3. Labor Code Provisions

3.1 Prevailing Wage:

- A.** The Contractor and all Subcontractors under the Contractor shall pay all workers on Work performed pursuant to this Contract not less than the general prevailing rate of per diem wages and the general prevailing rate for holiday and overtime work as determined by the Director of the Department of Industrial Relations, State of California, for the type of work performed and the locality in which the work is to be performed, pursuant to sections 1770 et seq., of the California Labor Code. Copies of the general prevailing rates of per diem wages for each craft, classification, or type of worker needed to execute the Agreement (and any Participating Addendum), as determined by Director of the State of California Department of Industrial Relations, are on file at the Judicial Council's principal office. Prevailing wage rates are also available from the Court or on the internet at (<http://www.dir.ca.gov>).
- B.** Contractor shall ensure that Contractor and all of Contractor's Subcontractors execute the Prevailing Wage and Related Labor Requirements Certification (Attachment C) and incorporated herein.
- C.** The Project is subject to compliance monitoring and enforcement by the Department of Industrial Relations. Contractor shall post job site notices, as prescribed by regulation. Contractor shall comply with all requirements of Labor Code section 1771.4, except the requirements that are exempted by the Labor Commissioner for the Project.

3.2 Registration:

- A.** Contractor shall comply with the registration and compliance monitoring provisions of Labor Code section 1771.4, including furnishing its certified payroll records (“CPR(s)”) to the Labor Commissioner of California and complying with any applicable enforcement by the Department of Industrial Relations (“DIR”). Labor Code section 1771.1(a) states the following:

“A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.”

- B.** Contractor shall ensure that Contractor and all “subcontractors” (as defined by Labor Code section 1722.1), comply with Labor Code section 1725.5, including without limitation the registration requirements with the Department of Industrial Relations that are set forth in Labor Code section 1725.5. Contractor represents to the Court that all “subcontractors” (as defined by Labor Code section 1722.1) are registered pursuant to Labor Code section 1725.5. Contractor shall not permit any Subcontractor to perform Work on the Project, without first verifying the Subcontractor is properly registered with the DIR as required by law and providing this information in writing to the Court. Contractor acknowledges that, for purposes of Labor Code section 1725.5, this Work is public work to which Labor Code section 1771 applies.
- C.** IF A COURT IS USING THIS AGREEMENT WITHOUT THE JUDICIAL COUNCIL’S KNOWLEDGE THE COURT MUST REGISTER THEIR PROJECT WITH DIR TO COMPLY WITH DIR’S LABOR COMPLIANCE PROVISIONS.

4. Insurance

4.1 General Requirements

- A.** By requiring the minimum insurance set forth in this Agreement, the Judicial Council and JBEs shall not be deemed or construed to have assessed the risks that may be applicable to Contractor under this Agreement. Contractor shall assess its own risks and if it deems appropriate or prudent, maintain higher limits or broader coverage.
- B.** The insurance obligations under this Agreement shall be: (1) all the insurance coverage and/or limits carried by or available to the Contractor; or (2) the minimum insurance coverage requirements and/or limits shown in this Agreement, whichever is greater. Any insurance proceeds in excess of or broader than the minimum required coverage and/or minimum required limits which are applicable to a given loss shall be available to the Judicial Council and JBEs in compliance with the insurance requirements set forth in this Agreement. The Judicial Council may, in its sole discretion, accept self-insurance or risk-pool coverage as a substitute for any of the required insurance policies under this Agreement. No representation is made by the Judicial Council and JBEs that the minimum insurance requirements of this Agreement are sufficient to cover the obligations of the Contractor under this Agreement.

- C. Contractor shall obtain and maintain the required insurance for the duration of this Agreement with an insurance company or companies acceptable to the Judicial Council, in its sole discretion, and that are rated “A-VII” or higher by A. M. Best’s key rating guide and are authorized to do business in the State of California.
- D. For all insurance policies required under this Agreement, no deductible shall exceed five (5) percent of the minimum limit of insurance required under this Agreement unless authorized in writing by the Judicial Council. Any Contractor deductible must be clearly stated on the appropriate certificate of insurance.

Self-insured retentions (“SIR”) must be declared to and approved in writing by the Judicial Council. The Judicial Council may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Judicial Council. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or Subcontractor who procured such insurance and shall not apply to the Indemnified Parties. Judicial Council may deduct from any amounts otherwise due Contractor to fund the SIR. Policies shall NOT contain any SIR provisions that limit the satisfaction of the SIR to the named insured. The policies must also provide that defense costs, including the allocated loss adjustment expenses, will satisfy the SIR. Judicial Council reserves the right to obtain a copy of any policies and endorsements for verification.

- E. Contractor is responsible for and may not recover from the State of California, Judicial Council, or the Court any deductible or self-insured retention that is connected to the insurance required under this Agreement. If self-insured, Contractor warrants that it will maintain funds to cover losses required to be insured against by Contractor under the terms of this Agreement.
- F. Contractor, prior to commencement of the Work, shall provide Participating JBE with certificates of insurance and signed insurance policy endorsements, on forms acceptable to Participating JBE, as evidence that the required insurance is in full force and effect. The insurance required under this Agreement, and any excess liability or umbrella liability insurance, that Contractor maintains in compliance with the terms of this “General Requirements” subsection (with the exception of Professional Liability Insurance, if required) must be endorsed to include the State of California; Participating JBE; and their respective elected and appointed officials, judicial officers, officers, employees, and agents as additional insureds. No payments will be made to Contractor until all required current and complete certificates of insurance and signed insurance policy endorsements are properly endorsed and on file with the Participating JBE.
- G. The insurance required under this Agreement, including all required additional insured coverages, must be endorsed to be primary and non-contributory to any insurance or self-insurance maintained by the State of California, Judicial Council, or the Court. Contractor’s liabilities under this Agreement shall not be limited in any manner to the insurance coverage required.
- H. Failure to provide the documentation as required prior to the commencement of Work shall not constitute or be construed as a waiver of the obligation to provide such documentation.
- I. All insurance policies required under this Agreement must remain in force for the entire duration of this Agreement. If the insurance expires during the Term of this Agreement, Contractor shall immediately renew or replace the required insurance and provide a new current certificate of

insurance and signed insurance policy endorsement(s), or Contractor will be in breach of this Agreement, and the Judicial Council may direct the Contractor to stop work or may take other remedial action. Contractor must provide renewal insurance certificates and signed policy endorsements to Judicial Council on or before the expiration date of the previous insurance certificates and signed policy endorsements. Any new insurance procured by Contractor must conform to the requirements of this Agreement.

