California Rules of Court, rules 10.5(h) and 10.13(d), allow the Judicial Council to act on business between meetings, including urgent matters, by circulating order. This memorandum is not a Judicial Council meeting; circulating orders are conducted via electronic communications. Prior public notice of a proposed circulating order is not required.

Executive Summary

Judicial Council staff recommend amending Appendix B of the California Rules of Court to reflect the biennial adjustments to the dollar amounts of the maximum amount of liability of parents or guardians to be imputed for the torts of a minor under Civil Code section 1714.1. On December 2, 2021, the Rules Committee reviewed the proposal in this circulating order memorandum under California Rules of Court, rule 10.13(d), and approved its circulation to the council.

Recommendation

Judicial Council staff recommend that the Judicial Council, effective July 1, 2021, amend Appendix B of the California Rules of Court to adjust the maximum liability of the parent or guardian having custody and control of a minor for the willful misconduct of the minor, under Civil Code section 1714.1(a) or (b), from \$45,000 to \$47,100.

Proposed amended Appendix B is attached at page 4.

Relevant Previous Council Action

Since January 1, 1997, Civil Code section 1714.1(c) has required that the council compute an adjustment to the dollar amounts stated in subdivisions (a) and (b) of that code section every two years, based on the change in the California Consumer Price Index (CCPI). The required adjustment has been published in Appendix B of the California Rules of Court ever since.

Analysis/Rationale

Civil Code section 1714.1(a) and (b)¹ imputes liability to the parent or guardian having custody and control of a minor for any act of willful misconduct of the minor that results in injury or death to another person, injury to the property of another, or the defacement of the property of another by paint. Both subdivisions state that the maximum liability of the parent or guardian shall not exceed \$25,000 for each tort of the minor but note that the maximum amount is subject to subdivision (c). Subdivision (c) requires the Judicial Council to compute an adjustment to the maximum amount every two years to reflect increases in the cost of living, as indicated by the annual average of the CCPI, and to publish the adjusted maximum amounts of liability on or before July 1 of each odd-numbered year.²

The formula for determining each adjustment is published in Appendix B to the California Rules of Court, which gives the adjustments and calculations a permanent place for reference.³ Applying that formula and the annual average of the 2020 CCPI of 285.315, the adjusted liability limit as of July 1, 2021, should be \$47,100, as shown in the attached amended Appendix B.⁴

This amendment to Appendix B will be published—as required by section 1714.1(c)—on the California Courts (judicial branch) website, as are all amendments to the California Rules of Court.

Policy implications

There are no policy implications in this statutorily mandated adjustment to the published liability limits.

¹ All further statutory references are to the Civil Code, unless otherwise indicated.

² Because of an oversight, the required biennial adjustment for 2021 has not yet been adopted. However, adopting the adjustment effective July 1, 2021, is appropriate because subdivision (d) of Civil Code section 1714.1 provides that the maximum amount of liability is the one so authorized at the time the act of willful misconduct occurred. Any claims for such misconduct occurring after July 1, 2021, are unlikely to have been adjudicated at this time.

³ A copy of the letter from the Department of Finance setting out the formula for the original adjustment, which has been followed since 1997, is available as Attachment A.

⁴ The California Consumer Price Index is published each year by the California Department of Industrial Relations. A copy of the most recent chart is available as Attachment B.

Comments

The proposed amendment of Appendix B is a technical amendment made in response to a statutory mandate, which has not been circulated for comment. (See Cal. Rules of Court, rule 10.22(d)(2).)

Alternatives considered

None.

Fiscal and Operational Impacts

No court costs or operational impacts are associated with this amendment of Appendix B.

Appendix B of the California Rules of Court is amended, effective July 1, 2021, to read:

Appendix B
Liability Limits of a Parent or Guardian Having Custody and Control of a Minor
for the Torts of a Minor (Civ. Code, § 1714.1)

Formula

Pursuant to Civil Code section 1714.1, the joint and several liability limit of a parent or guardian having custody and control of a minor under subdivisions (a) and (b) for each tort of the minor shall be computed and adjusted as follows:

$$\text{Adjusted limit} = \left[\frac{\text{Current CCPI} - \text{January 1, 1995, CCPI}}{\text{January 1, 1995, CCPI}} + 1 \right] \times \text{January 1, 1995, limit}$$

Definition

“CCPI” means the California Consumer Price Index, as established by the California Department of Industrial Relations.

July 1, 2019~~21~~, calculation and adjustment

The joint and several liability of a parent or guardian having custody and control of a minor under Civil Code section 1714.1, subdivision (a) or (b), effective July 1, 2019~~21~~, shall not exceed ~~\$45,000~~ \$47,100 for each tort.

The calculation is as follows:

$$\del{\$44,968.65} \underline{\$47,081.68} = \left[\frac{\del{272.51} \underline{285.315} - 151.5}{151.5} + 1 \right] \times \$25,000$$

Under section 1714.1, subdivision (c), the adjusted limit is rounded to the nearest hundred dollars, so the dollar amount of the adjusted limit is rounded to ~~\$45,000~~ \$47,100.

Dear Ms. Vonk,

The updated number calculated in accordance with Civil Code section 1714.1 subdivision c is \$25,900.00. Proper escalation procedure divides the difference of the end-of-period number and the beginning-of-period number by the beginning-of-period number. Next add one and multiply by the original number in this case \$25,000.00.

The California Consumer Price Index (CCPI) formula is established by the Department of Industrial Relations (DIR). The Department of Finance, using the DIR formula for the CCPI, calculates the January 1, 1995 CCPI as 151.5, for January 1, 1996 (154.0), and for January 1, 1997 (157.1). The calculation rests on the assumption that the figure of \$25,000.00 originates January 1, 1995 as you stated in our conversation this morning.

$$25,925.00 = \left[\frac{(157.1 - 151.5)}{151.5} + 1 \right] \times 25,000.00$$

Subdivision c requires the number to be rounded to the nearest one hundred dollars producing \$25,900.00. My phone number is (916) 322-2263 x2423; where I can be reached to answer to any questions. I have included CCPI data tables for purposes of documentation.

Sincerely

Proposed by

Civil and Small Claims Advisory Committee
Hon. Tamara Wood, Chair

Executive Summary and Origin

The Civil and Small Claims Advisory Committee recommends amending rule 3.1160 of the California Rules of Court, the adoption, approval, and revision of seven forms, and the revocation of one form to implement statutory changes in Assembly Bill 1143 (Stats. 2021, ch. 27). The statutory amendment permits courts to allow an alternative method of service for civil harassment restraining order petitions, temporary restraining orders, and notices of hearing upon a showing that the petitioner has been unable to accomplish personal service after a diligent effort, and that there is reason to believe the respondent is evading service or cannot be located. The proposal incorporates this potential alternative service and the required showing into the council's forms and the rules of court, and makes other minor changes to civil harassment forms.

Background

In August 2021 the Legislature passed, and the Governor signed Assembly Bill 1143 (Stats. 2021, ch. 27). Prior to the passage of AB 1143, a person seeking a restraining order for civil harassment was required to personally serve the respondent with a copy of the petition, the temporary restraining order if one had been issued, and the notice of hearing of the petition. The new law permits a court to specify another method of service, besides personal service, for those items if “the court determines at the hearing that, after a diligent effort, the petitioner has been unable to accomplish personal service, and that there is reason to believe that the respondent is

evading service or cannot be located.” (Code Civ. Proc., § 527.6(m).)¹ If the court makes such a determination, then it may “specify another method of service that is reasonably calculated to give actual notice to the respondent and may prescribe the manner in which proof of service shall be made.” (*Ibid.*) AB 1143 did not change the service requirements for restraining orders issued after a hearing. (See § 527.6(q).) The new law will go into effect January 1, 2022.

In 2018, the Legislature made similar, but not identical, changes to the law regarding domestic violence restraining orders in Assembly Bill 2694 (Stats. 2018, ch. 219). To implement the legislative changes to the Family Code, the council adopted two new forms, approved a new information sheet, and revised three existing forms.² Where possible, the proposed civil harassment forms replicate the revisions and additions previously made to the domestic violence forms.

The Proposal

This proposal recommends the adoption, approval, revision, and revocation of certain civil harassment forms and the amendment of rule 3.1160. The changes are urgently needed for the forms and rule to conform to the provisions of AB 1143. The proposed forms are:

- Revised *Order on Request to Continue Hearing* (form CH-116);
- New *Order Granting Alternative Service* (form CH-117);
- Revised *Proof of Personal Service* (form CH-200);
- Revised *What is “Proof of Personal Service”?* (form CH-200-INFO);
- New *What if the Person I Want Protection from Is Avoiding (Evading) Service or Cannot Be Located?* (form CH-205-INFO);
- New *Summons (Civil Harassment Restraining Order)* (form CH-210);
- Revised *Proof of Service by Mail* (form CH-250); and
- Revoked *Proof of Service of Order After Hearing by Mail* (CH-260).

Descriptions of the amended rule and proposed new, revised, and revoked forms are provided below.

Amended rule 3.1160

Current rule 3.1160 contains provisions related to procedures to request and respond to requests for protective orders in different situations, including for civil harassment, workplace violence, school violence, and elder abuse. Subdivision (c) of current rule 3.1160 requires that the “request for a protective order, notice of hearing, and any temporary restraining order [] be personally served on the respondent at least five days before the hearing.” The passage of AB 1143 means

¹ All statutory citations are to the Code of Civil Procedure unless otherwise stated.

² See Judicial Council of Cal., Advisory Com. Rep., *Protective Orders: Alternative Service in Domestic Violence Prevention Act Cases* (Sept. 3, 2019); Judicial Council of Cal., Advisory Com. Rep., *Protective Orders: Revisions to Continuance Forms* (Sept. 6, 2019).

that on January 1, 2022, the requirements in subdivision (c) will conflict with the statutory provisions governing civil harassment restraining orders.

Accordingly, this proposal amends subdivision (c) by splitting it into two paragraphs. Proposed amended paragraph (1) remains the same except the existing language will be preceded by “Except as provided in (2).” Proposed new paragraph (2) summarizes the amended provisions of section 527.6(m) by stating that the “court may specify another method of service for a request for a civil harassment protective order” if the court makes the required determinations. Expanding the description of the service requirements in rule 3.1160 to include AB 1143’s amendments preserves the council’s previous determination to include protective order service requirements in rule 3.1160 and will help litigants and attorneys follow the required procedures.

Civil harassment forms

Revised Order on Request to Continue Hearing (form CH-116)

Form CH-116 is used by the courts to continue hearings for civil harassment restraining orders. In item 6 of the current form, the court may require the requesting party to serve a copy of completed form CH-116 (the order to continue hearing) to the party to be restrained. Due to the legislative changes in AB 1143, an order to continue the hearing may now include an order for the petitioner to serve the respondent through alternative means. Accordingly, item 6 on proposed revised form CH-116 includes an option for the court to provide that “The court gives you permission to serve the restrained party as listed on the attached form CH-117.”

New Order Granting Alternative Service (form CH-117)

This proposal contains a new form for courts to allow service of preliminary civil harassment restraining order papers by an alternative method, as authorized by the new law. Amended section 527.6(m) specifies that the required findings to support alternative service must be made “at the hearing.” Therefore, an order for alternative service will be issued with an order setting a new hearing date. Accordingly, the top of proposed form CH-117 requires that the court identify the order to which form CH-117 is attached.

