

JUDICIAL COUNCIL TECHNOLOGY COMMITTEE

MINUTES OF ACTION BY EMAIL BETWEEN MEETINGS
NOVEMBER 20, 2023

Email Proposal

The Judicial Council Technology Committee was asked to approve an update to the 2023 Information Technology Advisory Committee Annual Agenda to include an item for the Advancing the Hybrid Courtroom Workstream to address the Minimum Standards for Courtroom Technology to Permit Remote Participation in Court Proceedings as set forth in Senate Bill 133.

Notice

On November 16, 2023, a notice was posted advising that the Judicial Council Technology Committee was proposing to act by email on November 20, at 9:00 a.m., under California Rules of Court, rule 10.75(o)(1)(B).

Public Comment

Because the email recommendation concerned a subject that otherwise must be discussed in an open meeting, the Judicial Council Technology Committee invited public comment on the proposed branch technology priorities under rule 10.75(o)(2). The public comment period began at 9:00 a.m. on November 16, 2023, and ended at 9:00 a.m. November 20, 2023. No public comments were received.

Action Taken

After the public comment period ended, the Judicial Council Technology Committee members were asked to submit their votes on the proposed update to the 2023 Information Technology Advisory Committee Annual Agenda by 12:00 p.m. on November 21, 2023. All eight members voted to approve. The email recommendation was approved.