- J.** In the event Contractor fails to keep the specified insurance coverage in force at all times required under this Agreement, Judicial Council may, in addition to and without limiting any other remedies available to it, (i) order the Contractor to stop work, or (ii) terminate this Agreement upon the occurrence of such event, subject to the provisions of this Agreement.
- K.** Contractor, and each insurer providing insurance required under this Agreement, expressly waives all rights of recovery and subrogation rights it may have against the State of California, Judicial Council, the Court, and their respective elected and appointed officials, judicial officers, officers, employees, and agents for direct physical loss or damage to the Work, and for any liability arising out of or in connection with the Work performed by Contractor under this Agreement or arising out of or in connection with Contractor's breach of this Agreement. This provision does not apply to professional liability insurance policies.
- L.** Contractor shall provide the Judicial Council with written notice within **TEN (10)** calendar days of becoming aware of a material change or cancellation of the insurance policies required under this Agreement. In the event of expiration or cancellation of any insurance policy, Contractor shall **immediately** notify the Judicial Council's Project Manager.
- M.** Judicial Council reserves the right to request certified copies of any of the insurance policies required under this Agreement, which must be provided by Contractor within **TEN (10)** business days following the request by Judicial Council.
- N.** Contractor must require insurance from its Subcontractors in substantially the same form as required of the Contractor herein and with limits of liability that are sufficient to protect the interests of the Contractor, State of California, the Judicial Council, and the Participating Entity where the Project is located.

4.2 Individual Policy Requirements for Contractor

A. Commercial General Liability

Commercial General Liability Insurance shall be written on an occurrence form with limits of not less than \$2,000,000 per occurrence for bodily injury and property damage and \$4,000,000 annual aggregate. The policy shall include coverage for liabilities arising out of or in connection with premises, operations, products and completed operations, personal and advertising injury, and liability assumed under an insured contract. This insurance shall apply separately to each insured against whom a claim is made, or suit is brought. The products and completed liability shall extend for not less than three (3) years past the completion of the Work or the termination of this Agreement, whichever occurs first.

B. Commercial Automobile Liability

Commercial Automobile Liability Insurance shall have limits of not less than \$1,000,000 per accident. This insurance must cover liability arising out of or in connection with the operation,

use, loading, or unloading of a motor vehicle assigned to or used in connection with the Work including, without limitation, owned, hired, and non-owned motor vehicles.

C. Workers' Compensation & Employers' Liability Insurance

If Contractor has employees, it shall maintain workers' compensation insurance as required by law. Employer's liability limits shall be not less than \$1,000,000 for each accident, \$1,000,000 as the aggregate disease policy limit, and \$1,000,000 as the disease limit for each employee. If Contractor does not have employees, it shall provide a letter, on company letterhead, to the Judicial Council certifying, under penalty of perjury, that it does not have employees. Upon the Judicial Council's receipt of the letter, Contractor shall not be required to maintain workers' compensation insurance.

D. Professional Liability Insurance

Should the Work include design and/or consulting services/work, then Contractor shall be required to obtain and maintain Professional Liability Insurance. Professional Liability Insurance shall include coverage for any negligent act, error, or omission committed or alleged to have been committed which arises out of rendering or failure to render the Work provided under the terms of this Agreement and any Participating Addendum. The Participating Addendum shall detail the policy limits for such coverage. If the policy is written on a "claims made" form, Contractor shall continue such coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement or any Participating Addendum. The retroactive date or "prior acts inclusion date" of any such "claims made" policy must be no later than the date that Work commences pursuant to the Agreement or any Participating Addendum.

E. Cyber Liability Insurance

Should the Work include or require the Contractor to connect to the Participating Entity's server(s) and/or computer system(s) either directly, remotely or through the cloud or install or run software on the Participating Entity's server(s) and/or computer system(s), then the Contractor shall be required to obtain and maintain Cyber Liability Insurance, with limits not less than \$2,000,000 per occurrence or claim, \$4,000,000 aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as are undertaken by Contractor in this Agreement and any Participating Addendum and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties as well as credit monitoring expenses.

F. Technology Professional Liability Insurance

Technology Professional Liability Errors and Omissions Insurance appropriate to the Contractor's profession and Work hereunder, with limits not less than two million dollars (\$2,000,000) per occurrence, and four million dollars (\$4,000,000) per annual aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations undertaken by the

Contractor pursuant to this Agreement (and any Participating Addendum) and shall include, but not be limited to, claims involving security breach, system failure, data recovery, business interruption, cyber extortion, social engineering, infringement of intellectual property, including but not limited to infringement of copyright, trademark, trade dress, invasion of privacy violations, information theft, damage to or destruction of electronic information, release of private information, and alteration of electronic information. The policy shall provide coverage for breach response costs, regulatory fines and penalties, as well as credit monitoring expenses.

The Technology Professional Liability Errors and Omissions Insurance policy shall include or be endorsed to include property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information “property” of the JBE in the care, custody, or control of the Contractor. If not covered under Contractor’s technology professional liability errors and omissions insurance, such “property” coverage of the JBE must be endorsed onto the Contractor’s Cyber Liability Policy.

G. Contractor’s Equipment Insurance

Contractor shall maintain equipment insurance covering its business property, equipment, and tools used in the performance of the Work at the Work Location(s) that are not intended to become a permanent part of the Work. The Judicial Council and JBEs shall not be responsible for loss or damage to or obtaining and/or maintaining in force insurance on temporary structures, construction equipment, tools, or personal effects, owned or rented to or in the care, custody, and control of a Contractor of any tier.

H. Umbrella Policies

Contractor may satisfy basic coverage limits through any combination of primary, excess, or umbrella insurance.

- 5. Indemnity.** Contractor will defend (with counsel satisfactory to the JBE or its designee), indemnify and hold harmless the Judicial Branch Entities and the Judicial Branch Personnel (“Indemnified Parties”) against all claims, losses, and expenses, including attorneys’ fees and costs, that arise out of or in connection with: (i) a latent or patent defect in any Goods, Services, or Deliverables; (ii) an act or omission of Contractor, its agents, employees, independent contractors, or Subcontractors in the performance of this Agreement or any Participating Addendum; (iii) a breach of a representation, warranty, or other provision of this Agreement or any Participating Addendum; and (iv) infringement of any trade secret, patent, copyright or other Third Party intellectual property. This indemnity applies regardless of the theory of liability on which a claim is made, or a loss occurs. This indemnity will survive the expiration or termination of this Agreement or any Participating Addendum, and acceptance of any Goods, Services, or Deliverables. Contractor shall not make any admission of liability or other statement on behalf of an Indemnified Party or enter into any settlement or other agreement that would bind an Indemnified Party, without the affected JBE’s prior written consent, which consent shall not be unreasonably withheld, and such JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor’s duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the Indemnified Party.
- 6. Option Term(s).** The Establishing JBE may, at its sole option, extend this Agreement for up to two (2) consecutive one (1) year periods, at the end of which Option Terms this Agreement shall expire. In order to exercise an Option Term, the Establishing JBE must send Notice to Contractor at least thirty (30) days prior to the end of the Initial Term (or the then-current Option Term). The Establishing JBE will issue an amendment to this Agreement extending the Term and any agreed upon price adjustments allowed in this Agreement.

