### **A.3. Construction Budget**

a. The Contractor shall accomplish the design Services required under this Agreement so as to permit the AOC (i) to undertake a procurement for construction services using its procedures for the CM at Risk project delivery method, and (ii) to assist the AOC in reaching agreement with the CM at Risk in determining the Guaranteed Maximum Price (GMAX) necessary to manage construction of the Project and to construct the Project, with the goal of not exceeding the Construction Budget available to the AOC that is set forth below. The GMAX is calculated after the Project has been bid by the CM at Risk in the Subcontractor Bid Package Stage at the end of the Working Drawings Phase. If upon completion of the initial or any subsequent Subcontractor Bid Package Stage of the AOC's Agreement with the CM at Risk the CM at Risk and the AOC determine that the expected GMAX exceed the Construction Budget, the AOC may elect to abandon the project, reduce the scope of work to fit within the Construction Budget, provide additional funds as required to construct the full scope of work, or require Contractor and the CM at Risk to provide such Services necessary to make changes to the Construction Documents suitable to the AOC so that the project may be rebid by the CM at Risk.. The AOC may elect to have Contractor provide the Services necessary to make said changes if the initial or a subsequent GMAX, when calculated, exceeds the Construction Budget by more than 10%. As specified above, and at the AOC's request, the Contractor shall, at no additional cost to the AOC, participate in a maximum of two additional iterations of said changes to the Construction Documents and in value analysis, to assist the AOC and the CM at Risk in reaching agreement on the changes to the Construction Documents necessary to bring the GMAX in conformance with the Construction Budget

b. The preliminary Construction Budget established by the AOC is: \$ \_\_\_\_\_ as of \_\_\_\_\_, 20\_\_\_\_. Based on the information developed during the Study Phase, the AOC, in consultation with the Contractor, will confirm and fix the Construction Budget before authorization of the Preliminary Plan Phase.

The Contractor shall prepare all necessary supplemental drawings at no additional cost to the AOC.
3. Refrain from giving any directions, clarifications, corrections, or other modification of the Bidding Documents either verbally or in writing to any person other than the AOC's Project Manager. The Contractor may also propose changes to the Services described in this Agreement based upon occurrences that are not the result of the Contractor's errors or omissions. If such changes will cause an increase in the cost of or the time required for performance of the agreed upon Services, such a change will require a formal written amendment to this Agreement and an equitable adjustment, as mutually agreed upon, shall be made to the Contract Amount as set forth in "Contract Amount" in the Agreement Coversheet or in the time of required performance as set forth in "Term of the Agreement" in the Agreement Coversheet, or both. Notwithstanding any dispute between the Contractor and the AOC about whether the Services constitute a change or modification to Contractor's scope of work or a dispute relating to the

- 1. Acquisitions Phase Total: \$
- 2. Preliminary Plan Phase Total: \$
- 3. Working Drawings Phase Total: \$
- 4. Construction Phase Total: \$

If the start date for any phase is delayed for more than one (1) year past the estimated start date through no fault of the Contractor, then the total compensation for that phase may be increased so long as such increase does not exceed the percentage difference between (i) the most recently reported Consumer Price Index ("CPI") (as defined below) as of the first day of the term of this Agreement, and (ii) the most recently reported CPI as of the start date of the phase in question; provided, however, that in no event shall the amount of the increase exceed five percent (5%) per year. "CPI" means the unadjusted Consumer Price Index for Urban Wage Earners and Clerical Workers, All Items (1982-1984=100) published by the Bureau of Labor Statistics.

**B.2. Method of Payment**

a. The Contractor shall submit one (1) original and two (2) copies of each invoice for the Services no more frequently than once monthly, in arrears. After receipt of the invoice, the AOC will either approve the invoice for payment or give the Contractor specific written reasons why part or all of the payment is being withheld and what remedial actions the

AOC's Acceptance and approval of the Pre-Schematic/Study Phase.

(ii) For Acquisitions Phase.

(iii) For Preliminary Plan Phase.

The final 10 percent will be paid within forty-five (45) days of receipt of a correct, itemized invoice for the retention submitted after the AOC's Acceptance and approval of the Construction Phase. Unless otherwise directed by the AOC, no retention will be withheld for Extra Services.