Items 1(a) and 1(b) provide the deadline to serve the respondent and specify the papers that must be served. In item 1(c) the court specifies the alternative method of service that the petitioner must use to serve the respondent. The court may check “substituted service” for either the respondent’s home or workplace (both of which are methods of service provided in section 415.20) or “publish in a newspaper” (which is a method of service provided in section 415.50). Alternatively, the court can order another method of alternative service by checking “other” and writing in the method. Item 1(d) allows the court to specify how the petition shall provide proof of service, which the court is expressly authorized to do in amended section 527.6(m). Finally, item 2 lists the requisite findings that the court must have made to support the order under section 527.6(m).

Revised What is “Proof of Personal Service”? (form CH-200-INFO)

To comply with AB 1143, the information sheet, *What is “Proof of Personal Service”?*, needs to be revised to include alternative service as an option. Proposed form CH-200-INFO contains information about alternative service at the end of the form under a new item titled, “What if the other party is avoiding (evading) service or cannot be located?” The new item explains the circumstances where the petitioner may be allowed to use an alternative method of service and how to request it. The proposed form also contains numerous modifications to improve usability modeled after recent changes to form DV-200-INFO, including presenting the information in the form in columns, removing graphics, using plain language, reorganizing content into the steps a petitioner must take to accomplish service, and incorporating information about possible safety issues.

New What if the Person I Want Protection from Is Avoiding (Evading) Service or Cannot Be Located? (form CH-205-INFO)

Proposed new information sheet *What if the Person I Want Protection from Is Avoiding (Evading) Service or Cannot Be Located?* (form CH-205-INFO) provides a petitioner who is having trouble personally serving the respondent with the following information:

- Why serving the respondent is important;
- The type of service required for a restraining order issued after a hearing;
- What to do if the respondent cannot be served, including the requisite showing that must be made for a court to order alternative service;
- Specific explanations of how to perform substituted service and service by publication;
- Why electronic service is likely not appropriate; and
- Where to find legal help.

New Summons (Civil Harassment Restraining Order) (form CH-210)

One possible alternative method of service that the court may order is publication of the petitioner’s court papers. Such court papers typically include a six-page petition, a three-page notice of hearing, and a six-page temporary restraining order. In light of the burden that would be placed on the petitioner (who will be charged to publish based on the length of the text), a brief “summons,” which the court could order the petitioner to publish in lieu of other court papers, has also been included in this proposal. The summons is in both English and Spanish and is limited to two pages, but contains all the following important information for the respondent:

- The name of the person requesting the restraining order (the petitioner);
- Information on what may happen if the respondent does not go to the hearing;
- Where to obtain the restraining order petition;
- Where to get help; and
- Where and when to appear for the court hearing.

Revised Proof of Service by Mail (form CH-250) and related forms

Current form CH-250 is a proof of service by mail and is limited to use by respondents to demonstrate that they appropriately served their response to a request for a civil harassment

restraining order. Existing law provides that if the terms of a restraining order are identical to the terms of a temporary restraining order (except the duration) and the respondent was personally served with notice of hearing on the restraining order, then the restraining order can be served on the respondent via first class mail. (§ 527.6(q)(2).) Current form CH-260 is used to prove service by mail of the later restraining order. Now with the passage of AB 1143, the petition, temporary restraining order, and notice of hearing are additional items that may be appropriately served by mail if the court so orders. Accordingly, this proposal modifies form CH-250 so that it can be used as a proof of service by mail for any civil harassment form that may be served that way. Specifically, the modifications are:

- Changing the title of the form CH-250 to eliminate “of Response”;³
- Adding a check box in front of item 4(a) (service of form CH-120);
- Adding form CH-130 as a check box in item 4(b); and
- Eliminating certain superfluous information from item 3.⁴

Given these proposed revisions, form CH-260 becomes unnecessary. Thus, this proposal includes the revocation of that form.

The final revision included in this proposal is adding “CH-250, *Proof of Service by Mail* (blank form)” to the list of forms that may be identified as having been served in item 4 of form CH-200, *Proof of Personal Service*. Item 6 in the current *Notice of Court Hearing* (form CH-109) instructs the petitioner to serve a blank form CH-250 on the respondent, among other documents, and suggests using form CH-200 to prove personal service was performed. However, the current form CH-200 does not allow the petitioner to check form CH-250 as a form that was served; this revision will address that.

Alternatives Considered

Because AB 1143 will go into effect January 1, 2022, and enacts changes to law that are not currently reflected in rule 3.1160 and several forms, the committee determined that taking no action would be inappropriate, because such a course would result in forms and rules not in compliance with law.

As an alternative to the rule amendment in this proposal, the committee considered deleting subdivision (c) of rule 3.1160 without providing anything further, to make rule 3.1160 consistent with section 527.6(m). The committee ultimately decided, however, that including and updating the service requirements in rule 3.1160 is preferable. Inclusion of those requirements adheres to the council’s previous determination that restating the statutory requirements in the rule would

³ Modifying the name of form CH-250 requires minor technical changes to forms that mention CH-250. Any final recommendation to the council will include revising each instance of “form CH-250, *Proof of Service of Response by Mail*” to “form CH-250, *Proof of Service by Mail*” in any Civil Harassment forms that include that phrase.

⁴ Current item 3 states that the server must live or be employed in the county where the mailing took place; however, the law on who may serve papers does not contain such a limitation. (§ 414.10 “A summons may be served by any person who is at least 18 years of age and not a party to the action.”) Additionally, current item 3 also instructs the server to complete and sign the form and give it to the person in item 2, which is unnecessary.

be beneficial, and will likely help litigants and attorneys be aware of and comply with those requirements.

With regard to the types of alternative service listed on form CH-117 and explained on form CH-205-INFO, the committee considered two other possibilities.

- First, the committee considered including posting papers at the courthouse as an alternative method of service on the forms. However, because posting papers is not explicitly authorized by the Code of Civil Procedure, the committee concluded that it would not be appropriate to include.
- Second, the committee considered *not* including publication as an alternative method of service on either form. While publication is explicitly authorized by section 415.50, it may not comply with the amended requirements of section 527.6(m) that the alternative service allowed must be “reasonably calculated to give actual notice to the respondent.” However, given that the Code of Civil Procedure expressly provides for service in such a manner, the committee decided to include it as a suggested alternative. Moreover, inclusion of service by publication on the forms does not prevent the court from ordering a method of alternative service that is more likely to give actual notice in a particular case.

Fiscal and Operational Impacts

Most of the impacts arising from this new law—including education of judicial officers, staff, and justice partners as to the new provisions—are a result of the statute, not the forms proposal. The committee anticipates that this proposal will result in some costs incurred by courts to incorporate new forms into their paper or electronic processes and to train court staff. However, all the new and revised forms are intended to assist courts in dealing with the impact of the legislation by making it easier for clerks and judicial officers to process requests for alternative service. Additionally, the new and revised information sheets in the proposal may result in cost savings by providing self-help centers and court staff with tools to assist self-represented litigants.

Request for Specific Comments

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:

- Does the proposal appropriately address the stated purpose?

The advisory committee also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so, please quantify.
- What would the implementation requirements be for courts—for example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems?
- Would 3 months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?

What is "service"?

Service is the act of giving your court papers to the other party in your case. There are different ways to serve the other party: in person, by mail, and others.

Why do my court papers need to be served?

Before a judge can grant a civil harassment restraining order (that can last up to five years), the person you want a restraining order against must know about your request and have a chance to go to court to explain their side.

Also, if a restraining order is in place, the police cannot arrest the restrained person for violating the restraining order until the restrained person is served with the order.

What is "personal service"?

Personal service is when someone, known as a server, personally delivers your court papers to the other party.

In most cases, these forms must be served to the other party by personal service:

- ▶ [Form CH-109](#);
- ▶ [Form CH-100](#);
- ▶ [Form CH-110](#);
- ▶ [Form CH-120](#) (leave this form blank);
- ▶ [Form CH-120-INFO](#); and
- ▶ [Form CH-250](#) (leave this form blank).

Who can serve my court papers?

Any adult who is not protected by the restraining order can serve your court papers. **You cannot serve your own court papers.**

Some situations may be dangerous. Think about people's safety when deciding who you want to serve your papers.

A sheriff or marshal will serve your court papers for free if:

- The court granted you a fee waiver; or
- The restraining order is based on stalking, violence, or a credible threat of violence.

A registered process server is a business you pay to deliver papers. To hire a process server, look for "process server" on the internet or in the yellow pages.

How do I have my court papers served?

○ Step 1: Choose a server

The person who gives your court papers to the other party is called a server. Your server must be at least 18-years-old. They must not be protected by the restraining order or involved in your case. This means that you cannot serve your own court papers.

○ Step 2: Have your server give your court papers to the other party

Give your server these instructions:

- 1 Before you serve the forms, note which forms you have, including the name of the form and the form number. See [form CH-200](#) for a list of forms.
- 2 Find the person you need to serve. Make sure you are serving the right person by asking the person's name.
- 3 Give the person the papers. If the person refuses to take the papers, put them on the ground or somewhere next to the person. The person doesn't have to touch or sign for the papers. It is okay if they tear them up.
- 4 Fill out [form CH-200](#) completely and sign.
- 5 File [form CH-200](#) with the court or give [form CH-200](#) to the person who is asking for the restraining order so they can file it.

○ Step 3: File proof with the court

The court needs proof that service happened and that it was done correctly. If your server was successful, have your server fully complete and sign [form CH-200](#). **The person you want restrained does not sign anything.**

File [form CH-200](#) with the court in your case as soon as possible. This information will automatically go into a restraining order database that police have access to.

If the sheriff or marshal served your court papers, they may use another form for proof besides [form CH-200](#). Make sure a copy is filed with the court and that you get a copy.

When is the deadline to serve my court papers?

It depends. To know the exact date, you need to look at two items on [form CH-109](#). Follow these steps:

- **Step 1: Look at the court date listed under ③ on page 1.**

- **Step 2: Look at the number of days written in ⑥ on page 2.**

- **Step 3: Look at a calendar.** Subtract the number of days in ⑥ from the court date. That's the deadline to have your court papers served. It's okay to serve your court papers before the deadline.

If nothing is written in ⑥, you must have your court papers served at least five days before your court date.

What happens if I can't get my court papers served before the court date?

You will need to ask the court to reschedule (continue) your court date. Fill out and file [form CH-115](#) and [form CH-116](#). These forms ask the judge for a new court date and to make any temporary orders last until the end of the new court date.

If the judge gives you a new court date, the person you want restrained will have to be served with [form CH-115](#), [form CH-116](#), and the original papers you filed. You should keep a copy of [form CH-115](#), [form CH-116](#), and a copy of your original paperwork. That way, the police will know your orders are still in effect.

For more information on asking for a new court date, read form [CH-115-INFO](#).

What if the other party is avoiding (evading) service or cannot be located?

If you've tried many times to serve the the restrained person, and you can show the judge that the restrained person is avoiding (evading) service or cannot be located, you may ask the court to allow you to serve another way. If you want to make this request, at your first court date tell the judge details about your attempts to have the restrained person served. The judge may require a written statement for this.

Read form [CH-205-INFO](#), *What if the Person I Want Protection from Is Avoiding (Evading) Service or Cannot Be Located?*, for more information.

CH-205-INFO**What if the Person I Want Protection from Is Avoiding (Evading) Service or Cannot Be Located?****Why do I have to serve the restrained person?**

Before a judge can grant a civil harassment restraining order (that can last up to five years), the person you want a restraining order against must know about your request and have a chance to go to court to explain their side. In most cases, the judge will require that you have someone personally deliver the papers to the person you want restrained. This is called personal service. See [form CH-200-INFO](#) for more information.

What if I already have a civil harassment restraining order?