7. **Tax Delinquency.** Contractor must provide notice to the JBEs immediately if Contractor has reason to believe it may be placed on either (i) the California Franchise Tax Board's list of 500 largest state income tax delinquencies, or (ii) the California Board of Equalization's list of 500 largest delinquent sales and use tax accounts. The Establishing JBE may terminate this Agreement immediately "for cause" pursuant to Section 8.2 below (and each JBE may terminate its Participating Addendum immediately "for cause" pursuant to Section 8.2 below) if (i) Contractor fails to provide the notice required above, or (ii) Contractor is included on either list mentioned above.

8. Termination

8.1 **Termination for Convenience.** The Establishing JBE may terminate, in whole or in part, this Agreement (and a JBE may terminate, in whole or in part, a Participating Addendum) for convenience upon thirty (30) days prior Notice. After receipt of such Notice, and except as otherwise directed by the Establishing JBE (and regarding a Participating Addendum, except as otherwise directed by the Participating Entity), Contractor shall immediately: (a) stop Services (or development of Deliverables) as specified in the Notice; and (b) stop the delivery, manufacture, or installation of Goods as specified in the Notice.

8.2 **Termination for Cause.** The Establishing JBE may terminate this Agreement, in whole or in part, immediately "for cause" (and a Participating Entity may terminate a Participating Addendum, in whole or in part, immediately "for cause"): if (i) Contractor fails or is unable to meet or perform any of its duties under this Agreement or a Participating Addendum, and this failure is not cured within ten (10) days following Notice of default (or in the opinion of the JBE, is not capable of being cured within this cure period); (ii) Contractor or Contractor's creditors file a petition as to Contractor's bankruptcy or insolvency, or Contractor is declared bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, goes into liquidation or receivership, or otherwise loses legal control of its business; or (iii) Contractor makes or has made under this Agreement (or any Participating Addendum) any representation, warranty, or certification that is or was incorrect, inaccurate, or misleading.

8.3 **Termination upon Death.** This entire Agreement will terminate immediately without further action of the parties upon the death of a natural person who is a party to this Agreement, or a general partner of a partnership that is a party to this Agreement.

8.4 **Termination for Changes in Budget or Law.** Each JBE's payment obligations are subject to annual appropriation and the availability of funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement or Participating Addendum. Funding beyond the current appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement (including a Participating Addendum). The Establishing JBE may terminate this Agreement (and any Participating Entity may terminate a Participating Addendum), and each JBE may limit Contractor's Work (and reduce proportionately Contractor's fees) upon Notice to Contractor without prejudice to any right or remedy of the JBEs if: (i) expected or actual funding to compensate Contractor is withdrawn, reduced or limited; or (ii) the Establishing JBE determines that Contractor's performance under this Agreement (or a Participating Entity determines that Contractor's performance under a Participating Addendum) has become infeasible due to changes in Applicable Law.

8.5 Rights and Remedies.

A. *Nonexclusive Remedies.* All remedies provided in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the Establishing JBE and the affected Participating Entities immediately if Contractor is in default, or if a Third Party claim or dispute is brought or threatened that alleges facts that would constitute a default under this Agreement (or a Participating Addendum). If Contractor is in default: (i) the affected JBE may withhold all or any portion of a payment otherwise due to Contractor, and exercise any other

rights of setoff as may be provided in this Agreement; (ii) a JBE may require Contractor to enter into nonbinding mediation; (iii) the Establishing JBE may exercise, following Notice, the Establishing JBE's right of early termination of this Agreement (and a JBE may exercise its right of early termination of a Participating Addendum) as provided herein; and (iv) a JBE may seek any other remedy available at law or in equity.

- B. *Replacement.*** If the Establishing JBE terminates this Agreement (or if a JBE terminates a Participating Addendum) in whole or in part for cause, the JBE may acquire from Third Parties, under the terms and in the manner the JBE considers appropriate, goods or services equivalent to those terminated, and Contractor shall be liable to the Participating Entity for any excess costs for those goods or services. Notwithstanding any other provision, in no event shall the excess cost to the Participating Entity for such goods and services be excluded as indirect, incidental, special, exemplary, punitive or consequential damages of the Participating Entity. Contractor shall continue any Work not terminated.
- C. *Delivery of Materials.*** In the event of any expiration or termination of this Agreement (or a Participating Addendum), Contractor shall promptly provide the applicable JBE or JBEs with all originals and copies of the Deliverables for such JBE, including any partially completed Deliverables-related work product or materials, and any JBE-provided materials in its possession, custody, or control. In the event of any termination of this Agreement or Participating Addendum, the JBEs shall not be liable to Contractor for compensation or damages incurred as a result of such termination.
- D. *Participating Addenda.*** The termination of this Agreement shall not result in the termination of any outstanding Participating Addendum that has not been terminated by a JBE, and this Agreement shall continue to apply to any such Participating Addendum until such time as all Work under such Participating Addendum has been completed by its terms or is terminated as provided in this Section 8; provided, however, that the term of such Participating Addendum may not exceed the expiration date of this Agreement. Issuance and acknowledgement of any Participating Addendum (as evidenced by the JBE's and Contractor's signature on the Participating Addendum) must be completed before the termination or expiration of this Agreement.

8.6 Survival. Termination or expiration of this Agreement shall not affect the rights and obligations of Contractor, the Establishing JBE, and the Participating Entities which arose prior to any such termination or expiration (unless otherwise provided herein) and such rights and obligations shall survive any such termination or expiration. Rights and obligations that by their nature should survive shall remain in effect after termination or expiration of this Agreement, including any section of this Agreement that states it shall survive such termination or expiration.

9. Assignment and Subcontracting. Contractor may not assign or subcontract its rights or duties under this Agreement (including any Participating Addendum), in whole or in part, whether by operation of law or otherwise, without the prior written consent of the Establishing JBE. Consent may be withheld for any reason or no reason. Any assignment or subcontract made in contravention of the foregoing shall be void and of no effect. Subject to the foregoing, this Agreement will be binding on the Parties and their permitted successors and assigns.

10. Notices. Notices must be sent to the following address and recipient:

Notices will be considered to have been given at the time of actual delivery in person, three (3) days after deposit in the mail as set forth above, or one (1) day after delivery to an overnight air courier service.

11. Provisions Applicable to Certain Agreements. The provisions in this section are applicable to this Agreement and to any Participating Addendum, provided, however that if this Agreement or a Participating Addendum is not of the type described in the first sentence of a subsection, then that subsection does not apply to this Agreement or such Participating Addendum.

