Rehabilitation Program (CRP) entity (see Welfare and Institutions Code section 19404); or
- The JBE could have completed the transaction without a competitive solicitation (e.g., procurements of legal services or licensing or proficiency testing examinations).

⁴ DGS's Cal eProcure system currently uses FI\$Cal technology. JBEs may be required to register with FI\$Cal to use certain features of DGS's Cal eProcure system.

If the JBE does not receive at least three Bids, and none of the exceptions above applies, then the JBE may consider canceling and reissuing the solicitation. If the JBE takes this course, the JBE should consider modifying any possible restrictive requirements in the IFB or RFP. If the JBE awards the contract, the Buyer should document in the procurement file the names and addresses of the firms or individuals that were solicited for Bids.

STEP 12—OPTIONAL: HOLD ORAL INTERVIEWS/CLARIFICATIONS

Oral interviews provide the JBE an opportunity to understand better or clarify the Bids submitted by Bidders. Holding oral interviews is always optional, at the JBE's discretion. The JBE is not obligated to hold an oral interview with every Bidder; it may limit interviews to only those Bidders whose Bids need clarification. Oral interviews are more common in solicitations for especially complex non-IT services.

Note: Oral interviews are not held for RFQ or IFB solicitations.

If the JBE otherwise requires clarification regarding a Bid, the JBE should contact the Bidder that submitted the affected Bid.

STEP 13—EVALUATE BIDS

The requirements in this step are in addition to the general requirements set forth in chapter 4, section 4.4 of this Manual. The JBE will award the contract as described in this step, if at all. There is no requirement to award a contract; see chapter 4, section 4.4.B of this Manual for additional details.

A. RFQs

The JBE may award the contract on a “lowest responsible bidder” basis or on a “highest scored bid” basis, depending on which methodology was selected in step 6 above.

For more information about the “lowest responsible bidder” basis, see section B below. For more information about the “highest scored bid” basis, see section C below.

B. IFBs

The JBE must evaluate the Bids and award the contract, if at all, to the **Responsible Bidder** that submitted the lowest **Responsive Bid** after application of any preference, incentives, or discounts, if applicable.

For ease of reference, the following definitions are excerpted from the glossary:

- **Responsible Bidder** means a Bidder that possesses the required experience, facilities, and financial resources and is fully capable of performing the relevant contract.
- **Responsive Bid** means a Bid that complies with the requirements of the Solicitation Document and the terms and conditions of the proposed contract without material deviation.

Note: See chapter 3 of this Manual for more information regarding preferences, incentives, and discounts. See chapter 4, section 4.4.D of this Manual for guidance on determining whether a deviation is material.

C. RFPs

The Buyer must review all Bids to determine which Bids meet the format requirements specified in the RFP.⁵

All Bids meeting the format requirements must then be submitted to the Evaluation Team that will evaluate and score the Bids using the methods specified in the RFP. The JBE must make all Bids and all evaluation and scoring summary sheets available for public inspection at the conclusion of the scoring process.

The JBE must award the contract, if at all, to the Bidder whose Bid is given the highest score by the Evaluation Team.

⁵ For example, the RFP may require that the cost portion of the Bid be submitted on a specified worksheet.

Suggested Noncost Evaluation Criteria: The JBE may consider using the following criteria when evaluating and scoring Bids:

- Does the Bidder understand the JBE's problem or needs?
- Has the Bidder taken any exceptions (addition, deletion, or other modification) to the terms and conditions that are detrimental to the JBE?
- Can the Bidder fit this work into its existing obligations?
- Are the Bidder's proposed approaches, methods, and procedures reasonable and feasible?
- Do the expected results, outcomes, and deliverables appear to be achievable in a timely manner, given the approaches, methods and procedures proposed?
- Does the Bidder have the organization, management capability, management competency, fiscal and personnel resources, and experience to perform the non-IT services being sought?
- Does the Bidder have experience performing work of a similar nature, size, and scope?
- Does the Bidder's past experience qualify the Bidder to perform these non-IT services?
- What are the professional qualifications of the personnel who the Bidder will commit to the project?
- Did the Bidder allocate sufficient staff resources?
- Has the Bidder addressed all goals, objectives, service demands, and required deliverables specified in the RFP?
- Does the Bidder appear to be able to handle and resolve unanticipated complications and delays without interrupting the delivery of non-IT services?
- Are any proposed timelines for performance presented by the Bidder feasible?
- Did the Bidder include plans that will show how performance will be monitored and measured to ensure that all non-IT services are successfully performed and that the objectives, goals, and requirements are met?
- Does the Bidder appear to have the capacity to manage fiscal resources responsibly?
- Does the Bidder have sound fiscal, accounting, cost-monitoring or budget-monitoring procedures in place?

Suggested Cost Evaluation Criteria: JBEs may use the process for assigning cost points set forth in chapter 4C, appendix A of this Manual. Alternately, JBEs may adopt their own processes for assigning cost points.

STEP 14—NOTICE OF INTENT TO AWARD

In certain circumstances, JBEs must issue or post a notice of intent to award a contract. The requirements differ for solicitations using IFBs and RFPs.

Note: The requirements in this step relating to IFBs and RFPs apply even if the IFB or RFP is used in a procurement valued less than the JBE's protest threshold for non-IT services.

A. RFQs

When using an RFQ, the JBE is not required to post a notice of intent to award.

B. IFBs

Posting: The JBE must post a "notice of intent to award" on its website or in a public place in the offices of the JBE at least five Court Days before the contract is awarded.

Notification: If the contract will be awarded to a Bidder that did not submit the lowest Bid (because, e.g., the lowest Bid was not a Responsive Bid, or the Bidder that submitted the lowest Bid was not a Responsible Bidder), the JBE must notify the lowest cost Bidder at least five Court Days before awarding the contract.

The JBE may, as a courtesy to Bidders, send a copy of the notice of intent to award to each Bidder by e-mail or fax.

If any Bidder submits a valid protest before award of the contract on the grounds that the protesting Bidder was the lowest Responsible Bidder, the JBE must not award the contract until either the protest has been withdrawn or the JBE's protest hearing officer has responded to the protest. For more information regarding the protest procedure, see chapter 7 of the Manual.

C. RFPs

Posting: When using an RFP, the JBE must post a notice of intent to award the contract in a place accessible by the general public (including any Internet site identified in the RFP) for at least five Court Days before awarding the contract.

If any Bidder submits a valid protest before award of the contract, the JBE will not award the contract until either the protest has been withdrawn or the JBE's protest hearing officer has responded to the protest. For more information regarding the protest procedure, see chapter 7 of this Manual.

STEP 15—CREATE THE CONTRACT

The Buyer should memorialize the purchase using a contract. Unless a purchase order is used, the contract must be signed by an authorized representative of the Bidder who can bind the Bidder contractually.

STEP 16—CREATE THE PROCUREMENT SUMMARY DOCUMENT

The Buyer should create a procurement summary document and place it in the procurement file. For more information on procurement summary documents, see chapter 4, section 4.7 of this Manual.

STEP 17—NOTICES OR REVIEWS

The JBE must complete any required notices or reviews. See chapter 2, section 2.2 of this Manual for additional details.
