14 **Advisory Committee Comment**

15
16 Emergency rule 9 is intended to apply broadly to toll any statute of limitations on the filing of a
17 pleading in court asserting a civil cause of action. The term “civil causes of action” includes
18 special proceedings. (See Code Civ. Proc., §§ 312, 363 [“action,” as used in title 2 of the code (Of
19 the Time of Commencing Civil Actions), is construed “as including a special proceeding of a
20 civil nature”]; special proceedings of a civil nature include all proceedings in title 3 of the code,
21 including mandamus actions under §§ 1085, 1088.5, and 1094.5—all the types of petitions for
22 writ made for California Environmental Quality Act (CEQA) and land use challenges]; see also
23 Pub. Resources Code, § 21167(a)–(e) [setting limitations periods for civil “action[s]” under
24 CEQA].)

25
26 The rule also applies to statutes of limitations on filing of causes of action in court found in codes
27 other than the Code of Civil Procedure, including the limitations on causes of action found in, for
28 example, the Family Code and Probate Code.

29
30 **Subdivision (c).** The sunset of the rule does not nullify the effect of the tolling of the statutes of
31 limitation and repose established by the rule. Depending on the specific facts of the case and the
32 applicable statute of limitation or repose, the effect of the tolling may survive beyond the sunset
33 date of the rule. For example, if the right to file a cause of action subject to the four-year statute
34 of limitation in Code of Civil Procedure section 337 first accrued on February 15, 2020, the
35 statute of limitation, having been tolled from April 6, 2020, until October 1, 2020, under
36 subdivision (a), would expire in August 2024 rather than February 2024.

41 (a)–(b) * * *

1 **(c) Sunset of rule**

2
3 This rule will sunset on June 30, 2022, unless otherwise amended or repealed by
4 the Judicial Council. This sunset does not nullify the effect of the extension of time
5 in which to bring a civil action to trial under the rule.

6
7 *(Subd (c) adopted effective March 11, 2022.)*

8
9 *Rule 10 amended effective March 11, 2022; adopted effective April 6, 2020.*

10
11
12 **Advisory Committee Comment**

13
14 The sunset of the rule does not nullify the effect of the six-month extension established by the
15 rule for all civil actions filed on or before April 6, 2020. Depending on the specific facts of the
16 case, the effect of the extension may survive beyond the sunset date of the rule. For example, if a
17 civil action subject to Code of Civil Procedure section 583.310 was filed on February 15, 2020,
18 the time in which to bring the action to trial would fall in August 2025, having been extended by
19 six months for a total time of five years and six months, rather than February 2025.