11.1 Union Activities Restrictions. *If the Contract Amount is over \$50,000, this section is applicable.* Contractor agrees that no JBE funds received under this Agreement, or any Participating Addendum will be used to assist, promote or deter union organizing during the Term. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures. Contractor will provide those records to the Attorney General upon request.

11.2 Domestic Partners, Spouses, Gender, and Gender Identity Discrimination. *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor is in compliance with, and throughout the Term will remain in compliance with: (i) PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) PCC 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee’s or dependent’s actual or perceived gender identity.

11.3 Child Support Compliance Act. *If the Contract Amount is \$100,000 or more, this section is applicable.* Contractor recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the Term) all applicable state and federal laws relating to child and family support enforcement, including disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

11.4 Priority Hiring. *If the Contract Amount is over \$200,000 and this Agreement is for services (other than Consulting Services), this section is applicable.* Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.

11.5 Iran Contracting Act. *If the Contract Amount is \$1,000,000 or more and Contractor did not provide to the Establishing JBE an Iran Contracting Act certification as part of the solicitation process, this section is applicable.* Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran (“Iran List”) created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received

written permission from the Establishing JBE to enter into this Agreement (and written permission from each JBE to enter into the applicable Participating Addendum) pursuant to PCC 2203(c).

- 11.6 Loss Leader Prohibition.** *If this Agreement (including any Participating Addendum) involves the purchase of goods, this section is applicable.* Contractor shall not sell or use any article or product as a “loss leader” as defined in section 17030 of the Business and Professions Code.
- 11.7 Recycling.** *If this Agreement (including any Participating Addendum) provides for the purchase or use of goods specified in PCC 12207 (for example, certain paper products, office supplies, mulch, glass products, lubricating oils, plastic products, paint, antifreeze, tires and tire-derived products, and metal products), this section is applicable with respect to those goods. Without limiting the foregoing, if this Agreement (including any Participating Addendum) includes (i) document printing, (ii) parts cleaning, or (iii) janitorial and building maintenance services, this section is applicable.* Contractor shall use recycled products in the performance of this Agreement (including any Participating Addendum) to the maximum extent doing so is economically feasible. Upon request, Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the PCC 12200, in such goods regardless of whether the goods meet the requirements of PCC 12209. With respect to printer or duplication cartridges that comply with the requirements of PCC 12156(e), the certification required by this subdivision shall specify that the cartridges so comply.
- 11.8 Sweatshop Labor.** *If this Agreement (including any Participating Addendum) provides for the laundering of apparel, garments or corresponding accessories, or for furnishing equipment, materials, or supplies other than for public works, this section is applicable.* Contractor certifies that no apparel, garments or corresponding accessories, equipment, materials, or supplies furnished to the JBEs under this Agreement (or any Participating Addendum) have been laundered or produced in whole or in part by sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor, or with the benefit of sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor. Contractor adheres to the Sweat free Code of Conduct as set forth on the California Department of Industrial Relations website located at www.dir.ca.gov, and PCC 6108. Contractor agrees to cooperate fully in providing reasonable access to Contractor’s records, documents, agents, and employees, and premises if reasonably required by authorized officials of the Department of Industrial Relations, or the Department of Justice to determine Contractor’s compliance with the requirements under this section and shall provide the same rights of access to the JBEs.
- 11.9 Federal Funding Requirements.** *If this Agreement (or a Participating Addendum) is funded in whole or in part by the federal government, this section is applicable.* It is mutually understood between the Parties that this Agreement (or a Participating Addendum) may have been written for the mutual benefit of both Parties (or Participating Entities) before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement (or a Participating Addendum) were executed after that determination was made. This Agreement (or a Participating Addendum) is valid and enforceable only if sufficient funds are made available to the Establishing JBE (or the applicable Participating Entity) by the United States Government for the fiscal year in which they are due and consistent with any stated programmatic purpose, and this Agreement (or a Participating Addendum) is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement (or a Participating Addendum) in any manner. The Parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement (or a Participating Addendum) is intended to be paid, this Agreement (or Participating Addendum) shall be deemed amended without any further action of the parties to reflect

any reduction in funds. The Establishing JBE may invalidate this Agreement (and a JBE may invalidate a Participating Addendum) under the termination for convenience or cancellation clause (providing for no more than thirty (30) days' Notice of termination or cancellation) or amend this Agreement (or Participating Addendum) to reflect any reduction in funds.

- 11.10 DVBE Commitment.** *This section is applicable if Contractor received a disabled veteran business enterprise (“DVBE”) incentive in connection with this Agreement (or a Participating Addendum).* Contractor’s failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. If Contractor used DVBE subcontractor(s) in connection with this Agreement (or a Participating Addendum): (i) Contractor must use the DVBE subcontractors identified in its bid or proposal, unless the Establishing JBE approves in writing replacement by another DVBE subcontractor in accordance with the terms of this Agreement; and (ii) Contractor must, within sixty (60) days of receiving final payment under each purchase order or service work order, certify in a report to the applicable JBE: (1) the total amount of money Contractor received under the purchase order or service work order; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted work in connection with the Participating Addendum; (4) the amount of money each DVBE subcontractor actually received from Contractor in connection with the Participating Addendum, and the corresponding percentage this payment comprises of the total amount of money Contractor received under the Participating Addendum; and (5) that all payments under the Participating Addendum have been made to the applicable DVBE subcontractors. Upon request by the JBE, Contractor shall provide proof of payment for the work. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation. Contractor will comply with all rules, regulations, ordinances and statutes that govern the DVBE program, including, without limitation, Military and Veterans Code section 999.5.
- 11.11 Antitrust Claims.** *If this Agreement resulted from a competitive solicitation, this section is applicable.* Contractor shall assign to the applicable JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE. Such assignment shall be made and become effective at the time the JBE tenders final payment to Contractor. If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by Contractor, the JBE shall, within one (1) year from such demand, reassign the cause of action assigned under this part if Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the JBE has not been injured thereby, or (b) the JBE declines to file a court action for the cause of action.
- 11.12 Good Standing.** *If Contractor is a corporation, limited liability company, or limited partnership, and this Agreement (and any Participating Addendum) is performed in whole or in part in California, this section is applicable.* Contractor is, and will remain for the Term, qualified to do business and in good standing in California.
- 11.13 Equipment Purchases.** *If this Agreement (or any Participating Addendum) includes the purchase of equipment, this section is applicable.* The JBE may, at its option, repair any damaged or replace any lost or stolen items and deduct the cost thereof from Contractor’s invoice to the JBE, or require Contractor to repair or replace any damaged, lost, or stolen equipment to the satisfaction of the JBE at no expense to the JBE. If a theft occurs, Contractor must file a police report immediately.