### **B.3. Disallowance**

If the Contractor claims or receives payment from the AOC for a Service that is later disallowed by the AOC, the Contractor shall promptly refund the disallowed amount to the AOC upon the AOC's request. At its option, the AOC may offset the amount disallowed from any payment due or that may become due to the Contractor under this Agreement or any other agreement.

### **B.4. Payment Does Not Imply Acceptance of Work**

The granting of any payment by the AOC, or the receipt thereof by the Contractor, shall in no way lessen the liability of the Contractor to correct unsatisfactory work in connection with the Services. Services that do not conform to the requirements of this Agreement may be rejected by the AOC and in such case the Contractor must correct the delivery of Services without delay.

### **B.5. Release of Claims**

The acceptance by the Contractor of final payment shall be and shall operate as a release to the State and the AOC of all claims and all liability to the Contractor for everything done or furnished in connection with this Agreement (including every act and neglect of the AOC), with the exception of any claims that are expressly identified by the Contractor as outstanding as of the date of Contractor's submission of Contractor's final application for payment. Contractor's failure to identify any such claims shall operate as a release of all claims.

DRAFT

## Exhibit C

### GENERAL TERMS AND CONDITIONS

#### **C.1. Effective Date of Agreement**

This Agreement is effective on the Effective Date set forth on the Agreement Coversheet; however, the Contractor is not authorized to begin work until the AOC delivers a "Notice to Proceed" to the Contractor. The AOC will issue the Notice to Proceed only after the Contractor delivers evidence of insurance to the AOC that is consistent with the insurance requirements in this Agreement. If the Contractor begins work before delivery of the Notice to Proceed, that work will be at the Contractor's risk and expense and subject to all terms and conditions of this Agreement except those terms and conditions inconsistent with the Contractor's assumption of that risk and expense. If a Notice to Proceed is delivered, then work performed before delivery will be treated for all purposes as though it were performed after delivery. Further, an amendment will be necessary to incorporate the work designated as "NIC" in any event.

#### **C.2. Submitting False Claims; Monetary Penalties**

The AOC shall be entitled to remedy any false claims, as defined in California Government Code section 12650 *et seq.*, made to the AOC by the Contractor or any subcontractor under the standards set forth in Government Code section 12650 *et seq.* Any Contractor or subcontractor who submits a false claim shall be liable to the AOC for three times the amount of damages that the AOC sustains because of the false claim. A Contractor or subcontractor who submits a false claim shall also be liable to the AOC for (a) the costs, including attorney fees, of a civil action brought to recover any of those penalties or damages, and (b) a civil penalty of up to \$10,000 for each false claim.

#### **C.3. Sales and Use Tax**

Payment of possessory interest taxes and California sales and use taxes, levied upon this Agreement, or any goods or the Services delivered pursuant hereto, shall be the obligation of the Contractor.

#### **C.4. Responsibility for Equipment and Real Property**

The AOC shall not be responsible for any damage to persons or property as a result of the use, misuse, or failure of any equipment used by the Contractor, or by any of its employees or agents, even though such equipment is furnished, rented, or loaned to the Contractor by the AOC.

#### **C.5. Independent Contractor**

a. Independent Contractor. The Contractor shall be, and is, an independent contractor, is not an employee or agent of the AOC, and is not covered by any employee benefit plans provided to the AOC's employees. The Contractor is, and shall be, liable for its own acts and omissions as well as those of its employees, its subcontractors and its agents. Nothing in this Agreement shall be construed as creating an employment or agency relationship between the

AOC and the Contractor. The Contractor will determine the method, details and means of performing its responsibilities with regard to the Services, including, without limitation, exercising full control over the employment, direction, compensation and discharge of all persons assisting the Contractor in the performance of the Services. The Contractor shall be solely responsible for all matters relating to the payment of its employees, including compliance with social security, withholding, any and all employee benefits, and all regulations governing such matters.

b. Payment of Income Taxes. The Contractor shall pay, when due, all applicable income taxes, including estimated taxes, incurred as a result of the compensation paid by the AOC to the Contractor for the Services. The State is exempt from federal excise taxes and no payment will be made for any taxes levied on the Contractor's or any subcontractor's employees' wages. The Contractor agrees to indemnify, defend and hold the AOC harmless for any claims, costs, losses, fees, penalties, interest or damages (including attorney fees and costs) suffered by the AOC resulting from the Contractor's failure to comply with this provision. The AOC may offset any taxes paid by the AOC as a result of the Contractor's breach of this provision.

