**1. Term of this Statement of Work.**

Expiration or termination of the Agreement will not serve to terminate this Statement of Work. All applicable terms and conditions of the Agreement will continue to apply to this Statement of Work until the expiration or termination of this Statement of Work.

**2. JBE’s Requirements and Description of the Work.**

The JBE seeks written proposals for a Case Management Solution (CMS) and accompanying professional services of a person or entity with expertise in supporting a web-based dependency case-type CMS for use by Third Party dependency attorneys throughout the State. The proposed CMS must also import and maintain legacy data, conduct training of personnel who may utilize the system, application hosting, and provide ongoing maintenance and support. The purpose of this Project is to provide dependency attorneys access to a web-based solution that will ***not*** be hosted locally at a JCC facility.

The primary goal of the RFP is ensure that dependency attorneys are provided access to a CMS that allows them to enter case and workload information related to mandatory reporting requirements, which the JCC uses in determining attorney compensation and monitoring attorney performance. In addition, the CMS should allow dependency attorneys to organize and manage services provided to clients related specifically to juvenile dependency proceedings for example, sending text (sms) reminders to clients. The selected CMS and associated services should be modern, efficient, reliable, economical and proven. It is also the goal of this RFP to engage an experienced Contractor, capable of executing an efficient project within a two-month timeframe and also within budget in addition to requirements set forth in Section 2.2 of Appendix C and Sections 2.3 through Section 15.0 (including all applicable requirements listed within this entire RFP solicitation document, appendices and attachments.

The JBE may reject any Work that: (i) fails to meet applicable requirements, Specifications, or acceptance criteria, (ii) are not as warranted, (iii) are performed or delivered late, or not provided in accordance with this Agreement; or (iv) contain Defects. Payment does not imply acceptance of Contractor's invoice or Work. If the JBE provides Contractor a notice of rejection for any Work, Contractor shall modify such rejected Work at no expense to the JBE to correct the relevant deficiencies and shall redeliver such Work to the JBE within ten Business Days after Contractor's receipt of such notice of rejection, unless otherwise agreed in writing by the Parties. Thereafter, the Parties shall repeat the process set forth in this Section until Contractor's receipt of the JBE's written acceptance of such corrected Work (each such JBE written acceptance, an "Acceptance"); provided, however, that if the JBE

rejects any Work on at least two occasions, the JBE may terminate that portion of this Agreement which relates to the rejected Work at no expense to the JBE.

2.3 **Fees and Payment.** Subject to the terms of this Agreement, the Contractor shall invoice the JBE, and the JBE shall compensate Contractor, as set forth in Appendix B. The fees to be paid to Contractor under this Agreement shall be the total and complete compensation to be paid to Contractor for its performance under this Agreement. Contractor shall bear, and the JBE shall have no obligation to pay or reimburse Contractor for, any and all other fees, costs, profits, taxes or expenses of any nature that Contractor incurs.

**3 Representations and Warranties.** Contractor represents and warrants to the JBE as follows:

3.3 **No Litigation.** No Claim or governmental investigation is pending or threatened against or affecting Contractor or Contractor's business, financial condition, or ability to perform this Agreement.

3.4 **Not an Expatriate Corporation.** Contractor is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of Public Contract Code section 10286.1, and is eligible to contract with the JBE.

3.5 **No Interference.** To the best of Contractor's knowledge, this Agreement does not create a material conflict of interest or breach under any of Contractor's other contracts.

3.6 **Drug Free Workplace.** Contractor provides a drug-free workplace as required by California Government Code sections 8355 through 8357.

3.7 **No Harassment / Nondiscrimination.** Contractor does not engage in unlawful harassment, including sexual harassment, with respect to any persons with whom Contractor may interact in the performance of this Agreement, and Contractor takes all reasonable steps to prevent harassment from occurring. Contractor complies with the federal Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and California's Fair Employment and Housing Act (Government Code sections 12990 et seq.) and associated regulations (Code of Regulations, title 2, sections 7285 et seq.). Contractor does not unlawfully discriminate against any employee or applicant for employment because of age (40 and over), ancestry, color, creed, disability (mental or physical) including HIV and AIDS, marital or domestic partner status, medical condition (including cancer and genetic characteristics), national origin, race, religion, request for family and medical care leave, sex (including gender and gender identity), and sexual orientation. 3.8 **Domestic Partners, Spouses, Gender, and Gender Identity Discrimination.** If the Contract Amount is \$100,000 or more, Contractor is in compliance with: (i) Public Contract Code section 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits on the basis of marital or domestic partner status; and (ii) Public Contract Code section 10295.35, which places limitations on contracts with contractors that discriminate in the provision of benefits on the basis of an employee's or dependent's actual or perceived gender identity.