11.14 Four-Digit Date Compliance. *If this Agreement (or any Participating Addendum) includes the purchase of systems, software, or instrumentation with imbedded chips, this section is applicable.* Contractor represents and warrants that it will provide only Four-Digit Date Compliant deliverables and services to the JBEs. “Four-Digit Date Compliant” deliverables and services can accurately process, calculate, compare, and sequence date data, including date data arising out of or relating to leap years and changes in centuries. This warranty and representation are subject to the warranty terms and conditions of this Agreement and does not limit the generality of warranty obligations set forth elsewhere in this Agreement or any Participating Addendum.

11.15 Small Business Preference Commitment. *This section is applicable if Contractor received a small business preference in connection with this Agreement.* Contractor’s failure to meet the small business commitment set forth in its bid or proposal constitutes a breach of this Agreement (and any Participating Addendum). Contractor must within sixty (60) days of receiving final payment under this Agreement (and any Participating Addendum) report to the JBE the actual percentage of small/micro business participation that was achieved. If Contractor is a nonprofit veteran service agency (“NVSA”), Contractor must employ veterans receiving services from the NVSA for not less than seventy-five percent (75%) of the person-hours of direct labor required for the production of goods and the provision of services performed pursuant to this Agreement (and any Participating Addendum).

12. Miscellaneous Provisions.

12.1 Independent Contractor. Contractor is an independent contractor to the JBEs. No employer-employee, partnership, joint venture, or agency relationship exists between Contractor and the JBEs. Contractor has no authority to bind or incur any obligation on behalf of the JBEs. If any governmental entity concludes that Contractor is not an independent contractor, the Establishing JBE may terminate this Agreement (and a JBE may terminate a Participating Addendum) immediately upon Notice.

12.2 GAAP Compliance. Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles.

12.3 Audit. Contractor must allow the JBEs or their designees to review and audit Contractor’s (and any Subcontractors’) documents and records relating to this Agreement (including any Participating Addendum), and Contractor (and its Subcontractors) shall retain such documents and records for a period of four (4) years following final payment under this Agreement (or any Participating Addendum). If an audit determines that Contractor (or any Subcontractor) is not in compliance with this Agreement (including any Participating Addendum), Contractor shall correct errors and deficiencies by the twentieth (20th) day of the month following the review or audit. If an audit determines that Contractor has overcharged the JBE five percent (5%) or more during the time period subject to audit, Contractor must reimburse the JBE in an amount equal to the cost of such audit. This Agreement (and any Participating Addendums) are subject to examinations and audit by the State Auditor for a period of three (3) years after final payment.

12.4 Licenses and Permits. Contractor shall obtain and keep current all necessary licenses, approvals, permits, and authorizations required by applicable law for the performance of the Services (including Deliverables) or the delivery of the Goods. Contractor will be responsible for all fees and taxes associated with obtaining such licenses, approvals, permits and authorizations, and for any fines and penalties arising from its noncompliance with any Applicable Law.

12.5 Confidential Information. During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement and any Participating Addendum, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any Third Party without obtaining the JBE’s express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to its

employees or contractors who need to know that information in order to obtain the Goods, perform Services, and provide the Deliverables hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this section. The provisions of this section shall survive the expiration or termination of this Agreement and any Participating Addendum. Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than the greater of reasonable care and industry-standard care. Each JBE owns all right, title and interest in its Confidential Information. Contractor will notify the affected JBE promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the JBE to protect such Confidential Information. Upon a JBE's request and upon any termination or expiration of this Agreement or a Participating Addendum, Contractor will promptly (a) return to the JBE or, if so directed by the JBE, destroy all such JBE's Confidential Information (in every form and medium), and (b) certify to the JBE in writing that Contractor has fully complied with the foregoing obligations. Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations under this section, that any such breach will likely result in irreparable harm, and that upon any breach or threatened breach of the confidentiality obligations, the JBEs shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

12.6 Data and Security.

- A. Safety and Security Procedures.** Contractor shall maintain and enforce, at the Contractor Work Locations, industry-standard safety and physical security policies and procedures. While at each JBE Work Location, Contractor shall comply with the safety and security policies and procedures in effect at such JBE Work Location.

Contractor shall implement and maintain a comprehensive information security program ("Contractor's Information Security Program") in accordance with the Data Safeguards. Contractor shall comply with all applicable privacy and data security laws, and other laws (including the California Rules of Court) and regulations relating to the protection, collection, use, and distribution of JBE Data, as well as privacy and data security requirements and standards set forth in the JBE's policies or procedures. To the extent that California Rule of Court 2.505 applies to this Agreement, Contractor shall provide access and protect confidentiality of court records as set forth in that rule and in accordance with this Agreement. In addition to the foregoing, Contractor represents and warrants that Contractor complies with, and throughout the term of this Agreement, Contractor and its performance of its obligations under this Agreement shall be in compliance with, the current NIST (National Institute of Standards and Technology) Special Publication 800-53, including without limitation any NIST 800-53 standards, guidelines, or requirements for security controls or data security protocols.

Contractor shall not, without the prior written consent of an authorized representative of JBE, use or access the JBE Data for any purpose other than to provide the Work under this Agreement. In no event shall Contractor transfer the JBE Data to third parties or provide Third Parties access to the JBE Data, except as may be expressly authorized by JBE. Contractor is responsible for the security and confidentiality of the JBE Data. JBE owns and retains all right and title to the JBE Data and has the exclusive right to control its use.