If a judge granted you a civil harassment restraining order on [form CH-130](#), alternative service is not an option for you. Follow the orders for service on [form CH-130](#). It is important to follow the orders for service because this is how the restrained person will find out about the restraining orders. Once you file proof that the restrained person was served, law enforcement and the court will have proof that the restrained person knows about the orders. If you have questions about what the judge ordered in your case, see page 2 for where to get legal help.

What if I can't personally serve the restrained person?

When you cannot personally serve the restrained person with a copy of form CH-100 and related papers, a judge may allow you to give, or serve, the restraining order papers another way. This is called alternative service. The judge could order you to have your server give the restrained person your court papers in more than one way.

If you want to request alternative service, at your court date tell the judge details about your attempts to have the restrained person served. To qualify for alternative service, you must show the judge at least two things.

1 You have tried many times (usually 3 or more times) to have someone personally serve the restrained person.

Some examples of ways you can try to have the restrained person personally served:

- ▶ Serve the restrained person at home, their workplace, or somewhere they go a lot.
- ▶ Search online for where they may be located.
- ▶ Check with their family and friends.

Make sure any attempts to find the restrained person are done safely.

If you have an address for the restrained person, you can ask the sheriff or marshal to serve your papers, which they will do for free if:

- The court granted you a fee waiver; or
- The restraining order is based on stalking, violence, or a credible threat of violence

2 You believe the restrained person is avoiding (evading) personal service or cannot be located.

Be ready to explain why you think the restrained person is avoiding service or cannot be located. If you have people who will help you prove this to a judge, bring them to your court hearing or have them write a statement that describes what they witnessed. [Form MC-030](#) may be used for this purpose.

Alternative service may involve other people having access to your court papers.

This will mean they can see your name, the fact that you want a restraining order against the other party, and possibly your statements regarding the abuse. You may want to talk to an advocate about your safety and privacy concerns before you consider this request.

What is substituted service?

The judge may order you to perform substituted service at the restrained person's home or workplace, or, if no physical address is known, the restrained person's usual mailing address (other than a post office box; a private mailbox with a commercial business may be okay). Substituted service requires your server to follow these steps:

1. Give the papers to someone 18 years or older who lives at the restrained person's home or usual mailing address (that is not a P.O. box), or who appears to be in charge at the restrained person's workplace. If the only address reasonably known for the restrained person is a private mailbox with a commercial mail receiving agency, give the papers to someone 18 years or older who appears to be in charge.
2. Get the name of the adult who got the papers, and tell the adult that the papers are for a request for a restraining order against the restrained person.
3. Mail the papers to the restrained person's home, workplace, or usual mailing address. (This step is not required if the papers were given to a person in charge of the commercial mail receiving agency where the restrained person has a private mailbox.)
4. Follow the instructions for completing and filing a proof of service as ordered in item 1(d) on [form CH-117](#).

What is service by publication?

The judge may also order you to serve the restrained person by publication. This means that you would have to pay a newspaper to publish a copy of whatever papers the judge orders you to have published at least once a week, for at least four weeks in a row. The judge would approve a newspaper that would have the best chances of the restrained person seeing it. Follow the orders made by the judge, which will usually be found on [form CH-117](#).

After the newspaper publishes your court papers, make sure you get a signed statement from the newspaper that includes a copy of what was published in the newspaper and when it was published. This statement is usually called "Proof of Publication." After you receive this statement, file it with the court in your case.

May I serve by email or electronically?

To serve someone electronically, like by email or text message, the person you are serving has to agree to being served electronically or the judge has to order electronic service. If the person is avoiding service, it is unlikely that they will agree to being served electronically. If the judge orders you to serve the restrained person electronically, follow all the instructions of the judge, which will usually be found on [form CH-117](#), including any orders to also provide additional forms of service, such as substituted service or publication.

Where can I find legal help?

Free legal information is available in every county at a court self-help center. Staff can provide you with your legal options but will not tell you what you should do in your case and will not provide you with legal representation. To find your local self-help center, go to www.courts.ca.gov/selfhelp.

Proposed by	Contact
Civil and Small Claims Advisory Committee Hon. Tamara Wood, Chair	James Barolo, 415-865-8928 james.barolo@jud.ca.gov

Executive Summary and Origin

The Civil and Small Claims Advisory Committee recommends revising *Application and Order for Appearance and Examination* (form AT-138/EJ-125) to implement statutory changes in Assembly Bill 1580 (Stats. 2021, ch. 30). The statutory amendment requires additional information for organizations on orders to appear for examination. The proposal incorporates the new required statements on the council's existing form.

Background

Various sections of the Code of Civil Procedure¹ specify language that must be included in orders to appear for examination, including certain information that is required on any order to appear for examination that is directed to a corporation, partnership, association, trust, limited liability company, or other organization (hereinafter "organization"). (§ 708.150.) Prior to the enactment of Assembly Bill 1580 (Stats. 2021, ch. 30), that section only required such a notice to inform the organization that it must designate a person familiar with the organization's property to appear. This notice is included on current form AT-138/EJ-125.

AB 1580, which will go into effect January 1, 2022, amended section 708.150 to expand the information that must be provided in an order for an organization to appear for an examination. The new required notice explains that if the organization fails to designate a person to appear, then the order will be deemed to have been made for a specific person to appear. The required

information sets out who that specific person will be based on the type of organization. (New § 708.150(c)(2).)

The Proposal

This proposal recommends revising *Application and Order for Appearance and Examination* (form AT-138/EJ-125) effective September 1, 2022. The change is needed to conform to the provisions of AB 1580.

Current form AT-138/EJ-125 is two pages. The first page of the form contains the application and order to appear for examination. The second page contains the statutorily required notices under sections 491.110, 708.110, 708.120, and 708.150. This proposal expands the last notice on the form as amended by section 708.150 and makes other minor modifications to the form. Specifically:

- The notice to organizations ordered to appear for examination now includes new statutory language from amended section 708.150 advising the organization of duties and consequences for failing to exercise those duties.
- Given that amended section 708.150 contains different provisions for different types of organizations, for clarity the notice now uses the third person point of view instead of the second person point of view.
- “Limited Liability Company” is included in the heading for the notice to organizations correcting an inadvertent omission on the current form.

Finally, due to the length of additional information that must be provided to organizations, the form is now on three pages and the references to “reverse” on page one of the form are replaced with “pages 2 and 3.”

Alternatives Considered

Because AB 1580 expressly requires additional information on orders to appear for examination that is not on the council’s current order form, the committee determined it must act and that taking no action would be inappropriate.

In addition to this proposal, the committee considered separating the required notice for organizations into its own form that could be attached to form AT-138/EJ-125 if the order to appear for examination was directed to an organization. However, the committee concluded that requiring a separate attachment in certain instances would needlessly complicate the process for seeking an order to appear for examination.

The committee also considered consolidating other notices on the form. For example, the notice required for the appearance of a judgment debtor to enforce a judgment is identical to the notice required for the appearance of a third party in an action where the plaintiff has a right to attach

order. The committee declined to consolidate the other notices for two reasons. First, using a single notice for differently situated individuals in different types of actions might be confusing. Second, the new information required to be provided to organizations is sufficiently lengthy that even consolidating other notices would not prevent the form from going onto a third page.

Fiscal and Operational Impacts

The committee anticipates that this proposal will result in costs incurred by courts to incorporate new forms into their paper or electronic processes and to train court staff. However, given that the proposal only makes minor informational modifications to an existing form, any such costs or impacts are likely to be minor.

Request for Specific Comments

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:

- Does the proposal appropriately address the stated purpose?

The advisory committee [or other proponent] also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so, please quantify.
- What would the implementation requirements be for courts—for example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems?
- Would 3 months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?

Executive Summary and Origin

The Family and Juvenile Law Advisory Committee proposes amending one rule and revising four forms relating to child custody evaluations and reports. The proposed revisions are needed to clarify the differences in the statutory requirements for child custody evaluations that are conducted under Family Code section 3111 and Family Code section 3118.¹ The committee proposes other technical changes to make the language in the rule and forms consistent with each other.

Background

Effective January 1, 2021, the Judicial Council adopted *Confidential Child Custody Evaluation Report* (form FL-329) to serve as the standardized template for all information necessary to provide a full and complete analysis of a child custody evaluation involving serious allegations of child sexual abuse or child abuse under section 3118.² The Judicial Council also amended rule 5.220 of the California Rules of Court to differentiate between the requirements for child custody evaluations conducted under section 3111 and those under section 3118.

¹ All further statutory references are to the Family Code.

² The report is found at: <https://jcc.legistar.com/View.ashx?M=F&ID=8771124&GUID=146EBAE9-AD1F-4DD3-ACC0-CA59E7F6E939>.

Following the Judicial Council’s adoption of form FL-329, and after further review of section 3111 and rule 5.220, the committee circulated proposed changes to *Notice Regarding Confidentiality of Child Custody Evaluation Report* (form FL-328) in the spring 2021 invitation to comment cycle³ to reflect the amendments to rule 5.220 by requiring the cover sheet to be attached to child custody evaluations reports conducted under section 3111⁴ as well as those conducted under section 3118.⁵

Specifically, the prior invitation to comment sought to revise form FL-328 to:

- List the persons or agencies that are permitted to access child custody evaluation reports involving serious allegations of child sexual abuse or child abuse under section 3118.
- State that an unwarranted disclosure of the section 3118 report—like reports conducted under section 3111—could subject the person who made an unwarranted disclosure to fines and penalties.
- Include a file-stamp box on the form to help courts process the child custody evaluation report and focus attention on the confidentiality of the report attached to the cover sheet. (The committee also sought specific comment about whether a file-stamp box would help improve existing court procedures for filing the reports compared to the current version of form FL-328, which does not include one.)

Following the comment period for the proposal, the committee concluded against recommending the changes in the first two bullet points regarding access and disclosure under section 3118. Ultimately, the committee determined that the proposed changes could be inconsistent with section 3118, and that other options should be considered instead of relying on one form to serve as a notice for two completely different child custody evaluation reports.

While section 3111 provides that *all* child custody evaluation reports are confidential and includes language prohibiting an unwarranted disclosure of the report, section 3118 does not specifically include any language about unwarranted disclosures. Further, the two statutes were written very differently with respect to those persons or agencies that are authorized to access the child custody evaluator’s report and recommendations.

For example, section 3111(b) provides:

The report shall not be made available other than as provided in subdivision (a)⁶ or Section 3025.5, or as described in Section 204 of the Welfare and Institutions

³ This invitation to comment is found at: <https://www.courts.ca.gov/documents/spr21-09.pdf>.

⁴ Section 3111 is found at: https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=3111&lawCode=FAM.

⁵ Section 3118 is found at: https://leginfo.legislature.ca.gov/faces/codes_displaySection.xhtml?sectionNum=3118&lawCode=FAM.

⁶ Section 3111(a) provides, in pertinent part, that the child custody evaluation “shall be filed with the clerk of the court in which the custody hearing will be conducted and served on the parties or their attorneys, and any other counsel appointed for the child pursuant to Section 3150.”

Code or Section 1514.5 of the Probate Code. Any information obtained from access to a juvenile court case file, as defined in subdivision (e) of Section 827 of the Welfare and Institutions Code, is confidential and shall only be disseminated as provided by paragraph (4) of subdivision (a) of Section 827 of the Welfare and Institutions Code.