3.9 **National Labor Relations Board Orders.** No more than one, final unappealable finding of contempt of court by a federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order of a federal court requiring Contractor to comply with an order of the National Labor Relations Board. Contractor swears under penalty of perjury that this representation is true.

3.10 **Child Support Compliance Act.** If the Contract Amount is \$100,000 or more: (i) Contractor recognizes the importance of child and family support obligations and fully complies with all applicable state and federal laws relating to

child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Chapter 8 (commencing with section 5200) of Part 5 of Division 9 of the Family Code; and (ii) Contractor provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

3.11 **Intellectual Property.** Contractor shall perform its obligations under this Agreement in a manner that the Work (including each Deliverable) and any portion thereof, does not infringe, or constitute an infringement, misappropriation or violation of, any Intellectual Property Right. Contractor has full Intellectual Property Rights and authority to perform all of its obligations under this Agreement, and Contractor is and will be either the owner of, or authorized to use for its own and the Judicial Branch Entities' benefit, all Contractor Materials, Third Party Materials, and Licensed Software used and to be used in connection with the Work.

3.12 **Work.** (i) the Work will be rendered with promptness and diligence and will be executed in a workmanlike manner, in accordance with the practices and professional standards used in well-managed operations performing services similar to the Work; (ii) Contractor will use efficiently the resources or services necessary to provide the Work; and provide the Work in the most cost efficient manner consistent with the required level of quality and performance; (iii) the Work will be provided free and clear of all liens, claims, and encumbrances; (iv) all Work will be free from all defects in materials and workmanship, and will be in accordance with Specifications, Documentation, Applicable Laws, and other requirements of this Agreement; and (v) all equipment purchased by the JBE from Contractor will be new. In the event any Work does not conform to the foregoing provisions of this Section 3.12, Contractor shall promptly correct all nonconformities.

3.13 **Malicious Code.** No Work will contain any Malicious Code. Contractor shall immediately provide to the JBE written notice in reasonable detail upon becoming aware of the existence of any Malicious Code. Without limiting the foregoing, Contractor shall use best efforts and all necessary precautions to prevent the introduction and proliferation of any Malicious Code in the Judicial Branch Entities' IT Infrastructure or networks or in the Contractor systems used to provide Work. In the event Contractor or the JBE discovers the existence of any Malicious Code, Contractor shall use its best efforts, in cooperation with the JBE, to effect the prompt removal of the Malicious Code from the Work and the Judicial Branch Entities' IT Infrastructure and the repair of any files or data corrupted thereby, and the expenses associated with the removal of the Malicious Code and restoration of the data shall be borne by Contractor. In no event will Contractor or any Subcontractor invoke any Malicious Code.

3.14 **Four-Digit Date Compliance.** Contractor will provide only Four-Digit Date Compliant Work to the JBE. "Four-Digit Date Compliant" Work can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries.

3.15 **Conflict Minerals.** Contractor certifies either: (i) it is not a "scrutinized company" as defined in PCC 10490(b), or (ii) the goods or services the Contractor will provide to the JBE are not related to products or services that are the reason the Contractor must comply with Section 13(p) of the Securities Exchange Act of 1934

3.16 **Miscellaneous.** The rights and remedies of the JBE provided in this Section 3 will not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement. The representations and warranties that Contractor makes in this Section 3 shall be true and accurate as of the Effective Date, and shall remain true during the term of this Agreement and the Termination Assistance Period. Contractor shall promptly notify the JBE if any representation or warranty becomes untrue.