- iii. No Work shall be provided from outside the continental United States. Remote access to JBE Data from outside the continental United States is prohibited unless approved in writing in advance by the JBE. The physical location of Contractor's data center, systems, and equipment where the JBE Data is stored shall be within the continental United States. Contractor shall ensure that access to the JBE Data will be provided to the JBE (and its authorized users) 24 hours per day, 365 days per year (excluding agreed-upon maintenance downtime). Upon the JBE's request, all JBE Data in the possession of Contractor shall be provided to JBE in a manner reasonably requested by JBE and all copies shall be permanently removed from Contractor's system, records, and backups, and all subsequent use of such information by Contractor shall cease.
 - iv. Confidential, sensitive, or personally identifiable information shall be encrypted in accordance with the highest industry standards, applicable laws, this Agreement, and JBE policies and procedures.
- C. Data Breach. If there is a suspected or actual Data Breach, Contractor shall notify the JBE in writing within two (2) hours of becoming aware of such occurrence. A "Data Breach" means any access, destruction, loss, theft, use, modification or disclosure of the JBE Data by an unauthorized party. Contractor's notification shall identify: (i) the nature of the Data Breach; (ii) the data accessed, used or disclosed; (iii) who accessed, used, disclosed and/or received data (if known); (iv) what Contractor has done or will do to mitigate the Data Breach; and (v) corrective action Contractor has taken or will take to prevent future Data Breaches. Contractor shall promptly investigate the Data Breach and shall provide daily updates, or more frequently if required by the JBE, regarding findings and actions performed by Contractor until the Data Breach has been resolved to the JBE's satisfaction, and Contractor has taken measures satisfactory to the JBE to prevent future Data Breaches. Contractor shall conduct an investigation of the Data Breach and shall share the report of the investigation with the JBE. The JBE and/or its authorized agents shall have the right to lead (if required by law) or participate in the investigation. Contractor shall cooperate fully with the JBE, its agents and law enforcement, including with respect to taking steps to mitigate any adverse impact or harm arising from the Data Breach. After any Data Breach, Contractor shall at its expense have an independent, industry-recognized, JBE-approved Third-Party perform an information security audit. The audit results shall be shared with the JBE within seven (7) days of Contractor's receipt of such results. Upon Contractor receiving the results of the audit, Contractor shall provide the JBE with written evidence of planned remediation within thirty (30) days and promptly modify its security measures in order to meet its obligations under this Agreement.
- D. Security Assessments. Upon advance written notice by the JBE, Contractor agrees that the JBE shall have reasonable access to Contractor's operational documentation, records, logs, and databases that relate to data security and the Contractor's Information Security Program. Upon the JBE's request, Contractor shall, at its expense, perform, or cause to have performed an assessment of Contractor's compliance with its privacy and data security obligations. Contractor shall provide to the JBE the results, including any findings and recommendations made by Contractor's assessors, of such assessment, and, at its expense, take any corrective actions.
- E. Data Requests. Contractor shall promptly notify the JBE upon receipt of any requests which in any way might reasonably require access to the JBE Data. Contractor shall not respond to subpoenas, service of process, Public Records Act requests (or requests under California Rule of Court 10.500), and other legal requests directed at Contractor regarding this Agreement, any Participating Addendum, or JBE Data without first notifying the JBE. Contractor shall provide its intended responses to the JBE with adequate time for the JBE to review, revise and, if necessary, seek a protective order in a court of competent jurisdiction. Contractor shall not respond to legal requests directed at the JBE unless authorized in writing to do so by the JBE.

 - ix. maintain and implement data backup and disaster recovery processes and procedures in accordance with the highest industry standards and applicable laws.

12.7 Ownership of Deliverables. Unless otherwise agreed in this Agreement, regarding any Deliverables or any other work product to be provided to a JBE, Contractor hereby assigns to such JBE all rights, title, and interest (and all intellectual property rights, including but not limited to copyrights) in and to such Deliverables and work product, any partially-completed Deliverables, and related materials. Contractor agrees not to assert any rights at common law, or in equity, or establish a copyright claim in any of these materials. Contractor shall not publish or reproduce any Deliverable or other work product in whole or part, in any manner or form, or authorize others to do so, without the written consent of the JBE.

12.8 Publicity. Contractor shall not make any public announcement or press release about this Agreement (or any Participating Addendum) without the prior written approval of the Establishing JBE (and with respect to any Participating Addendum, the prior written approval of the applicable JBE).

12.9 Choice of Law and Jurisdiction. California law, without regard to its choice-of-law provisions, governs this Agreement (including any Participating Addendum). The Contractor and the applicable JBEs shall attempt in good faith to resolve informally and promptly any dispute that arises. Jurisdiction for any legal action arising from this Agreement shall exclusively reside in state or federal courts located in California, and the parties hereby consent to the jurisdiction of such courts.

A waiver of enforcement of any of this Agreement's terms or conditions by the Establishing JBE is effective only if expressly agreed in writing by a duly authorized officer of the Establishing JBE. Any waiver or failure by a JBE to enforce any provision of this Agreement or Participating Addendum on one occasion will not be deemed a waiver of any other provision or of such provision on any other occasion.

- 12.12 Follow-On Contracting.** No person, firm, or subsidiary who has been awarded a Consulting Services Agreement may submit a bid for, nor be awarded an agreement for, the providing of services, procuring goods or supplies, or any other related action that is required, suggested, or otherwise deemed appropriate in the end product of this Agreement.

- 1.16. “Service Work Order” or “SWO” refers to a unique entry within Judicial Council’s CAFM system. Issuance of a SWO constitutes Work Authorization. The Contractor must respond to the Judicial Council’s Project Manager via email to “accept” the SWO issued prior to beginning Work. The Judicial Council’s Project Manager will then login to Judicial Council’s CAFM system and “accept” the SWO on behalf of the Contractor. 2. Maximum Service Work Order Amount and Contract Amount

- 2.1. 3. Service Work Order Authorization

- 3.1. The Judicial Council will authorize the performance of Work and spending of Judicial Council funds under this Agreement only via Service Work Orders issued through the Judicial Council’s Computer Aided Facility Management (“CAFM”) system. Service Work Orders must be “accepted” by the Contractor within the CAFM system. This involves the Judicial Council’s Project Manager receiving the Contractor’s acceptance of the SWO via e-mail. Acceptance of a Service Work Order authorizes the commencement of Services or Work. A written document will be provided by the Judicial Council via CAFM software system that summarizes the Project details and references all other documents incorporated within the Project. CAFM or Computer Aided Facility Management – In the context of this Agreement and wherever used herein, the CAFM system is, and shall be construed to mean, the system currently used by the Judicial Council to issue Service Work Orders and track work progress, or any other such system subsequently implemented for those or similar purposes by the Judicial Council at the Judicial Council’s sole discretion.
- 3.2. Service Work Orders may only be authorized during the Initial Term of this Agreement or any Subsequent Terms. Service Work Orders must be authorized prior to the expiration date of this Agreement. The end date for Services authorized in a Service Work Order may exceed the expiration date of this Agreement; provided, however, that the terms and conditions of this Agreement shall remain in full force and effect with regard to any outstanding Service Work Order(s) after the expiration of this Agreement until the Work of said Service Work Order(s) is complete.
- 3.3. Service Work Orders may only be authorized for the specific Service Types and Services described in Attachments 1 and 2.
- 3.4. The Contractor will respond to two (2) types of events at locations throughout the State: unplanned/emergency events (Priority 1 (“P1”)) or planned/scheduled work events (Priority 2 (“P2”)). P1s can occur at any point in time, on a 24/7 basis.
- 3.5. Both P1 and P2 events will be requested, authorized, and paid through the Judicial Council Service Work Order process (see Appendix A, Section 4).
- 3.6. Both P1 and P2 activities will be subject to their respective Service Work Orders.

