Subject: SB 308 (Harman), as introduced - Support
Hearing: Senate Judiciary Committee – March 31, 2009

Dear Senator Corbett:

The Judicial Council supports SB 308, which clarifies how individuals are counted to determine whether a person falls within the definition of a professional fiduciary under the Professional Fiduciaries Act. The bill's statutory clarification of the definition of professional fiduciary should help avoid confusion and ease the courts' overall administration of these cases.

For these reasons, the Judicial Council supports SB 308.

Sincerely,

Daniel Pone
