Proposals For Judicial Council-Sponsored Legislation (Action Required)

Invitation To Comment: Remote Access to Electronic Court Records

The Remote Access to Electronic Court Records Working Group was established by the Judicial Council to review the rules of court relating to remote access to electronic court records and determine whether further recommendations regarding those rules are appropriate, consistent with the council's *Remote Access to Electronic Court Records—Policy, Rationale, and Guidance*. Having completed its review of which rules fall within the Legislature's responsibility under the remote access policy because they concern the scope of remote access, the working group now proposes enacting Government Code sections 68950–68952, 70800–70803, 70815–70823, and 70840–70842 to contain the provisions from rules 2.500–2.507, 2.515–2.528, 2.540–2.545, and 8.80–8.85 that relate to who may access which electronic court records.