#### **C.6. Contractor's Key Personnel**

a. The Contractor shall use adequate numbers of qualified individuals with suitable training, education, experience and skill to perform the Services. The Contractor has been selected to perform the Services herein, in part, because of the skills and expertise of the key individuals and/or firms (collectively "Contractor's Key Personnel") that are listed in Exhibit F. Substitution or replacement of the individuals and/or firms identified in Exhibit F is not allowed except with written approval of the AOC.

b. If the designated lead or key person fails to perform to the satisfaction of the AOC upon written notice, the Contractor will have fifteen (15) calendar days to remove that person from the Project and replace that person with one acceptable to the AOC. All lead or key personnel for any subcontractor must also be designated by any subcontractor and are subject to all conditions stated in this section.

c. The Contractor shall be responsible for all costs associated with replacing any of Contractor's Key Personnel, including the additional costs to familiarize replacement personnel with the Services. If the Contractor does not furnish replacement personnel acceptable to the AOC, the AOC may terminate this Agreement for cause.

#### **C.7. Standard of Care**

The Contractor, its officers, agents, employees, subcontractors, consultants and any persons or entities for whom Contractor is responsible, shall provide all Services pursuant to this Agreement in a manner consistent with the standard of care under California law applicable to those who specialize in providing such services for projects of the type, scope, and complexity of the Project. The AOC's Acceptance of any submittals, deliverables, or other work product of the Contractor shall not be construed as assent that Contractor has complied, nor in any way relieve the Contractor of, compliance with (i) the applicable standard of care or (ii) applicable statutes, regulations, rules, guidelines, and requirements.

### **C.8. AOC's Quality Assurance Plan**

The AOC or its agent may evaluate Contractor's performance under this Agreement. Such evaluation may include assessing Contractor's compliance with all Agreement terms and performance standards. Any deficiencies in the Contractor's performance that the AOC determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected, will be reported to the Contractor's principal. The report may include recommended improvements and corrective measures to be taken by the Contractor. If the Contractor's performance remains unsatisfactory, the AOC may, without limitation, terminate this Agreement for cause or impose other penalties as specified in this Agreement. Any evaluation of Contractor's performance conducted by the AOC shall not be construed as an Acceptance of the Contractor's work product or methods of performance. Contractor shall be solely responsible for the quality, completeness, and accuracy of the work product that Contractor and its subcontractors deliver under this Agreement. Contractor shall not rely on AOC to perform any quality control review of Contractor's work product, as such review shall be conducted by Contractor.

### **C.9. Subcontracting**

a. The Contractor is prohibited from subcontracting this Agreement or any part of it, except to subcontractors as set forth in Exhibit E, unless such subcontracting is first approved by the AOC in a written instrument executed and approved in the same manner as this Agreement. An agreement made in violation of this section shall confer no rights on any party and shall be null and void.

b. If requested by the AOC, the Contractor shall provide documentation that the proposed subcontractor is experienced and able to perform that portion of the Services Contractor wishes to subcontract. The Contractor shall require all subcontractors to comply with the provisions of this Agreement. The Contractor shall provide copies of all agreements with subcontractors to the AOC. The AOC's approval of subcontracts shall in no way relieve the Contractor of any of its responsibilities and obligations under this Agreement.

c. The Contractor expressly acknowledges that its subcontractors are not third party beneficiaries of this Agreement.

