**JUROR QUESTIONNAIRE**
**People v. Roscoe Arbuckle; Docket Number** _____

This questionnaire is designed to obtain information regarding your qualifications to serve as a trial juror in the pending criminal case. The process of jury selection will take place in two stages. The first stage will be the completion of this questionnaire. The second stage will consist of a question and answer period conducted individually with each prospective juror. The use of this questionnaire in the first stage will substantially shorten the process of jury selection.

This questionnaire is part of the formal jury selection process. It will become part of the Court's record of the case and will be used by the judge and attorneys in selecting a qualified jury. When answering questions, please keep in mind that you are sworn to tell the truth and your answers are given under penalty of perjury. It is important that you answer the questions as completely and honestly as possible. There are no "right" or "wrong" answers, but rather, only complete and incomplete answers. Complete answers are far more helpful because they will reduce the time necessary for follow-up questioning in court.

It is also extremely important that your answers to these questions be exclusively your own. Accordingly, you must fill out the questionnaire by yourself and not discuss the questions or your answers with anyone else. We do not want to embarrass anyone. If there is an extremely sensitive or embarrassing answer and you would feel more comfortable discussing your answer in private with the judge and attorneys, you may so indicate on the questionnaire in the space provided for your answer to that question by marking the particular question "*Confidential."*

**Please do not write on the back of any page and please use a pen to fill out the questionnaire.** The questionnaire must be copied so that each attorney and the Court has a copy. If you need to make further comments regarding any of your answers, you may do so on the explanation sheet attached to the back of your questionnaire. Please do not speculate about the evidence to be presented in this case based on any question contained in this questionnaire. If you are selected to serve, you will be given all of the facts during the trial.

**Please make sure you sign and date the last page.**

If you claim an extreme hardship that would prevent you from serving as a juror in this case, please complete the hardship form and return to court at the designated time.

Thank you for your time, patience and cooperation.
