1.0 GENERAL INFORMATION

1.1 BACKGROUND

1.1.1 The Judicial Council of California, chaired by the Chief Justice of California, is the chief policy making agency of the California judicial system. The California Constitution directs the Council to improve the administration of justice by surveying judicial business, recommending improvements to the Courts, and making recommendations annually to the Governor and the Legislature. The Council also adopts rules for Court administration, practice, and procedure, and performs other functions prescribed by law. The Administrative Office of the Courts (AOC) is the staff agency for the Council and assists both the Council and its chair in performing their duties.

1.2 THE CENTER FOR FAMILIES, CHILDREN & THE COURTS

1.2.1 The Center for Families, Children & the Courts (CFCC), a division of the AOC, provides a range of services to Courts in California, including research and technical assistance for juvenile and family Courts, collaborative justice Courts, cases involving self-represented litigants, and cases involving family violence.

1.3 THE JUVENILE DEPENDENCY COURT IMPROVEMENT PROJECT

1.3.1 The CFCC Juvenile Dependency Court Improvement Project (CIP) is part of a nationwide program supported in part by the federal Administration of Children, Youth and Families (ACYF). In California, the CIP supports training and technical assistance for the local superior courts, including the annual Beyond the Bench conference; pilot projects such as the Dependency Representation, Administration, Funding and Training (DRAFT) program to promote improvement in court appointment counsel for dependency; initiatives to promote self-assessment and collaboration in the courts, and the design and implementation of a statewide case management system for juvenile courts and quantitative performance measures for dependency.

1.3.2 In 2004 all states submitted a CIP Reassessment to the ACYF. California's Reassessment included this recommendation: "It is recommended that the Judicial Council which, by adopting section 24.5 of the California Standards of Judicial Administration, has endorsed the National Council of Juvenile and Family Court Judges' Resource Guidelines: Improving Court Practice in Child Abuse and Neglect Cases, identify key aspects of the guidelines to be piloted and studied (as modified to meet California needs and state law), and consider which aspects of section 24.5 should be considered a rule." (Administrative Office of the Courts, California Juvenile Dependency Court Improvement Program Reassessment, 2004, pp. 8-4.)

1.3.3 This RFP seeks to implement this recommendation by engaging experienced juvenile dependency court researchers to review on a nationwide basis the current research, identify evaluations of court improvement projects, and report the measurable impacts of court improvement projects, both on court processes and on the safety, permanency, and well-being of children. The scope of court improvement projects should include projects undertaken through the National Council of Juvenile and Family Court Judges (NCJFCJ) Model Courts project, projects identified through the state CIP reassessments, other court projects reported through research journals or specialty publications, and research on other court-related projects including studies of court appointed counsel, juvenile dependency mediators, dependency drug courts, and Court Appointed Special Advocates (CASA). Particular attention should be given to identifying studies that measure outcomes through the safety and permanency measures used in the federal Child and Families Services Review, or the court measures proposed in Building a Better Court (American Bar Association, National Center for State Courts, National Council of Juvenile and Family Court Judges), the forthcoming dependency performance measures Toolkit from the same organizations, and California's draft performance measures for dependency court (forthcoming).

- 3.1 The AOC seeks the services of a consultant with expertise in quantitative research on dependency court improvement projects, to analyze current literature and practice and make recommendations on pilot projects for California.

- 3.2 The purpose of this Request for Proposals (RFP) is to secure a contract to review existing literature on evaluations of dependency court improvement projects, conduct any necessary follow up interviews or secondary data analysis, and provide findings in two reports to the AOC. The research activities will take place between June 21, 2007 and October 31, 2007. The contractor must conduct a literature review of academic research literature and secondary sources of information on dependency court evaluation such as governmental, association, and foundation websites. The contractor must at a minimum review the results of any evaluations conducted through the NCJFCJ Model Courts project and follow up assessments; the results of any evaluations reported through the state CIP Reassessments; the nationwide dependency drug court study (“Family Treatment Drug Court Study”) funded by the Department of Health and Human Services; and any judicial or attorney workload studies. The contractor must identify those projects which evaluated the impact of a dependency court improvement effort on quantitative measures of child safety and permanency as specified in the federal Child and Family Services Reviews or on quantitative measures of court process, such as those measures specified in Building a Better Court or the forthcoming Toolkit. The contractor must provide findings in the form of two reports to the AOC.

