6. EVALUATION AND SELECTION PROCESS

- 6.1. Evaluation Process.** The basis for selection of a Firm to provide Services in response to this RFP consists of a two-step evaluation. Step 1 – Qualifications, is an evaluation of the firm's qualifications based on the firm's

Written Proposal and interview. Step 1 scores will be finalized prior to commencement of Step 2 - Fee Proposal evaluation. Step 2 - Fee Proposal evaluation, is the scoring of the Firm’s Attachment 3, Consultant Personnel Billing Rates. Step 1 and Step 2 scores will be added together to establish the Firm’s total score.

The Firms will then be ranked in numerical order from the most points to least points received. The Firm receiving the highest combined total score will be ranked the number one Firm. In the event of ties within the ranking list, the Firm with the higher Step 1 score will be advanced one place holding in the ranking list. The Judicial Council reserves the right to reject any Firm’s Proposal due to non-responsiveness to the selection criteria or that fails to demonstrate the Firm has qualifications and expertise delivering projects of similar size, complexity, and nature.

6.2. Step 1a – Evaluation of Qualifications. The Judicial Council will evaluate Proposals and award points within the individual categories below. After evaluating and scoring qualification Proposals, interviews will be held which may result in adjustment of points awarded to specific categories of the Proposal.

The Judicial Council shall award no points directly for reference responses; however, the reference process will be used to confirm the Firm’s qualifications and the Judicial Council may adjust the points afforded to the Firm in the above categories as a result of reference input.</p>

6.3. Step 1b - Qualifications Interview:

6.3.1. Each Firm shall prepare a presentation of no more than forty-five (45) minutes that communicates the Firm’s and key personnel’s qualifications and relevant experience in criteria development, programming, and design review of projects of similar size, complexity, and nature. The presentation will be followed

by a question and answer session of approximately twenty (20) minutes. The interview panel will consist of three to five (5) persons.

6.3.2. The Firm's presentation shall demonstrate its communication skills and explain how the individual team members will interact with the Judicial Council, the local court, and the Design Build Entity on the Project and reinforce the areas being scored.

6.3.3. Firms will be notified of their interview date, time, and location per the RFP Schedule of Events.

6.3.4. After all interviews are complete, and references, if any, have been checked, qualification scores will be tallied to identify the points awarded for each Firm in Step 1a.

6.4. Step 2 - Evaluation of the Fee Proposals:

6.4.1. A maximum of 25 points will be awarded for the fee proposal.

6.4.2. The basis of the evaluation and subsequent award of points for the Fee Proposal shall be the blended hourly rate of the key personnel positions listed. The blended hourly rate will be determined by multiplying the proposed hourly rate for each position by the designated weight factor, then adding all the weighted rates to determine the blended hourly rate.

6.4.3. The firm's hourly rates shall include, without limitation, all costs for overhead, personnel, administration, profit, costs for travel, per diem expenses, and all deliverables, printing, and shipping, under the Agreement. The submitted rates will be held in confidence until such time as a contract is executed.

6.4.4. The fee proposal points awarded for each firm will be calculated by identifying the amount of the lowest fee proposal submitted divided by the amount of the fee proposal being evaluated and multiplying that ratio by the maximum number of points that can be awarded.

6.5. Determining Total Score. The scores determined in Step 1 and Step 2 of the Proposal evaluations shall be added to determine the total score for each Firm. The maximum combined Written and Fee Proposal score (Total Score) is 100 points.

6.6. Preclusion. A Firm and any sub-consultants selected as the Criteria Architect on this Project are precluded from being the architect, architect of record, or member of the Design Build Entity or its team on the Project. With the exception of the foregoing, the selected Firm(s) will not, be precluded from consideration nor given special status in any future Judicial Council solicitations. Selected Firm(s) on a specific Project may still propose to be a consultant on a different project.

6.7. Selection of Firm and Calculation of Fixed Fee. After determining the total score for all Firms, the Judicial Council will identify the highest ranked Firm. The Judicial Council will commence negotiations with the highest ranked Firm regarding the necessary hours and personnel for each phase of the Project and may also address any identified exceptions to the Terms and Conditions. The negotiation period is anticipated to be 30 calendar days. Once the necessary hours and personnel for each phase of the Project are agreed upon, the parties shall apply the hourly rates set forth in that Firm's Fee Proposal to the agreed upon hours and personnel. This method shall be used to calculate the fixed fee amount for each phase of the Project.

If a satisfactory contractual agreement on services and compensation cannot be reached between the Judicial Council and a selected Contractor within 30 calendar days of notification of selection, the Judicial Council reserves the right to terminate negotiations with that Firm and attempt to reach satisfactory contractual agreement with the second highest ranked Proposer. If the Judicial Council and the second highest ranked Firm are unable

to agree upon services and compensation for the Project, the Judicial Council may commence negotiations with the third highest ranked Firm.

7. ADMINISTRATIVE RULES GOVERNING RFPs

- 7.1.** The Judicial Council's Administrative Rules governing this RFP can be found in Attachment 1. By virtue of submission of a Proposal, the Proposer agrees to be bound by said Administrative Rules.
- 7.2.** The Judicial Council reserves the right to reject any and all proposals, in whole or in part, as well as the right to issue similar requests for proposals in the future. This RFP is in no way an agreement, obligation, or contract and in no way is the Judicial Council or the State of California responsible for the cost of preparation or any expenses incurred in responding to this RFP. One copy of a submitted proposal will be retained for official files and will become a public record.

The deadline for a Proposer to submit a protest challenging this RFP, including any attachments, or portions thereof, is two days before the proposal due date. Protests must be sent electronically to: Solicitations@jud.ca.gov.