4. Service Work Order Process

- 4.1. For P1 events only, the Judicial Council and/or the Court(s) will create Service Work Orders for time and materials service calls in Judicial Council's CAFM system. P1 events will be compensated on a Time and Materials Basis not to exceed \$1,500.00 without prior Judicial Council authorization.
- 4.2. P1 activities will be requested and authorized as outlined in this Section 4.2:
 - 4.2.1. The Judicial Council Customer Service Center ("CSC") will request service call dispatches from the Contractor via email or other electronic system.
 - 4.2.2. The Contractor will send the dispatch request to the Judicial Council Facilities Emergency Planning and Security Coordination Unit ("EPSCU") via email requesting approval to respond to the dispatch request. The Judicial Council's Project Manager will reply via email to the Contractor with approval and authorization to proceed.
 - 4.2.3. The Contractor will reply to the Judicial Council's Project Manager's email accepting the Work. The Judicial Council Project Manager will create a Service Work Order in Judicial Council's CAFM system with a unique SWO number. The Judicial Council and/or the Court(s) Project Manager will upload electronic approvals to the SWO in Judicial Council's CAFM system and will change the SWO status to "IN WORK".
 - 4.2.4. The Contractor will provide an estimate of the time and materials required to perform the services by completing a detailed technician report of work performed and cost itemization. The detailed technician report of work will be submitted to the Judicial Council's Project Manager for approval prior to invoicing.
 - 4.2.5. The Judicial Council Project Manager will upload electronic estimates to the SWO in Judicial Council's CAFM system.
 - 4.2.6. Work will be subject to the specific authorization and funding under the Service Work Order for P1 activities.
- 4.3. For P2 events, Services will be requested and authorized as further elucidated below.
- 4.4. The Judicial Council's Project Manager will provide Contractor with an unsigned Services Request Form (Attachment 1), describing the Work the Judicial Council wants performed. The Judicial Council's Project Manager will complete the Services Request Form and send to Contractor electronically. The Judicial Council's Project Manager will inform the Contractor of the appropriate Pricing Methodology to be used in the Service Work Order.
- 4.5. Pricing Methodologies. Two Pricing Methodologies are allowable under this Agreement. Pricing Methodology sets both the total amount of compensation that will be made under a Service Work Order, as well as terms and conditions that will apply to the Services to be provided. Only one type of Pricing Methodology may be used in any individual Service Work Order and that methodology will apply to all Services provided under that Service Work Order. If more than one methodology is necessary, the Services must be segregated into separate Service Work Orders.

4.5.1. Lump Sum Based Pricing

- 4.5.1.1. When a Service Work Order is authorized for performance on a lump sum basis (“Lump Sum Basis”), the prices for all expected Hourly and Fixed Price Services, the cost of any expected Travel and Living Expenses, and the cost of any expected Reimbursables will be added to calculate a lump sum price (“Lump Sum Price”) applicable to that Service Work Order. The applicable price(s) and costs and method to be used to calculate the Lump Sum Price are specified below.
- 4.5.1.2. Contractor will be compensated for Lump Sum Basis Service Work Orders according to deliverables or schedule of fixed milestone amounts with each milestone amount associated with the provision and acceptance of individual designated Deliverable(s) as agreed to between the Judicial Council’s Project Manager and Contractor’s Project Manager. The total of the price(s) for all Deliverables must be equal the Lump Sum Price applicable to the Service Work Order.
- 4.5.1.3. In Service Work Orders authorized on Lump Sum Basis, Contractor is responsible for the provision in full of all of the Services and Materials specified in the Service Work Order as well as bearing all costs and expenses for any Travel and Living Expenses, any Reimbursables expenses, and any other costs and expenses incurred to provide the Services and Materials, regardless of the amount of Contractor’s actual costs and expenses incurred. Contractor shall be compensated solely by payment of a Lump Sum Price.

4.5.2. Time and Materials Based Pricing

- 4.5.2.1. When performing Services on a time and materials basis (“Time and Materials Basis”), the prices will be subject to Judicial Council agreement on a Service Work Order-by-Service Work Order basis and shall only apply to the Service Work Order in which authorized. When a Service Work Order is authorized for performance on a Time and Materials Basis, the prices for all expected Hourly and Fixed Price Services, the cost of any expected allowable Travel and Living Expenses and expected allowable Reimbursables will be added to calculate a time and materials price (“Time and Materials Price”) applicable to that Service Work Order. The applicable price(s) and costs and method to be used to calculate the Time and Materials Price are specified below. The Judicial Council may, in its discretion, include a not-to-exceed amount in any Service Work Order on a Time and Materials Basis and Contractor shall not exceed said not-to-exceed amount without prior authorization.
- 4.5.2.2. Contractor will be compensated for Time and Materials Basis Service Work Orders in the form of payments based upon: the hours of work actually expended in performing the Hourly Services; the price for any Fixed Price Service(s) actually performed; the actual cost for any allowable Travel and Living Expenses actually incurred (when incurred in accordance with, and in amounts not to exceed the maximum amounts specified as allowable in, the Judicial Council’s Travel and Living Expense Rules and Rates); and the actual cost of any allowable

Reimbursables (in amounts at or below the Reimbursable(s) prices specified in the Service Work Order).

- 4.5.2.3. In Service Work Orders authorized on a Time and Materials Basis, Contractor is, subject to the limitation of the Time and Materials Price as further elucidated below, responsible for the provision of Services and Materials specified in a Service Work Order if authorized in accordance with the provisions of the Service Work Order, for paying for any Travel and Living Expenses and Reimbursable(s) necessary to provide those Services and Materials if authorized by the Judicial Council's Project Manager. Contractor shall be compensated solely in the form of payments for the Services, Materials, and allowable Travel and Living Expenses and Reimbursables which shall be made as specified above, however, Contractor shall not provide Services and/or Materials, incur allowable Travel and Living Expenses, or purchase allowable Reimbursable(s) past the point at which the total of such charges, if invoiced to the Judicial Council in accordance with this Agreement, would exceed the Time and Materials Price applicable to that Service Work Order.
- 4.6. Upon receipt, Contractor will, in coordination with the Judicial Council's Project Manager, edit the Services Request Form (Attachment 1) if necessary, so that it appropriately describes, to the satisfaction of both parties, the various elements of the Work and Materials to be provided, and submit the revised version.
- 4.7. Contractor will fill out and submit electronically the Service Work Order Proposal, substantially in the format of the Contractor Proposal Form (Attachment 2), based upon the description of the Services requested by the Services Request Form, providing the following:
- 4.7.1. Service Work Order Subtotals and Service Work Order Grand Total: List the Service types and the corresponding subtotals as applicable to the Project. If the Service is to be performed by a Sub-Contractor, include the name of the Sub-Contractor.
- 4.7.2. Schedule of Deliverables and Milestone Payments: After consultation with the Judicial Council's Project Manager, provide a list of designated Deliverable(s) and the amount to be paid upon acceptance of each such Deliverable that has been agreed to by both Parties. The Judicial Council does not pay for Services in advance and no milestone payment will be tied to initiation of the Work. The individual milestone payments to be used shall be proportioned to correspond to the portion of the Project Services necessary to provide the Deliverable. Invoicing and payments may only be made according to this Schedule of Deliverables and milestone payments. Deliverables must be tangible.
- 4.7.3. Hourly Services: Provide the corresponding hourly rate (from Exhibit 6 of the Leveraged Procurement Agreement), number of hours, and subtotal for the utilized job title. Note: Public Works registration requirements and prevailing wage rates will apply to the Contractor to the extent applicable.
- 4.7.4. Fixed Price Services: If Fixed Price Services are to be provided, describe the Service, the category of Service it falls into (consult Exhibit 5 of the Leveraged Procurement Agreement for approved Service types), the price, quantity, and