3.2.1 The first report must be a technical report that addresses the following:

- Describes the universe of projects searched, including journals, publications, governmental, association and foundation websites, and interviews with experts;
- Organizes projects into domains such as judicial workload and resources available to judicial officers, hearing and calendar management, attorney workload and resources available to attorneys, and court programs including mediation, drug court, and CASA;
- Reports findings on projects that conducted quantitative evaluations;
- Assess the methodology of the evaluations, including data collection methods and any issues of data interpretation;
- Analyzes evaluation results; and
- Identifies promising approaches from the analysis.

3.2.2 The second report must be a report for policy makers that summarizes the findings of the review and identifies promising approaches.

ADMINISTRATIVE RULES GOVERNING REQUESTS FOR PROPOSALS

A. GENERAL

1. This solicitation document, the evaluation of proposals, and the award of any contract shall conform with current competitive bidding procedures as they relate to the procurement of goods and services. A vendor's proposal is an irrevocable offer for forty-five (45) days following the deadline for its submission.
2. In addition to explaining the Administrative Office of the Courts' requirements, the solicitation document includes instructions which prescribe the format and content of proposals.

B. COMMUNICATIONS WITH AOC REGARDING THE RFP

1. Except as specifically addressed elsewhere in this RFP, including directions pertaining to the submittal of Proposals, vendors shall use the "Solicitations Mailbox," identified on the cover memo of this RFP, for any communications with the AOC regarding the RFP and award. Vendors must include the RFP Number in subject line of any communication.

C. QUESTIONS REGARDING THE RFP

1. If a vendor's question relates to a proprietary aspect of its proposal and the question would expose proprietary information if disclosed to competitors, the vendor may submit the question via email to the Solicitations Mailbox, identified on the cover memo of this RFP, conspicuously marking it as "CONFIDENTIAL." With the question, the vendor must submit a statement explaining why the question is sensitive. If the AOC concurs that the disclosure of the question or answer would expose proprietary information, the question will be answered, and both the question and answer will be kept in confidence. If the AOC does not concur regarding the proprietary nature of the question, the question will not be answered in this manner and the vendor will be notified.
2. Vendors interested in responding to the solicitation may submit questions via email to the Solicitations Mailbox, identified on the cover memo of this RFP, on procedural matters related to the RFP or requests for clarification or modification of this solicitation no later than the due date and time, as set forth on the RFP cover memo. If the vendor is requesting a change, the request must set forth the recommended change and the vendor's reasons for proposing the change. Questions or requests submitted after the due date and time will not be answered. Without disclosing the source of the question or request, a copy of the questions and the AOC's responses will be posted on the Courtinfo website (<http://www.courtinfo.ca.gov/reference/rfp/>).

D. ERRORS IN THE RFP

1. If, prior to the date fixed for submission of proposals, a vendor discovers any ambiguity, conflict, discrepancy, omission, or error in this solicitation document, the vendor shall immediately notify the AOC via email to the Solicitations Mailbox, identified on the cover memo of this RFP and request modification or clarification of the RFP. Without disclosing the source of the request, the AOC may modify the solicitation document prior to the date fixed for submission of proposals by posting an addendum to the solicitation on the AOC's web site "Courtinfo" (<http://www.courtinfo.ca.gov/reference/rfp/>)
2. If a vendor fails to notify the AOC of an error in the RFP known to vendor, or an error that reasonably should have been known to vendor, prior to the date fixed for submission of proposals, vendor shall propose at its own risk. Furthermore, if vendor is awarded the TPA agreement, vendor shall not be entitled to additional compensation or time by reason of the error or its later correction.

E. ADDENDA

1. The AOC may modify the solicitation document prior to the due date and time for submission of proposals, as set forth in the RFP cover memo, by posting an addendum on the Courtinfo website (<http://www.courtinfo.ca.gov/reference/rfp/>).
2. If any vendor determines that an addendum unnecessarily restricts its ability to propose, the vendor shall immediately notify the AOC via email to the Solicitations Mailbox, identified on the cover memo of this RFP, no later than one day following issuance of the addendum.

F. WITHDRAWAL AND RESUBMISSION/MODIFICATION OF PROPOSALS

1. A vendor may withdraw its proposal at any time prior to the deadline for submitting proposals by notifying the AOC in writing of its withdrawal. The notice must be signed by the vendor. The vendor may thereafter submit a new or modified proposal, provided that it is received at the AOC no later than the proposal due date and time listed on the cover letter of this RFP. Modifications offered in any other manner, oral or written, will not be considered. Proposals cannot be changed or withdrawn after the proposal due date and time listed on the coversheet of this RFP.

