Re: CMAR Award for San Diego Central Courthouse

We would like to express our appreciation to all of the Construction Management firms that participated in our Construction Management at Risk selection process. We are aware of that amount of effort, talent and resources necessary to respond to an RFP and to prepare for an interview.

After consideration of the RFQ/RFP submittals and the interviews, the Office of Court Construction and Management with the Superior Court of San Diego County have determined that **Rudolph and Sletten, Inc., San Diego, California** is the highest-ranked candidate to be the Construction Manager at Risk for the San Diego Central Courthouse. Final selection of this firm is pending successful contract negotiations.

Again, we extend our sincere thanks for the participation of all the submitting teams.

Sincerely,

Clifford Ham
Principal Architect
Office of Court Construction and Management