#### **4 Intellectual Property.**

4.1 **Contractor/Third Party Materials.** Contractor shall set forth in an exhibit to each Statement of Work all Contractor Materials and Third Party Materials that Contractor intends to use in connection with that Statement of Work. The JBE shall have the right to approve in writing the introduction of any Contractor Materials or Third Party Materials into any Work prior to such introduction. Contractor grants to the Judicial Branch Entities, together with all JBE Contractors, without additional charge, a perpetual, irrevocable, royalty-free, fully paid-up, worldwide, nonexclusive license to use, reproduce, perform, display, transmit, distribute, modify, create derivative works of, make, have made, sell, offer for sale and import Contractor Materials and Third Party Materials (including Source Code) and to sublicense such rights to other entities, in each case for California judicial branch business and operations.

4.2 **Rights in Developed Materials.** Notwithstanding any provision to the contrary, upon their creation the Developed Materials (and all Intellectual Property Rights therein) will be the sole and exclusive property of the JBE. Contractor (for itself, Project Staff and Subcontractors) hereby irrevocably assigns, transfers and conveys to the JBE without further consideration all worldwide right, title and interest in and to the Developed Materials, including all Intellectual Property Rights therein. Contractor further agrees to execute, and shall cause Project Staff and Subcontractors to execute, any documents or take any other actions as may be reasonably necessary or convenient to perfect the JBE's or its designee's ownership of any Developed Materials and to obtain and enforce Intellectual Property Rights in or relating to Developed

Materials. Contractor shall promptly notify the JBE upon the completion of the development, creation or reduction to practice of any and all Developed Materials.

4.3 **Retention of Rights.** The JBE retains all rights, title and interest (including all Intellectual Property Rights) in and to the JBE Materials. Subject to rights granted herein, Contractor retains all rights, title and interest (including all Intellectual Property Rights) in and to the Contractor Materials.

4.4 **Third-Party Rights.** Contractor hereby assigns to the Judicial Branch Entities all of Contractor's licenses and other rights (including any representations, warranties, or indemnities that inure to Contractor from third parties) to all Third Party Materials incorporated into the Work. If such licenses and rights cannot be validly assigned to or passed through to Judicial Branch Entities by Contractor without a Third Party's consent, then Contractor will use its best efforts to obtain such consent (at Contractor's expense) and will indemnify and hold harmless the JBE, Judicial Branch Entities and Judicial Branch Personnel against all Claims arising from Contractor's failure to obtain such consent.

## **5 Confidentiality.**

5.1 **General Obligations.** During the Term and at all times thereafter, Contractor will: (a) hold all Confidential Information in strict trust and confidence, (b) refrain from using or permitting others to use Confidential Information in any manner or for any purpose not expressly permitted by this Agreement, and (c) refrain from disclosing or permitting others to disclose any Confidential Information to any Third Party without obtaining the JBE's express prior written consent on a case-by-case basis. Contractor will disclose Confidential Information only to Project Staff (including Subcontractors) with a need to know in order to provide the Work hereunder and who have executed a confidentiality agreement with Contractor at least as protective as the provisions of this Section 5. The provisions of this Section 5 shall survive beyond the expiration or termination of this Agreement. Contractor will protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects its own confidential or proprietary information of a similar nature, and with no less than reasonable care and industry-standard care. The JBE owns all right, title and interest in the Confidential Information. Contractor will notify the JBE promptly upon learning of any unauthorized disclosure or use of Confidential Information and will cooperate fully with the JBE to protect such Confidential Information. Notwithstanding any provision to the contrary, Contractor will keep all Personal Information confidential, unless otherwise authorized by the JBE in writing.

5.2 **Removal; Return.** Contractor will not remove any Confidential Information from Judicial Branch Entities' facilities or premises without the JBE's express prior written consent. Upon the JBE's request and upon any termination or expiration of this Agreement, Contractor will promptly (a) return to the JBE or, if so directed by the JBE, destroy all Confidential Information (in every form and medium), and (b) certify to the JBE in writing that Contractor has fully complied with the foregoing obligations.

5.3 **Breach of Confidentiality.** Contractor acknowledges that there can be no adequate remedy at law for any breach of Contractor's obligations hereunder, that any such breach will likely result in irreparable harm, and therefore, that upon any breach or threatened breach of the confidentiality obligations, the JBE shall be entitled to appropriate equitable relief, without the requirement of posting a bond, in addition to its other remedies at law.

