

Notice of Action by E-mail Between Meetings for Judicial Council Technology Committee

In accordance with California Rules of Court, rule 10.75(o)(1)(B), public notice is hereby given that the Judicial Council Technology Committee proposes to act by email between meetings on **Wednesday, October 2, 2024 at 9:00 a.m.** The Chair has concluded that prompt action is needed. The proposed action and materials are available on the committee web page on the California Courts website listed above.

Background

At its August 12, 2024 meeting, this committee approved the proposed awards for the Language Access Signage and Technology Grant Program, Cycle 6, Fiscal Year 2024-25.

However, considering budget constraints, the committee will reconsider the recommended allocations, prior to submission to the Judicial Council for approval. The revisions to the report reflect an overall 7.95% budget reduction to the judiciary with the recommendation to allocate additional funds if they are later made available. All revisions to the report have been highlighted and are listed as follows:

- \$2.16M total S&T grant funding (updated from \$2.35M) to reflect the 7.95% reductions
- Highlighted paragraph on page 4: now has updated approval dates for committees
- Other updates are stylistic – changes to wording or provided clarification

Proposed Action

The committee will consider whether to approve the revised report with the update to the recommended allocations in the attached report.
