

ATTACHMENT 2

Regional Building List

Special Notice.

While the Court Transfer Process is completed, there are still a number of facilities where the transition of services from the county to the Judicial Council has yet to occur, additionally the agreements between the Judicial Council and the counties regarding management and responsibilities for court facilities are subject to changes over the course of the terms of the Contracts. In addition, some facilities are leased and, in some instances, the maintenance of the facility will be provided by the landlord. The Judicial Council is also in the early stages of a major Capital Project that will result in the construction of multiple new courthouses during the term of the Contracts. New Facilities may be added to this list and may require maintenance by Contractor. Some facilities will cease to have court operations and thus will no longer require services.

Disclaimer of Information.

Due to the issues addressed above, the Judicial Council is not able to provide definite information regarding Facilities. However, as part of a good faith effort to keep Proposers informed, the Judicial Council has provided this Facility List with the intent to offer as much information as possible regarding the types, sizes, and location of the facilities which will be maintained by the respective Contractor(s). Though the data reflected in this Attachment 2 is the most current data available, it is subject to change at the sole discretion of the Judicial Council. In the event that any amendments relating to this list are provided to the Proposer(s), the amendments themselves are subject to this original Disclaimer of Information. The Judicial Council will make a good faith effort to provide Proposers with updates to this information throughout the proposal process. It is not the intent of the Judicial Council to provide information that intentionally misleads or misguides Proposers.