## **6 Indemnification.**

6.1 **General Indemnity.** Contractor shall indemnify, defend (with counsel satisfactory to the JBE), and hold harmless Judicial Branch Entities and Judicial Branch Personnel against all Claims founded upon or that arise out of or in connection with: (i) Contractor's provision of, or failure to provide, the Work (ii) any other breach by Contractor under this Agreement; or (iii) Third Party Claims relating to infringement or misappropriation of any Intellectual Property Right by Contractor or the Work, including software, services, systems, equipment, or other materials provided by Contractor or Subcontractors to Judicial Branch Entities (collectively, the "Covered Items"). Contractor shall not make any admission of liability or other statement on behalf of an indemnified party or enter into any settlement or other agreement which would bind an indemnified party, without the JBE's prior written consent, which consent shall not be unreasonably withheld; and the JBE shall have the right, at its option and expense, to participate in the defense and/or settlement of a claim through counsel of its own choosing. Contractor's duties of indemnification exclude indemnifying a party for that portion of losses and expenses that are finally determined by a reviewing court to have arisen out of the sole negligence or willful misconduct of the indemnified party.

6.2 **Certain Remedies.** If any Covered Item provided under this Agreement becomes, or in Contractor's or the JBE's reasonable opinion is likely to become, the subject of any Claim arising from or alleging infringement, misappropriation or other violation of, or in the event of any adjudication that such Covered Item infringes, misappropriates or otherwise violates any Intellectual Property Right of a Third Party, Contractor at its own expense shall take the following actions in the listed order of preference: (a) secure for the Judicial Branch Entities the right to continue using the applicable Covered Item; or (b) if commercially reasonable efforts are unavailing, replace or modify the infringing Covered Item to make it noninfringing; provided, however, that such modification or replacement shall not degrade the operation or

(Rev. July 2017)

performance of the Covered Item.

## **7 Insurance.**

7.1 Basic Coverage. Contractor shall provide and maintain at Contractor's expense the following insurance during the Term:

(a) Workers Compensation and Employer's Liability. The policy is required only if Contractor has employees. It must include workers' compensation to meet minimum requirements of the California Labor Code, and it must provide coverage for employer's liability bodily injury at minimum limits of \$1 million per accident or disease;

(b) Commercial General Liability. The policy must be written on an occurrence form with limits of not less than \$1 million per occurrence, and a \$1 million annual aggregate. Each policy must include coverage for liabilities arising out of premises, operations, independent contractors, products and completed operations, personal and advertising injury, and liability assumed in a contract.; and

(c) Professional Liability. The policy must cover Contractor's acts, errors and omissions committed or alleged to have been committed which arise out of rendering or failure to render services provided under this Agreement. The policy shall provide limits of not less than \$1 million per occurrence and annual aggregate.

(d) Commercial Automobile Liability. If an automobile is used in providing the Work, automobile liability insurance with limits of not less than \$1 million per accident. Such insurance must cover liability arising out of the operation of a motor vehicle, including owned, hired, and non-owned motor vehicles, assigned to or used in connection with providing the Work.

(e) Commercial Crime Insurance. If Contractor handles or has regular access to the JBE's funds or property of significant value to the JBE, this policy must cover dishonest acts including loss due to theft of money, securities, and property; forgery, and alteration of documents; and fraudulent transfer of money, securities, and property. The minimum liability limit must be \$\_TBD\_.

7.2 "Claims Made" Coverage. If any required insurance is written on a "claims made" form, Contractor shall maintain the coverage continuously throughout the Term, and, without lapse, for three years beyond the termination or expiration of this Agreement and the JBE's acceptance of all Work provided under this Agreement. The retroactive date or "prior acts inclusion date" of any "claims made" policy must be no later than the date that Work commences under this Agreement.

7.3 Umbrella Policies. Contractor may satisfy basic coverage limits through any combination of primary, excess or umbrella insurance.