### **C.10. Background Checks**

If the Contractor assigns persons (whether employees, independent contractors, subcontractors or agents) to perform work under this Agreement that requires that the person have access to the systems (whether on-site or by remote access) or premises of the AOC or other judicial branch entities, the AOC shall have the right, but not the obligation, to conduct a background check or to require the Contractor to conduct a background check, as permitted by law, on all such persons before the AOC will grant to such persons access to the AOC's or other judicial branch entities' premises or systems. The Contractor will cooperate with the AOC in performing such background check, and will promptly notify the AOC of any such person refusing to undergo such background check, and will reassign such person to perform other services. The Contractor

shall obtain all releases, waivers, or permissions required for the release of such information to the AOC. Costs incident to background checks are the sole responsibility of the Contractor.

### **C.11. Indemnification**

The Contractor agrees, to the fullest extent permitted by law, to indemnify, defend (with counsel satisfactory to the AOC), and hold harmless (collectively, "Indemnify") the State, the Judicial Council of California, the Administrative Office of the Courts, the State's trial courts, appellate courts, justices, judges, subordinate judicial officers, court executive officers, court administrators, and any and all of their officers, agents, contractors, representatives, volunteers and employees (individually, an "Indemnified Party") from any and all claims, lawsuits, losses, costs (including attorney fees and costs), liabilities, and damages arising from, related to or in connection with, in whole or in part, any of the following: (a) the Contractor's or any of its employees' or subcontractors' negligent acts, omissions, or intentional misconduct; (b) the Contractor's breach of its obligations under this Agreement; (c) the Contractor's or any of its employees' or subcontractors' violation of any applicable law, rule, or regulation; and/or (d) any claim or lawsuit by a third party, contractor, subcontractor, supplier, worker, or any other person, firm, or corporation furnishing or supplying work, Services, materials, or supplies in connection with the performance of this Agreement who may be injured or damaged by the Contractor or any of its subcontractors or employees, when such claim arises from, is related to, or is in connection with, the Contractor's performance of this Agreement. This article does not require the Contractor to Indemnify an Indemnified Party for such portion of any loss, cost, liability, or damage that arises solely from the negligence or intentional misconduct of the Indemnified Party.

### **C.12. Insurance**

a. Insurance Required. Without limiting the Contractor's indemnification obligation and in addition thereto, the Contractor shall secure and maintain in force throughout the term of this Agreement the following types of insurance with limits as shown. By requiring such minimum insurance, the AOC shall not be deemed or construed to have assessed the risks that may be applicable to the Contractor under this Agreement. The insurance must apply separately to each insured against

whom a claim is made or lawsuit is brought, subject only to the insurance policy's limit of liability

- (iii) Commercial or Business Automobile Liability Insurance—Covering liability arising out of a motor vehicle, including owned, non-owned, leased, and hired vehicles assigned to or used in connection with the Project. The policy shall provide combined single limits of not less than \$2,000,000 per accident or loss.
- (iv) Professional Liability Insurance; Errors and Omissions —Covering the Contractor's acts, errors or omissions committed or alleged to have been committed which arise out of rendering or failure to render the Services provided under the terms of this Agreement. The policy shall provide limits of not less than \$2,000,000 per claim or per occurrence and \$2,000,000 annual aggregate applicable solely to this Project. If the policy is written on a "claims made" form, the Contractor shall continue such coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Services which are the subject of this Agreement. The retroactive date or "prior acts inclusion date" of any such "claims made" policy must be no later than the date that Services commence pursuant to this Agreement.

*The Professional Liability Insurance needs will be assessed based on the complexity of the project; however, the following guidelines will in general apply.]*

The AOC may, at any time, by delivery of a Stop Services Order to the Contractor, require the Contractor to stop all, or any part, of the Services pursuant to this Agreement, for a period up to ninety (90) days after the Stop Services Order is delivered to the Contractor, and for any further period to which the parties may agree. The Stop Services Order shall be specifically identified as such and shall indicate it is issued under this section. ### **C.16. Termination for Non-Appropriation of Funds**

The Contractor acknowledges that funding for this Agreement is conditioned upon appropriation by the California Legislature and allocation by the Judicial Council of California, and/or sale of lease revenue or other bonds, of sufficient funds to support the activities described in this Agreement. By written notice to the Contractor, the AOC may immediately terminate this Agreement, in whole or in part, for lack of appropriation of funds, or other withdrawal, reduction or limitation in any way of the AOC's budget, funding or financial resources.