subtotal. Fixed Price Services are approved on a Project-by-Project basis by the Judicial Council's Project Manager.

- 4.7.5. Travel and Living Expenses: If performance of a Service will necessitate the expenditure of allowable Travel and Living Expenses, describe the Travel and Living Expenses that are necessary to perform the Service. Provide the titles (and names if available) of individuals for whom the Travel and Living Expenses will be expended. Provide an explanation of the purpose for the expenditure(s) and the expected dates of the expenditure(s). All Travel and Living Expenditures must be costed out in accordance with the Judicial Council's Travel and Living Expense Rules and Guidelines, given in this Appendix A (except in those instances subject to and governed by the Prevailing Wage laws). Provide the information requested on the form, along with a subtotal for all Travel and Living Expenses. If no allowable Travel and/or Living Expenses are to be incurred, leave this section blank.
- 4.7.6. Reimbursable Items: If performance of a Service will necessitate Contractor's use of allowable Reimbursable Items, provide a listing of the Reimbursable Items necessary to perform the Service, along with quantities necessary, price, extended price, and a subtotal for all Reimbursable Items. If no allowable Reimbursable Items are to be purchased, leave this section blank. Reimbursable Items must be priced at Contractor's actual acquisition cost, net of any discounts or rebates allowed and are not subject to any markup, charge, add on, or pass through charge or fee of any type. Reimbursable Items are not Services. The amounts listed here are allowances only and the individual Reimbursable Items to be invoiced may exceed the amounts listed in this section provided the total amount invoiced does not exceed the subtotal of all Reimbursable Items.
- 4.8. Upon completion of the above, Contractor's Project Manager shall submit Contractor's Service Work Order Proposal to the Judicial Council's Project Manager via e-mail in the form of a file in modifiable MS-Word processing format.
- 4.9. The Judicial Council's Project Manager shall review separately or with the Contractor and may request changes to the Service Work Order Proposal submitted, in which event Contractor shall modify and resubmit the Proposal, again in accordance with the provisions of this Appendix A.
- 4.10. Service Work Order Proposals so submitted are available for acceptance and may not expire or be revoked for a period of twenty (20) Business Days following the date submitted to the Judicial Council's Project Manager, or until the date scheduled for the start of the Work in the applicable Service Work Order passes, whichever event occurs sooner.
- 4.11. If the Judicial Council intends to accept Contractor's Service Work Order Proposal and proceed with the Project, the Judicial Council's Project Manager will create a Service Work Order in Judicial Council's CAFM system and populate the Contractor Proposal Form (Attachment 2) with a unique SWO number. The Services Request Form (Attachment 1) and accepted Contractor Proposal Form (Attachment 2) will be uploaded to CAFM.
- 4.12. The Judicial Council's Project Manager will then notify the Contractor of its Service Work Order Proposal acceptance. The Judicial Council shall provide, via e-mail, a Service Work

Order consisting of a unique Service Work Order number, the accepted Service Request Form (Attachment 1) and Contractor Proposal Form (Attachment 2).

- 4.13. Contractor shall review all documents and, upon acceptance, respond to the Judicial Council's email accepting the Work in the SWO. By responding and accepting, Contractor agrees to all the provisions of this Agreement and the corresponding SWO.
- 4.14. Upon notification of Service Work Order acceptance by the Contractor via e-mail, the Judicial Council's Project Manager shall direct the Contractor to begin Work in writing, in addition to a Purchase Order for the Services, in conjunction with Section 4.15 below. Within five (5) Business Days of the Judicial Council's direction to Contractor to begin Work on the SWO, Contractor shall submit to the Judicial Council Contractor's Project Schedule.
- 4.15. Following authorization of a Service Work Order, but before the initiation of Work on a Project, Judicial Council may furnish additional detailed written and/or graphic instructions to explain the Work more fully, and such instructions become a part of the requirements of the authorized Service Work Order applicable to a Project ("Additional Detailed Instructions"). Should such Additional Detailed Instructions, in the opinion of Contractor, constitute Work in excess of the requirements of the authorized Service Work Order, Contractor must submit written Notice of the same to the Judicial Council within seven (7) Days following receipt of such instructions, and in any event no later than prior to commencement of the Work of the Project. If in the Judicial Council's judgment, the Additional Detailed Instructions do in fact constitute Work in excess of the requirements of the authorized Service Work Order, the Judicial Council may, at Judicial Council's option, either close the authorized Service Work Order and create a new Service Work Order or issue a Supplementary Service Work Order to account for the excess Work.
- 4.16. If the Parties agree to cancel an already authorized Service Work Order, the existing SWO must be closed within Judicial Council's CAFM system and a new SWO process started.
- 4.17. Only the following Judicial Council's personnel are approved to authorize a SWO(s): Senior Manager for Facility Management; Regional Manager for Facilities Operations; Project Managers; Supervising Facilities Management Administrators; Facilities Management Administrators; Judicial Council Customer Service Center Personnel.
- 4.18. Judicial Council shall from time to time provide Contractor with the names and contact information of persons filling primary positions. This letter will be updated from time to time as personnel change and is effective upon receipt. These changes will not require that this Agreement be amended.
- 4.19. The Judicial Council reserves the right to modify the forms provided in Attachments 1 and 2, as it deems necessary or appropriate, in its sole discretion, and will notify Contractor of any modification to said form prior to implementing the modified form(s). The acceptance by Contractor of its final payment due under an authorized Service Work Order shall be and shall operate as a release of the Judicial Council, the Court(s) and the State from all claims and all liability to the Contractor for everything done or furnished in connection with said Service Work Order, including every act and neglect of the Judicial Council and or the Court(s).
- 12.2. Contractor shall, on the face of Contractor's final invoice submitted for payment, expressly identify as outstanding any claim that it has. Contractor's failure to identify any such claims shall operate as a release of all claims.
