Re: CMAR Award for New San Bernardino Courthouse

We would like to express our appreciation to all of the Construction Management firms that participated in our Construction Management at Risk selection process. We are aware of that amount of effort, talent and resources necessary to respond to an RFP and to prepare for an interview.

After consideration of the RFQ submittals and the interviews, the Office of Court Construction and Management has selected **Rudolph and Sletten, Inc. of Irvine, California** as the Construction Manager at Risk for the New San Bernardino Courthouse. Final selection of this firm is pending contract negotiations.

Again, we extend our sincere thanks for the participation of all the submitting teams.

Sincerely,

S. Pearl Freeman