G. ERRORS IN THE PROPOSAL

1. If errors are found in a proposal, the AOC may reject the proposal; however, AOC may, at its sole option, correct arithmetic or transposition errors or both on the basis that the lowest level of detail will prevail in any discrepancy. If these corrections result in significant changes in the amount of money to be paid to the vendor (if selected for the award of the agreement), the vendor will be informed of the errors and corrections thereof and will be given the option to abide by the corrected amount or withdraw the proposal.

H. RIGHTS TO REJECT OR AWARD PROPOSALS

1. The AOC may reject any or all proposals and may or may not waive an immaterial deviation

or defect in a proposal. The AOC's waiver of an immaterial deviation or defect shall in no way modify the solicitation document or excuse a vendor from full compliance with solicitation document specifications. The AOC reserves the right to accept or reject any or all of the items in the proposal, to award the contract in whole or in part and/or negotiate any or all items with individual vendors if it is deemed in the AOC's best interest. Moreover, the AOC reserves the right to make no selection if proposals are deemed to be outside the fiscal constraint or against the best interest of the State of California.

2. In addition to the right to reject any and all proposals, in whole or in part, the AOC also reserves the right to issue similar RFPs in the future. This RFP is in no way an agreement, obligation, or contract and in no way is the AOC or the State of California responsible for the cost of preparing the proposal. One copy of a submitted proposal will be retained for official files and becomes a public record.
3. Vendors are specifically directed NOT to contact any AOC or its personnel or consultants for meetings, conferences, or discussions that are specifically related to this RFP at any time prior to any award and execution of a contract. Unauthorized contact with any AOC or its personnel or consultants may be cause for rejection of the vendor's proposal.

I. EVALUATION PROCESS

1. An evaluation team will review in detail all proposals that are received to determine the extent to which they comply with solicitation document requirements.
2. If a proposal fails to meet a material solicitation document requirement, the proposal may be rejected. A deviation is material to the extent that a response is not in substantial accord with solicitation document requirements. Material deviations cannot be waived. Immaterial deviations may cause a proposal to be rejected.
3. Proposals that contain false or misleading statements may be rejected if in the AOC's opinion the information was intended to mislead the state regarding a requirement of the solicitation document.
4. Cost sheets will be checked only if a proposal is determined to be otherwise qualified. All figures entered on the cost sheets must be clearly legible.
5. During the evaluation process, the AOC may require a vendor's representative to answer questions with regard to the vendor's proposal. Failure of a vendor to demonstrate that the claims made in its proposal are in fact true may be sufficient cause for deeming a proposal non-responsive.

J. PROTEST PROCEDURE

1. General.

Failure of a vendor to comply with the protest procedures set forth in this *Section J- Protest Procedures*, will render a protest inadequate and non-responsive, and will result in rejection of the protest.

2. Prior to Submission of Proposal.

An interested party that is an actual or prospective proposer with a direct economic interest in the procurement may file a protest based on allegedly restrictive or defective specifications or other improprieties in the solicitation process that are apparent, or should have been reasonably discovered prior to the submission of a proposal. Such protest must be received prior to the due date and time for submittal of proposals, as set forth on the RFP cover memo. The protestor shall have exhausted all administrative remedies discussed in this *Attachment 1* prior to submitting the protest. Failure to do so may be grounds for denying the protest.

3. After Notice of Intent to Award/Not to Award.

A vendor submitting a proposal may protest the AOC's intent to award based upon allegations of improprieties occurring during the proposal evaluation or selection period if it meets all of the following conditions:

- a. The vendor has submitted a proposal that it believes to be responsive to the solicitation document;
- b. The vendor believes that its proposal meets the administrative and technical requirements of the solicitation, proposes services of proven quality and performance, and offers a competitive cost; and,
- c. The vendor believes that the AOC has incorrectly selected another vendor submitting a proposal for an award.

Protests must be received no later than five (5) business days after the protesting party receives a notice of intent not to award.

4. Form of Protest.

A vendor who is qualified to protest should submit the protest to the individual addressed under Submission of Proposals, as set forth in the RFP cover memo, who will forward the matter to the appropriate Contracting Officer.

- a. The protest must be in writing and sent by certified, or registered mail, or overnight delivery service (with proof of delivery), or delivered personally to the address noted on the RFP cover memo under Submission of Proposals. If the protest is hand-delivered, a receipt must be requested.
- b. The protest shall include the name, vendor, physical and electronic addresses, and telephone and facsimile numbers of the party protesting or their representative.
- c. The title and number of the solicitation document under which the protest is submitted shall be identified.
- d. A detailed description of the specific legal and factual grounds of protest and any supporting documentation shall be included.
- e. The specific ruling or relief requested must be stated.

