Advisory Body Members Absent: Hon. Carol A. Corrigan

Others Present: Hon. Sheila F. Hanson; Ms. Salena Chow; Mr. John Yee; and Judicial Council staff

OPEN MEETING

Call to Order and Roll Call

The chair called the meeting to order. Staff took roll call and made the opening announcements.

Approval of Minutes

The committee reviewed the draft minutes of the October 2, 2024 Action by Email and October 14, 2024 open meeting.

Action: *The committee approved the minutes of the October 2, 2024 Action by Email and October 14, 2024 open meeting.*

There were no written comments from members of the public received for this meeting.

DISCUSSION AND ACTION ITEMS (ITEM 1)

Item 1

Judicial Branch Technology: Rules for Adoption of Technological and Data Security Standards (Action Requested)

Review draft invitation to comment on the proposal to revise California Rules of Court, rule 10.172 and adopt rule 10.405, which allows the Judicial Council to adopt standards for technology and data security for the courts. Consider approval to circulate proposal for public comment.

Action: *The committee approved distribution of the invitation to comment to revise rule 10.172 and adopt rule 10.405 for adoption of technology and data security standards.*

ADJOURNMENT

There being no further business, the meeting was adjourned.

Approved by the advisory body on [date].

IT Modernization Program: FY 2024-25 Budget

Branchwide

Program/Project	Description	Proposed Budget
Zoom Licensing	Zoom licensing for the courts enables secure, reliable video conferencing to support virtual hearings	\$ 350,000
Digital Services Projects - SharePoint	SharePoint development provides enhanced collaboration and document management between courts and the branch	\$ 600,000
Adobe Licensing & Forms Development	Request for Proposal for a forms vendor for the creation and management of digital court forms and documents	\$ 700,000
eCART - Phase 3	The eCART application assembles trial court transcripts for submission to the appellate/district courts	\$ 300,000
Talend Data Integration Project (Cloud Migration)	Talend Data Integration facilitates seamless cloud migration by enhancing data integration, management, and accessibility across court systems	\$ 100,000
Virtual Customer Service Center (VCSC) Program	The VCSC program includes development and adoption of a statewide intelligent chat service for court websites that aims to enhance public access to court services through a streamlined, user-friendly virtual platform	\$ 350,000
Voice to Text Translator (VTT) Application	The VTT program and solution enhances court accessibility by translating spoken language into accurate, real-time text at court counters (outside the courtroom)	\$ 250,000
Web Services Operations	JCC Web Services provide maintenance and optimization of court websites to support public access	\$ 1,700,000
Automated Messaging & Notification Services (AMNS)	The AMNS program provides Hearing Reminder Services (HRS) that provide timely alerts and updates to court users, enhancing communication and help ensure court dates are not missed	\$ 125,000
Phoenix SAP	Phoenix SAP is the financial database used by trial courts to manage budgeting, financial transactions, and reporting	\$ 500,000
IT Managed Support Services	Third-party vendor provides IT-managed services and operational support for on-premises, cloud-hosted data centers, data networks, and a shared services environment	\$ 1,500,000
Appellate Court Budget Augmentation	Funding augmentation to address underfunded JCIT appellate services for ACCMS enhancements and appellate security resources	\$ 500,000
Branchwide Program Total		\$ 6,975,000

Appellate Courts

Program/Project	Description	Proposed Budget
Appellate Courts	Standing budget item for JCIT appellate services including for continued ACCMS application modernization development and enhancements, connectivity, and licensing (e.g., MS Office, Adobe, SignNow, ServiceNow)	\$ 1,000,000
Total		\$ 1,000,000
