Report title: *Receipts and Expenditures from Local Courthouse Construction Funds*

Statutory citation: Government Code section 70403

Date of report: January 1, 2020

The Judicial Council is submitting the annual report to the Legislature pursuant to Government Code section 70403 regarding receipts, expenditures, and any repayments from local courthouse construction funds as reported by each county.

Government Code section 70402(a) requires that any amount in a county's local courthouse construction fund be transferred to the State Court Facilities Construction Fund at the later of the following dates: (1) the last transfer of responsibility for court facilities from that county to the Judicial Council, or December 31, 2009if there is no outstanding bond indebtedness; (2) the date of the final payment of the bond indebtedness for any court facility paid from that fund is retired.

The code section also requires a county that has retained these revenue sources under Government Code section 70325 to submit an annual report of revenues and expenditures, including any amounts to be repaid by counties, to the Judicial Council.

The attached annual report reflects 30 counties collecting courthouse construction funds with revenues totaling $39 million and expenditures of $34.5 million. During this reporting period, two counties, Orange and Tulare, transferred the balance of their courthouse construction funds totaling $4.5 million to the State Court Facilities Construction Fund.

Below is a summary of the status of the 58 counties' courthouse construction funds as of June 30, 2019:

- Five counties that transferred their court facilities and have no outstanding bond indebtedness—Inyo, Lassen, Modoc, Siskiyou, and Tehama—have yet to transfer their courthouse construction fund balances to the State Court Facilities Construction Fund.

  - Two of the five counties, Inyo and Siskiyou, have outstanding project commitments; after completion of the projects, the counties will be required to remit any savings from the project budget to the State Court Facilities Construction Fund.
  - Lassen is working with the Judicial Council staff to remit the balance of its courthouse construction fund to the State Court Facilities Construction Fund.
  - The Judicial Council staff is working with the two remaining counties, Modoc and Tehama, to determine their balance of outstanding funds to remit.

- Twenty-one counties had previously transferred the fund balances, or partial fund balances, in their local courthouse construction funds to the State Court Facilities Construction Fund. During this reporting period, two counties, Orange and Tulare, transferred their fund balances totaling $4.5 million after their bond indebtedness concluded.

- Four counties—Alpine, Mariposa, Trinity, and Tuolumne—retained their courthouse construction funds consistent with responsibility for 100 percent of court square footage.

- Twenty-four counties continue to report their courthouse construction funds as statutorily permitted because they have bond indebtedness or approved projects for which the funds are used.

  - The 23 counties that retain their courthouse construction funds to pay off outstanding debt will continue to submit annual reports on revenues and expenditures until the debt obligation is retired.
  - El Dorado County does not have bond indebtedness but rather an outstanding project commitment and will continue to submit annual reports until the project is complete.

- Four counties – Humboldt, San Bernardino, Sonoma, and Ventura – have concluded their bond indebtedness, and are working with Judicial Council Staff to remit their balances to the State Court Facilities Construction Fund. These counties will continue to submit annual reports until the remaining balance in their Courthouse Construction Fund has been remitted.

No repayments for inappropriate use of funds were identified during this reporting period.

The full report is available at *www.courts.ca.gov/7466.htm*.

County Reporting on Local Courthouse Construction Funds

The Trial Court Facilities Act of 2002 (Sen. Bill 1732 (Escutia); Stats. 2002, ch. 1082) requires counties to report receipts to and expenditures from local courthouse construction funds. Government Code section 70403 mandates that each county submit a report to the Judicial Council's Administrative Director of all local courthouse construction fund receipts and expenditures for the period January 1, 1998, to December 31, 2005.

Counties retaining funds to pay bond indebtedness must submit to the Judicial Council and the Director of Finance annual updates of all receipts and expenditures within 90 days after the end of each fiscal year. Section 70403 further requires the Judicial Council to submit a report to the Legislature on the information received from the counties regarding the status of local courthouse construction funds. This report covers the period from July 1, 2018, to June 30, 2019.