The AOC, at its discretion, may make a decision regarding the protest without requesting further information or documents from the protestor. Therefore, the initial protest submittal must include all grounds for the protest and all evidence available at the time the protest is submitted. If the protestor later raises new grounds or evidence that was not included in the initial protest but which could have been raised at that time, the AOC will not consider such new grounds or new evidence.

5. Determination of Protest Submitted Prior to Submission of A Proposal.

Upon receipt of a timely and proper protest based on allegedly restrictive or defective specifications or other improprieties in the solicitation process that are apparent, or should have been reasonably discovered prior to the submission of a proposal, the AOC will provide a written determination to the protestor prior to the date and time for submittal of proposals, as set forth on the RFP cover memo. If required, the AOC may extend such proposal due date and time to allow for a reasonable time to review the protest. If the protesting party elects to appeal the decision, the protesting party will follow the appeals process outlined below and the AOC, at its sole discretion, may elect to withhold the contract award until the protest is resolved or denied or proceed with the award and implementation of the contract.

6. Determination of Protest Submitted After Submission of A Proposal.

Upon receipt of a timely and proper protest, the AOC will investigate the protest and will provide a written response to the vendor within a reasonable time. If the AOC requires additional time to review the protest and is not able to provide a response within ten (10) business days, the AOC will notify the vendor. If the protesting party elects to appeal the decision, the protesting party will follow the appeals process outlined below. The AOC, at its sole discretion, may elect to withhold the contract award until the protest is resolved or denied or proceed with the award and implementation of the agreement.

7. Appeals Process.

The Contracting Officer's decision shall be considered the final action by the AOC unless the protesting party thereafter seeks an appeal of the decision by filing a request for appeal with the AOC's Business Services Manager, at the same address set forth under Submission of Proposal on the RFP cover memo, within five (5) calendar days of the issuance of the Contracting Officer's decision.

The justification for appeal is specifically limited to:

- a. Facts and/or information related to the protest, as previously submitted, that were not available at the time the protest was originally submitted;
- b. Contracting Officer's decision contained errors of fact, and that such errors of fact were significant and material factors in the Contracting Officer's decision; or
- c. Decision of the Contracting Officer was in error of law or regulation.

The vendor's request for appeal shall include:

- a. Name, vendor, physical and electronic addresses, and telephone and facsimile numbers of the vendor filing the appeal or their representative;
- b. Copy of the Contracting Officer's decision;
- c. Legal and factual basis for the appeal; and
- d. Ruling or relief requested. Issues that could have been raised earlier will not be considered on appeal.

Upon receipt of a request for appeal, the AOC's Business Services Manager will review the request and the decision of the Contracting Officer and shall issue a final determination. The decision of the AOC's Business Services Manager shall constitute the final action of the AOC.

8. Protest Remedies.

If the protest is upheld, the AOC will consider all circumstances surrounding the procurement in its decision for a fair and reasonable remedy, including the seriousness of the procurement deficiency, the degree of prejudice to the protesting party or to the integrity of the competitive procurement system, the good faith efforts of the parties, the extent of performance, the cost to the AOC, the urgency of the procurement, and the impact of the recommendation(s) on the AOC. The AOC may recommend any combination of the following remedies:

- a. Terminate the contract for convenience;
- b. Re-solicit the requirement;
- c. Issue a new solicitation;
- d. Refrain from exercising options to extend the term under the contract, if applicable;
- e. Award a contract consistent with statute or regulation; or
- f. Other such remedies as may be required to promote compliance.

K. DISPOSITION OF MATERIALS

1. All materials submitted in response to this solicitation document will become the property of the State of California and will be returned only at the AOC's option and at the expense of the vendor submitting the proposal. One copy of a submitted proposal will be retained for official files and become a public record. Any material that a vendor considers as confidential but does not meet the disclosure exemption requirements of the California Public Records Act should not be included in the vendor's proposal as it may be made available to the public.

L. PAYMENT

1. Payment terms will be specified in any agreement that may ensue as a result of this solicitation document.

2. THE STATE DOES NOT MAKE ANY ADVANCE PAYMENT FOR SERVICES.
Payment is normally made based upon completion of tasks as provide in the agreement between the AOC and the selected vendor. The AOC may withhold ten percent of each invoice until receipt and acceptance of the final product. The amount of the withhold may depend upon the length of the project and the payment schedule provide in the agreement between the AOC and the selected vendor.