In contrast, section 3118(b)(6) specifies that “this report may not be made available other than as provided by this subdivision.” However, it does not include as clear and extensive a list of those persons and agencies who may access the report as section 3111. The only guidance in this regard is provided in the following language:

The evaluator or investigator shall...[f]ile a confidential written report with the clerk of the court in which the custody hearing will be conducted and which shall be served on the parties or their attorneys at least 10 days prior to the hearing. On and after January 1, 2021, this report shall be made on the form adopted pursuant to subdivision (i). This report may not be made available other than as provided in this subdivision. (§ 3118(b)(6).)

It is clear from the above language that the clerk of the court, the parties, and the parties’ attorneys can access the report. Section 3118, however, fails to incorporate the provisions of Family Code section 3150,⁷ which authorize the child’s attorney access to child custody evaluation reports by requiring compliance with rule 5.242(i)(13)⁸ of the California Rules of Court.

As circulated for comment, the proposed changes to form FL-328 would have expanded the list of persons eligible to access the report under section 3118 to include attorneys appointed to represent the child under Family Code section 3150, family court judicial officers, and family court employees. Those who commented on the proposal also requested changes to the list. However, the committee determined that the proposed changes could conflict with the statute. Given the specificity of the legislative language, the committee concluded that the proposed changes should best be addressed by statute.

Therefore, following public comment and further discussion with the committee and staff, the committee deferred the spring proposal to the winter cycle with directions to propose changes to rule 5.220 and the other forms in this proposal to correctly reflect the language in sections 3111 and 3118. This would include (1) changing the titles to forms FL-328 and FL-329 to highlight that form FL-328 is required for section 3111 child custody evaluations, and form FL-329 is to be used only in section 3118 child custody evaluations; (2) amending rule 5.220 and revising forms FL-327, FL-327(A), FL-328, and form FL-329 to reflect the revised forms titles, and deleting provisions that require form FL-328 to be used as the confidential cover sheet for child

custody evaluation reports involving serious allegations of child sexual abuse or child abuse under section 3118; and (3) other changes to the above forms as described in the following section.

The Proposal

Rule 5.220. Court-ordered child custody evaluations

The committee proposes amendments to rule 5.220(g) to reflect changes in the titles of forms FL-328 and FL-329 and strike the requirement to attach form FL-328 to reports under Family Code section 3118. Specifically:

- Section (g)(1)(B) would be revised to provide that the evaluator who was appointed to conduct a child custody evaluation under Family Code section 3111 must attach *Notice Regarding Confidentiality of Child Custody Evaluation Report Under Family Code Section 3111* (form FL-328) as the cover page of the report;
- Section (g)(2)(C), which requires form FL-328 to be attached as the cover page of the report completed under section 3118, would be completely stricken from the rule; and
- Section (g)(2) would be revised to reflect the proposed revised title of form FL-329 (*Confidential Child Custody Evaluation Report Under Family Code section 3118*).

These proposed changes would make the rule consistent with the proposed changes to the titles of the forms, as well as the proposed new procedures for filing reports under sections 3111 and 3118.

Order Appointing Child Custody Evaluator (form FL-327)

Item 6 would be revised to reflect the proposed revised title of form FL-329. The title of item 7 would be revised to “Required Notice for Family Code section 3111 Evaluations” and the contents simplified to specify that form FL-328 must be attached as the cover page for child custody evaluations under section 3111. These changes will help to distinguish the requirements for evaluations completed under sections 3111 and 3118.

Attachment to Order Appointing Child Custody Evaluator (form FL-327(A))

This form would be revised in item 3a to reflect the proposed revised title of form FL-329.

Notice Regarding Confidentiality of Child Custody Evaluation (form FL-328)

The committee considered not making changes to the form because it currently does not reference child custody evaluations involving serious allegations of child sexual abuse. However, in light of the public comments received in the previous spring cycle about other proposed changes to the form, and a change that is mandated by statute (as noted below), the committee decided to circulate the form to:

- Include a file-stamp box on the form to help courts process the child custody evaluation with the required cover sheet attached as the first page;
- Make the form gender neutral by replacing the reference to “his or her evaluation” in the first sentence of the form with “the evaluation”;

- Make overall design and content changes as noted below; and
- Change the title to *Notice Regarding Confidentiality of Child Custody Evaluation Under Family Code section 3111*.

Mandated changes

The committee proposes that the form reflect statutory changes regarding access to child custody evaluation reports. Effective January 1, 2015, Assembly Bill 1843 (Stats. 2014, ch. 283) amended Family Code section 3025.5.⁹ In pertinent part, it added subsection (b) to Family Code section 3025.5 to authorize the disclosure of confidential information in the child custody evaluator’s report (completed under Fam. Code, § 3111) to the licensing entity of a child custody evaluator. The amendments also detail the manner in which the licensing entity is authorized to use the confidential information disclosed to it.¹⁰ The form would reflect this change by adding “the agency responsible for licensing and disciplining the child custody evaluator” to the list of those who may access the report by law.

Design and organization changes

The committee proposes other changes regarding the form’s design and organization to improve readability and comprehension. The proposed changes include using a plain-language form layout for the notice, shortening and revising the language in some sections to allow room for a file-stamp box, and expanding language in other sections to better explain legal terms.

For example, the committee proposes deleting, in the first entry on the form, the phrase, “If directed by the court,” from the sentence, “If directed by the court, the child custody evaluator must file a written, confidential report of the evaluation.” The phrase is not needed in cases in which form FL-328 is used because the court has already directed that the evaluator file a written report of the evaluation.

In addition, the entries for “Monetary Sanctions” and “Attorney’s Fees and Costs” would be moved under the heading “Potential Consequences for the Unwarranted Disclosure of the Report” to avoid redundancy.

⁹ Assem. Bill 1843: https://leginfo.legislature.ca.gov/faces/billTextClient.xhtml?bill_id=201320140AB1843.

¹⁰ Section 3025.5(b) provides: “Confidential information contained in a report prepared pursuant to Section 3111 that is disclosed to the licensing entity of a child custody evaluator pursuant to subdivision (a) shall remain confidential and shall only be used for purposes of investigating allegations of unprofessional conduct by the child custody evaluator, or in a criminal, civil, or administrative proceeding involving the child custody evaluator. All confidential information, including, but not limited to, the identity of any minors, shall retain their confidential nature in a criminal, civil, or administrative proceeding resulting from the investigation of unprofessional conduct and shall be sealed at the conclusion of the proceeding and shall not subsequently be released. Names that are confidential shall be listed in attachments separate from the general pleadings. If the confidential information does not result in a criminal, civil, or administrative proceeding, it shall be sealed after the licensing entity decides that no further action will be taken in the matter of suspected licensing violations.”

Further, prompted by the recommendations of the Elkins Family Law Task Force to “assess the usability or readability of family law forms...”,¹¹ the committee proposes to revise the language in the section titled “Unwarranted Disclosure of the Report” to better explain the definition of “unwarranted disclosure” and other terms such as “recklessly or maliciously,” and further directs the form user to read the section below to understand who can receive the report. The committee proposes that the section be revised as follows:

You must not make an “unwarranted disclosure” of the child custody evaluation report. [¶] A disclosure of a child custody evaluation report is unwarranted if it is done either recklessly or maliciously and is not in the best interest of the child. This means that you must not misuse or intentionally give the confidential report to someone who is not allowed to have it. The only people who are allowed to access each type of report are listed below.

The committee also considered changing the description of the Attorney Fees and Costs section by revising the current language in the first paragraph to align with the language of Family Code section 3111(d).¹² The code section allows the court to penalize or refrain from penalizing the person found to have made an unwarranted disclosure of the child custody evaluation report.

As to this area of form FL-328, the committee seeks specific comment on whether the language should be revised to include or exclude language in section 3111(d) as follows:

- The proposed language to continue to *include* the reference to section 3111(d) would appear as follows: “The sanction may also include reasonable attorney’s fees, costs incurred, or both, unless the court finds that the person who disclosed the report was justified in doing so or that ordering the person to pay fees and costs would cause an unreasonable financial burden.”
- Whereas, the proposal to exclude references to section 3111(d) would shorten this section of the form to: “The sanction may also include reasonable attorney’s fees, costs incurred, or both.”

The issue raised in the committee is whether including language on the form from section 3111(d) would undermine the confidential nature of the report by causing a recipient of the evaluation report to believe that they can freely disclose the report as long as they felt justified in doing so. It could also make them believe that the court would not penalize them for an unwarranted disclosure, especially if they would not have the ability to pay fees and costs under the statute anyway. This issue is balanced against the goal of the form itself, which is to provide general information to the parties and the court about the requirements and general content of section 3111.

¹¹ Recommendation V.A.1(f) on page 91 of the *Elkins Family Law Task Force Final Report and Recommendations* is found at <http://www.courts.ca.gov/documents/elkins-finalreport.pdf>.

¹² Section 3111(d) provides, in pertinent part, that “[t]he court shall not impose a sanction pursuant to this subdivision that imposes an unreasonable financial burden on the party against whom the sanction is imposed.”

As relates to the overall proposed revisions to form FL-328, they are intended to make the form more user-friendly and easier for self-represented litigants to understand. They reflect the plain-language principles used in Judicial Council domestic violence forms, such as simplifying language, explaining legal concepts, eliminating unnecessary repetition, providing more white space on each page, minimizing the use of italicized font, using rounded boxes for instructions, and reorganizing content.

Confidential Child Custody Evaluation Report (form FL-329)

The committee proposes changing the title of the form to *Confidential Child Custody Evaluation Report Under Family Code section 3118*. In addition, the committee proposes adding a new first page to this form to serve as a built-in cover sheet for the mandated report template.

The new first page would include a notice about the confidentiality of the report, as well as specific language from section 3118 about service requirements and access to the report. Making these changes to the first page, instead of listing them as part of the form FL-328 coversheet (and requiring form FL-328 to be attached to form FL-329), would streamline the process for filing the report and better ensure that the access provisions for section 3118 reports are not confused with those for reports under section 3111. Finally, in light of the above proposed changes, the current notice box would be deleted in its entirety to avoid redundancy.

Alternatives Considered

The committee considered proposing changes only to rule 5.220 and form FL-328; however, on further review, the committee determined that changes to the other forms are needed to complete the proposal. The committee also considered proposing revisions to *Child Custody Information Sheet* (form FL-329-INFO)¹³ to distinguish between child custody evaluations completed under section 3111 and those completed under 3118. However, the committee determined that no changes are needed to the form based on the changes proposed to the rule and other forms in the present cycle. This is because form FL-329-INFO is written in a very general manner, includes no references to forms, and already includes a description on the second page that the evaluator may be appointed to investigate and make recommendations about safety issues, including the protection needs of the child in cases involving allegations of domestic violence and child sexual abuse.

Fiscal and Operational Impacts

The impact to the courts includes costs to copy the new and revised forms, as well as the cost to educate court-connected child custody evaluators about the changes to the rule and forms in the proposal. Courts may also need to update their case management systems and create new docket codes due to the new file-stamp area on form FL-328, which must remain attached to the child custody evaluator's report under Family Code section 3111.

Request for Specific Comments

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:

- Does the proposal appropriately address the stated purpose?
- Regarding form FL-328, should the paragraph about “Attorney’s Fees & Costs” on form FL-328 be changed as provided below to (a) *exclude* or (b) *include* language from Family Code section 3111(d) that authorizes the court to *not* penalize a party who made an unwarranted disclosure of a child custody evaluation report in certain situations. (*Please explain your choice*):
 - (a) The sanction may also include reasonable attorney’s fees, costs incurred, or both.
 - (b) The sanction may also include reasonable attorney’s fees, costs incurred, or both, unless the court finds that the person who disclosed the report was justified in doing so or that ordering the person to pay fees and costs would cause an unreasonable financial burden.
- Regarding form FL-329, should it be revised so that the first page includes a notice about confidentiality, the service requirements of the report, and the limitations on access to the report, instead of requiring the evaluator to attach a separate coversheet to the report similar to form FL-328?

The advisory committee also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so, please quantify.
- What would the implementation requirements be for courts? For example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems.
- Would 3 months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?

Executive Summary and Origin

The Family and Juvenile Law Advisory Committee proposes amending two rules and adopting two forms to implement recent statutory changes that authorize placing agencies to petition the court on behalf of nonminor dependents who were ineligible for federal funding as children to terminate the nonminors from juvenile dependency or transitional jurisdiction and immediately reenter them to allow a new federal eligibility determination to be undertaken so that federal matching funds can be accessed to cover the costs of their cases.

Background

In 2021, the Legislature enacted Assembly Bill 640 (Cooley; Stats. 2021, ch. 622) to provide a mechanism for county child welfare and probation agencies to obtain a redetermination of eligibility for federal financial participation in a foster care case for a nonminor dependent. Such a redetermination is beneficial to the state and the agency because of the restrictions on which cases can receive federal matching funds for reimbursement. As the Assembly Floor Analysis for AB 640 explains:

Foster care payments for eligible youth are provided through either state or federal AFDC-FC [Aid for Dependent Children–Foster Care]. In order to be eligible for federal AFDC-FC, the home from which the child was removed must meet Aid for Dependent Children (AFDC) eligibility criteria from 1996 for the month in which a dependency petition is filed with the juvenile court, or in any of the six months prior to the month in

This proposal has not been approved by the Judicial Council and is not intended to represent the views of the council, its Rules Committee, or its Legislation Committee. It is circulated for comment purposes only.

which the petition is filed. In 1996, the income limit for a family of three to qualify for AFDC was \$723. Eligibility for federal AFDC-FC is determined at the time a child is removed from their parent's custody and eligibility is not re-determined once the youth is in foster care. Because many youth are ineligible for federal AFDC-FC, California created state AFDC-FC, which provides funding to foster children who are placed with non-relative foster parents.

Because eligibility for federal AFDC-FC is determined at the time a child is removed from their parents' custody, youth who immediately transition from foster care to EFC do not undergo federal AFDC-FC eligibility re-determination, as there is no disruption in their foster care status that would warrant re-determination. However, current law permits nonminors who are eligible for EFC to undergo re-determination for federal AFDC-FC if they re-enter the dependency system through a voluntary re-entry agreement.

(Assem. Floor Analysis, Sen. Conc. Amends. to Assem. Bill 640 (2021–2022 Reg. Sess.) Sept. 2, 2021, pp. 3–4.)

The legislation adds a new subdivision (f) to Welfare and Institutions Code section 388 to authorize the placing agency to file the request to exit and reenter care via a voluntary reentry agreement with the court on behalf of and with the consent of the nonminor. It provides that there be no break in services and prohibits filing a petition if the nonminor is categorically ineligible for federal funds or if the nonminor is a member of a tribe and filing the request would disrupt services or make the nonminor ineligible for services. The request may be granted by the court without a hearing, and the proceeding is not subject to the requirements for other hearings to terminate juvenile court jurisdiction. AB 640 requires the Judicial Council to adopt any needed rules or forms for implementation by September 1, 2022. Many nonminor dependents whose families were ineligible for federal financial participation when the nonminor entered care are expected to be eligible when they are evaluated as nonminors based on their current income, which will allow the state to draw down additional federal funds for foster care.

The Proposal

Petition and Order to Exit and Reenter Jurisdiction—Nonminor Dependent (form JV-469)

The committee proposes adopting a mandatory form to be used by the placing agency to petition the court to dismiss and then resume jurisdiction over the nonminor. The form would also allow the court to specify if it intends to grant the request without a hearing or set the matter for a hearing. In most cases, it is expected that a hearing will not be required, in which case the court would use the other proposed form to make its findings and orders. The committee is seeking comment on whether combining the petition with the order form is workable or whether they should be stand-alone forms.

Findings and Orders Regarding Exit and Reentry of Jurisdiction—Nonminor Dependent (form JV-471)

The committee proposes an additional mandatory form for the court to make the findings and orders required to dismiss and resume jurisdiction over the nonminor so that the placing agency

may enter into a new agreement and redetermine federal financial eligibility. The form would also allow the court to deny the request if it found that to exit and reenter was not in the nonminor's best interest.

Amendments to rules 5.555 and 5.906 to exclude exit and reentry from procedural requirements

The committee proposes amending rules 5.555 and 5.906, which address procedures to be used when terminating jurisdiction over a nonminor or resuming jurisdiction when they reenter care after exiting in other circumstances, to make clear that neither rule applies to the exit and reentry provisions of section 388(f). Each rule would also provide that those cases should be handled using the two mandatory forms described above.

Alternatives Considered

The committee considered adopting a new rule of court to implement section 388(f) but concluded that the statutory guidance and the forms were sufficient to allow the courts to administer this new process. The committee also considered whether a form was required to document the consent of the nonminor and is seeking comment on whether that is a necessary addition to the proposal.

Fiscal and Operational Impacts

The proposal is designed to minimize the burden on the courts to implement the new legislative option by providing simple and streamlined forms to be filed by the placing agency. Because the legislation allows the court to take this action without holding a hearing, the workload burden is expected to be mostly administrative.

Request for Specific Comments

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:

- Does the proposal appropriately address the stated purpose?
- Is a form that combines the request and initial order on whether a hearing is needed on the request workable?
- Does this mostly administrative process require its own rule of court, or can it be accomplished with the mandatory forms?
- Should the forms be mandatory or optional? If the forms were optional, would a rule of court then be required?
- Is a form needed to document the consent of the nonminor?

The advisory committee also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so, please quantify.
- What would the implementation requirements be for courts—for example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems?
- Would three months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?

California Rules of Court, rules 10.5(h) and 10.13(d) allow the Judicial Council to act on business between meetings, including urgent matters, by circulating order. This memorandum is not a Judicial Council meeting, circulating orders are conducted via electronic communications. Prior public notice of a proposed circulating order is not required.

Executive Summary

The Traffic Advisory Committee recommends revisions to the *Uniform Bail and Penalty Schedules, 2022 Edition: Traffic, Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, Business Licensing (Uniform Bail and Penalty Schedules or UBPS)*, effective January 1, 2022. Vehicle Code section 40310 mandates that the Judicial Council annually adopt a uniform traffic penalty schedule for all nonparking Vehicle Code infractions. Additionally, Penal Code section 1269b and rule 4.102 of the California Rules of Court require all trial courts annually to revise and adopt a countywide schedule of penalties for all felony, misdemeanor, and infraction offenses, except Vehicle Code infractions. Rule 4.102 additionally provides that, when revising and adopting the schedules, counties “give consideration to the (UBPS) approved by the

Judicial Council.” The schedules in the proposed UBPS for infractions and misdemeanors under boating, forestry, fish and game, public utilities, parks and recreation, and business licensing laws are advisory. These schedules are intended to provide guidance and uniformity to the trial courts for their schedules for misdemeanors and infractions.

Many of the recommended changes are based on enacted legislation. In 2021, the Governor’s deadline to sign or veto legislation was October 10, 2021. The Traffic Advisory Committee completed a draft UBPS on November 1, 2021, which circulated for public comment from November 1, 2021, until November 15, 2021. The Traffic Advisory Committee reviewed the comments and completed a final, recommended 2022 UBPS on November 30, 2021. Because the Judicial Council does not have a scheduled meeting in December, and as a result of the Governor’s signing deadline, revisions to the UBPS require approval via circulating order. On December 9, 2021, the Rules Committee reviewed the proposal in this circulating order memorandum under California Rules of Court, rule 10.13(d) and approved its circulation to the council.

Recommendation

The Traffic Advisory Committee recommends the Judicial Council, effective January 1, 2022, adopt revisions to the *Uniform Bail and Penalty Schedules, 2022 Edition: Traffic, Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, Business Licensing*.

The Traffic Advisory Committee recommends that the Judicial Council approve the following changes for the 2022 *Uniform Bail and Penalty Schedules* prepared by the committee.

Relevant Previous Council Action

By circulating order on December 4, 2020, the Judicial Council adopted revised *Uniform Bail and Penalty Schedules* for 2021. A similar set of *Uniform Bail and Penalty Schedules* has been adopted by the council each year for decades.

Analysis/Rationale

Vehicle Code section 40310 requires that the Judicial Council annually adopt, for Vehicle Code infractions, a uniform traffic penalty schedule that conforms to new legislation. The council's adoption of the traffic infraction fixed penalty schedule of the proposed UBPS is mandatory pursuant to Vehicle Code section 40310, and most courts must implement it—although some may exceed it—under Penal Code section 1463.28.

Penal Code section 1269b and rule 4.102 of the California Rules of Court provide that trial courts must annually revise and adopt a countywide schedule of bail and penalties for all felony, misdemeanor, and infraction offenses except Vehicle Code infractions. Rule 4.102 additionally requires that, when revising and adopting the schedules, counties “give consideration to the (UBPS) approved by the Judicial Council.” The sections in the schedules in the proposed UBPS for infractions and misdemeanors under boating, forestry, fish and game, public utilities, parks and recreation, and business licensing laws are advisory. These schedules are intended to provide guidance and uniformity to the trial courts for their schedules for misdemeanors and infractions. The proposed revisions to the UBPS are based on statutory changes enacted in the past year, requests from justice system partners, and technical changes. Throughout the year, justice system partners submit requests for changes to the UBPS, and the Traffic Advisory Committee considers all of the requests during the annual UBPS revision, and recommends changes to the UBPS if appropriate. The substantive changes are summarized below:

- The changes to the Preface were made based on new legislation, except the inclusion of new language related to correctability on page xii, which was made based on committee review of existing language, and the need for clarification.
- For the Traffic Infraction Fixed Penalty Schedule, all sections were added or modified based on new legislation, with the exception of revisions to Vehicle Code section 38305, 38503, and 22406(a) (footnote), which were based on three different justice system partner requests.
- Changes of Vehicle Code misdemeanors in the Traffic Misdemeanor Bail and Penalty Schedule for Vehicle Code sections 11500 and 23109 (footnote) were based on new legislation. Changes to Vehicle Code sections 2800, 2801, and 2803(a)(b) were based on a justice system partner request. The addition of Vehicle Code section 34620 was based on a justice system partner request.
- All additions to the Boating Bail and Penalty Schedule were based on new legislation.

- All changes to the Fish and Game Bail and Penalty Schedule were made based on a justice system partner request, although the addition of Fish and Game Code section 2024 was also based on new legislation.
- For the Public Utilities Bail and Penalty schedule, the footnote for Public Utilities Code section 99170 was changed based on new legislation. Also, several statutes in this schedule were deleted that are no longer valid law.

Policy implications

Vehicle Code sections 16020, 16025, and 16028 are all infraction offenses involving evidence of financial responsibility (having proof of insurance). Two comments were received last year requesting increasing base fine amounts for Vehicle Code sections 16020(a) and 16025(a) respectively to be \$200, consistent with Vehicle Code section 16028(a). In an effort to have consistency between all three statutes that prohibit driving without insurance, as well as to lower the burden of fines and fees on defendants, the version of the UBPS that went out for public comment recommended instead reducing the base fine for a violation of Vehicle Code section 16028(a) from \$200 to \$100, to be consistent with Vehicle Code sections 16020(a) and 16025(a).

