##### Item 1

##### Court Technology Modernization Funding – Allocation of Branchwide Programs (Action Requested)

**Update:** Ms. Heather L. Pettit, Chief Information Officer / Director of Judicial Council Information Technology provided an update on the branchwide programs and presented recommended allocations to the trial courts in support of the automated messaging, digital ecosystem, security, and remote appearance technology programs. Lastly, the recommendations proposed providing additional funding to the trial courts that are currently digitizing documents.

**Action:** The committee received the report, asked questions, discussed alternatives, and then voted unanimously to approve the recommended allocations to courts for branchwide

programs totaling \$4.359,600; and an additional \$25,000 to each of the 32 trial courts currently digitizing documents.