7.4 Aggregate Limits of Liability. The basic coverage limits of liability may be subject to annual aggregate limits. If this is the case the annual aggregate limits of liability must be at least two times the limits required for each policy, or the aggregate may equal the limits required but must apply separately to this Agreement.

7.5 Deductibles and Self-Insured Retentions. Contractor is responsible for and may not recover from the JBE, including Judicial Branch Personnel, any deductible or self-insured retention that is connected to the insurance required under this Section 7.

7.6 Additional Insured Status. With respect to commercial general liability, automobile liability insurance, and, if applicable, umbrella policy, the policies must be endorsed to name the Judicial Branch Entities and Judicial Branch Personnel as additional insureds with respect to liabilities arising out of the performance of the Agreement.

7.7 Certificates of Insurance. Before Contractor begins providing Work, Contractor shall give the JBE certificates of insurance attesting to the existence of coverage, and stating that the policies will not be canceled, terminated, or amended to reduce coverage without 30 or more days' prior written notice to the JBE. Any replacement certificates of insurance are subject to the approval of the JBE, and, without prejudice to the JBE, Contractor shall not provide Work before the JBE approves the certificates.

7.8 Qualifying Insurers. For insurance to satisfy the requirements of this section, all required insurance must be issued by an insurer with an A.M. Best rating of A - or better that is approved to do business in the State of California.

7.9 Required Policy Provisions. Each policy must provide, as follows:

(a) Insurance Primary; Waiver of Recovery. With respect to commercial general liability and automobile liability insurance, the policies must be endorsed to be primary and noncontributory with any insurance or self-insurance programs maintained by Judicial Branch Entities and Judicial Branch Personnel. Contractor waives any right of recovery it may have, and will require that any insurer providing commercial general liability, workers compensation, and automobile liability to also waive any right of recovery it may have against Judicial Branch Entities and Judicial Branch Personnel for

liability arising out of the Work; and

(b) Separation of Insureds. The insurance applies separately to each insured against whom a claim is made and/or a lawsuit is brought, to the limits of the insurer's liability.

7.10 Partnerships. If Contractor is an association, partnership, or other joint business venture, the basic coverage may be provided by either of the following methods: (i) separate insurance policies issued for each individual entity, with each entity included as a named insured or as an additional insured; or (ii) joint insurance program with the association, partnership, or other joint business venture included as a named insured.

7.11 Consequences of Lapse. If required insurance lapses during the Term, the JBE is not required to process invoices after such lapse until Contractor provides evidence of reinstatement that is effective as of the lapse date.

## **8 Term / Termination.**

8.1 Term. This Agreement shall commence on the Effective Date of June 1, 2019 and have an initial term of 5 year(s). The JBE may, at its sole option, extend the Term for up to 5 consecutive one-year periods, at the end of which this Agreement shall expire. In order to extend the Term, the JBE must notify Contractor prior to the end of the initial term (or the then-current one-year extension period)".

8.2 Termination for Convenience. The JBE may terminate, in whole or in part, this Agreement and/or any Statement of Work for convenience (without cause) upon thirty (30) days prior written notice. The JBE's notice obligations under the foregoing sentence shall not apply to any stop work orders issued by the JBE under this Agreement or any Statement of Work. After receipt of such notice, and except as otherwise directed by the JBE, Contractor shall immediately: (a) stop Work as specified in the notice; and (b) place no further subcontracts, except as necessary to complete the continued portion of this Agreement.

8.3 Early Termination. The JBE may terminate, in whole or in part, this Agreement or any Statement of Work immediately "for cause" if Contractor is in Default. The JBE may also terminate this Agreement or limit Work (and proportionately, Contractor's fees) upon written notice to Contractor without prejudice to any right or remedy of the Judicial Branch Entities if: (i) expected or actual funding to compensate the Contractor is withdrawn, reduced or limited; or (ii) the JBE determines that Contractor's performance under this Agreement has become infeasible due to changes in Applicable Laws.