Three of the public comments raised concerns with this change. Members noted pursuant to Vehicle Code section 16028(e), if a defendant acquires insurance after a citation, a judicial officer is only then permitted to reduce the amount to the statutory minimum of \$100. Members were concerned that without an incentive of a fine reduction, defendants would be less inclined to actually acquire insurance after a citation. Additionally, members noted defendants who cannot afford the fine may still request an ability-to-pay determination. Several members of the committee still felt the base fine of \$200 (for a total fine of \$900) was too high and wanted a lower amount. Ultimately a majority of members recommended reverting the base fine amount to \$200, the historical level.

Comments

The draft UBPS circulated for public comment from November 1, 2021, until November 15, 2021. The proposal received four comments. Two commenters agreed with the proposal if modified, and two commenters disagreed with the proposal. The committee considered all the comments. The comment chart with the committee's responses is attached.

As stated above, the version of the UBPS that went out for public comment recommended reducing the base fine for a violation of Vehicle Code section 16028(a) from \$200 to \$100. Three of the comments raised concerns with this change. The committee has recommended reverting the base fine back to \$200, making no change to the base fine for Vehicle Code section 16028 for the 2022 UBPS.

The final comment expressed two concerns. The first concern was that a subdivision was inappropriately deleted from the 2022 UBPS. In fact, it was a formatting issue that likely caused confusion about what was actually deleted. The second concern was about the base fine for an

existing Fish and Game Code violation. The committee will consider this request in 2022 as part of the annual revision of the UBPS.

Alternatives considered

No alternatives were considered. Annual revision of the schedules is required by statute and by rule 4.102 of the California Rules of Court. The schedules must be updated to reflect new law to enable courts to collect the proper amounts in fines, penalties, and fees for violations that occur after December 31, 2021.

Fiscal and Operational Impacts

Courts will need to reprogram court case management systems, update reminder notices, and provide training for court staff and judicial officers regarding new fines, penalties, and fees for criminal cases.

1.	Superior Court of Monterey County by Rebecca Hayes Operations Manager	AM	Our court would want clarification regarding the minimum fine amount as proposed for VC16028(a) as outlined in VC16029(a) minimum of \$100 and max of \$200, VC16029(b) min of \$200 and max of \$500 subsequent violations and how this relates to VC16029(e) (insurance after the fact reduction). (See page 36 of proposed changes). Thank you.	The committee appreciates this input. The committee is recommending reverting the base fine amount for a first violation of Vehicle Code section 16028(a) to \$200, the maximum.
2.	Harry Porter Del Mar, California	N	I submitted a comment last year, suggesting that the bail for VC 16025 (no insurance at the scene of an accident) be amended to \$200, which would have been consistent with VC 16028. Instead, you have left VC 16025 untouched and reduced the bail on VC 16028 to \$100!! Do you not realize that by lessening the penalty you are sending a message that it's okay to drive without insurance? Is this what is intended? Or is this because you are worried that some who don't have insurance also can't afford the high fines? If that is the case, you should have doubled the base fines to provide encouragement to purchase insurance! There are many low-cost insurance options (e.g. minimum liability limits only). A low fine for these offenses is just shameful. This is a crime, puts all law-abiding residents at risk and if people can't be financially responsible as required, they shouldn't have their vehicles on the road. More enlightened states require proof of valid insurance when registrations are renewed. And in some, providing false documents - or immediately allowing the insurance to lapse after renewal - is a felony. Maybe you should just eliminate the requirement of insurance all	The committee appreciates this input. The committee is recommending reverting the base fine amount for a first violation of Vehicle Code section 16028(a) to \$200, the maximum.

			together. Do you know what happens in Mexico if you get into an accident without proof of insurance? You go straight to jail. Imaging that: Mexico can be more progressive than California!	
3.	MADD Hector Ayala Ramirez Redding, California	N	<p>Greetings, the recommended reduction of bail on statutes related to auto insurance is misguided. If anything, they should be increased. The purpose behind these statutes has always been to encourage financial responsibility, to wit, the purchase of insurance. As the penalties in this regard are watered own, the likelihood of people acquiring insurance is dramatically reduced. California should really follow the lead of other states, such as New York, where proof of insurance must be provided to renew one's registration. In many states, failure to carry vehicle insurance is a misdemeanor with real jail time. Another thing you should consider is that when the possible penalty is lessened, people are less likely to buy liability coverage. As a result, should they injure someone, the likelihood of recovery by a victim is diminished. Don't kid yourselves by believing that reduced penalties will not lead to more uninsured drivers. It will!</p> <p>As an aside, in Mexico, when involved in an accident with no insurance, the driver is taken immediately to jail. We don't do that in California, but it does illustrate the gravity of the proposed change. If anything, you should raise the penalty for those rolling the dice and not purchasing auto insurance. Another topic</p>	The committee appreciates this input. The committee is recommending reverting the base fine amount for a first violation of Vehicle Code section 16028(a) to \$200, the maximum.

Per F&G(b), “If a person is convicted of a second or subsequent violation of subdivision (a), that person shall be punished by a fine of not less than ten thousand dollars...”</p> <p>It appears the base fine for FG 12012(a) should be \$5000, not \$10,000, on a first offense.</p>	<p>The committee appreciates this input. Subdivision (a) of Vehicle Code section 27900 is not actually crossed through in the draft UBPS, and the intention was not to delete it, however, the formatting could have been clearer.</p> <p>Because this recommendation would be a substantive change to the proposal, the committee believes public comment should be sought before it is considered for adoption. The committee will consider this suggestion for the 2023 Uniform Bail and Penalty Schedules.</p>

Rule 4.102. UNIFORM BAIL AND PENALTY SCHEDULES

**TRAFFIC, BOATING, FORESTRY, FISH AND GAME,
PUBLIC UTILITIES, PARKS AND RECREATION, BUSINESS LICENSING**

The Judicial Council of California has established the policy of promulgating uniform bail and penalty schedules for certain offenses in order to achieve a standard of uniformity in the handling of these offenses.

In general, bail is used to ensure the presence of the defendant before the court. Under Vehicle Code sections 40512 and 13103, bail may also be forfeited and such forfeiture may be ordered without the necessity of any further court proceedings and treated as a conviction for specified Vehicle Code offenses. A penalty in the form of a monetary sum is a fine imposed as all or a portion of a sentence imposed.

To achieve substantial uniformity of bail and penalties throughout the state in traffic, boating, fish and game, forestry, public utilities, parks and recreation, and business licensing cases, the trial court judges, in performing their duty under Penal Code section 1269b to annually revise and adopt a schedule of bail and penalties for all misdemeanor and infraction offenses except Vehicle Code infractions, must give consideration to the Uniform Bail and Penalty Schedules approved by the Judicial Council. The Uniform Bail and Penalty Schedule for infraction violations of the Vehicle Code will be established by the Judicial Council in accordance with Vehicle Code section 40310. Judges must give consideration to requiring additional bail for aggravating or enhancing factors.

After a court adopts a countywide bail and penalty schedule, under Penal Code section 1269b, the court must, as soon as practicable, mail a copy of the schedule to the Judicial Council with a report stating how the revised schedule differs from the council's uniform traffic bail and penalty schedule, uniform boating bail and penalty schedule, uniform fish and game bail and penalty schedule, uniform forestry bail and penalty schedule, uniform public utilities bail and penalty schedule, uniform parks and recreation bail and penalty schedule, or uniform business licensing bail and penalty schedule.

The purpose of this uniform bail and penalty schedule is to:

1. Show the standard amount for bail, which for Vehicle Code offenses may also be the amount utilized for a bail forfeiture instead of further proceedings; and
2. Serve as a guideline for the imposition of a fine as all or a portion of the penalty for a first conviction of a listed offense where a fine is used as all or a portion of the penalty for such offense. The amounts shown for the misdemeanors on the boating, fish and game, forestry, public utilities, parks and recreation, and business licensing bail and penalty schedules have been set with this dual purpose in mind.

Unless otherwise shown, the maximum penalties for the listed offenses are six months in the county jail or a fine of \$1,000, or both. The penalty amounts are intended to be used to provide standard fine amounts for a first offense conviction of a violation shown where a fine is used as all or a portion of the sentence imposed.

The bail amounts in the Uniform Bail and Penalty Schedules are calculated by using the maximum county and emergency medical services penalty amount authorized by Government Code sections 76000 and 76000.5. When a court adopts a countywide bail schedule under Penal Code section 1269b for infraction offenses, the local schedule should be adjusted to reflect the specific penalty assessments that apply to a particular county under Government Code sections 76000 and 76000.5. If a court does not have night or weekend sessions for traffic cases, the countywide bail schedule should omit the \$1 fee under Vehicle Code section 42006. The Safety Enhancement–Double Fine Zone schedule applies only to specific counties as expressly authorized by statute.

PREFACE

I. Section and Offense

- A. Historically, only those offenses most often filed in municipal courts were included in the Uniform Bail and Penalty Schedules. Penal Code section 1269b and Vehicle Code section 40310 require the Judicial Council to establish a schedule for infractions of the Vehicle Code. The Judicial Council approved the first Traffic Infraction Bail and Penalty Schedule in November 1992.
- B. The letter “M” designates a misdemeanor: a crime punishable, at the discretion of the court, by imprisonment in a county jail for a period of no longer than 6 months or by a fine not exceeding \$1,000 or by both (Penal Code section 19).
- C. The letter “I” designates an infraction: a violation of a law not punishable by imprisonment but by a fine generally not exceeding \$100 for violations of the Vehicle Code (Vehicle Code section 42001) or \$250 for violations of other codes (Penal Code section 19.8(b))

II. Base Bail

The “Base Bail” indicated is the amount from which the “additional penalties” required by Penal Code section 1464; Government Code sections 70372, 76000, 76104.6, and 76104.7; the surcharge required by Penal Code section 1465.7; and the penalty authorized by Government Code section 76000.5 are calculated.

III. Additional Penalties and Surcharge

- A. An “additional penalty” of between \$22 and \$27 (\$10 state penalty required by Penal Code section 1464; state court construction penalty of \$5 required by Government Code section 70372(a); a county and state DNA Identification Fund penalty of \$5 required by Government Code sections 76104.6 and 76104.7 (amended effective June 27, 2012); and a county penalty of up to \$7 required by Government Code section 76000(e)) shall be levied upon every \$10, or part of \$10, of every fine, penalty, or forfeiture imposed and collected by the courts for criminal offenses. The “additional penalty” may increase by \$2 for every \$10, or part of \$10, of the base fine if the county board of supervisors elects to levy an emergency medical services (EMS) penalty assessment under Government Code section 76000.5.
- B. Government Code section 70372(a) requires imposition of a state court construction penalty on every fine, penalty, or forfeiture collected by the courts for criminal offenses, including, but not limited to, all offenses, except parking offenses, as defined in Penal Code section 1463, involving violations of the Fish and Game Code and Vehicle Code or local ordinances adopted pursuant to the Vehicle Code. Section 70372 specifies a state court construction penalty of \$5 for every \$10, or part of \$10, of the criminal fine, penalty, or forfeiture.

