16. Limitation on AOC's Liability

The AOC will not be responsible for loss or damage to any non-AOC equipment or property arising from causes beyond the AOC's control. In any event, the AOC's responsibility for repairs and liability for damages or loss shall be limited to that made necessary by or resulting from the negligent acts or omissions of the AOC or its officers, employees, or agents. The AOC will not be liable for any charges incurred in connection with this Program, or any AOC activities, unless expressly provided for under this Agreement.

17. Condition of the Contractor's Property or Equipment

The Contractor shall make the Property and/or equipment available to the AOC, pursuant to the terms and conditions set forth in this Agreement. The Contractor shall immediately remedy any problem with the Property's physical plant or equipment that impairs or diminishes the quality of the Program. The Contractor shall ensure the appropriate hot water, heating, and ventilation is provided at the Property during the Program, inclusive in the prices set forth herein.

18. Changes in Service

This Agreement is made in good faith based upon the present and projected conditions and the quality of the equipment and/or Property, as well as its present ownership and management. Should changes in any of these elements occur which the AOC believes may adversely affect the Program, the AOC reserves the right to renegotiate this Agreement or terminate pursuant to the termination for cause provision, as set forth herein, without penalty or prejudice.

19. Termination for Cause

- A. Pursuant to this provision, the AOC may terminate this Agreement in whole or in part under any one (1) of the following circumstances, by issuing a written Notice of default to the Contractor:
- i. If the Contractor (a) fails to perform the Work within the time specified herein or any extension thereof, (b) fails to perform any of the other provisions of this Agreement, or (c) so fails to make progress as to endanger performance of this Agreement in accordance with its terms; or,

- B. In the event that this Agreement is terminated in whole or in part, pursuant to this provision, the AOC may procure, upon such terms and in such a manner as it may deem appropriate, supplies or services similar to those terminated, and the Contractor shall be liable to the AOC for any excess costs for such similar supplies or services, including all incidental and consequential damages suffered by the AOC. - D. The parties shall not be liable for any excess costs if the failure to perform the Agreement arises out of Force Majeure.
- E. If, after Notice of termination of this Agreement for cause, it is determined for any reason that the Contractor was not in default under this provision, or that the default was excusable under this provision, the obligations of the AOC will be to pay only for the services rendered at the rates set forth in the Agreement.
- F. The rights and remedies of either party provided in this provision shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

20. Termination Other Than for Cause

- A. Pursuant to this provision, the AOC may terminate this Agreement for convenience at any time, upon providing the Contractor written Notice identifying the effective date of termination. Upon the effective date of the termination Notice for convenience, the Contractor shall promptly discontinue all services affected unless the Notice specifies otherwise.
- B. If the AOC terminates all or a portion of this Contract other than for cause, the AOC will pay the Contractor for satisfactory services rendered before the termination, not to exceed the Contract Amount, unless otherwise set forth herein.
- C. The AOC's right to terminate for convenience is in addition to the AOC's rights to terminate under the AOC's obligation subject to availability of funds provision or the termination for cause provision, as set forth herein.

21. AOC's Obligation Subject to Availability of Funds

- A. The AOC's obligation under this Agreement is subject to the availability of authorized funds. The AOC may terminate the Agreement or any part of the Contract Work, without prejudice to any right or remedy of the AOC, for lack of appropriation of funds. If expected or actual funding is withdrawn, reduced, or limited in any way prior to the expiration date set forth in this Agreement, or in any Amendment hereto, the AOC may, upon written Notice to the Contractor, terminate this Agreement in whole or in part. Such termination shall be in addition to the AOC's rights to terminate for cause or other than for cause, as set forth herein.

- B. Payment shall not exceed the amount allowable for appropriation by Legislature. If the Agreement is terminated for non-appropriation:
- i. The AOC will be liable only for payment in accordance with the terms of this Agreement for services rendered prior to the effective date of termination; and
 - ii. The Contractor shall be released from any obligation to provide further services pursuant to the Agreement as are affected by the termination.
- C. Funding for this Agreement beyond the current appropriation year is conditional upon appropriation by the Legislature of sufficient funds to support the activities described in this Agreement. Should such an appropriation not be approved, the Agreement may terminate at the close of the current appropriation year. The appropriation year ends on June 30 of each year.

22. Survival

The termination or expiration of the Agreement shall not relieve either party of any obligation regarding audit/records retention, indemnification, limitation of liability, limitation on publication, ownership, warranty, and any other obligation that by its nature survives either termination or expiration of this Agreement.

23. California Law

This Agreement shall be subject to and construed in accordance with the laws of the State of California.

24. Severability

If any term or provision of this Agreement is found to be illegal or unenforceable, this Agreement shall remain in full force and effect and that term or provision shall be deemed stricken.

25. Waiver

The omission by either party at any time to enforce any default or right, or to require performance of any of this Agreement's terms, covenants, or provisions by the other party at the time designated, shall not be a waiver of the default or right, nor shall it affect the right of the party to enforce those provisions later.

26. Successors

This Agreement shall inure to the benefit of and be binding upon the AOC and the Contractor and their successors, assign, heirs, and beneficiaries.

27. Loss Leader; Recycled Products

Contractor shall not sell or use any article or product as a “loss leader” as defined in Section 17030 of the Business and Professions Code. If this Agreement resulted from a competitive solicitation, this section is applicable. Contractor shall assign to the AOC all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Contractor for sale to the AOC. Such assignment shall be made and become effective at the time the AOC tenders final payment to the Contractor. If the AOC receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, the Contractor shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the AOC any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Contractor but were not paid by the AOC as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by the Contractor, the AOC shall, within one year from such demand, reassign the cause of action assigned under this part if the Contractor has been or may have been injured by the violation of law for which the cause of action arose and (a) the AOC has not been injured thereby, or (b) the AOC declines to file a court action for the cause of action.

29. Priority consideration

If the Contract Amount is \$200,000 or more, Contractor shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.

30. Disabled Veteran Business Enterprises

This section is applicable if Contractor received a disabled veteran business enterprise (“DVBE”) incentive in connection with this Agreement. Contractor’s failure to meet the DVBE commitment set forth in its bid or proposal constitutes a breach of the Agreement. AOC approves in writing replacement by another DVBE subcontractor in accordance with the terms of this Agreement; and (ii) Contractor must within sixty (60) days of receiving final payment under this Agreement certify in a report to the AOC: (1) the total amount of money Contractor received under the Agreement; (2) the name and address of each DVBE subcontractor to which Contractor subcontracted work in connection with the Agreement; (3) the amount each DVBE subcontractor received from Contractor in connection with the Agreement; and (4) that all payments under the Agreement have been made to the applicable DVBE subcontractors. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation.