### **8.4 Rights and Remedies of the JBE.**

(a) All remedies provided for in this Agreement may be exercised individually or in combination with any other available remedy. Contractor shall notify the JBE immediately if Contractor is in Default, or if a Third Party claim or dispute is brought or threatened that alleges facts that would constitute a Default under this Agreement. If Contractor is in Default, the JBE may do any of the following: (i) withhold all or any portion of a payment otherwise due to Contractor, and exercise any other rights of setoff as may be provided in this Agreement or any other agreement between a Judicial Branch Entity and Contractor; (ii) require Contractor to enter into nonbinding mediation; (iii) exercise, following notice, the JBE's right of early termination of this Agreement as provided herein; and (iv) seek any other remedy available at law or in equity.

(b) If the JBE terminates this Agreement or any Statement of Work in whole or in part for cause, the JBE may acquire from third parties, under the terms and in the manner the JBE considers appropriate, goods or services equivalent to those terminated, and Contractor shall be liable to the JBE for any excess costs for those goods or services. Notwithstanding any other provision of this Agreement, in no event shall the excess cost to the Judicial Branch Entities for such goods and services be excluded under this Agreement as indirect, incidental, special, exemplary, punitive or consequential damages of the JBE or Judicial Branch Entities. Contractor shall continue the Work not terminated hereunder.

(c) In the event of any expiration or termination of this Agreement or the applicable Statement of Work, Contractor shall promptly provide the JBE with all originals and copies of the Deliverables (including: (i) any partially-completed Deliverables and related work product or materials; and (ii) any Contractor Materials, Third Party Materials, and Developed Materials comprising such Deliverables or partially-completed Deliverables), Confidential Information, JBE Data, JBE Materials, and all portions thereof, in its possession, custody, or control. In the event of any termination of this Agreement or a Statement of Work, the JBE shall not be liable to Contractor for compensation or damages incurred as a result of such termination; provided that if the JBE's termination is not based on a Default, JBE shall pay any fees due under this Agreement for Deliverables completed and accepted as of the date of the JBE's termination notice.

8.5 Termination Assistance. At the JBE's request and option, during the Termination Assistance Period, Contractor shall provide, at the same rates charged immediately before the start of the Termination Assistance Period, to the JBE or to its designee (collectively, "Successor") services reasonably necessary to enable the JBE to obtain from another contractor, or to provide for itself, services to substitute for or replace the Work, together with all other services to allow the Work to continue without interruption or adverse effect and to facilitate the orderly transfer of the Work to the Successor

(Rev. July 2017)

(collectively, the “Termination Assistance Services”). Termination Assistance Services will be provided to the JBE by Contractor regardless of the reason for termination or expiration. At the JBE’s option and election, the JBE may extend the Termination Assistance Period for an additional six (6) months.

8.6 Survival. Termination of this Agreement shall not affect the rights and/or obligations of the Parties which arose prior to any such termination (unless otherwise provided herein) and such rights and/or obligations shall survive any such expiration or termination. Rights and obligations which by their nature should survive shall remain in effect after termination or expiration of this Agreement, including Sections 3 through 10 of these General Terms and Conditions, and Appendix E.

## 9 Special Provisions.

9.1 Agreements Providing for Compensation of \$50,000 or more; Union Activities Restrictions. As required under Government Code sections 16645-16649, if the Contact Amount is \$50,000 or more, Contractor agrees that no JBE funds received under this agreement will be used to assist, promote or deter union organizing. If Contractor incurs costs, or makes expenditures to assist, promote or deter union organizing, Contractor will maintain records sufficient to show that no JBE funds were used for those expenditures and no reimbursement from the JBE was sought for these costs. Contractor will provide those records to the Attorney General upon request.

9.2 DVBE Commitment. This section is applicable if Contractor received a disabled veteran business enterprise (“DVBE”) incentive in connection with this Agreement. Contractor’s failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. If Contractor used DVBE subcontractor(s) in connection with this Agreement: (i) Contractor must use the DVBE subcontractors identified in its bid or proposal, unless the JBE approves in writing replacement by another DVBE subcontractor in accordance with the terms of this Agreement; and (ii) Contractor must within sixty (60) days of receiving final payment under this Agreement certify in a report to the JBE: (1) the total amount of money Contractor received under the Agreement; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted work in connection with the Agreement; (3) the amount each DVBE subcontractor received from Contractor in connection with the Agreement; and (4) that all payments under the Agreement have been made to the applicable DVBE subcontractors. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation.