- C. Penal Code section 1464(b) provides that in the case of multiple offenses, the amount of “additional penalties” is to be determined by the total base bail or fine for all the offenses cited, and if the fine or base bail is suspended in whole or part, the “additional penalties” shall be reduced in proportion to the amount of suspension.
- D. Penal Code section 1465.7(a) requires imposition on criminal offenses of a state surcharge equal to 20 percent of the base fine used to calculate the state penalty assessment as specified in Penal Code section 1464(a). Penal Code section 1465.7(b) requires that the surcharge be imposed in addition to the state penalty assessment pursuant to Penal Code section 1464 and not be included in the base fine used to calculate the state penalty assessment as specified in section 1464. For the limited purpose of calculating the fee to attend traffic violator school under Vehicle Code section 42007, Penal Code section 1465.7(g) provides that the surcharge is excluded from the “Total Bail” amount used to determine the fee but is collected and distributed according to section 1465.7. The surcharge is part of the “Total Bail” in other circumstances, such as when a defendant requests a trial by written declaration or when a court permits payment of the “Total Bail” in installments.
- E. In counties with bonded indebtedness for court facilities, the count penalty assessment amount under Government Code section 76000(e) is \$7 for every \$10 or part of \$10 of the base fine. In counties without bonded indebtedness for court facilities, if the county penalty assessment amount listed in Government Code section 76000(e) is less than \$7, the penalty for every \$10, or part of \$10, of the base fine is equal to the amount listed in Government Code section 76000(e) plus the amount obtained from multiplying the difference between \$7 and the amount listed in Government Code section 76000(e) by the ratio of the square footage of court facilities transferred from the county to the state to the total court facility square footage in the county.
- F. Under Government Code section 76000.10(c)(1), a penalty of \$4 for emergency medical air transportation (EMAT) services is imposed for every conviction of a violation of the Vehicle Code, or a local ordinance adopted under the Vehicle Code. ~~The assessment of this penalty is due to end on July 1, 2021. Penalties assessed before July 1, 2021 shall continue to be collected, administered, and distributed pursuant to this section until exhausted or until December 31, 2022, whichever occurs first. This section will become inoperative on July 1, 2024, and as of January 1, 2025 is repealed. (Assem. Bill 2450; Stats. 2020, ch. 52.)~~ The assessment of this penalty is due to end on December 31, 2022. Penalties assessed before December 31, 2022 shall continue to be collected, administered, and distributed pursuant to this section until exhausted or until December 31, 2023, whichever occurs first. This section will become inoperative on July 1, 2024, and as of January 1, 2025 is repealed. (Assem. Bill 1104; Stats. 2021, ch. 476.)

IV. Total Bail

- A. Effective January 1, 1989, the Judicial Council adopted a “Total Bail” concept in an effort to obtain statewide consistency in the “bail” policies of the courts. The indicated “Total Bail” is for the first offense, and it must be followed to the extent required by Penal Code section 1269b.
- B. Except as otherwise required by statute, trial courts have discretion to suspend the minimum sentence, including fines and penalties. For traffic cases, Vehicle Code section 42003 permits a judge or referee to consider a defendant’s ability to pay. Vehicle Code section 42007 permits a judicial officer to reduce the fee to attend traffic violator school upon a showing that the defendant is unable to pay the full amount. Vehicle Code sections 42003 and 40510.5 permit installment payments of judgments in traffic cases, and Vehicle Code section 42007 permits installment payments of the fee to attend traffic violator school.

- C. Except for the following exceptions, counties must adhere to the Judicial Council’s Traffic Infraction Bail and Penalty Schedule for infraction violations of the Vehicle Code (Penal Code section 1269b and Vehicle Code section 40310).

Penal Code section 1463.28 provides that 30 counties may exceed the “Total Bail” amounts of the Traffic Infraction Bail and Penalty Schedule. Those counties are

Additional exceptions result from two pieces of legislation that became operative on January 1, 1994:

1. Vehicle Code section 42001 allows local public entities that employ peace officers, universities, and state colleges to set a fine schedule for bicycle violations occurring in their jurisdictions that would supersede the Judicial Council penalty schedule.
2. Vehicle Code section 42009 requires that for any specified offense committed within a highway construction or maintenance area during hours when work is being performed, the fine shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Traffic Infraction Fixed Penalty Schedule. An appendix with the specified offenses listed and the enhanced amounts follows the Traffic portion of the bail and penalty schedules, starting on page 61.
3. Streets and Highways Code section 97 provides for increased fines for a safety enhancement—double fine zone on the segment of Route 12 between the Route 80 junction in Solano County and the Route 5 junction in San Joaquin County.

Under section 97, the base fine for any specified offense committed in the safety enhancement–double fine zone shall be double in the case of misdemeanors and in the case of infractions shall be one category higher than otherwise provided in the Uniform Bail and Penalty Schedules. Any additional penalty, forfeiture, or assessment imposed by any other statute shall be based on the amount of the base fine before enhancement or doubling and shall not be based on the amount of the enhanced fine.

The “Categories” indicated in the Traffic Infraction Bail and Penalty Schedule under Vehicle Code sections 40310, 42009(a), and 42010 will be shown as “1a” and “1b,” “2a” and “2b,” “3a” and “3b,” and “4a” and “4b,” with the “b” subcategory referring to the violation when it is committed in a highway construction zone or safety enhancement–double fine zone.

- D. The “Total Bail” amounts within the Uniform Boating, Forestry, Fish and Game, Public Utilities, Parks and Recreation, and Business Licensing Bail Schedules are suggested amounts, and their adoption by courts is not compulsory.
- E. The “Total Bail” amount indicated includes the base bail and those “additional penalties” required by Penal Code section 1464 and Government Code sections 70372, 76000, 76104.6, and 76104.7, and the 20 percent surcharge on the base bail required by Penal Code section 1465.7, except as provided in Vehicle Code section 42007. When authorized by the county board of supervisors, the “Total Bail” for a countywide bail schedule adopted under Penal Code section 1269b may also include an additional \$2 penalty under Government Code section 76000.5 for every \$10, or part of \$10, of the base fine. Assessments adopted by a court—such as under Vehicle Code section 40508.6—shall be collected in addition to the “Total Bail.” The court operations assessment imposed per convicted offense under Penal Code section 1465.8; assessment for night court under Vehicle Code section 42006; traffic assistance program (TAP) fee under Vehicle Code section 11205.2; and criminal conviction assessment under Government Code section 70373 are collected as part of the “Total Bail,” but are not subject to the special distribution for the “Total Bail” in traffic violator school cases under Vehicle Code section 42007. For every conviction of a violation of the Vehicle Code, or ordinance adopted under the Vehicle Code, committed on or after January 1, 2011, a \$4 EMAT penalty is imposed under Government Code section 76000.10(c)(1) as part of the “Total Bail.” Effective January 1, 2014, Penal Code section 1202.4(b)(1) requires a minimum \$150 restitution fine as an assessment in addition to the “Total Bail” in every case where there is a misdemeanor conviction. Other mandatory assessments may also be applicable, especially in DUI cases.

Fish and Game Code section 12021 authorized a \$15 penalty to be collected in addition to the fine and penalties normally collected for violations of the Fish and Game Code, to be deposited in the Fish and Game Preservation Fund and disbursed as specified. The \$15 additional penalty does not apply to violations punishable pursuant to Fish and Game Code section 12002.1(b) or 12002.2(b) or to any regulation relating to the wearing or display of a fishing license.

- F. “Total Bail” shall not exceed statutory limits. Vehicle Code section 40310 specifies that the “fine” amount of the total bail shall not exceed the limitations specified by Vehicle Code sections 42001 and 42001.5.
- G. Rule 4.105 of the California Rules of Court provides that with certain exceptions deposit of bail is not required to appear for arraignment or trial for an infraction case. Deposit may be required: by statute, such as trial by written declaration; if a person does not sign a promise to appear as ordered by the court; or a judicial officer states a reason for a deposit to schedule a trial.

In cases where a court appearance is required by a court, the amounts set forth in the Uniform Bail and Penalty Schedules do not necessarily indicate the appropriate total penalties; rather, they ensure that, in most cases, when bail is posted, sufficient funds will be available to meet the defendant’s obligations. Upon conviction, however, “additional penalties” are added to any fine. It is incumbent upon the judge who hears each case to determine the proper total penalty (fine and “additional penalties”) based on the particular facts presented.

With the exception of juveniles under age 18, there shall be no mandatory court appearance for any infraction of the California Vehicle Code punishable by fine only. A court may require a mandatory appearance for an infraction violation of the Vehicle Code when a statutory driver’s license restriction, suspension, or revocation is authorized; community service or proof of payment or correction is mandatory; or a violation requires specific action under the Vehicle Code in addition to a fine. This paragraph does not apply to violations of local ordinances based on Vehicle Code sections.

- H. The “Total Bail” for an offense *not specifically listed* in the Uniform Traffic Infraction Bail and Penalty Schedule is the amount set for the general category of that offense unless a California code or regulation specifies otherwise. The court operations assessment and criminal conviction assessment are collected in addition to the “Total Bail.” The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Traffic Misdemeanor Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is:

	Base	+ Additional Penalties*&	Surcharge	+	Fees	=	Total Bail*/Fees (*See sections II–IV)
Misdemeanor	\$ 75	+	\$251	+	\$70	=	\$396
Infraction	\$ 35	+	\$127	+	\$75	=	\$237

The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Public Utilities Bail and Penalty Schedule, unless a California code or regulation specifies otherwise, is:

Misdemeanor	\$185	+	\$588	+	\$70	=	\$843
-------------	-------	---	-------	---	------	---	-------

The suggested minimum “Total Bail” for an offense *not specifically listed* in the Uniform Boating, Business Licensing, Fish and Game, Forestry, or Parks and Recreation Bail and Penalty Schedules, unless a California code or regulation specifies otherwise, is:

Misdemeanor	\$100	+	\$310	+	\$70	=	\$480
Infraction	\$ 35	+	\$123	+	\$75	=	\$233

V. Bail Categories

Assembly Bill 1344 (Stats. 1992, ch. 696), effective September 15, 1992, amended Vehicle Code section 40310 to classify Vehicle Code offenses into four or fewer penalty categories, according to the severity of the offenses. The Judicial Council has approved the following categories of bail/fine after considering suggestions from its Traffic Advisory Committee and the recommendations made by the National Center for State Courts:

		Base Fine +	Additional Penalties* & charge	Sur- & charge	+Fees	=	Total(*See secs. II–IV) Bail* /Fees
Category 1	Bicyclist, motorized scooter, pedestrian, pocket bike, vehicle registration and equipment offenses	\$ 25 +	\$96		+ \$75	=	\$196
Category 2	Driver’s license, operation of vehicle, and size and load offenses	\$ 35 +	\$127		+ \$75	=	\$237
Category 3	Substance abuse infractions, VC 2818, VC 20004, VC 21706.5, and VC 27375	\$ 70 +	\$221		+ \$75	=	\$366
Category 4	Miscellaneous offenses for which the penalties or the fee for dismissal with proof of correction are specifically set by the Vehicle Code, speeding offenses (refer to Speed Chart), and infractions pursuant to PC 19.8						

If a citation does not indicate that an offense is eligible for correction under Vehicle Code 40522, a court may presume that the offense is cited as noncorrectable. (See also *California Highway Patrol v. Superior Court* (2008) 158 Cal.App.4th 726, 740.) Vehicle Code section 14610.5(a) may be charged as either an infraction or a misdemeanor (Vehicle Code section 14610.5(b)). Penal Code section 19.8 lists the following offenses that are an infraction with a fine of up to \$250: Vehicle Code sections 5201.1, 12500(a), 14601.1, 23109(c), 27150.1, 40508, and 42005. If one of these offenses is charged as an infraction, the appropriate penalty is listed in the Traffic Infraction Bail and Penalty Schedule. If the offense is charged as a misdemeanor, the recommended penalty is listed in the Traffic Misdemeanor Bail and Penalty Schedule.