### **C.17. Termination for Convenience**

The AOC shall have the option, in its sole discretion, to terminate this Agreement, in whole or in part, at any time during the term hereof, for convenience and without cause, upon written notice to the Contractor. The notice shall specify the date on which termination shall become effective.

### **C.18. Actions of the Contractor Upon Termination**

Immediately upon receipt of any notice of termination of this Agreement, the Contractor shall commence and perform, with diligence, all actions necessary on the part of the Contractor to effect the termination of this Agreement on the date specified by the AOC and to minimize the liability of the Contractor and the AOC to third parties as a result of termination. All such actions shall be subject to the prior approval of the AOC, at the AOC's sole discretion. Such actions shall include, without limitation:

- a. Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by the AOC.
- b. Not placing any further orders or entering into any subcontracts for materials, Services, equipment or other items.
- c. Canceling any and all existing orders and terminating any and all subcontracts.
- d. Assigning to the AOC any or all of the Contractor's right, title, and interest under the existing orders and subcontracts.
- e. Settling all outstanding liabilities and all claims arising out of the cancellation of orders and termination of subcontracts.
- f. Completing performance of any Services that the AOC designates to be completed prior to the date of termination specified by the AOC.
- g. Providing to the AOC any tangible work product and Data created in the course of the performance of Services hereunder.

### **C.19. Effect of Termination**

In addition to any other remedies and actions set forth in this Agreement, if this Agreement is terminated for cause, non-appropriation of funds, or for convenience, the following will apply:

a. Payment Upon Termination. The AOC shall pay for Contractor's Services satisfactorily performed through the effective date of termination; in no event shall Contractor's compensation under this Section exceed the reasonable value of the performed Services, based on the Contractor's progress of the Services performed and the proportionate corresponding value of the Contract Amount. Additionally, the Contractor shall not be entitled to recover its anticipated profit on any work not performed pursuant to said termination.

b. Offset and Deduction. The AOC may deduct from any payment upon

termination:

- (i) All payments previously made by the AOC for Services covered by the Contractor's final invoice.
- (ii) The amount of any undisputed claim that the AOC may have against the Contractor in connection with this Agreement.
- (iii) In instances in which the AOC reasonably determines that the cost of any Services is excessive and if excessive due to costs incurred to remedy or replace defective materials or rejected Services, the AOC will pay the difference between the invoiced amount and the AOC's reasonable estimate of the reasonable cost of replacing the materials or performing the invoiced Services in compliance with the requirements of this Agreement.

#### **C.20. Ownership of Data**

a. Everything created, developed or produced in the course of the Contractor's performance of the Services, including, without limitation, all drawings and specifications, reports, records, files, documents, memoranda, schedules, recordings, information and other materials or data (collectively, "Data") in any form, prepared, or in the process of being prepared, are works made for hire by the Contractor for the AOC and are the sole property of the AOC without further employment or the payment of additional compensation to the Contractor. The AOC owns all of the right, title and interest, in and to the Data, including, without limitation, all trademarks, copyrights, trade secrets, patents, and any and all other intellectual property rights therein (collectively, the "Intellectual Property Rights"). To the extent that any of the Data or the Intellectual Property Rights therein are not works for hire, the Contractor hereby irrevocably assigns its entire right, title and interest in and to all such Data and the Intellectual Property Rights therein, to the AOC. At the AOC's request, the Contractor will assist the AOC in the AOC's prosecution, perfection, and registration of any or all Intellectual Property Rights in the Data. The Contractor irrevocably appoints the AOC as its attorney in fact, coupled with an interest, to take all actions and execute and file all documents that the AOC deems necessary to perfect the AOC's interest and Intellectual Property Rights in the Data as set forth herein.

b. The AOC shall be entitled to access copies of the Data in whatever form, including, without limitation CAD, all times during the term of the Agreement. Any such Data in the possession of the Contractor or in the possession of any subcontractor upon completion or termination of the Agreement shall be immediately delivered to the AOC. If any Data are lost, damaged or destroyed before final delivery to the AOC, the Contractor shall replace them at its own expense and the Contractor assumes all risks of loss, damage or destruction of or to such Data.

c. AOC expressly acknowledges and agrees that the Data to be provided by Contractor under the Agreement may contain certain design details, features and concepts from the Contractor's best practices detail library, which collectively may form portions of the design for the Project, but which separately are, and shall remain, the sole and exclusive property of

Contractor. Nothing herein shall be construed as a limitation on the Contractor's right to re-use such component design details, features and concepts on other projects, in other contexts or for other clients.

d. The AOC acknowledges the Contractor's work product, including electronic files, as instruments of professional service. If the AOC reuses or makes any modification to the Contractor's work product without the prior written authorization of the Contractor, the AOC agrees, to the fullest extent permitted by law, to indemnify, defend (with counsel reasonably satisfactory to Contractor) and hold harmless the Contractor, and its officers, directors, employees and subconsultants, against any damages, liabilities or costs, including reasonable attorney fees and defense costs, arising from or allegedly arising from or in any way connected with the reuse or modification of the Contractor's work product by the AOC, or by any person or entity that lawfully acquires or obtains the Contractor's work product from or through the AOC without the written authorization of the Contractor.

### **C.21. Proprietary or Confidential Information of AOC**

a. The Contractor understands and agrees that, in the performance of the Services under this Agreement or in contemplation thereof, the Contractor may have access to private or confidential information which may be owned or controlled by, or otherwise in the possession of, the AOC and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to the AOC. The Contractor agrees that all information disclosed by the AOC to the Contractor shall be held in confidence and used only in the performance of the Agreement. The Contractor shall exercise the same standard of care to protect such information as the Contractor uses to protect its own proprietary information and in any case no less than a reasonably prudent person or entity would use to protect its own proprietary data.

b. It is understood, however, that the Contractor may disclose the AOC's confidential information on a "need to know" basis to the Contractor's employees, the Contractor's subcontractors, and the subcontractors' employees, and as required by law. Contractor shall execute written agreements with its subcontractors that bind each subcontractor and its employees to the confidentiality provisions set forth in this Agreement.

c. The Contractor shall acquire no right or title to the confidential information. The Contractor agrees not to use the confidential information for any purpose except to provide the Services. Notwithstanding the foregoing, the Contractor may disclose the confidential information: (i) to the extent necessary to comply with any law, rule, regulation or ruling applicable to it or as appropriate to respond to any summons or subpoena applicable to it; provided, however, that the Contractor first gives reasonable notice of its intention to disclose in order for the AOC to seek a protective order; or (ii) to the extent necessary to enforce its rights under this Agreement.

d. The Contractor agrees that monetary damages are inadequate to remedy any breach or threatened breach of this Section and, accordingly, consents to injunctive relief for any breach or threatened breach hereof without the posting of any bond.

## C.22. Audit and Retention of Records

The Contractor shall permit authorized representatives of the AOC and/or its designee at any reasonable time to inspect, copy, or audit any and all records and documentation related to the performance of the Agreement, including records related to billings and other financial records. The Contractor shall allow the auditor(s) access to such records during normal business hours and shall allow the auditor(s) to interview any employees or others who might reasonably have information related to such records. Further, the Contractor agrees to include the same right of the AOC to audit records and interview staff in any subcontract related to performance of this Agreement. The Contractor shall maintain, and shall require its subcontractors to maintain, all records and documentation related to the performance of this Agreement, including records related to billings and other financial records, in an accessible location and condition for a period of not less than three (3) years after final payment is received pursuant to this Agreement or until after final audit has been resolved, whichever is later. The Contractor shall adequately protect all records against fire or other damage. The State of California, or any state agency or entity having an interest in the subject of this Agreement, shall have the same rights conferred upon the AOC by this section.

## C.23. Accounting System Requirements

The Contractor shall maintain an adequate system of accounting and internal controls that meets Generally Accepted Accounting Principles (GAAP).

## C.24. AOC and [REDACTED] Court Representation

a. AOC Project Management.