9.3 Competitively Bid Contracts; Antitrust Claims. If this Agreement resulted from a competitive bid, Contractor shall comply with the requirements of the Government Code sections set out below.

(a) Contractor shall assign to the JBE all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the JBE pursuant to the bid. Such assignment shall be made and become effective at the time the JBE tenders final payment to the Contractor. (GC 4552)

(b) If the JBE receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this chapter, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the JBE any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Contractor but were not paid by the JBE as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. (GC 4553)

(c) Upon demand in writing by the Contractor, the JBE shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (1) the JBE has not been injured thereby, or (2) the JBE declines to file a court action for the cause of action. (GC 4554)

9.4 Iran Contracting Act. If the Contract Amount is \$1,000,000 or more, Contractor certifies either (i) it is not on the current list of persons engaged in investment activities in Iran (“Iran List”) created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the JBE to enter into this Agreement pursuant to PCC 2203(c).

9.5 Loss Leader Prohibition. If this Agreement involves the purchase of goods, this section is applicable. Contractor shall not sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code.

9.6 Recycling. If this Agreement provides for the purchase or use of goods specified in PCC 12207 (for example, certain paper products, office supplies, mulch, glass products, lubricating oils, plastic products, paint, antifreeze, tires and tire-derived products, and metal products), this section is applicable with respect to those goods. Without limiting

the foregoing, if this Agreement includes (i) document printing, (ii) parts cleaning, or (iii) janitorial and building maintenance services, this section is applicable. Contractor shall use recycled products in the performance of this Agreement to the maximum extent doing so is economically feasible. Upon request, Contractor shall certify in writing under penalty of perjury, the minimum, if not exact, percentage of post-consumer material as defined in the PCC 12200, in such goods regardless of whether the goods meet the requirements of PCC 12209. With respect to printer or duplication cartridges that comply with the requirements of PCC 12156(e), the certification required by this subdivision shall specify that the cartridges so comply.

9.7 Sweatshop Labor. If this Agreement provides for the laundering of apparel, garments or corresponding accessories, or for furnishing equipment, materials, or supplies other than for public works, this section is applicable. Contractor certifies that no apparel, garments or corresponding accessories, equipment, materials, or supplies furnished to the JBE under this Agreement have been laundered or produced in whole or in part by sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor, or with the benefit of sweatshop labor, forced labor, convict labor, indentured labor under penal sanction, abusive forms of child labor or exploitation of children in sweatshop labor. Contractor adheres to the Sweat free Code of Conduct as set forth on the California Department of Industrial Relations website located at [www.dir.ca.gov](http://www.dir.ca.gov), and PCC 6108. Contractor agrees to cooperate fully in providing reasonable access to Contractor's records, documents, agents, and employees, and premises if reasonably required by authorized officials of the Department of Industrial Relations, or the Department of Justice to determine Contractor's compliance with the requirements under this section and shall provide the same rights of access to the JBE.

9.8 Federally-funded Agreements. If this Agreement is funded in whole or in part by the federal government, then:

(a) It is mutually understood between the Parties that this Agreement may have been written for the mutual benefit of both Parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made.

(b) This Agreement is valid and enforceable only if sufficient funds are made available to the JBE by the United States Government for the fiscal year in which they are due and consistent with any stated programmatic purpose. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.

(c) The Parties mutually agree that if the Congress does not appropriate sufficient funds for any program under which this Agreement is intended to be paid, this Agreement shall be deemed amended without any further action of the Parties to reflect any reduction in funds.

(d) The Parties may amend the Agreement to reflect any reduction in funds.

9.9 Equipment Purchases. If this Agreement includes the purchase of equipment, this section is applicable. The JBE may, at its option, repair any damaged or replace any lost or stolen items and deduct the cost thereof from Contractor's invoice to the JBE, or require Contractor to repair or replace any damaged, lost, or stolen equipment to the satisfaction of the JBE at no expense to the JBE. If a theft occurs, Contractor must file a police report immediately.

9.10 Small Business Preference Contract Clause. This section is applicable if Contractor received a small business preference in connection with this Agreement. Contractor's failure to meet the small business commitment set forth in its bid or proposal constitutes a breach of this Agreement.
