Short List Announcement QA Services – Plan Review Services Solicitation Number: OCCM-2010-11-RO	

We would like to express our appreciation for the response to the plan review service provider community to our Request for Proposals. Many fine teams responded, making our task of evaluating the proposals a challenging one. In order to conduct a manageable number of interviews, all of the qualified teams could not be included in our shortlist. Absence from the list is not an indication that we felt the team could not perform the work, but we necessarily had to limit the shortlist to the teams we believed were most responsive to the selection criteria. Again, we extend our sincere thanks for the participation of all the teams.
