RESPONSE TO QUESTIONS

RFP solicitation for IDIQ Structural Engineering Consulting Services

RFP No. FS-2018-16-RP

October 19, 2018

#	RFP Reference (Page-Section)	Question	Response
1	Attach H, H-7	List ALL structural engineering projects in which Consultant has participated as the structural engineer during the past (5) years with a consultant contract value of more than \$500,000 . Please confirm if it's Construction Cost or Design Fee Cost >\$500K.	It is the Construction Cost of the project.
2	All	Is the SF 330 form required for this submittal?	The federal General Services Administration's (GSA) Standard Form 330 ("Architect-Engineer Qualifications") is not required for this solicitation.
3	Page 5, 4.4	Per item 4.4, are forms and tabs included within the 20-page limit? Forms alone account for 10 pages.	No, the required Forms/Certifications and tabs are not included in the 20-page limit.
4	Page 4, 3.2.3	Per item 3.2.3, should we identify sub-consultants for the scope of services such as architecture, civil, MEP, and cost?	No, not required at the time of the RFQ. We will request specific teams from the selected firms at a later date depending on the project.

The Judicial Council of California encourages all qualified firms to participate in responding to this solicitation.

Please check this RFP's webpage on a regular basis for any changes and/or updates to the solicitation and Schedule of Events.
