

CMR - NEW SANTA ROSA COURTHOUSE

RFQ/P #JBCP-2015-06-BR

July 13, 2015

RESPONSES TO QUESTIONS

#	RFQ/P Reference	Question	Answer
1	RFQ/Page 6 Tab 4	The RFQ states that the example projects should have a construction value of over \$100 million. Is this the correct project value? It seems high given the current project value for the Santa Rosa Courthouse project.	Example projects from \$70 million may be included.