VI. Point Count

Vehicle Code sections 12810, 12810.2, 12810.3, and 12810.4 determine the amount of point count. The Department of Motor Vehicles establishes conviction point count based on statutory guidance and definition. Vehicle Code section 12810.5 defines a “negligent operator” based on point count. The Department of Motor Vehicles may take an administrative sanction against a person’s driving privilege based on “points” (Vehicle Code section 12810.5).

VII. Prior Convictions

A. The base fine for one Vehicle Code moving violation that is assessed “points” on a current arrest or citation may be enhanced by \$10 for each “prior” conviction within 36 months of the new alleged offense. For calculating the enhancement, both the current and “prior” offense must be a moving violation for which a “point” has been assigned per Vehicle Code section 12810 or 12810.2. A confidential conviction after completion of traffic violator school is not assigned a point or counted as a prior offense for purposes of enhancing the fine of a subsequent offense. Regardless of the number of moving violation convictions on a citation, only one “prior” per citation shall be counted in determining the enhancement on the current offense.

While Vehicle Code section 42001 references maximum fines within a one-year time frame, the Judicial Council has interpreted section 42001 to not preclude a court from considering “prior” convictions for a longer period of time. The period of 36 months was adopted by the Judicial Council (effective January 1, 1989) to correspond to and reinforce Vehicle Code sections 12810 and 12810.5. These sections define the “point system” used by the Department of Motor Vehicles as prima facie evidence of the negligent operation of a motor vehicle.

Vehicle Code sections 15306 and 15308 specify penalties for commercial drivers in terms of subsequent offenses occurring within three years.

- B. In the case of an owner responsibility citation, the “prior” must relate to the particular vehicle for which the new offense is charged.
- C. Vehicle Code section 42004 provides that the court, in determining a penalty to be imposed pursuant to the Vehicle Code, may use a written report from the Department of Motor Vehicles that contains information showing prior convictions.
- D. With the exception of parking, pedestrian, and bicycle offenses on a current citation, Vehicle Code section 40508.6 authorizes courts to establish an administrative assessment, not to exceed \$10, for the purpose of recording and maintaining a record of a defendant’s prior convictions, that is payable at the time of payment of a fine or when bail is forfeited for any subsequent violation.

VIII. Traffic Violator School

- A. Vehicle Code section 42007 provides that:
 - 1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;
 - 2. Where multiple offenses are charged on a single notice to appear, the “total bail” amount collected is the amount applicable to the greater of the eligible offenses; and
 - 3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.
- B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.
- C. Vehicle Code section 42007.1(a) provides that a \$49 fee, a fee for monitoring traffic violator schools, and a TAP fee under Vehicle Code section 11205.2(c) are to be added to the “total bail” of the offense eligible for traffic violator school.
- D. Vehicle Code section 42005 prohibits drivers of commercial vehicles from eligibility for traffic violator school. Drivers

with a Class A, Class B, or commercial Class C driver’s license may attend traffic violator school to avoid points for traffic violations in a vehicle that requires only a class M or noncommercial class C license. Vehicle Code section 42005(d) excludes violations of Vehicle Code sections 20001, 20002, 23103, 23104, 23105, 23140, 23152, 23153, or 23103, as specified in section 23103.5, from eligibility for traffic violator school for pretrial diversion, a confidential conviction, or to avoid points.

Sample Calculation of Bail, Traffic Violator School Fee, and Court Operations Assessment for Multiple Offenses

1. Violation of Vehicle Code sections 21453(b), 27360.5(a), 24252(a)(1), and 26707.
2. No prior convictions are charged.
3. “Additional penalties” of between \$22 and \$29 as set out in section III for every \$10 of base fine or part thereof, plus the surcharge on the base fine, and the \$4 EMAT penalty assessment per offense:

“Total Bail” Without Traffic School or Proof		Traffic Violator School and Correction Total With Proof	
VC 21453(b)	= \$ 35 (VC 21453(b))	(VC 21453(b))	(\$ 0)
VC 27360.5(a)	= \$ 100	(VC 27360.5(a))	(\$415)
VC 24252(a)(1), VC 26707	= \$ 50	TVS fee	\$ 49
Total base fine	= \$ 185	TVS/DMV admin. fee	\$ 3
Penalties and surcharge	= \$ 604	Correction fee (2 X \$25)	\$ 50
TOTAL BAIL	= \$ 789	Court operations (2 X \$40)	\$ 80
Court operations	= \$ 160	(TAP fee; VC 11205.2)	(\$)
Conviction assessment	= \$ 140	Conviction assessment (2 X \$35)	\$ 70
TOTAL	\$1,089	TOTAL	\$ 667

4. If the defendant is ordered to attend traffic violator school under VC 41501 for VC 21453(b) and VC 27360.5(a), per VC 42007 the defendant is charged for the greater/more severe of the qualifying offenses: VC 27360.5(a) at \$490 plus the \$49 and \$3 DMV TVS fee per VC 42007.1 (total of \$542).
5. The charges of VC 21453(b) and VC 27360.5(a) are continued under VC 41501. The charges of VC 24252(a)(1) and VC 26707 are continued pending proof of correction, required under VC 40522 for dismissal.
6. The defendant presents to the court timely evidence that he or she has completed traffic violator school. The VC 21453(b) and VC 27360.5(a) violations are reported under VC 41501. If the defendant submits to the court timely evidence under VC 40616 that the violations of VC 24252(a)(1) and VC 26707 have been corrected, the VC 24252(a)(1) and VC 26707 violations are dismissed under VC 40522, and a \$50 “transaction fee” is charged under VC 40611. A court operations assessment of \$40 is collected and distributed as required by Penal Code section 1465.8 for reporting of VC 21453(b) for completion of traffic violator school, and a criminal conviction assessment of \$35 is collected under Government Code section 70373 for VC 21453(b).
7. The case is closed, with the court collecting \$667 (\$415 + \$49 + 3 + \$50 + \$40 + \$35) plus any fee under VC 11205.2 and deduction of \$1 if the court does not impose a night or weekend court assessment under VC 42006.

IX. Late Charge

Vehicle Code section 40310 requires the imposition of a late charge of 50 percent on any traffic penalties not paid within 20 days.

The 20 days shall be counted from the mailing of a notice that the penalty has been assessed. The initial penalty consists of the base fine; a fine enhancement for prior convictions (if any); the state, county, and court facility construction additional penalties; the \$4 emergency medical air transportation penalty; and the emergency medical services penalty, if authorized (Penal Code section 1464 and Government Code sections 70372, 76000, 76000.5, 76000.10(c)(1), 76104.6, and 76104.7).

Sample Calculation of Late Penalty

1. Base fine		\$ 25
2. Enhancement for one prior conviction	+	10
Enhanced base fine		\$ 35
3. Additional penalties (PC 1464 and GC 70372, 76000, 76000.5, 76104.6, and 76104.7) (\$29* X 4) (*See section III)	+	116
4. EMAT penalty for conviction of Vehicle Code violation (GC 76000.10(c)(1))	+	4
	Initial Penalty	\$ 155
5. Night court assessment (VC 42006)	+	1
6. Administrative assessment for maintaining a record of priors (VC 40508.6)	+	10
7. Surcharge on base fine (PC 1465.7)	+	7
8. Court operations assessment (PC 1465.8)	+	40
9. Conviction assessment (GC 70373(a)(1))	+	35
	Total Due	\$ 248
10. Late charge (VC 40310) [50% of initial penalty]		+ 77.50
	Total Due	\$ 325.50

X. Offenses Eligible for Correction

Under Vehicle Code section 40522, an officer arresting for violations specified in Vehicle Code section 40303.5 is required to specify the offense charged and note in a form approved by the Judicial Council that the charge shall be dismissed upon proof of correction. Certain offenses specified in Vehicle Code section 40303.5 are designated in the following schedule as potentially eligible for correction. The offenses designated in the schedule as potentially eligible for correction and those offenses specified by Vehicle Code section 40303.5 that are not contained in the schedule may be eligible for dismissal with proof of correction if the citing officer determines that none of the disqualifying conditions of Vehicle Code section 40610(b) exist. (See *California Highway Patrol v. Superior Court* (2008) 158 Cal.App.4th 726 [riding a motorcycle without wearing any helmet presents an “immediate safety hazard” when an officer makes that determination and issues a noncorrectable citation].) Those disqualifying conditions are present if an officer finds any of the following:

1. Evidence of fraud or persistent neglect;
2. The violation presents an immediate safety hazard;
3. The violator does not agree to, or cannot, promptly correct the violation.
4. The violation cited is of subdivision (a) of Section 27151 for a motorcycle.

If a citation does not indicate that an offense is eligible for correction, a court may presume that the offense is cited as noncorrectable. (See also *California Highway Patrol v. Superior Court*, *supra*, 158 Cal.App.4th at p. 740.) A court retains the discretion, however, to find an offense correctable—even when an officer has not noted it as correctable—where the offense meets the requirements of VC 40610 and 40303.5 and none of the disqualifying conditions are present. (See *California Highway Patrol v. Superior Court*, *supra*, 158 Cal.App.4th at p. 746-747.) Upon proof of correction of an alleged violation of section 12500 or 12951 or any violation cited pursuant to section 40610, Vehicle Code section 40611 authorizes courts to collect a \$25 transaction fee for each violation. No bail amount shall be collected.

In cases alleging violation of Vehicle Code section 4000(a), or alleging that a vehicle is not registered as required by the Vehicle Code, Vehicle Code section 40152 requires that proof of registration or proof of payment of the appropriate registration fees, or proof that the vehicle has been reduced to junk, be produced in court before the offense can be adjudicated as a dismissal.

XI. Evidence of Financial Responsibility

Pursuant to Vehicle Code section 16028(e), upon submission of evidence of financial responsibility, in a form consistent with Vehicle Code section 16020, showing that the driver was in compliance with that section at the time the notice to appear for violating Vehicle Code section 16028 was issued, further proceedings for the violation shall be dismissed and no bail amount shall be collected. Vehicle Code section 40611 authorizes courts to collect a \$25 transaction fee for each violation that is dismissed pursuant to section 16028(e).

XII. Parking Violations

Assembly Bill 408 (Stats. 1992, ch. 1244), effective January 1, 1993, revised and recast the procedures for processing and adjudicating parking law violations as administrative offenses subject to a civil penalty. The bill required courts to transfer the processing of parking offenses to issuing agencies not later than January 1, 1994. Consequently, parking violations that cannot be cited as infractions have been removed from the Uniform Bail and Penalty Schedules. Vehicle Code section 463 defines “park” or “parking” as the standing of a vehicle, whether occupied or not, otherwise than temporarily for the purpose of and while actually engaged in the loading or unloading of merchandise or passengers. Under Vehicle Code section 40225(a), equipment violations entered on a notice of parking violation are subject to a civil penalty established according to Vehicle Code section 40225(c). The Traffic Infraction Fixed Penalty Schedule includes Vehicle Code sections that may be cited for a stopping violation on a notice to appear that is signed by the driver. Under Vehicle Code section 42001.13, a violation of disabled parking provisions in Vehicle Code section 22507.8 may be cited as an infraction on a notice to appear. Under Vehicle Code section 42001.5, a violation of Vehicle Code sections 22500(i), 22500(j), and 22522 may be cited as an infraction on a notice to appear. Under Vehicle Code section 42001.6, a violation of Vehicle Code section 22511.1 may be cited as an infraction on a notice to appear. Government Code section 70373 requires a conviction assessment of \$35 for infractions. Government Code section 70372(b) imposes an assessment of \$4.50 on each parking offense. Government Code section 76000.3 imposes a \$3 penalty on every fine imposed for a parking offense.