- (i) For the purposes of this Agreement, the AOC's authorized representative ("Project Manager") shall be:

Phone: 415/865-[REDACTED]  
Facsimile: 415/865-[REDACTED]

- (ii) All requests and communications about the Services to be performed under this Agreement shall be made through the Project Manager.
- (iii) The Project Manager is not authorized by the AOC to make any commitments or changes which will affect the price, terms or conditions of this Agreement absent an amendment executed by the parties.

b. Third Party Representation. The AOC has the authority to speak on behalf of the [REDACTED] Court and to bind such court with respect to Acceptance of deliverables and all

matters hereunder.

c. Third Party Beneficiary. The [REDACTED] Court shall be an intended third party beneficiary of this Agreement. In the event the court gives conflicting instructions or makes conflicting determinations with respect to any matter, it shall be the AOC's responsibility to resolve any such conflict promptly.

## **C.25. Dispute Resolution**

a. Notice of Dispute. The parties shall attempt in good faith to resolve potential disputes informally and promptly. If a dispute persists, either party may submit a written demand to the other party at the earliest practicable time that the dispute is identified (the "Demand"). The Demand shall: (i) be fully supported by detailed factual information and supporting documentation; (ii) state the specific Agreement provisions on which the Demand is based; and (iii) if the Demand involves a cost adjustment, state the exact amount of the cost adjustment accompanied by all records supporting the Demand. The Demand shall include a written statement signed by an authorized person indicating that the Demand is made in good faith, that the supporting data and documents are accurate and complete, and that the amount requested accurately reflects the adjustment for which the submitting party believes the other party is responsible. To assist the other party in its review of the Demand, the submitting party shall comply with reasonable requests for additional information. The receiving party shall provide a written response to the submitting party's Demand stating a decision as to whether the receiving party accepts or rejects the Demand. Failure by the receiving party to provide such a response shall be deemed a decision by the receiving party constituting a rejection of the Demand.

b. Senior Level Negotiations. Upon written request by either party after the receipt of a Demand, the parties shall attempt to resolve the dispute by negotiations between the principal (or equivalent) of the Contractor and the designated representative of the AOC. The principal (or equivalent) of the Contractor and the designated representative of the AOC shall meet as often as they deem reasonably necessary to exchange information and attempt to resolve the Demand within thirty (30) days after the Demand was initially delivered.

c. Mediation. If the senior level negotiations do not result in resolution of the dispute within thirty (30) days after the Demand was received, the parties shall submit their dispute to mediation prior to any party initiating an action in court.

d. Litigation. If, after mediation pursuant to Section C.25(c), the parties have not resolved the dispute, the receiving party's decision made pursuant to Section C.25(a) will be conclusive and binding regarding the dispute unless the submitting party commences an action in a court of competent jurisdiction to contest such decision within ninety (90) days following the conclusion of such mediation or one (1) year following the accrual of the cause of action, whichever is later. In the event of litigation of a dispute arising from or related to this Agreement, the prevailing party shall be entitled to recover reasonable attorney fees and costs.

e. Confidentiality. All negotiations conducted pursuant to this Section C.25 are confidential and shall be treated as compromise and settlement negotiations to which California

Evidence Code Section 1152 applies. The mediation shall be confidential and shall be subject to the provisions of California Evidence Code Sections 703.5 and 1115 through 1128.

f. Continuation of Work. Pending the final resolution of any dispute arising under, related to, or involving this Agreement, Contractor agrees to diligently proceed with the performance of this Agreement, including the delivery of deliverables or providing of Services, in accordance with the AOC's instructions. Contractor's failure to diligently proceed in accordance with the AOC's instructions will be considered a material breach of this Agreement.

d. Covenant Against Gratuities. No gratuities, in the form of entertainment, gifts, or otherwise, were offered by the Contractor or any agent, director, or representative of the Contractor, to any officer, official, agent, or employee of the State with a view toward securing this Agreement or securing favorable treatment with respect to any determinations concerning the performance of this Agreement. For breach or violation of this provision, the AOC will have the right to terminate this Agreement, either in whole or in part, and any loss or damage sustained by the State in procuring, on the open market, any items which the Contractor agreed to supply, shall be borne and paid for by the Contractor. The rights and remedies of the AOC provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.