Government Code section 70402(a) requires that any amount in a county's local courthouse construction fund be transferred to the State Court Facilities Construction Fund at the later of the following dates: (1) the last transfer of responsibility for court facilities from that county to the Judicial Council, or December 31, 2009 if there is no outstanding bond indebtedness; (2) the date of the final payment of the bond indebtedness for any court facility paid from that fund is retired.

Below is a summary of the status of the 58 counties' courthouse construction funds as of June 30, 2019:

- Five counties that transferred their court facilities and have no outstanding bond indebtedness—Inyo, Lassen, Modoc, Siskiyou, and Tehama—have yet to transfer their courthouse construction fund balances to the State Court Facilities Construction Fund.
    - Two of the five counties, Inyo and Siskiyou, have outstanding projects; after completion of the projects, the counties will be required to remit any savings from the project budget to the State Court Facilities Construction Fund.
    - Lassen is working with the Judicial Council to remit the balance of its courthouse construction fund to the State Court Facilities Construction Fund.
    - The Judicial Council is working with the two remaining counties, Modoc and Tehama, to determine their balance of outstanding funds to remit.
- Twenty-one counties have transferred the fund balances, or partial fund balances, in their local courthouse construction funds to the State Court Facilities Construction Fund. In this reporting period, two counties, Orange and Tulare,

transferred their fund balances, totaling $4.5 million, after their bond indebtedness concluded.

- Four counties—Alpine, Mariposa, Trinity, and Tuolumne—retained their courthouse construction funds consistent with responsibility for 100 percent of court square footage.

- Twenty-four counties continue to report their courthouse construction funds as statutorily permitted because they have bond indebtedness or approved outstanding projects for which the funds are used:

    - The 23 counties that retain their courthouse construction funds to pay off outstanding debt will continue to submit annual reports on revenues and expenditures until the debt obligation is retired.
    - El Dorado County does not have bond indebtedness but rather an outstanding project commitment and will continue to submit annual reports until the project is complete.

- Four counties – Humboldt, San Bernardino, Sonoma, and Ventura – have concluded their bond indebtedness, and are working with Judicial Council Staff to remit their balances to the State Court Facilities Construction Fund. These counties will continue to submit annual reports until the remaining balance in their Courthouse Construction Fund has been remitted.

County Reporting Under Section 70403(b) for July 1, 2018, to June 30, 2019

As of October 1, 2019, the Judicial Council received reports on the condition of local courthouse construction funds from 30 counties that have outstanding bond indebtedness, as required by statute (see Attachment 1), for the reporting period from July 1, 2018, to June 30, 2019. All reports have been received and analyzed and are believed to be in compliance with section 70403(b).

As reported by the 30 counties, the local courthouse construction fund receipts totaled $38,957,533 and expenditures totaled $34,494,805 during the statutory reporting period. Additionally, $4,491,670 was remitted to the State Court Facilities Construction Fund from Orange and Tulare counties in compliance with Government Code section 70402(a).

Status of Reviews

When a county submits its annual report on the condition of the local courthouse construction fund, Judicial Council staff review the report and request the information necessary to determine compliance, including the beginning and ending fund balances and an explanation of expenditures by project, if the report does not contain that

information. Each review includes a determination of whether the receipts and expenditures were made in accordance with the provisions of Government Code section 76100, including verifying that outstanding debt service still exists. If the Judicial Council concludes, based on the information provided, that a county made an expenditure not permitted by statute, the Judicial Council will notify the county and the Department of Finance of the amount due for repayment to the state. Based on fiscal year 2018–19 reports, no repayments have been identified.

Status of Determination of Repayment Amounts Required Under Section 70403(d)

As reviews of reports are completed for counties with outstanding debt service, repayments to the State Court Facilities Construction Fund, if any, will be finalized and reported in subsequent annual reports from the Judicial Council to the budget and fiscal committees of the Legislature.

County Reporting for All Prior Reporting Periods

Based on the reports received from the counties for these reporting periods, there is no update to the previously reported receipts and expenditures. All reports appear to be in compliance with requirements of the statute for the reporting period. In addition, the Judicial Council is unaware of any significant issues that might raise questions about the revenues and expenditures as reported. No further detailed reviews will be conducted on reports beyond fiscal year 2014–15unless warranted. All prior reports are available at *www.courts.ca.gov/7466.htm.*