M. AWARD AND EXECUTION OF AGREEMENT

1. Award of contract, if made, will be in accordance with the solicitation document to a responsible vendor submitting a proposal compliant with all the requirements of the solicitation document and any addenda thereto, except for such immaterial defects as may be waived by the AOC.
2. The AOC reserves the right to determine the suitability of proposals for contracts on the basis of a proposal's meeting administrative requirements, technical requirements, its assessment of the quality of service and performance of items proposed, and cost.
3. The AOC will make a reasonable effort to execute any contract based on this solicitation document within *forty-five (45) days* of selecting a proposal that best meets its requirements. However, exceptions taken by a vendor may delay execution of a contract.
4. A vendor submitting a proposal must be prepared to use a standard state contract form rather than its own contract form.
5. Upon award of the agreement, the agreement shall be signed by the vendor(s) in two original contract counterparts and returned, along with the required attachments, to the AOC no later than ten (10) calendar days of receipt of agreement form or prior to end of June if award is at fiscal year-end. The period for execution may be changed by mutual agreement of the parties. Agreements are not effective until executed by both parties and approved by the appropriate AOC officials. Any work performed prior to receipt of a fully executed agreement shall be at vendor(s)' own risk.

N. FAILURE TO EXECUTE THE AGREEMENT

1. Failure to execute the agreement within the time frame identified above shall be sufficient cause for voiding the award. Failure to comply with other requirements within the set time shall constitute failure to execute the agreement. If the successful vendor(s) refuse or fail to execute the agreement, the AOC may award the agreement to the next qualified vendor(s).

O. DECISION

1. Questions regarding the AOC's award of any business on the basis of proposals submitted in response to this solicitation document, or on any related matter, should be addressed to Solicitations Mailbox, set forth on the RFP cover memo.

P. NEWS RELEASES

- F. If agreement cannot be reached between the Project Manager and the Contractor on the Work's acceptability, a principal of the Contractor and the Administrative Director of the AOC, or its designee, shall meet to discuss the problem. If agreement cannot be reached, in the reasonable judgment of the Administrative Director of the AOC, or its designee, and/or the Contractor fails to cure such deficiencies that are perceived in the Work to the reasonable satisfaction of the Administrative Director, or its designee, in the reasonable time established by the Administrative Director, the State may reject the Work and will notify the Contractor in writing of such action and the reason(s) for so doing. - A. This Agreement is based upon the unique expertise of the Contractor. Therefore, in addition to the prohibition against assignment under Attachment 2 Contract Terms, Exhibit A - Standard Provisions, paragraph 4, it is the policy of the State to withhold consent from proposed assignments, subcontracts, or novations when such transfer of responsibility would operate to decrease the State's likelihood of receiving performance under this Agreement. No performance of this Agreement or any portion thereof may be assigned or subcontracted by the Contractor without the express written consent of the State, and any attempt by the Contractor to assign or subcontract any performance of this Agreement without the express written consent of the State shall be void and shall constitute a breach of this Agreement. All such employees and Subcontractors of the Contractor shall have executed a confidentiality agreement with the Contractor requiring a promise of confidentiality concerning the Contractor's clients and business.

Should the Data, Materials, or the operation thereof, become, or in the Contractor's opinion are likely to become, the subject of a claim of infringement of a United States patent or copyright or a trade secret, the State shall permit the Contractor at its option and expense either to procure for the State the right to continue using the Data or Materials, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such Data or Materials by the State shall be prevented by injunction, the Contractor agrees to take back such Data or Materials and make every reasonable effort to assist the State in procuring substitute Data or Materials. If, in the sole option of the State, the return of such infringing Data or Materials makes the retention of other Data or Materials acquired from the Contractor under this Agreement impractical, the State shall then have the option of terminating such contracts, or applicable portions thereof, without penalty or termination charge. The Contractor agrees to take back such Data or Materials and refund any sums that the State has paid the Contractor less any reasonable amount for use or damage.

For full coverage, each insurance policy shall be written on an "occurrence" form; excepting that insurance for professional liability, when required, may be acceptable on a "claims made" form. If coverage is approved and purchased on a "claims made" basis, the Contractor warrants continuation of coverage, either through policy renewals or the purchase of an extended discovery period, if such extended coverage is available, for not less than three (3) years from the date of completion of the Work which is the subject of this Agreement.

- D. Other Insurance Provisions. The General Liability policy required in this Agreement is to contain, or be endorsed to contain, the following provisions:
