RESPONSE TO QUESTIONS

RFP solicitation for IDIQ Roof Consulting Services

RFP No. FS-2018-18-RP

October 19, 2018

#	RFP Reference (Page-Section)	Question	Response
1	Attachment I-1	For Attachment I, it states that we should not edit the hourly rate form. But on the conference call, you stated that we need to include all team members to perform any work necessary on the roofing project. This would sometimes include a mechanical and electrical contractor too. But there is no place for them on the hourly rate form. You have: Project Manager, Roof Consultant, Roof Observer, Waterproofing Consultant, Exterior wall Consultant, Exterior Wall Observer, Building Envelope Consultant, and Administration. In many cases, mechanical equipment gets removed temporarily or gets replaced or upgraded.	You can edit the hourly rate form to add additional team members. Bidders should not remove the requested positions hourly rate.
2	Page 6, Paragraph 4.4.4.	For Attachment H, it is required to show completed projects. Is it possible to show projects that are under construction?	Yes, it is acceptable to show projects in construction.
3	Page 7, 4.4.7.2	If we need to include consultants, is this where you would want to see subconsultant resumes too?	Yes, if it is significant consultants, please attach resumes.

The Judicial Council of California encourages all qualified firms to participate in responding to this solicitation.

Please check this RFP's webpage on a regular basis for any changes and/or updates to the solicitation and Schedule of Events.
